**Subject: Issues related to the Common Counselling process for admission to CFTIs in academic year 2014 – 2015 – regarding.**

Sir / Madam,

I am directed to refer to this Ministry's Order of even number dated 13<sup>th</sup> March, 2014 vide which the Ministry of Human Resource Development constituted a Technical Committee under the Chairmanship of Prof. Partha P. Chakrabarti, Director, Indian Institute of Technology (IIT), Kharagpur to sort out the process flow differences between the IITs and National Institutes of Technology (NITs) counselling. The aforesaid Committee met twice so far and the meetings were attended by the members / representatives of the National Informatics Centre, New Delhi.

2. In this context, kindly refer to this Ministry letter of even number dated 8<sup>th</sup> September, 2014 vide which the minutes of the recent meeting of the Technical Committee were circulated to all members for information and comments. As resolved by the Technical Committee in its last meeting held on 23.08.2014, NIC was requested to develop the final process flow based on the approach circulated vide aforesaid letter (copy also enclosed).

3. The next meeting of the Technical Committee under the Chairmanship of Prof. Partha P. Chakrabarti, Director, IIT – Kharagpur is scheduled to be held **on 16<sup>th</sup> October, 2014 (Thursday) at 11:00 a.m. in the Board Room of IIT – Delhi** and it has been decided to request NIC to prepare the software for common counseling so that the same could be deliberated upon the aforesaid meeting of the Technical Committee.

Please refer to this Ministry's letter of even number dated 1<sup>st</sup> October, 2014 vide which the National Informatics Centre (NIC) was requested to develop the software for common counseling to address the final process flow based on the approach as per decision taken by the Technical Committee in its 2<sup>nd</sup> meeting held on 23.08.2014 which identified NIC as the implementing partner for common seat allocation for 2015 - 2016. A copy of the letter of MHRD in this regard is enclosed.

2. The Technical Committee has since submitted its final report recommending thereby common counseling from the academic year 2015 - 2016 through Joint Seat Allocation. The report of the Committee was deliberated in the meeting of stakeholders implementing Joint Entrance Examination (JEE) on 12.01.2015 wherein the NIC's representatives were present. In the said meeting, it has been decided that NIC will take care of developing software for Common Counseling / Joint Seat Allocation for the academic year 2015 - 2016.

3. You are, therefore, requested to expedite development and testing of software for common counseling to address the process flow issues for common counseling to be put in place from the academic year 2015 - 2016.

Yours faithfully,

## I. GENERAL

1. Indian Institutes of Technology [IITs] and Indian School of Mines [ISM] offer several academic programs for which admission is on the basis of JEE (Advanced) 2015.

National Institutes of Technology [NITs], Indian Institutes of Information Technology [IIITs or Triple-I-Ts] and a few other technical Institutes funded fully or partially by Central or a State government [Other-GFTIs] offer academic programs for which admission is on the basis of JEE (Main) 2015.

ELIGIBILITY TABLE		
Qualifying Examination	Admitting Institutes	
JEE (Advanced) 2015	IITs ISM	
JEE (Main) 2015 Paper-1 (B.E. / B.Tech.)		NITs IIITs (Triple-I-Ts) Other-GFTIs
JEE (Main) 2015 Paper-2 (B.Arch. / B. Planning)		
Qualifying in the above mentioned examinations does not guarantee admission in any of the Institute. Each Institute / academic program has additional eligibility requirements. Candidates have to meet all the eligibility requirements to obtain admission.		

The names of IITs, ISM, NITs, IIITs (Triple-I-Ts) and Other-GFTIs are listed in Annexure 1.

The academic programs, along with the category-wise intake capacity, have been announced on the online portal <https://josaa.nic.in>.

The business rules stated herein will be followed for allocating seats for the above referenced academic programs for the academic year 2015-16.

2. A candidate chooses and applies to a series of academic programs in a certain order of priority.

In the context of seat allocation, “academic program” refers to the combination of academic program and Institute. For example, 4-year B.Tech. in Computer Science and Engineering at IIT Bombay is referred to as an “academic program”. Another example of an academic program is 4-year B.Tech. in Biotechnology at NIT Calicut.

A seat to the highest possible choice of academic program is allocated to the candidate considering the following factors:

- (i) The category [GEN, OBC-NCL, SC, etc.] of the candidate
- (ii) The position of the candidate in rank list(s)
- (iii) The prioritization of academic programs by the candidate
- (iv) The availability of seats in different seat categories / seat quotas for which the candidate is eligible for
- (v) The business rules

## **II. ENTITIES**

3. The Joint Admission Board, JEE (Advanced) 2015 [JAB 2015]
  - (i) Conducts JEE (Advanced) 2015 and
  - (ii) Frames the policies and norms for seat allocation to IITs and ISM.

The JEE Apex Board conducts JEE (Main) 2015.

The Central Seat Allocation Board [CSAB] 2015 frames the policies and norms for seat allocation to NITs, IIITs (Triple-I-Ts) and Other-GFTIs.

Joint Seat Allocation Authority [JoSAA] 2015 consists of representatives from the JAB 2015 and CSAB 2015.

No agency other than JoSAA 2015 is responsible for joint seat allocation. Candidates seeking information / assistance from any agency / agent other than JoSAA 2015 shall be doing so at their own risk and cost. There is only ONE official JoSAA 2015 website viz., <http://josaa.nic.in> [same as <http://www.josaa.nic.in>].

### III. CANDIDATES WHO CAN PARTICIPATE IN JOINT SEAT ALLOCATION

4. Each and every candidate who satisfies one or more of the following criteria is eligible for participation in joint seat allocation:

<p>Criterion (i): Qualified in JEE (Advanced) 2015 for academic programs [excluding the preparatory courses] at IITs and ISM <b>AND</b> satisfies the “Performance in Class XII (or equivalent) examination”* criteria as given in Annexure 3.</p>
<p>Criterion (ii): Qualified in JEE (Advanced) 2015 for preparatory courses at IITs and ISM <b>AND</b> satisfies the “Performance in Class XII (or equivalent) examination”* criteria as given in Annexure 3.</p>
<p>Criterion (iii): Secured a rank in JEE (Main) 2015 Paper-1 (B.E./B.Tech.) <b>AND</b> has obtained 45% [for GEN] or 40% [for OBC-NCL, SC, ST, PwD] aggregate marks in the Class XII (or equivalent) examination*.</p> <p>Marks obtained in the following five subjects will be considered for calculating the aggregate marks: any one language, Mathematics, Physics, any one of [Chemistry, Biology, Biotechnology or technical vocational subject] and any other fifth subject.</p>
<p>Criterion (iv): Secured a rank in JEE (Main) 2015 Paper-2 (B.Arch./B. Planning) <b>AND</b> has Mathematics as one of the subjects in Class XII (or equivalent) examination* <b>AND</b> has obtained 50% aggregate marks [irrespective of whether the candidate belongs to the GEN, OBC-NCL, SC, ST or PwD category] in total five subjects including Mathematics.</p>

\*Class XII and equivalent examinations are given in Annexure 4.

#### IV. PARTITIONING OF CANDIDATES

5. For the purpose of seat allocation, qualified candidates are partitioned into different categories based on (birth) categories, presence or absence of disability and nationality. On the basis of such a partition, each candidate is assigned a category tag as given below.

- (i) Category tag **GEN**: This is assigned to Indian nationals who do NOT belong to OBC-NCL, SC or ST category (or who fail to produce valid OBC-NCL, SC or ST certificate) and are NOT Persons with Disabilities.
- (ii) Category tag **GEN-PwD**: This is assigned to Indian nationals who do NOT belong to OBC-NCL, SC or ST category (or who fail to produce valid OBC-NCL, SC or ST certificate) and are Persons with Disabilities. Candidates must produce a valid PwD certificate to be assigned this tag.
- (iii) Category tag **OBC-NCL**: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are NOT Persons with Disabilities. Candidates must produce a valid OBC-NCL certificate to be assigned this tag. The backward class must be in the Central List of OBCs.
- (iv) Category tag **OBC-NCL-PwD**: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are Persons with Disabilities. Candidates must produce valid OBC-NCL and PwD certificates to be assigned this tag. The backward class must be in the Central List of OBCs.

Thus, candidates belonging to the Non-Creamy Layer of Other Backward Classes are divided into two mutually exclusive categories and are assigned either one of the tags OBC-NCL or OBC-NCL-PwD.

- (v) Category tag **SC**: This is assigned to Indian nationals who belong to Scheduled Castes and are NOT Persons with Disabilities. Candidates must produce a valid SC certificate to be assigned this tag.

- (vi) Category tag **SC-PwD**: This is assigned to Indian nationals who belong to Scheduled Castes and are Persons with Disabilities. Candidates must produce valid SC and PwD certificates to be assigned this tag.

Thus, candidates belonging to the scheduled castes are divided into two mutually exclusive categories and are assigned either one of the tags SC or SC-PwD.

- (vii) Category tag **ST**: This is assigned to Indian nationals who belong to Scheduled Tribes and are NOT Persons with Disabilities. Candidates must produce a valid ST certificate to be assigned this tag.

- (viii) Category tag **ST-PwD**: This is assigned to Indian nationals who belong to Scheduled Tribes and are Persons with Disabilities. Candidates must produce valid ST and PwD certificates to be assigned this tag.

Thus, candidates belonging to the scheduled tribes are divided into two mutually exclusive categories and are assigned either one of the tags ST or ST-PwD.

- (ix) Category tag **Foreign**: This is assigned to candidates who are NOT Indian nationals.

6. For candidates who have qualified in JEE (Advanced) 2015, the category of a candidate as entered in the database provided by the JEE apex board [which conducted JEE (Main) 2015] will be considered based on document verification by the Joint Admission Board 2015.
7. For candidates who have NOT registered for JEE (Advanced) 2015, category tag is assigned based on the candidate's declaration in the JEE (Main) 2015 registration portal.
8. For the purpose of allocating seats for NITs and Other-GFTIs, candidates are also assigned a state code of eligibility.

(A) State code of eligibility means the code of the state from where the candidate has passed Class XII (or equivalent) examination by virtue of which the candidate becomes eligible to appear in JEE (Main) 2015. The

codes of the states are same as those given in the JEE (Main) 2015 Information Bulletin.

It is important to note that the state code of eligibility does NOT depend upon the native place or the place of residence of the candidate. For example, if a candidate appears for the Class XII examination in New Delhi and is a resident of NOIDA, Uttar Pradesh, the candidate's state code of eligibility will be that of Delhi and NOT that of Uttar Pradesh.

(B) If a candidate has passed Class XII (or equivalent) examination from one state but appeared for improvement from another state, the candidate's state code of eligibility will be from where the candidate first passed the Class XII (or equivalent) examination and NOT the state from where the candidate has appeared for improvement.

(C) For Indian nationals passing the Class XII (or equivalent) examination from an institution abroad, the state code of eligibility will be determined on the basis of permanent address in India as given in the passport of the candidate.

For Indian nationals passing the Class XII (or equivalent) examination from Nepal/Bhutan, the state code of eligibility will be determined on the basis of permanent address in India as given in the passport of the candidate.

## **V. SEAT CATEGORIES**

9. The total intake for an academic program is divided into different seat categories. These are OPEN, OBC-NCL, SC, ST, OPEN-PwD, OBC-NCL-PwD, SC-PwD and ST-PwD.

10. The category tags of candidates who are eligible for various seat categories are as shown in the table below:

<b>Seat category</b>	<b>Category tag(s) of eligible candidates</b>
OPEN	GEN, OBC-NCL, SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD
OBC-NCL	OBC-NCL and OBC-NCL-PwD
SC	SC and SC-PwD
ST	ST and ST-PwD
OPEN-PwD	GEN-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD
OBC-NCL-PwD	OBC-NCL-PwD
SC-PwD	SC-PwD
ST-PwD	ST-PwD

11. In addition to the division of seat categories as described above, seats for academic programs offered by NITs, Birla Institute of Technology, Mesra and Indian Institute of Engineering Science and Technology, Shibpur are divided into Home State quota and Other States quota. "Other States Quota" includes all the States and Union Territories EXCEPT the Home State [or Home Union Territory].

Seats for academic programs offered by Assam University, Silchar are divided into Home State quota and All India quota.

Home State quota is ONLY for candidates whose Home State, as determined by the State Code of Eligibility, is same as the state in which the institute is located.

In all the Institutes not mentioned above, there is only one seat quota viz., All India quota.

**Eligibility of candidates for different seat quotas in NITs and three of the Other-GFTIs**

<b>Institute</b>	<b>Quota</b>	<b>Eligible Candidates</b>
NITs, Birla Institute of Technology, Mesra and Indian Institute of Engineering Science and Technology, Shibpur	Home State Quota	Candidates whose Home State is same as the State in which the Institute is located*
	Other States Quota	Other States candidates i.e., candidates whose Home State is different from the State in which the Institute is located
Assam University, Silchar	Home State Quota	Candidates whose Home State is same as the State in which the Institute is located
	All India Quota	All candidates (including the Home State candidates)

\*For states and union territories without an NIT, Home State quota will be in the NITs shown below:

Andaman and Nicobar Islands	NIT Puducherry
Lakshadweep	NIT Goa
Daman and Diu	NIT Goa
Dadra and Nagar Haveli	NIT Goa
Chandigarh	NIT Delhi

12. Supernumerary seats for the Union Territories of Andaman & Nicobar Islands, Dadra & Nagar Haveli, Daman & Diu, and Lakshadweep islands will be in the NITs shown below:

Andaman and Nicobar Islands	NIT Durgapur
Lakshadweep	NIT Calicut
Daman and Diu	NIT Surat
Dadra and Nagar Haveli	NIT Surat

There will be a separate round of seat allocation for these Union Territories after the fourth round of seat allocation and seat acceptance under JoSAA. The schedule for this round will be announced in due course of time.

13. Candidates who successfully appeared for the Class XII examination conducted by the Andhra Pradesh Board of Intermediate Education in March/April 2013 and March/April 2014 from a school located in Telangana have to choose Telangana as their Home State and their Class XII certificate issued by the Andhra Pradesh Board of Intermediate Education for the year 2013 or 2014 will be accepted as valid.
14. The number of seats available in different categories / quotas (seat matrix) has been announced in the online portal <http://josaa.nic.in>.

JoSAA 2015 allocates seats as per the seat matrix data provided by the participating Institutes. These Institutes provide the seat matrix data taking into consideration the reservation and other policies applicable to them / decided by them. JoSAA 2015 is NOT responsible for the seat matrix data.

## **VI. RANK LISTS**

15. The following **TYPES** of rank lists will be prepared:
  - (i) Common rank list (CRL): It includes candidates who are assigned the tag GEN, GEN-PwD, OBC-NCL, OBC-NCL-PwD, SC, SC-PwD, ST or ST-PwD.  
  
Foreign nationals are also included in the CRL prepared based on JEE (Advanced) 2015.
  - (ii) OBC-NCL rank list: It includes candidates who are assigned the tag OBC-NCL or OBC-NCL-PwD.
  - (iii) SC rank list: It includes candidates who are assigned the tag SC or SC-PwD.
  - (iv) ST rank list: It includes candidates who are assigned the tag ST or ST-PwD.
  - (v) CRL-PwD rank list: It includes candidates who are assigned the tag GEN-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD.

- (vi) OBC-NCL-PwD rank list: It includes candidates who are assigned the tag OBC-NCL-PwD.
  - (vii) SC-PwD rank list: It includes candidates who are assigned the tag SC-PwD.
  - (viii) ST-PwD rank list: It includes candidates who are assigned the tag ST-PwD.
16. [Only for IITs and ISM] The following rank lists have been prepared to include candidates who have secured at least 1.75% in each of the three subjects **AND** at least 6.125% aggregate in JEE (Advanced) 2015 **AND** are **NOT** in any of the other rank lists prepared based on JEE (Advanced) 2015. The following rank lists will be used for admission into the preparatory courses offered by IITs and ISM. Additional information about the preparatory courses is given in Annexure 5.
- (i) ST preparatory course rank list: This rank list includes candidates who are assigned the ST or ST-PwD tag.
  - (ii) CRL-PwD preparatory course rank list: This rank list includes candidates who are assigned the GEN-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD tag.
  - (iii) OBC-NCL-PwD preparatory course rank list: This rank list includes candidates who are assigned the OBC-NCL-PwD tag.
  - (iv) SC-PwD preparatory course rank list: This rank list includes candidates who are assigned the SC-PwD tag.
  - (v) ST-PwD preparatory course rank list: This rank list includes candidates who are assigned the ST-PwD tag.
17. [Only for IITs and ISM] Rank lists for admission to IITs and ISM are prepared based on the performance of candidates in JEE (Advanced) 2015 by the JAB.

The qualifying marks a candidate has to score in JEE (Advanced) 2015 for inclusion in various rank lists are as shown below. For inclusion in any of

the rank lists, the candidates must satisfy the corresponding minimum marks in each of the three subjects (viz., Physics, Chemistry and Mathematics) as well as the aggregate marks. Other business rules pertaining to rank lists prepared by the JAB are given in Annexure 6.

<b>Rank List (for IITs and ISM)</b>	<b>Minimum percentage of marks in each subject</b>	<b>Minimum percentage of aggregate marks</b>
Common rank list (CRL)	7.00	24.500
OBC-NCL rank list	6.30	22.050
SC rank list	3.50	12.250
ST rank list	3.50	12.250
CRL-PwD rank list	3.50	12.250
OBC-NCL-PwD rank list	3.50	12.250
SC-PwD rank list	3.50	12.250
ST-PwD rank list	3.50	12.250
Preparatory course rank lists	1.75	6.125

18. Rank lists for admission to NITs, IIITs (Triple-I-Ts) and Other-GFTIs are prepared by the JEE Apex Board as follows:
- (i) One set of eight rank lists based on the performance of candidates in JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) and Class XII (or equivalent) examination.
  - (ii) Another set of eight rank lists based on the performance of candidates in JEE (Main) 2015 Paper-2 (B.Arch. / B.Planning) and Class XII (or equivalent) examination.

All the candidates who appeared for JEE (Main) 2015 are considered while preparing rank lists and are allowed to fill-in their choices. The rank lists provided by the JEE Apex Board will be used as such without any change even if two or more candidates have the same rank; in other words, JoSAA 2015 will NOT apply any tie-breaking norms / rules.

19. A candidate may appear in one or more rank lists.

## VII. SEQUENCE IN WHICH SEAT CATEGORIES ARE CONSIDERED FOR SEAT ALLOCATION

20. The table given below shows the business rules for seat allocation for the following:
- (i) All candidates to academic programs at the IITs
  - (ii) All candidates to academic programs at the ISM
  - (iii) All candidates to academic programs at the IIITs (Triple-I-Ts)
  - (iv) All candidates to academic programs at Other-GFTIs except Assam University Silchar, Birla Institute of Technology Mesra and Indian Institute of Engineering Science and Technology, Shibpur
  - (v) Home State candidates to academic programs at the NITs, Birla Institute of Technology Mesra and Indian Institute of Engineering Science and Technology Shibpur
  - (vi) Other States candidates to academic programs at the NITs, Birla Institute of Technology Mesra and Indian Institute of Engineering Science and Technology Shibpur
  - (vii) All candidates, excluding those whose Home State is Assam, to academic programs at Assam University, Silchar

## **VIII. MULTIPLE STUDENT – SAME RANK RULE**

23. Suppose that, under a particular seat category for an academic program,
- (i) there are  $m > 0$  seats left to be filled and
  - (ii) there are  $n$  ( $m < n$ ) candidates with the same category-wise rank seeking admission to this academic program,
- then all the  $n$  candidates will be offered admission; in this case, there will be  $(n - m)$  supernumerary seats.

## **IX. [ONLY FOR IITs AND ISM] SEAT ALLOCATION FOR DS CANDIDATES**

24. Two (2) seats are preferentially allocated in every Institute under the DS category.

A candidate must be in the CRL to be eligible for preferential allocation under the DS category.

Candidates who are eligible for seat allocation under the DS category will also be considered under their (birth) category [viz., GEN, OBC-NCL, SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD and ST-PwD]. For example, if a candidate belongs to the OBC-NCL category and is also eligible for admission under the DS category, then the candidate will be considered for seat allocation as a DS candidate as well as under the OBC-NCL category.

## **X. [ONLY FOR IITs AND ISM] SEAT ALLOCATION FOR FOREIGN NATIONALS**

25. Seats to be allocated to foreign nationals can be supernumerary.
26. For consideration for seat allocation, foreign nationals should be in the CRL and satisfy all the eligibility requirements meant for a GEN category candidate.
27. Foreign nationals will be allocated seats of their choice if their CRL rank is better (or higher) than or same as the closing rank [of Indian nationals for the respective academic program].

28. In an academic program, suppose there are  $m$  seats under the OPEN category for an academic program. Only  $n$  seats ( $n < m$ ) have been allocated and no more “Indian national” candidates have opted for this academic program. If a foreign national has opted for this program, a seat will be allocated irrespective of this candidate’s rank.

[Only for NITs, IIITs (Triple-I-Ts) and Other-GFTIs] Admission to foreign nationals is not through the JEE (Main) channel and hence is not in the purview of JoSAA 2015.

## **XI. [ONLY FOR IITS AND ISM] SEAT ALLOCATION TO PREPARATORY COURSES**

29. The following business rules for seat allocation to preparatory courses will be applicable for every round of seat allocation. In the case of IITs and ISM, seat allocation in the 4<sup>th</sup> round will be made only for preparatory courses.

(A) Unfilled OPEN-PwD seats will be allocated to candidates in the CRL-PwD preparatory rank list subject to the following two conditions:

- (i) No more candidates in the CRL-PwD rank list have opted for it and
- (ii) The CRL-PwD preparatory rank list has been prepared.

(B) Unfilled OBC-NCL-PwD seats will be allocated to candidates in the OBC-NCL-PwD preparatory rank list subject to the following two conditions:

- (i) No more candidates in the OBC-NCL-PwD rank list have opted for it and
- (ii) The OBC-NCL-PwD preparatory rank list has been prepared.

(C) Unfilled SC-PwD seats will be allocated to candidates in the SC-PwD preparatory rank list subject to the following two conditions:

- (i) No more candidates in the SC-PwD rank list have opted for it and
- (ii) The SC-PwD preparatory rank list has been prepared.

(D) Unfilled ST-PwD seats will be allocated to candidates in the ST-PwD preparatory rank list subject to the following two conditions:

- (i) No more candidates in the ST-PwD rank list have opted for it and
- (ii) The ST-PwD preparatory rank list has been prepared.

(E) Unfilled SC seats will be allocated to candidates in the SC preparatory rank list subject to the following two conditions:

- (i) No more candidates in the SC rank list have opted for it and
- (ii) The SC preparatory rank list has been prepared.

(F) Unfilled ST seats will be allocated to candidates in the ST preparatory rank list subject to the following two conditions:

- (i) No more candidates in the ST rank list have opted for it and
- (ii) The ST preparatory rank list has been prepared.

## **XII. DE-RESERVATION OF UNFILLED SEATS FOR AN ACADEMIC PROGRAM**

30. Unfilled OBC-NCL category seats will be de-reserved and treated as OPEN category seats for allocation in every round of seat allocation. However, unfilled SC and ST category seats will NOT be de-reserved.

31. The following rules for de-reservation of seats will be applicable for every round of seat allocation. In the case of academic programs offered by IITs and ISM, these are applicable AFTER seat allocation for preparatory courses in every round of seat allocation [except the 4<sup>th</sup> round which is exclusively for preparatory courses].

(A) Unfilled OPEN-PwD category seats for an academic program will be de-reserved and treated as OPEN category seats for allocation.

(B) Unfilled OBC-NCL-PwD category seats for an academic program will be de-reserved and treated as OBC-NCL category seats for allocation.

(C) Unfilled SC-PwD category seats for an academic program will be de-reserved and treated as SC category seats for allocation.

(D) Unfilled ST-PwD category seats for an academic program will be de-reserved and treated as ST category seats for allocation.

## **XIII. UPGRADATION OF SEAT CATEGORY AFTER THE FIRST ROUND OF SEAT ALLOCATION**

32. As indicated in Business Rules #20, #21 and #22, candidates may become eligible for seat allocation in more than one seat category depending

upon their category tag and rank lists in which they appear. If the allocated seat is not in the #1 seat category, in subsequent rounds of seat allocation, candidates will be automatically considered for upgradation of seat category.

Meaning of “upgradation of seat category”: Suppose a candidate with the category tag SC-PwD has been allocated a seat under the seat category SC-PwD. Also, suppose that this candidate appears in three rank lists: CRL-PwD, SC and SC-PwD. For this candidate, in subsequent rounds of seat allocation, an attempt will be made to offer a seat in the seat category SC or OPEN-PwD.

33. The academic program / Institute allocated to a candidate will NOT change because of upgradation of seat category.

#### **XIV. CHANGE OF PERSONAL AND OTHER DETAILS**

31. Candidates will NOT be allowed to change their personal details such as name, father’s / mother’s / guardian’s name, date of birth, Class XII (or equivalent) examination board and (birth) category.

#### **XV. FILLING-IN OF CHOICES OF ACADEMIC PROGRAMS**

32. For filling-in of choices of academic programs in various Institutes, candidates should login to the portal <http://josaa.nic.in> using the JEE (Main) 2015 Roll Number and password.
33. Filling-in of choices on the online portal is free of cost i.e., candidates are NOT required to pay any fee.
34. A candidate may be eligible for seat allocation based on one, two or all three examinations viz., JEE (Advanced) 2015, JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) and JEE (Main) 2015 Paper-2 (B.Arch. / B.Planning).

Even for candidates who are eligible to participate in Joint Seat Allocation based on any two or all three of the above examination, only ONE seat from among the choices filled-in is made available. Hence, it is important for candidates to carefully prioritize the academic programs while filling-in the choices.

35. Candidates are given a 5-day window to fill-in their choices [see the timeline in Annexure 2] which includes mock seat allocation on the 4<sup>th</sup> day. This 5-day window will not be extended under any circumstance.

Candidates should take advantage of the mock seat allocation and choose as many academic programs as possible in the order of preference.

36. Candidates MUST “lock” their choices after mock seat allocation. If candidates do NOT lock their choices, last saved choices will be locked automatically in the last minute of last date of choice filling. Candidates will NOT be able to change their choices / preference order any more.

## **XVI. PROVISIONAL OFFER OF SEAT AND ITS CONFIRMATION**

37. A candidate who has been allocated a seat is allowed to download the “Provisional Seat Allocation Letter” and an e-challan for remittance of seat acceptance fee.
38. Admission fee varies across the Institutes / category of candidates. Hence, at the time of seat acceptance, candidates have to remit only the seat acceptance fee. The seat acceptance fee will be adjusted against the admission fee by the admitting institute.

### Seat Acceptance Fee:

₹ 45,000 for candidates with the category tag GEN, OBC-NCL or Foreign national and ₹ 20,000 for candidates with the category tag SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD.

39. Candidates should (i) remit seat acceptance fee using the e-challan and (ii) report at a Reporting Center for document verification before the last date/time specified [see Annexure 2 for the timeline]. Failure to report in person for seat acceptance will be considered as if the candidate has rejected the offer.

Seat will be confirmed by the Reporting Centre after verification of the original documents and ensuring that the candidate meets all the eligibility norms [see Annexures 7 to 9].

Seat will be cancelled if, at any time, any of the documents / certificates is found to be invalid / fraudulent and/or the candidate does not meet all the eligibility norms.

40. Option to reject (or not accept) the allocated seat: Candidates who want to reject the allocated seat can do so as follows:
  - (i) By NOT remitting the seat acceptance fee [and hence, not report at the reporting center]
  - (ii) If the seat acceptance fee has already been remitted, by not reporting at the Reporting Center. Seat acceptance fee will be refunded to such candidates.
41. There is no option to withdraw from seat allocation or to surrender an allocated seat other than by rejecting the seat as mentioned above
42. Candidates who reject allocated seat cannot participate any more in Joint Seat Allocation for the ensuing academic year 2015-16.

## **XVII. REPORTING CENTERS FOR DOCUMENT VERIFICATION**

43. Candidates should report in person at a Reporting Center for document verification before the date/time specified for document verification and get the seat confirmed. The list of reporting centres is available on the online portal <http://josaa.nic.in>.

Candidates who are allocated a seat in an NIT, IIIT (Triple-I-T) or Other-GFTI has to report only at a reporting center of NIT, IIIT (Triple-I-T) and Other-GFTI.

Candidates who are allocated a seat in an IIT or ISM have to report only at a reporting center of the IITs.

## **XVIII. REPORTING AT THE ADMITTING INSTITUTE**

44. At the conclusion of four rounds of joint seat allocation and seat acceptance, candidates will have to report at the admitting institute, complete all the admission formalities of the Institute, get the admission confirmed and begin the academic session.

[NITs, IIITs (Triple-I-Ts) and Other-GFTIs] Reporting schedule at the admitting Institute is as given in Annexure 2.

[IITs and ISM] Reporting schedules at the admitting Institute will be announced on the web sites viz., <http://jeeadv.iitb.ac.in> and <http://josaa.nic.in>.

## **XIX. REMITTANCE OF SEAT ACCEPTANCE FEE**

45. Candidates should use the e-challan downloaded from the JoSAA portal for paying the seat acceptance fee in any branch of State Bank of India.

An e-challan is similar in purpose to a challan used in a bank to deposit money. It will have all the details filled in by the online portal and will have three identical parts (i.e., the challan will be in triplicate). One copy will be retained by the bank; candidate retains one copy and submits one copy to the reporting center.

46. Candidates have to remit seat acceptance fee only once. Thus, candidates who are allocated another seat [because they chose the float or slide option] do NOT have to pay seat acceptance fee again.
47. Candidates who remit seat acceptance fee and do not report in a reporting centre will be treated as rejecting the offer. The seat will be cancelled and the candidate will be excluded from further rounds of seat allocation. Such candidates may seek refund of seat acceptance fee through the JoSAA portal after the completion of the joint seat allocation.
48. Seat acceptance fee, once paid, is not refundable except when the candidate does not report in person at a reporting center after paying seat acceptance fee.

## **XX. FREEZE, FLOAT AND SLIDE OPTIONS**

49. At the time of accepting the seat, a candidate can opt to 'freeze', 'slide' or 'float' the choice of academic program for subsequent round(s), if any, of joint seat allocation.

(A) Freezing: Candidates accept the offered seat and indicate that they are content with the allocated academic program and that they do not want to participate in further rounds of seat allocation. Such candidates will NOT be considered in subsequent rounds of admission.

(B) Floating: Candidates accept the offered seat and indicate that, if admission to an academic program of better/higher preference in any Institute is offered, they will accept it. Else, they will continue with the currently accepted academic program. Such candidates will be considered in subsequent rounds of admission.

(C) Sliding: Candidates accept the offered seat and indicate that, if admission to an academic program of better / higher preference is offered within the same Institute, they will accept it. Such candidates will be considered in subsequent rounds of admission.

(D) For candidates who choose the float or slide option, allocation of a seat in an academic program of his/her higher preference would automatically result in the forfeiture of the seat accepted by the candidate in the earlier round.

50. Sliding and floating options will be available to only those candidates who are NOT offered admission to their first choice.
51. Sliding and floating options are NOT available in the last round of seat acceptance.

#### **XIV. DUAL REPORTING FOR DOCUMENT VERIFICATION**

52. This is applicable to candidates

(i) who choose the float or slide option,

(ii) are allocated a seat in an IIT / ISM in one round and in an NIT / IIIT (Triple-I-T) or Other-GFTI in a subsequent round

OR

are allocated a seat in an NIT / IIIT (Triple-I-T) or Other-GFTI in one round and in an IIT/ISM in a subsequent round.

Such candidates must report in person once again (i.e., for the second time).

If not, candidates will neither have the seat accepted the first time nor the seat allocated in the subsequent round. These candidates will not be allowed to participate in joint seat allocation in any of the subsequent rounds, if any.

## **XV. CHANGE OF CLASS XII MARKS**

53. It is possible that the Class XII marks of a candidate are revised [due to re-totaling, re-evaluation, etc.] by the Class XII examination board AFTER the declaration of JEE (Main) 2015 ranks and joint seat allocation begins. The following business rules apply consequent to such a revision of marks:

### Applicable for IITs and ISM

(A) Due to revision of marks, if a candidate becomes ineligible because of not satisfying the “Performance in Class XII (or equivalent) examination” requirement [Annexure 3], then the candidate will be made ineligible at the time of seat acceptance / document verification, or even at a later stage.

(B) Due to revision of marks, if a candidate satisfies the “Performance in Class XII (or equivalent) examination” and becomes eligible for admission, then such a candidate has to approach a reporting center with the revised marks sheet / transcript. The candidate will be allocated a seat in subsequent rounds. The allocated seat shall be the same as what the candidate would have got on the basis of revised marks were considered to begin with. This can be a supernumerary seat.

(C) If a candidate who was eligible continues to be eligible even after revision of Class XII marks, there will not be any change in seat allocation.

### Applicable for NITs, IIITs (Triple-I-Ts) and Other-GFTIs

(D) A change in the marks of the Class XII (or equivalent) examination may lead to a change in the position of the candidate in the rank lists prepared based on JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) and/or JEE (Main) 2015 Paper-2 (B.Arch. / B.Planning). In this case, the candidate has to approach

the JEE Apex Board for the modified JEE (Main) 2015 AIR(s). The candidate will be allocated a seat in subsequent rounds. The allocated seat shall be the same as what the candidate would have got on the basis of revised marks were considered to begin with. This can be a supernumerary seat.

## **XVI. DOCUMENT VALIDITY / VERIFICATION**

54. During the process of document verification, if the mismatch between the document uploaded on the JEE (Advanced) 2015 registration site and produced by the candidate is found to be due to willful forgery / act of cheating, offer of admission will be withdrawn and the candidate is debarred from further rounds of seat allocation.
55. For candidates whose category document is found to be invalid OR who do not produce a (valid) category document [as per the format given in Annexures], the category tag will be changed (for the purpose of seat allocation) as shown below:

<b>Category tag</b>		<b>Reason</b>
<b>assigned</b>	<b>changed to</b>	
GEN-PwD	GEN	Invalid PwD certificate
OBC-NCL-PwD	OBC-NCL	Invalid PwD certificate but valid OBC-NCL certificate
OBC-NCL-PwD	GEN-PwD	Valid PwD certificate but invalid OBC-NCL certificate
OBC-NCL-PwD	GEN	Both PwD and OBC-NCL certificates are invalid
SC-PwD	SC	Invalid PwD certificate but valid SC certificate
SC-PwD	GEN-PwD	Valid PwD certificate but invalid SC certificate
SC-PwD	GEN	Both PwD and SC certificates are invalid
ST-PwD	ST	Invalid PwD certificate but valid ST certificate
ST-PwD	GEN-PwD	Valid PwD certificate but invalid ST certificate
ST-PwD	GEN	Both PwD and ST certificates are invalid
OBC-NCL	GEN	Invalid OBC-NCL certificate
SC	GEN	Invalid SC certificate
ST	GEN	Invalid ST certificate

56. If the documents are found to be invalid for reasons other than willful forgery / act of cheating, then the following rules will be applied in addition to the change of category tag:

(A) If the OBC-NCL, SC, ST, PwD or DS certificate is found to be invalid or not produced **AND** the candidate satisfies all other requirements **AND** the seat is allocated in the OPEN category, then the offer of admission will be confirmed.

(B) If the OBC-NCL certificate is found to be invalid or not produced **AND** the candidate satisfies all other requirements **AND** the seat is allocated in OBC-NCL category, then

(i) Allocated seat will be cancelled.

(ii) The candidate will be considered for seat allocation as a GEN candidate in the next round of seat allocation (if any), provided all other criteria are satisfied [e.g., present in the respective rank list, etc.].

In this case, the candidate will be allocated a seat in the best (in terms of the filled-in choices) possible choice of academic program that has unfilled seats (in other words, supernumerary seats are NOT created).

The rule as stated above in (B) for OBC-NCL will be applied similarly if the DS, SC or ST certificate is found to be invalid or not produced.

(C) If the PwD certificate is found to be invalid or not produced **AND** the candidate satisfies all other requirements **AND** the seat is allocated under the PwD category, then

(i) Allocated seat will be cancelled.

(ii) These candidates will be considered for seat allocation in the next round of seat allocation in their respective parent category (viz., GEN, OBC-NCL, SC or ST), provided all other criteria are satisfied [e.g., present in the respective rank list, etc.].

In this case, the candidate will be allocated a seat in the best (in terms of the filled-in choices) possible choice of academic program that has unfilled seats (in other words, supernumerary seats are NOT created).

57. The following rules will be applied if there is an error in the state code of eligibility:

(A) The state code of eligibility will be corrected in the JoSAA 2015 database.

(B) Retention / cancellation of seat will be as determined by the following table:

Eligibility	Allocated seat quota	Action
Other State quota	Home state quota	Seat will be cancelled
Home State quota	Other state quota	Seat will be cancelled
Other State quota	Other State quota	Seat will NOT be cancelled
All India quota	Home state quota	Seat will be cancelled

(C) Candidate will be considered for seat allocation in subsequent rounds of seat allocation, provided all other requirements are satisfied.

## **XVII. ELIGIBILITY TO APPEAR IN JEE (ADVANCED) IN SUBSEQUENT YEARS**

58. Candidates who reject allocated seat can appear for JEE (Advanced) 2016 provided they meet all other eligibility requirements.
59. Candidates who accept the allocated seat by reporting at the admitting institute or a reporting center, irrespective of whether they attend classes or not, become ineligible for JEE (Advanced) in subsequent years.
60. Candidates whose admission is cancelled for any reason whatsoever become ineligible to appear to JEE (Advanced) in subsequent years.
61. Candidates who produce forged documents or indulge in acts of cheating are debarred from appearing in JEE (Main) and JEE (Advanced) next [and subsequent] year(s).
62. Candidates who are admitted to a preparatory course in any of the IITs or ISM in the academic year 2015-16 can appear in JEE (Advanced) 2016 provided they meet all the other eligibility requirements.

## ANNEXURE 3

### **Performance in Class XII (or equivalent) examination (applicable only for candidates seeking admission to IITs and ISM)**

1. One of the criteria for admission to IITs and ISM is that the candidate should satisfy at least one of these two criteria:
  - (i) The candidate is within the category-wise top 20 percentile of successful candidates in his/her/its respective Class XII (or equivalent) examination.
  - (ii) The candidate has secured 75% (for GEN or OBC-NCL) or 70% (SC, ST or PwD) of aggregate marks in the Class XII (or equivalent) examination.
2. The marks scored in the following five subjects will be considered for calculating the aggregate marks and the qualifying marks for fulfilling the top 20 percentile criterion: (i) Physics, (ii) Chemistry, (iii) Mathematics, (iv) a language (if the candidate has taken more than one language, then the language with the higher marks will be considered), and (v) any subject other than the above four (the subject with the higher marks will be considered).
3. In case any of the subjects Physics, Chemistry, Mathematics and Language are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year will be used for calculating the top 20 percentile qualifying marks and percentage of aggregate marks.
4. Candidates who have failed in one or more subjects in the Class XII (or equivalent) examination in 2014 will have to reappear for all the subjects in 2015.

5. If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case such a certificate is not provided, the decision taken by the Joint Implementation Committee of JEE (Advanced) 2015 will be final.
6. If a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only the Class XII marks will be considered. If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then only the marks scored in the final year will be considered. Similarly, for Boards which follow a semester system, the marks scored in the final two semesters will be considered.
7. If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.
8. The criteria, as specified above, is applicable “in toto” to all the candidates including foreign nationals.

**Regarding the qualifying marks for the top 20 percentile**

9. The category-wise qualifying marks for the top 20 percentile are calculated based on the marks scored by all the “successful” candidates in their respective boards.

10. The qualifying marks for PwD category candidates will be the same as the lowest of the qualifying marks for GEN, OBC-NCL, SC and ST category candidates.
11. The top 20 percentile qualifying marks of the respective Boards in 2014 will be considered for candidates who pass the Class XII (or equivalent) examination in 2014.
12. The top 20 percentile qualifying marks of the respective Boards in 2015 will be considered for candidates who pass the Class XII (or equivalent) examination in 2015 and for those who appeared in 2014 but reappeared in all subjects in 2015 to improve the performance.
13. In case a Board does not provide information about the qualifying marks for the top 20 percentile, the candidate will have to produce a certificate from the respective Board stating that he/she/it falls within the top 20 percentile of successful candidates. If the candidate fails to do so, then the qualifying marks for the CBSE will be used.

**Regarding the aggregate marks of 75% (for GEN and OBC-NCL) or 70% (for SC, ST and PwD)**

14. The marks scored by a candidate in the 2014 Class XII (or equivalent) examination will be considered provided the candidate does not reappear for the Class XII (or equivalent) examination in 2015 in any of the subjects.
15. The marks scored by a candidate in the 2015 Class XII (or equivalent) examination will be considered for candidates who pass the Class XII examination in 2015 and for those who appeared in 2014 but reappeared in 2015.

## ANNEXURE 4

### Class XII and equivalent examinations

1. The final examination of the 10+2 system, conducted by a Central or State Board recognized by the Association of Indian Universities ([www.aiuweb.org](http://www.aiuweb.org)).
2. Intermediate or two-year Pre-University examination conducted by a Board or University recognized by the Association of Indian Universities.
3. Final examination of the two-year course of the Joint Services Wing of the National Defence Academy.
4. Senior Secondary School Examination conducted by the National Institute of Open Schooling with a minimum of five subjects.
5. Any Public School, Board or University examination in India or in a foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).
6. H.S.C. vocational examination.
7. A Diploma recognized by the All India Council for Technical Education ([www.aicte-india.org](http://www.aicte-india.org)) or a State Board of Technical Education of at least 3 years duration.
8. General Certificate Education (GCE) examination (London, Cambridge or Sri Lanka) at the Advanced (A) level.
9. High School Certificate Examination of the Cambridge University or International Baccalaureate Diploma of the International Baccalaureate Office, Geneva.
10. Candidates who have completed Class XII (or equivalent) examination outside India or from a Board not specified above should produce a certificate from the Association of Indian Universities to the effect that the examination they have passed is equivalent to the Class XII examination.

## **ANNEXURE 5**

### **Additional business rules pertaining to preparatory courses**

#### **(applicable only for IITs and ISM)**

1. IITs and ISM conduct preparatory courses of one year duration for SC, ST and PwD candidates. In case the seats reserved for SC, ST and PwD candidates are not filled completely, a limited number of candidates are admitted to a preparatory course of one-year duration on the basis of further relaxation of admission criteria.
2. Admission is given to the candidates in the preparatory course provided (i) the seats reserved for the respective category are vacant, (ii) candidates satisfy the norms for preparatory courses, and (iii) the candidate has NOT accepted offer of admission to preparatory course earlier.
3. On successful completion of the course, the students will be offered direct admission in July 2016 (Academic Year 2016-17) to the already allocated undergraduate course.
4. Candidates admitted to the preparatory course are also eligible to appear for JEE (Advanced) 2016 subject to fulfilling other eligibility criteria.
5. Filling-in of choices for preparatory courses is also through the same online portal.

## **ANNEXURE 6**

### **Additional business rules pertaining to rank lists (applicable only for JEE (Advanced) 2015 rank lists)**

1. Only candidates who appear for both Paper 1 and Paper 2 of JEE (Advanced) 2015 will be considered for ranking.
2. The marks obtained by a candidate in Physics in JEE (Advanced) 2015 will be equal to the marks scored in Physics part of Paper 1 plus the marks scored in Physics part of Paper 2. Marks obtained in Chemistry and Mathematics will be calculated in the same way.
3. The aggregate marks obtained by a candidate in JEE (Advanced) 2015 is the sum of the marks awarded in Physics, Chemistry and Mathematics.
4. Rank lists will be prepared based on the aggregate marks in JEE (Advanced) 2015.
5. If the aggregate marks scored by two or more candidates are same, then the following tie-break policy will be used for awarding ranks:  
(5A) Higher rank will be assigned to the candidate who has obtained higher marks in Mathematics.  
(5B) If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Physics.  
(5C) If there is a tie even after this, candidates will be assigned the same rank.
6. A candidate can appear in more than one rank list subject to the candidate satisfying the minimum marks and category criteria.
7. There will be no waiting list for ranking.

## I. GENERAL

### सामान्य जानकारी

1. Indian Institutes of Technology[IITs] and Indian School of Mines[ISM] offer several academic programs for which admission is on the basis of JEE (Advanced) 2015.

भारतीय प्रौद्योगिकी संस्थानों [IITs] और भारतीय खनि विद्यापीठ [ISM] कई शैक्षणिक कार्यक्रम प्रस्तावित करते हैं जिसमें प्रवेश JEE (Advanced) 2015 के आधार पर है।

National Institutes of Technology [NITs], Indian Institutes of Information Technology[IIITs or Triple-I-Ts] and a few other technical Institutes funded fully or partially by Central or a State government [Other-GFTIs] offer academic programs for which admission is on the basis of JEE (Main) 2015.

राष्ट्रीय प्रौद्योगिकी संस्थान [NIT], भारतीय सूचना प्रौद्योगिकी संस्थान [IIITs or Triple-I-Ts] और केन्द्रीय या राज्य सरकार [अन्य GFTIs] द्वारा पूरी तरह या आंशिक रूप से वित्त पोषित कुछ अन्य तकनीकी संस्थानों के प्रस्तावित शैक्षणिक कार्यक्रमों का प्रवेश JEE (Main) 2015 के आधार पर है।

ELIGIBILITY TABLE/ पात्रता टेबल	
Qualifying Examination/ अर्हक परीक्षा	Admitting Institutes/ दाखिल करने वाले संस्थान
JEE (Advanced) 2015	IITs ISM
JEE (Main) 2015 Paper-1 (B.E. / B.Tech.)	NITs IIITs (Triple-I-Ts) Other-GFTIs
JEE (Main) 2015 Paper-2 (B.Arch. / B. Planning)	
Qualifying in the above mentioned examinations does not guarantee admission in any of the Institute. Each Institute / academic program has additional eligibility requirements. Candidates have to meet all the eligibility requirements to obtain admission. ऊपर दिए गए परीक्षाओं में योग्यता प्राप्त करना, किसी भी संस्थान में दाखिले को प्रत्याभूत नहीं करता। प्रत्येक संस्थान / शैक्षणिक कार्यक्रम के अतिरिक्त पात्रता आवश्यकताएँ होती हैं। उम्मीदवार को दाखिला प्राप्त करने के लिए सभी पात्रता आवश्यकताओं को पूरा करना होगा।	

The names of IITs, ISM, NITs, IIITs (Triple-I-Ts) and Other-GFTIs are listed in

Annexure 1.

IITs, ISM, NITs, IIITs (Triple-I-Ts) और अन्य-GFTIs के नाम अनुबंध 1 में सूचीबद्ध हैं।

The academic programs, along with the category-wise intake capacity, will be announced on the online portal <https://josaa.nic.in> as per the timeline given in Annexure 2.

शैक्षणिक कार्यक्रम और उनकी श्रेणी-वार सेवन क्षमता अनुबंध 2 में दिए गए समय के अनुसार ऑनलाइन पोर्टल <http://josaa.nic.in> में घोषित किए जाएंगे।

The business rules stated herein will be followed for allocating seats for the above referenced academic programs for the academic year 2015-16.

इस विवरणिका में बताए गए कामकाज के नियम शैक्षणिक वर्ष 2015-2016 में उपरोक्त शैक्षणिक कार्यक्रमों में सीटों के आवंटन के लिए अपनाए जाएंगे।

2. A candidate chooses and applies to a series of academic programs in a certain order of priority.

उम्मीदवार प्राथमिकता के एक निश्चित क्रम में शैक्षणिक कार्यक्रमों की एक श्रृंखला के विकल्प चुनकर उनके लिए आवेदन करते हैं।

In the context of seat allocation, “academic program” refers to the combination of academic program and Institute. For example, 4-year B.Tech.in Computer Science and Engineering at IIT Bombay is referred to as an “academic program”. Another example of an academic program is 4-year B.Tech. in Biotechnology at NIT Calicut.

सीट आवंटन के संदर्भ में, “शैक्षणिक कार्यक्रम”, शैक्षणिक कार्यक्रम और संस्थान के संयोजन को दर्शाता है। उदाहरण के लिए, IIT Bombay में कंप्यूटर विज्ञान और इंजीनियरिंग के 4 साल के B.Tech को एक “शैक्षणिक कार्यक्रम” के रूप में जाना जाता है। “शैक्षणिक कार्यक्रम” का एक अन्य उदाहरण NIT Calicut से जैव प्रौद्योगिकी में 4 साल का B.Tech.।

A seat to the highest possible choice of academic program is allocated to the candidate considering the following factors:

निम्नलिखित कारकों पर विचार कर शैक्षणिक कार्यक्रम का उच्चतम संभव विकल्प उम्मीदवार को आवंटित किया जाता है:

- (i) The category [GEN, OBC-NCL, SC, etc.] of the candidate  
उम्मीदवार की श्रेणी [GEN, OBC-NCL, SC, etc.]

- (ii) The position of the candidate in rank list(s)  
रैंक सूची में उम्मीदवार की स्थान
- (iii) The prioritization of academic programs by the candidate  
उम्मीदवार द्वारा शैक्षणिक कार्यक्रमों की प्राथमिकता
- (iv) The availability of seats in different seat categories / seat quotas for which the candidate is eligible for  
अलग सीट श्रेणियों / सीट कोटा में सीटों की उपलब्धता, जिसके लिए उम्मीदवार पात्र है।
- (v) The business rules  
कामकाज के नियम

## II. ENTITIES

### संस्थाएं

#### 3. The Joint Admission Board, JEE (Advanced) 2015 [JAB 2015]

संयुक्त प्रवेश बोर्ड [JAB], JEE (Advanced) 2015

- (i) Conducts JEE (Advanced) 2015 and  
JEE (Advanced) 2015 परीक्षा का आयोजन करता है और
- (ii) Frames the policies and norms for seat allocation to IITs and ISM.  
IIT और ISM को सीट आवंटन की नीतियों और मानदंडों का गठन करता है।

The JEE Apex Board conducts JEE (Main) 2015.  
JEE सर्वोच्च परिषद JEE (Main) 2015 आयोजित करता है।

The Central Seat Allocation Board [CSAB] 2015 frames the policies and norms for seat allocation to NITs, IIITs (Triple-I-Ts) and Other-GFTIs.

केंद्रीय सीट आवंटन बोर्ड [CSAB] 2015 NITs, IIITs (Triple-I-Ts) और अन्य-GFTIs के सीट आवंटन लिए नीतियों और मानदंडों का गठन करता है।

Joint Seat Allocation Authority [JoSAA] 2015 consists of representatives from the JAB 2015 and CAB 2015.

संयुक्त सीट आवंटन प्राधिकरण [JoSAA] 2015 में JAB 2015 और CAB 2015 से प्रतिनिधि होते हैं।

No agency other than JoSAA 2015 is responsible for joint seat allocation. Candidates seeking information / assistance from any agency / agent other than JoSAA 2015 shall be doing so at their own risk and cost.

JoSAA 2015 के अलावा अन्य कोई एजेंसी संयुक्त सीट आवंटन के लिए जिम्मेदार नहीं है। JoSAA 2015 के अलावा अन्य किसी एजेंसी एजेंट / से जानकारी / सहायता की मांग करने से उम्मीदवार अपने स्वयं के जोखिम और लागत पर करेंगे।

### III. CANDIDATES WHO CAN PARTICIPATE IN JOINT SEAT ALLOCATION

उम्मीदवार जो संयुक्त सीट आवंटन में भाग ले सकते हैं ।

4. Each and every candidate who satisfies one or more of the following criteria is eligible for participation in joint seat allocation:

प्रत्येक उम्मीदवार जो निम्नलिखित मानदंडों में से एक या एक से अधिक संतुष्ट करता है, वह संयुक्त सीट आवंटन में भाग लेने के लिए पात्र है:

Criterion (i): Qualified in JEE (Advanced) 2015 for academic programs [excluding the preparatory courses] at IITs and ISM

मानदंड (i): IITs and ISM में शैक्षणिक कार्यक्रमों के लिए JEE (Advanced) 2015 में [आधार पाठ्यक्रम को छोड़कर] अर्हता प्राप्त की हो।

**AND और**

satisfies the "Performance in Class XII (or equivalent) examination"\* criteria as given in Annexure 3.

अनुबंध 3 में दिए गए "कक्षा बारहवीं (या समकक्ष) की परीक्षा में गुणवत्ता मापदंडों को संतुष्ट करता हो।

Criterion(ii): Qualified in JEE (Advanced) 2015 for preparatory courses at IITs and ISM

मानदंड (ii): JEE (Advanced) 2015 में अर्हता प्राप्त, IIT और ISM में आधार पाठ्यक्रम के लिए।

**AND और**

satisfies the "Performance in Class XII (or equivalent) examination"\* criteria as given in Annexure 3.

अनुबंध 3 में दिए गए "कक्षा बारहवीं (या समकक्ष) की परीक्षा में गुणवत्ता मापदंडों को संतुष्ट करता हो।

Criterion (iii): Secured a rank in JEE (Main) 2015 Paper-1 (B.E./B.Tech.)

मानदंड (iii) JEE (Main) 2015 पेपर-1 (B.E./ B. Tech.) में रैंक प्राप्त किया हो।

**AND और**

has obtained 45% [for GEN] or 40% [for OBC-NCL, SC, ST, PwD] aggregate marks in the Class XII (or equivalent) examination.\*

बारहवीं कक्षा (या समकक्ष) की परीक्षा में 45% [GEN के लिए] or 40% [OBC-NCL, SC, ST, PwD के लिए] कुल अंक प्राप्त किए हो।

Marks obtained in the following five subjects will be considered for calculating the aggregate marks: any one language, Mathematics, Physics, any one of [Chemistry, Biology, Biotechnology or technical vocational subject] and any other fifth subject.

निम्नलिखित पांच विषयों में प्राप्त अंको को सम्मिलित किया जायेगा: एक भाषा, गणित, भौतिकी शास्त्र, [रसायन शास्त्र, जीवविज्ञान, जैव प्रौद्योगिकी या तकनीकी व्यावसायिक विषय] और कोई अन्य पांचवां विषय।

Criterion(iv): Secured a rank in JEE (Main) 2015 Paper-2 (B.Arch./B.Planning)

मानदंड (iv) JEE (Main) 2015 पेपर-2 (B.Arch./ B. Planning) में रैंक प्राप्त किया हो।

**AND और**

Has Mathematics as one of the subjects in Class XII (or equivalent) examination\*

बारहवीं कक्षा (या समकक्ष) परीक्षा में एक विषय गणित होना चाहिए

**AND और**

has obtained 50% aggregate marks [irrespective of whether the candidate belongs to the GEN, OBC-NCL, SC, ST or PwD category] in total five subjects including Mathematics.

गणित सहित कुल पांच विषयों में [भले ही उम्मीदवार GEN, OBC-NCL, SC, ST or PwD श्रेणी का हो कुल अंक 50% प्राप्त किए हो।

\*Class XII and equivalent examinations are given in Annexure 4.

बारहवीं कक्षा और समकक्ष परीक्षाएँ अनुबंध में 4 दिए गए हैं।

#### IV. PARTITIONING OF CANDIDATES

##### उम्मीदवारों की विभाजनकारी

5. For the purpose of seat allocation, qualified candidates are partitioned into different categories based on (birth) categories, presence or absence of disability and nationality. On the basis of such a partition, each candidate is assigned a category tag as given below.

अर्हता प्राप्त उम्मीदवारों को श्रेणी (जन्म पर आधारित), पंजीकरण के समय उम्मीदवार द्वारा भरी गई विकलांगता और राष्ट्रियता की जानकारी, के आधार पर अलग-अलग श्रेणियों में विभाजित किया जायेगा। प्रत्येक उम्मीदवार को इस तरह के एक विभाजन के आधार पर एक वर्ग टैग दिया गया है।

- (i) Category tag **GEN**: This is assigned to Indian nationals who do NOT belong to OBC-NCL, SC or ST category (or who fail to produce valid OBC-NCL, SC or ST certificate) and are NOT Persons with Disabilities.

श्रेणी टैग **GEN** : उन्हें सौंपा जाता है जो भारतीय नागरिक OBC-NCL, SC या ST वर्ग के नहीं हैं (या उचित श्रेणी प्रमाण पत्र प्रस्तुत करने में असफल हैं) और नहीं वे निःशक्तजन हैं।

- (ii) Category tag **GEN-PwD**: This is assigned to Indian nationals who do NOT belong to OBC-NCL, SC or ST category (or who fail to produce valid OBC-NCL, SC or ST certificate) and are Persons with Disabilities. Candidates must produce a valid PwD certificate to be assigned this tag.

श्रेणी टैग **GEN-PwD**: उन्हें सौंपा जाता है जो भारतीय नागरिक OBC-NCL, SC या ST वर्ग के नहीं हैं (या उचित श्रेणी प्रमाण पत्र प्रस्तुत करने में असफल हैं) और निःशक्तजन हैं। इस टैग के लिए उम्मीदवारों को उचित निःशक्तजन प्रमाण प्रस्तुत करना आवश्यक है।

- (iii) Category tag **OBC-NCL**: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are NOT Persons with Disabilities. Candidates must produce a valid OBC-NCL certificate to be assigned this tag. The backward class must be in the Central List of OBCs.

श्रेणी टैग **OBC-NCL**: उन्हें सौंपा जाता है जो भारतीय नागरिक OBC-NCL वर्ग के हैं और विकलांग व्यक्ति नहीं हैं। इस टैग के लिए उम्मीदवारों को उचित OBC-NCL प्रमाण पत्र प्रस्तुत करना आवश्यक है। उनका पिछड़ा वर्ग अन्य पिछड़े वर्ग की केन्द्रीय सूची में होना आवश्यक है ।

- (iv) Category tag **OBC-NCL-PwD**: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are Persons with Disabilities. Candidates must produce valid OBC-NCL and PwD certificates to be assigned this tag. The backward class must be in the Central List of OBCs.

श्रेणी टैग **OBC-NCL-PwD**: उन्हें सौंपा जाता है जो भारतीय नागरिक OBC-NCL वर्ग के हैं और विकलांग भी हैं। इस टैग के लिए उम्मीदवारों को उचित OBC-NCL और PwD प्रमाण पत्र प्रस्तुत करना आवश्यक है। उनका पिछड़ा वर्ग अन्य पिछड़े वर्ग की केन्द्रीय सूची में होना आवश्यक है।

Thus, candidates belonging to the Non-Creamy Layer of Other Backward Classes are divided into two mutually exclusive categories and are assigned either one of the tags OBC-NCL or OBC-NCL-PwD.

इस प्रकार, अन्य पिछड़ा वर्ग के Non-Creamy Layer के उम्मीदवारों को दो परस्पर अनन्य श्रेणियों में विभाजित किया जाएगा और OBC-NCL या OBC-NCL-PwD का टैग दिया जाएगा।

- (v) Category tag **SC**: This is assigned to Indian nationals who belong to Scheduled Castes and are NOT Persons with Disabilities. Candidates must produce a valid SC certificate to be assigned this tag.

श्रेणी टैग **SC**: उन्हें सौंपा जाता है जो भारतीय नागरिक SC वर्ग के हैं और विकलांग व्यक्ति नहीं हैं। इस टैग के लिए उम्मीदवारों को उचित SC प्रमाण पत्र प्रस्तुत करना आवश्यक है।

- (vi) Category tag **SC-PwD**: This is assigned to Indian nationals who belong to Scheduled Castes and are Persons with Disabilities. Candidates must produce valid SC and PwD certificates to be assigned this tag.

श्रेणी टैग **SC-PwD**: जो भारतीय नागरिक SC वर्ग के हैं और विकलांग भी हैं। इस टैग के लिए उम्मीदवारों को उचित SC और PwD प्रमाण पत्र प्रस्तुत करना आवश्यक है।

Thus, candidates belonging to the scheduled castes are divided into two mutually exclusive categories and are assigned either one of the tags SC or SC-PwD.

इस प्रकार, SC उम्मीदवारों दो परस्पर अनन्य श्रेणियों में विभाजित किया जाएगा और SC या SC-PwD का टैग दिया जाएगा।

- (vii) Category tag **ST**: This is assigned to Indian nationals who belong to Scheduled Tribes and are NOT Persons with Disabilities. Candidates must produce a valid ST certificate to be assigned this tag.

श्रेणी टैग **ST**: उन्हें सौंपा जाता है जो भारतीय नागरिक ST वर्ग के हैं और निःशक्तजन व्यक्ति नहीं हैं। इस टैग के लिए उम्मीदवारों को उचित ST प्रमाण पत्र प्रस्तुत करना आवश्यक है।

- (viii) Category tag **ST-PwD**: This is assigned to Indian nationals who belong to Scheduled Tribes and are Persons with Disabilities. Candidates must produce valid ST and PwD certificates to be assigned this tag.

श्रेणी टैग **ST-PwD**: उन्हें सौंपा जाता है जो भारतीय नागरिक ST वर्ग के हैं और निःशक्तजन भी हैं। इस टैग के लिए उम्मीदवार को उचित ST और PwD प्रमाण पत्र प्रस्तुत करना आवश्यक है।

Thus, candidates belonging to the scheduled tribes are divided into two mutually exclusive categories and are assigned either one of the tags ST or ST-PwD.

इस प्रकार, ST उम्मीदवारों दो परस्पर अनन्य श्रेणियों में विभाजित किया जाएगा और ST या ST-PwD का टैग दिया जाएगा।

- (ix) Category tag **Foreign**: This is assigned to candidates who are NOT Indian nationals.

श्रेणी टैग **Foreign**: जो भारतीय नागरिक नहीं हैं उन्हें यह टैग दिया जाएगा।

6. For candidates who have registered for JEE (Advanced) 2015, category tag is assigned based on the candidate's declaration at the time of registration for JEE (Advanced) 2015 **AND** category document verification by the JAB.

जो उम्मीदवार JEE (Advanced) 2015 के लिए पंजीकृत हुए हैं उन्हें श्रेणी टैग JEE (Advanced) 2015 पंजीकरण के समय बयान कि गई श्रेणी और श्रेणी के दस्तावेजों का JAB द्वारा सत्यापन के आधार पर दिया जाएगा।

7. For candidates who have NOT registered for JEE (Advanced) 2015, category tag is assigned based on the candidate's declaration in the JEE (Main) 2015 registration portal.

जो उम्मीदवार JEE (Advanced) 2015 के लिए पंजीकृत नहीं हुए हैं उनके लिए, श्रेणी टैग JEE (Main) 2015 के पंजीकरण पोर्टल में उम्मीदवारों द्वारा की घोषणा के आधार पर दिया जाएगा।

8. For the purpose of allocating seats for NITs and Other-GFTIs, candidates are also assigned a state code of eligibility.

NIT और अन्य GFTIs के सीटों के आवंटन के लिए उम्मीदवारों को पात्रता का एक राज्य कोड भी आवंटित किया जाएगा।

(A) State code of eligibility means the code of the state from where the candidate has passed Class XII (or equivalent) examination by virtue of which the candidate becomes eligible to appear in JEE (Main) 2015. The codes of the states are same as those given in the JEE (Main) 2015 Information Bulletin.

जिस राज्य से उम्मीदवार कक्षा बारहवीं (या समकक्षा) उत्तीर्ण होता है और जिसके आधार पर वह JEE (Main) 2015 देने के लिए पात्र होता है उस राज्य का कोड उस उम्मीदवार का पात्रता राज्य कोड है। राज्य कोड JEE (Main) 2015 के सूचना बुलेटिन में दी गई हैं।

It is important to note that the state code of eligibility does NOT depend upon the native place or the place of residence of the candidate. For example, if a candidate appears for the Class XII examination in New Delhi and is a resident of NOIDA, Uttar Pradesh, the candidate's state code of eligibility will be that of Delhi and NOT that of Uttar Pradesh.

यह नोट करना महत्वपूर्ण है कि पात्रता का राज्य कोड मूल निवास स्थान या उम्मीदवार के निवास की जगह पर निर्भर नहीं करता है। उदाहरण के लिए, अगर कोई उम्मीदवार कक्षा बारहवीं की परीक्षा में नई दिल्ली से शामिल होता है और नोएडा, उत्तर प्रदेश का रहने वाला है तो उसका पात्रता का राज्य कोड नई दिल्ली होगा न की उत्तर प्रदेश।

(B) If a candidate has passed Class XII (or equivalent) examination from one state but appeared for improvement from another state, the candidate's state code of eligibility will be from where the candidate first passed the Class XII (or equivalent) examination and NOT the state from where the candidate has appeared for improvement.

उम्मीदवार ने बारहवीं कक्षा (या समकक्षा) एक राज्य से उत्तीर्ण की है, लेकिन दूसरे राज्य से सुधार के लिए दिया है, तो, पात्रता का राज्य कोड उम्मीदवार जिस राज्य से बारहवीं कक्षा (या समकक्षा) पहली बार उत्तीर्ण किया है वह राज्य कोड दिया जाएगा न कि जिस राज्य से वह सुधार परीक्षा देता है।

(C) For Indian nationals passing the Class XII equivalent examination from an institution abroad, the state code of eligibility will be determined on the basis of permanent address in India as given in the passport of the candidate.

बारहवीं कक्षा के समकक्ष परीक्षा विदेश में किसी संस्था से उत्तीर्ण की हो तो पात्रता की राज्य कोड उसके पासपोर्ट में दिए गए भारत में स्थायी पते के आधार पर निर्धारित किया जाएगा।

## V. SEAT CATEGORIES

### सीट की श्रेणी

9. The total intake for an academic program is divided into different seat categories. These are OPEN, OBC-NCL, SC, ST, OPEN-PwD, OBC-NCL-PwD, SC-PwD and ST-PwD.

प्रत्येक शैक्षणिक कार्यक्रम का कुल सेवन अलग सीट श्रेणियों में बांटा गया है। जैसे OPEN, OBC-NCL, SC, ST, OPEN-PwD, OBC-NCL-PwD, SC-PwD और ST-PwD।

10. The category tags of candidates who are eligible for various seat categories are as shown in the table below:

विभिन्न सीट श्रेणियों के लिए पात्र उम्मीदवारों की श्रेणियां नीचे दी गई तालिका में दिखाए गए हैं:

Seat category सीट श्रेणी	Category tag(s) of eligible candidates योग्य उम्मीदवारों के श्रेणी टैग
OPEN	GEN, OBC-NCL, SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD
OBC-NCL	OBC-NCL and OBC-NCL-PwD
SC	SC and SC-PwD
ST	ST and ST-PwD
OPEN-PwD	GEN-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD
OBC-NCL-PwD	OBC-NCL-PwD
SC-PwD	SC-PwD
ST-PwD	ST-PwD

11. In addition to the division of seat categories as described above, seats for academic programs offered by NITs, Birla Institute of Technology Mesra [BITM] and the Indian Institute of Engineering Science and Technology, Shibpur [IESTS] are divided into Home State quota and Other States quota. "Other States Quota" includes all the States and Union Territories EXCEPT the Home State [or Home Union Territory].

ऊपर वर्णित सीट श्रेणियों के विभाजन के अलावा, सभी NIT, Birla Institute of Technology Mesra [BITM] और Indian Institute of Engineering Science and Technology, Shibpur [IESTS] द्वारा दिए गए शैक्षणिक कार्यक्रमों के लिए सीटें गृह राज्य कोटा और अन्य राज्य कोटा में बांटा गया है। "अन्य राज्य कोटा" में सभी राज्य और संघ राज्य क्षेत्र शामिल हैं सिवाय गृह राज्य [या गृह राज्य संघ क्षेत्र] के।

Seats for academic programs offered by Assam University are divided into Home State quota and All India quota.

असम विश्वविद्यालय द्वारा प्रस्तुत शैक्षणिक कार्यक्रमों के लिए सीटें गृह राज्य कोटा और ऑल इंडिया कोटा में बांटा गया है।

Home State quota is ONLY for candidates whose Home State, as determined by the State Code of Eligibility, is same as the state in which the institute is located.

गृह राज्य कोटा केवल उन्हीं उम्मीदवारों के लिए है जिनका गृह राज्य, पात्रता का राज्य कोड के आधार पर दिया गया, वही है जिस राज्य में वह संस्थान स्थित है।

In all the Institutes not mentioned above, there is only one seat quota viz., All India quota.

संस्थान जो ऊपर उल्लेख नहीं हैं सभी में, केवल एक ही सीट कोटा है अर्थात्, ऑल इंडिया कोटा।

## Eligibility of candidates for different seat quotas in NITs and Other-GFTIs

NIT और अन्य GFTIs में अलग सीट कोटा के लिए उम्मीदवारों की पात्रता

Institute संस्थान	Quota कोटा	Eligible Candidates पात्र उम्मीदवार
NITs, Birla Institute of Technology Mesra and Indian Institute of Engineering Science and Technology, Shibpur	Home State Quota गृह राज्य कोटा	Candidates whose Home State is same as the State in which the Institute is located* उम्मीदवार जिसका गृह राज्य वही है जिस राज्य में संस्थान स्थित है
	Other States Quota अन्य राज्य कोटा	Other States candidates i.e., candidates whose Home State is different from the State in which the Institute is located उम्मीदवार जिसका गृह राज्य और संस्थान अलग अलग राज्य में स्थित है
Assam University, Silchar	Home State Quota गृह राज्य कोटा	Candidates whose Home State is same as the State in which the Institute is located उम्मीदवार जिसका गृह राज्य वही है जिस राज्य में संस्थान स्थित है

JoSAA 2015 allocates seats as per seat matrix data provided by the participating Institutes. These Institutes provide the seat matrix data taking into consideration the reservation and other policies applicable to them / decided by them. JoSAA 2015 is NOT responsible for the seat matrix data.

हिस्सा लेने वाले संस्थानों द्वारा दिए गए सीट मैट्रिक्स ऑकड़ों के आधार पर JoSAA 2015 सीट आवंटन करेगा। यह संस्थानों सीट मैट्रिक्स ऑकड़े आरक्षण और अन्य नियमों को ध्यान में रखते हुए बनाते हैं। JoSAA 2015 सीट मैट्रिक्स ऑकड़ों के लिए जिम्मेदार नहीं है।

## VI. RANK LISTS

### रैंक सूची

15. The following **TYPES** of rank lists will be prepared:

निम्नलिखित प्रकार की रैंक सूचियां बनाई जाएगी:

(i) Common rank list (CRL): It includes candidates who are assigned the tag GEN, GEN-PwD, OBC-NCL, OBC-NCL-PwD, SC, SC-PwD, ST or ST-PwD.

आम रैंक सूची (CRL): इस सूची में GEN, GEN-PwD, OBC-NCL, OBC-NCL-PwD, SC, SC-PwD, ST या ST-PwD टैग के उम्मीदवार शामिल होंगे।

Foreign nationals are also included in the CRL prepared based on JEE (Advanced) 2015.

विदेशी नागरिक को भी JEE (Advanced) 2015 के आधार पर तैयार CRL में शामिल होंगे।

(ii) OBC-NCL rank list: It includes candidates who are assigned the tag OBC-NCL or OBC-NCL-PwD.

OBC-NCL रैंक सूची: इस सूची में OBC-NCL या OBC-NCL-PwD टैग के उम्मीदवार शामिल होंगे।

(iii) SC rank list: It includes candidates who are assigned the tag SC or SC-PwD.

SC रैंक सूची: इस सूची में SC या SC-PwD टैग के उम्मीदवार शामिल होंगे।

(iv) ST rank list: It includes candidates who are assigned the tag ST or ST-PwD.

ST रैंक सूची: इस सूची में ST या ST-PwD टैग के उम्मीदवार शामिल होंगे।

- (v) CRL-PwD rank list: It includes candidates who are assigned the tag GEN-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD.

CRL-PwD रैंक सूची: इस सूची में GEN-PwD, OBC-NCL-PwD, SC-PwD या ST-PwD टैग के उम्मीदवार शामिल होंगे।

- (vi) OBC-NCL-PwD rank list: It includes candidates who are assigned the tag OBC-NCL-PwD.

OBC-NCL-PwD रैंक सूची: इस सूची में OBC-NCL-PwD टैग के उम्मीदवार शामिल होंगे।

- (vii) SC-PwD rank list: It includes candidates who are assigned the tag SC-PwD.

SC-PwD रैंक सूची: इस सूची में SC-PwD टैग के उम्मीदवार शामिल होंगे।

- (viii) ST-PwD rank list: It includes candidates who are assigned the tag ST-PwD.

ST-PwD रैंक सूची: इस सूची में ST-PwD टैग के उम्मीदवार शामिल होंगे।

16. [Only for IITs and ISM] The following rank lists MAY also be prepared to include candidates who have secured at least 1.75% in each of the three subjects **AND** minimum 6.125% aggregate in JEE (Advanced) 2015 **AND** are NOT in any of the other rank lists prepared based on JEE (Advanced) 2015. The following rank lists, if prepared, will be used for admission into the preparatory courses offered by IITs and ISM. Additional information about the preparatory courses is given in Annexure 5.

[केवल IITs और ISM के लिए] एक सूची ऐसी भी बनाई जा सकती है जिसमें उन उम्मीदवारों को लिया जाएगा जिन्हें कम से कम 1.75% गुण प्रत्येक तीन विषय में और कुल 6.125% JEE (Advanced) 2015 में मिले हो और वे किसी अन्य सूची में न हो। यह रैंक सूची अगर बनाई गई तो IITs और ISM में दिए गए आधार पाठ्यक्रम में प्रवेश के लिए उपयोग में लाई जाएगी। आधार पाठ्यक्रम की अतिरिक्त जानकारी अनुबंध 5 में दी गई है।

- (i) ST preparatory course rank list: This rank list includes candidates who are assigned the ST or ST-PwD tag.

ST आधार पाठ्यक्रम रैंक सूची: इस सूची में ST या ST-PwD टैग के उम्मीदवार शामिल हैं।

- (ii) CRL-PwD preparatory course rank list: This rank list includes candidates who are assigned the GEN-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD tag.

CRL-PwD आधार पाठ्यक्रम रैंक सूची: इस सूची में GEN-PwD, OBC-NCL-PwD, SC-PwD या ST-PwD टैग के उम्मीदवार शामिल हैं।

- (iii) OBC-NCL-PwD preparatory course rank list: This rank list includes candidates who are assigned the OBC-NCL-PwD tag.

OBC-NCL-PwD आधार पाठ्यक्रम रैंक सूची: इस सूची में OBC-NCL-PwD टैग के उम्मीदवार शामिल हैं।

- (iv) SC-PwD preparatory course rank list: This rank list includes candidates who are assigned the SC-PwD tag.

SC-PwD आधार पाठ्यक्रम रैंक सूची: इस सूची में SC-PwD टैग के उम्मीदवार शामिल हैं।

- (v) ST-PwD preparatory course rank list: This rank list includes candidates who are assigned the ST-PwD tag.

ST-PwD आधार पाठ्यक्रम रैंक सूची: इस सूची में ST-PwD टैग के उम्मीदवार शामिल हैं।

17. [Only for IITs and ISM] Rank lists for admission to IITs and ISM are prepared based on the performance of candidates in JEE (Advanced) 2015 by the JAB.

[केवल IITs और ISM के लिए] IITs और ISM में प्रवेश के लिए रैंक सूचियां JEE (Advanced) 2015 में उम्मीदवारों के प्रदर्शन के आधार पर तैयार करते हैं।

The qualifying marks a candidate has to score in JEE (Advanced) 2015 for inclusion in various rank lists are as shown below. For inclusion in any of the rank lists, the candidates must satisfy the corresponding minimum marks in each of the three subjects (viz., Physics, Chemistry and Mathematics) as well as the aggregate marks. Other business rules pertaining to rank lists prepared by the JAB are given in Annexure 6.

विभिन्न रैंक सूची में शामिल होने के लिए JEE (Advanced) 2015 में अर्हताप्राप्ती के लिए गुण नीचे दिए गए तालिका में दिखाए गए हैं। किसी भी रैंक में शामिल होने के लिए तीन विषयों (अर्थात्, भौतिकी, रसायन विज्ञान और गणित) में से प्रत्येक में अंक और कुल अंक उम्मीदवार को अनुकूल रूप से प्राप्त होने चाहिए। JAB द्वारा तैयार की गई रैंक सूचियों से संबंधित अन्य कामकाज के नियम अनुबंध 6 में दिए गए हैं।

Rank List (for IITs and ISM) रैंक सूची (IITs और ISM के लिए)	Minimum percentage of marks in each subject प्रत्येक विषय में अंक का न्यूनतम प्रतिशत	Minimum percentage of aggregate marks कुल अंक का न्यूनतम प्रतिशत
Common rank list (CRL)	10.0	35.0
OBC-NCL rank list	9.0	31.5
SC rank list	5.0	17.5
ST rank list	5.0	17.5
CRL-PwD rank list	5.0	17.5
OBC-NCL-PwD rank list	5.0	17.5
SC-PwD rank list	5.0	17.5
ST-PwD rank list	5.0	17.5
Preparatory course rank lists	2.5	8.75

18. Rank lists for admission to NITs, IIITs (Triple-I-Ts) and Other-GFTIs are prepared by the JEE Apex Board as follows:

NITs, IIITs (Triple-I-Ts) और अन्य GFTIs में प्रवेश के लिए रैंक सूची JEE Apex Board द्वारा इस प्रकार बनाई गई है:

(i) One set of eight rank lists based on the performance of candidates in JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) and Class XII (or equivalent) examination.

JEE (Main) 2015 पेपर - 1 (B.E./ B. Tech) और बारहवीं कक्षा (या समकक्ष) परीक्षा में उम्मीदवारों के प्रदर्शन के आधार पर आठ रैंक सूचियों का एक सेट।

(ii) Another set of eight rank lists based on the performance of candidates in JEE (Main) 2015 Paper-2 (B.Arch. / B. Planning) and Class XII (or equivalent) examination.

JEE (Main) 2015 पेपर - 2 (B. Arch./ B. Planing) और बारहवीं कक्षा (या समकक्ष) परीक्षा में उम्मीदवारों के प्रदर्शन के आधार पर आठ रैंक सूचियों का एक सेट।

All the candidates who appeared for JEE (Main) 2015 are considered while preparing rank lists and are allowed to fill-in choices. The rank lists provided by the JEE Apex Board will be used as such without any changes. No changes will be made even if two or more candidates have the same rank; in other words, JoSAA 2015 will NOT apply any tie-breaking norms / rules.

सभी उम्मीदवार जो जेईई 2015 (मुख्य) में प्रकट हुए हैं उन्हें रैंक सूचियां तैयार करते समय माना जाएगा और उन्हें विकल्प भरने की अनुमति है। JEE Apex Board द्वारा प्रदान की गई रैंक सूची, कोई भी बदलाव के बिना उसी रूप में इस्तेमाल कि जाएगी। दो या दो से अधिक उम्मीदवारों को एक ही रैंक हो तो भी कोई परिवर्तन नहीं किया जाएगा; दूसरे शब्दों में, JoSAA 2015 किसी भी टाई-ब्रेक के लिए कोई भी मानदंडों/ नियम नहीं बनाएगा।

19. A candidate may appear in one or more rank lists.

उम्मीदवार एक या एक से अधिक रैंक सूचियों में हो सकते हैं।

## VIII. MULTIPLE STUDENT – SAME RANK RULE

कई छात्र - एक ही रैंक नियम

23. Suppose that, under a particular seat category for an academic program,

एक विशेष श्रेणी के तहत, एक शैक्षणिक कार्यक्रम के लिए, मान लीजिए कि,

(i) there are  $m > 0$  seats left to be filled and

$m > 0$  सीटें रिक्त हैं और

(ii) there are  $n$  ( $m < n$ ) candidates with the same category-wise rank seeking admission to this academic program,

एक ही रैंक के  $n$  ( $m < n$ ) उम्मीदवार हैं जो उस शैक्षणिक कार्यक्रम प्रवेश चाहते हैं।

then all the  $n$  candidates will be offered admission; in this case, there will be  $(n - m)$  supernumerary seats.

तब सभी  $n$  उम्मीदवारों को प्रवेश दिया जाएगा और इससे  $(n - m)$  सीटें अधिसंख्य हो जाएगी।

## **IX. [Only for IITs and ISM] SEAT ALLOCATION FOR DS CANDIDATES**

**[केवल IITs और ISM के लिए] DS उम्मीदवारों के लिए सीट आवंटन**

24. Two (2) seats are preferentially allocated in every Institute under the DS category.

दो (2) अधिमान्य सीटें, DS श्रेणी के तहत हर संस्थान में आवंटित की जाएगी।

A candidate must be in the CRL to be eligible for preferential allocation under the DS category.

उम्मीदवार DS श्रेणी के तहत अधिमान्य आवंटन के लिए पात्र होने के लिए CRL सूची में होना आवश्यक है।

Candidates who are eligible for seat allocation under the DS category will also be considered under their (birth) category [viz., GEN, OBC-NCL, SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD and ST-PwD]. For example, if a candidate belongs to the OBC-NCL category and is also eligible for admission under the DS category, then the candidate will be considered for seat allocation as a DS candidate as well as under the OBC-NCL category.

यदि कोई उम्मीदवार DS श्रेणी के अंतर्गत सीट आवंटन के लिए पात्र हैं, तो उनका (जन्म) श्रेणी के तहत भी आवंटन के लिए विचार किया जाएगा। उदाहरणार्थ यदि कोई उम्मीदवार OBC-NCL श्रेणी के अंतर्गत आता है और वह DS श्रेणी के तहत प्रवेश के लिए भी पात्र है, तो उसका DS श्रेणी के अंतर्गत और OBC-NCL श्रेणी के अंतर्गत सीट आवंटन के लिए विचार किया जाएगा।

## **X. [ONLY FOR IITs AND ISM] SEAT ALLOCATION FOR FOREIGN NATIONALS**

**[केवल IITs और ISM के लिए] विदेशी नागरिकों के लिए सीट आवंटन**

25. Seats to be allocated to foreign nationals can be supernumerary and the number of candidates who will be admitted under this category will be announced by each Institute as part of the online seat allocation (formerly counseling) brochure.

विदेशी नागरिकों को आवंटित किए जाने वाले सीटें अधिसंख्य हो सकती हैं और इस श्रेणी के अंतर्गत आवंटित उम्मीदवार की संख्या की घोषणा प्रत्येक संस्थान द्वारा ऑनलाइन आवंटन विवरणिका में एक भाग के रूप में दी जाएगी।

26. For consideration for seat allocation, foreign nationals should be in the CRL and satisfy all the eligibility requirements meant for a GEN category candidate.

सीट आवंटन के विचार के लिए, विदेशी नागरिकों को CRL में होना होगा और साथ ही GEN श्रेणी के उम्मीदवार के लिए बने सभी पात्रता आवश्यकताओं को पूरा करना होगा।

27. Foreign nationals will be allocated seats of their choice if their CRL rank is better (or higher) than or same as the closing rank [of Indian nationals for the respective academic program].

विदेशी नागरिकों को उनके पसंद की सीटें आवंटित कि जाएगी, अगर उनका CRL रैंक [भारतीय नागरिकों की तुलना में संबंधित शैक्षणिक कार्यक्रम के लिए] बेहतर (या अधिक) क्लोजिंग रैंक के समान हो।

28. In an academic program, suppose there are  $m$  seats under the OPEN category for an academic program. Only  $n$  seats ( $n < m$ ) have been allocated and no more “Indian national” candidates have opted for this academic program. If a foreign national has opted for this program, a seat will be allocated irrespective of this candidate’s rank.

एक शैक्षणिक कार्यक्रम में,  $m$  सीटें OPEN श्रेणी में उपलब्ध हैं। सिर्फ  $n$  सीटें ( $n < m$ ) आवंटित किए गए हैं और कोई और “भारतीय उम्मीदवार” ने इस कार्यक्रम का विकल्प नहीं दिया है। यदि एक विदेशी नागरिक ने इस कार्यक्रम का विकल्प दिया है तो वह सीट उम्मीदवार के रैंक का विचार किए बिना आवंटित की जाएगी।

[Only for NITs, IIITs (Triple-I-Ts) and Other-GFTIs] Admission to foreign nationals is not through the JEE (Main) channel and hence is not in the purview of JoSAA 2015.

[केवल NITs, IIITs (Triple-I-Ts) और अन्य GFTIs के लिए] विदेशी नागरिकों के लिए प्रवेश उपलब्ध है लेकिन JEE (Main) के माध्यम से नहीं और यह JoSAA 2015 के दायरे में नहीं है।

## **XI. [ONLY FOR IITS AND ISM] SEAT ALLOCATION TO PREPARATORY COURSES** **[केवल IITs और ISM के लिए] आधार पाठ्यक्रम के लिए सीट आवंटन**

29. The following business rules for seat allocation to preparatory courses will be applicable for every round of seat allotment. In the case of IITs and ISM, seat allocation in the 4<sup>th</sup> round will be made only for preparatory courses.

आधार पाठ्यक्रम को सीट आवंटन के लिए निम्नलिखित कामकाज के नियम सीट आवंटन के प्रत्येक दौर के लिए लागू होगा। IITs और ISM के मामले में, 4 दौर में सीट आवंटन केवल आधार पाठ्यक्रम के लिए किया जाएगा।

(A) Unfilled OPEN-PwD seats will be allocated to candidates in the CRL-PwD preparatory rank list subject to the following two conditions:

रिक्त OPEN-PwD सीटें CRL-PwD आधार रैंक सूची में शामिल उम्मीदवारों को आवंटित कि जाएगी बशर्ते निम्न दो शर्तों को पुरा करने के बाद।

- (i) No more candidates in the CRL-PwD rank list have opted for it and CRL-PwD रैंक सूची के किसी और उम्मीदवारों ने यह कार्यक्रम चयनित नहीं किया है और
- (ii) The CRL-PwD preparatory rank list has been prepared.  
CRL-PwD आधार रैंक सूची तैयार कि गयी है।

(B) Unfilled OBC-NCL-PwD seats will be allocated to candidates in the OBC-NCL-PwD preparatory rank list subject to the following two conditions:

रिक्त OBC-NCL-PwD सीटें OBC-NCL-PwD आधार रैंक सूची में शामिल उम्मीदवारों को आवंटित कि जाएगी बशर्ते निम्न दो शर्तों को पुरा करने के बाद।

- (i) No more candidates in the OBC-NCL-PwD rank list have opted for it and OBC-NCL-PwD रैंक सूची किसी और उम्मीदवारों ने यह कार्यक्रम चयनित नहीं किया है और
- (ii) The OBC-NCL-PwD preparatory rank list has been prepared.  
OBC-NCL-PwD आधार रैंक सूची तैयार कि गयी है।

(C) Unfilled SC-PwD seats will be allocated to candidates in the SC-PwD preparatory rank list subject to the following two conditions:

रिक्त SC-PwD सीटें, SC-PwD आधार रैंक सूची में शामिल उम्मीदवारों को आवंटित कि जाएगी बशर्ते निम्न दो शर्तों को पुरा करने के बाद।

- (i) No more candidates in the SC-PwD rank list have opted for it and SC-PwD रैंक सूची के किसी और उम्मीदवारों ने यह कार्यक्रम चयनित नहीं किया है और
- (ii) The SC-PwD preparatory rank list has been prepared.  
SC-PwD आधार रैंक सूची तैयार कि गयी है।

(D) Unfilled ST-PwD seats will be allocated to candidates in the ST-PwD preparatory rank list subject to the following two conditions:

रिक्त ST-PwD सीटें, ST-PwD आधार रैंक सूची में शामिल उम्मीदवारों को आवंटित कि जाएगी बशर्ते निम्न दो शर्तों को पुरा करने के बाद।

- (i) No more candidates in the ST-PwD rank list have opted for it and ST-PwD रैंक सूची के किसी और उम्मीदवारों ने यह कार्यक्रम चयनित नहीं किया है और
- (ii) The ST-PwD preparatory rank list has been prepared.  
SC-PwD आधार रैंक सूची तैयार कि गयी है।

(E) Unfilled SC seats will be allocated to candidates in the SC preparatory rank list subject to the following two conditions:

रिक्त SC सीटें, SC आधार रैंक सूची में शामिल उम्मीदवारों को आवंटित कि जाएगी बशर्ते निम्न दो शर्तों को पुरा करने के बाद।

- (i) No more candidates in the SC rank list have opted for it and SC रैंक सूची के किसी और उम्मीदवारों ने यह कार्यक्रम चयनित नहीं किया है और
- (ii) The SC preparatory rank list has been prepared.  
SC आधार रैंक सूची तैयार कि गयी है।

(F) Unfilled ST seats will be allocated to candidates in the ST preparatory rank list subject to the following two conditions:

रिक्त ST सीटें ST आधार रैंक सूची में शामिल उम्मीदवारों को आवंटित कि जाएगी बशर्ते निम्न दो शर्तों को पुरा करने के बाद।

- (i) No more candidates in the ST rank list have opted for it and SC रैंक सूची के किसी और उम्मीदवारों ने यह कार्यक्रम चयनित नहीं किया है और
- (ii) The ST preparatory rank list has been prepared.  
ST आधार रैंक सूची तैयार कि गयी है।

## XII. DE-RESERVATION OF UNFILLED SEATS FOR AN ACADEMIC PROGRAM

एक शैक्षणिक कार्यक्रम के लिए रिक्त सीटों का अनारक्षण

30. Unfilled OBC-NCL category seats will be de-reserved and treated as OPEN category seats for allocation in every round of seat allotment. However, unfilled SC and ST category seats will NOT be de-reserved.

रिक्त OBC-NCL श्रेणी सीटों का अनारक्षण होगा और आवंटन OPEN श्रेणी सीटों के रूप में किया जाएगा। हालांकि, रिक्त SC और ST वर्ग की सीटों को अनारक्षण नहीं किया जाएगा।

31. The following rules for de-reservation of seats will be applicable for every round of seat allotment. In the case of academic programs offered by IITs and ISM, these are applicable AFTER seat allocation for preparatory courses in every round of seat allocation [except the 4<sup>th</sup> round which is exclusively for preparatory courses].

सीटों के अनारक्षण के लिए निम्नलिखित नियम सीट आवंटन के हर दौर के लिए लागू होंगे। IITs और ISM के शैक्षणिक कार्यक्रमों के लिए यह नियम आधार पाठ्यक्रम के सीट आवंटन के बाद लागू किए जाएंगे।

(A) Unfilled OPEN-PwD category seats for an academic program will be de-reserved and treated as OPEN category seats for allocation.

किसी शैक्षणिक कार्यक्रम के रिक्त OPEN-PwD श्रेणी की सीटों का अनारक्षण होकर उनका OPEN श्रेणी की सीटों के रूप में आवंटन किया जाएगा।

(B) Unfilled OBC-NCL-PwD category seats for an academic program will be de-reserved and treated as OBC-NCL category seats for allocation.

किसी शैक्षणिक कार्यक्रम के रिक्त OBC-NCL-PwD श्रेणी की सीटों का अनारक्षण होकर उनका OBC-NCL श्रेणी की सीटों के रूप में आवंटन किया जाएगा।

(C) Unfilled SC-PwD category seats for an academic program will be de-reserved and treated as SC category seats for allocation.

किसी शैक्षणिक कार्यक्रम के रिक्त SC-PwD श्रेणी की सीटों का अनारक्षण होकर उनका SC श्रेणी की सीटों के रूप में आवंटन किया जाएगा।

(D)Unfilled ST-PwD category seats for an academic program will be de-reserved and treated as ST category seats for allocation.

किसी शैक्षणिक कार्यक्रम के रिक्त ST-PwD श्रेणी की सीटों का अनारक्षण होकर उनका ST श्रेणी की सीटों के रूप में आवंटन किया जाएगा।

### **XIII. UPGRADATION OF SEAT CATEGORY AFTER THE FIRST ROUND OF SEAT ALLOCATION**

**सीट आवंटन के पहले दौर के बाद सीट श्रेणी का उन्नयन**

32. As indicated in Business Rules #18 and #19, candidates may become eligible for seat allocation in more than one seat category depending upon their category tag and rank lists in which they appear. If the allocated seat is not in the #1 seat category, in subsequent rounds of seat allocation, candidates will be automatically considered for upgradation of seat category.

जैसे की कामकाज नियम # 18 और # 19 में निर्देशित किया गया है, श्रेणी टैग और रैंक सूची जिसमें उम्मीदवार शामिल है के आधार पर, कुछ अपवाद छोड़कर, उम्मीदवार एक से ज्यादा सीट श्रेणी में आवंटन के लिए पात्र होते हैं। यदि आवंटित सीट #1 सीट श्रेणी में नहीं है, तो सीट आवंटन के बाद के दौर में, उम्मीदवारों को स्वचलित रूप से श्रेणी उन्नयन के लिए विचार किया जाएगा।

Meaning of “upgradation of seat category”: Suppose a candidate with the category tag SC-PwD has been allocated a seat under the seat category SC-PwD. Also, suppose that this candidate appears in three rank lists: CRL-PwD, SC and SC-PwD. For this candidate, in subsequent rounds of seat allocation, an attempt will be made to offer a seat in the seat category SC or OPEN-PwD.

श्रेणी के उन्नयन का अर्थ: श्रेणी टैग SC-PwD के उम्मीदवार को मान लीजिए सीट श्रेणी SC-PwD के तहत एक सीट आवंटित की गई है और मान लीजिए यह उम्मीदवार तीन और रैंक सूचि CRL-PwD, SC और SC-PwD में शामिल है, तो आवंटन के बाद के दौर में उसे SC या OPEN-PwD श्रेणी के तहत सीट आवंटित करने का प्रयास किया जाएगा।

33. The academic program / Institute allocated to a candidate will NOT change because of upgradation of seat category.

श्रेणी उन्नयन के कारण उम्मीदवार को आवंटित शैक्षणिक कार्यक्रम / संस्थान में कोई परिवर्तन नहीं होगा।

#### **XIV. CHANGE OF PERSONAL AND OTHER DETAILS**

व्यक्तिगत और अन्य विवरण में बदल

34. Candidates will NOT be allowed to change their personal details such as name, father's/mother's / guardian's name, date of birth, Class XII (or equivalent) examination board, and (birth) category.

पंजीकरण के बाद के उम्मीदवारों को उनके व्यक्तिगत विवरण जैसे नाम, पिता का/ माता का / अभिभावक का नाम, जन्म, बारहवीं कक्षा (या समकक्ष) परीक्षा का बोर्ड और (जन्म) श्रेणी बदलने की अनुमति नहीं दी जाएगी।

#### **XV. FILLING-IN OF CHOICES OF ACADEMIC PROGRAMS**

शैक्षणिक कार्यक्रम के लिए विकल्प भरना

35. For filling-in of choices of academic programs in various Institutes, candidates should log into the portal <https://josaa.nic.in> using the JEE (Main) 2015 Roll Number and password.

विभिन्न संस्थानों के शैक्षणिक कार्यक्रमों का विकल्प भरने के लिए, उम्मीदवार JEE (Main) 2015 रोल नंबर का उपयोग कर, पोर्टल <http://josaa.nic.in> में लॉग इन कर सकते हैं ।

36. Filling-in of choices on the online portal is free of cost i.e., candidates are NOT required to make any kind of payment or fee.

ऑनलाइन पोर्टल पर विकल्पों को भरने के लिए उम्मीदवारों को भुगतान या किसी भी प्रकार का शुल्क भरने की आवश्यकता नहीं है।

37. A candidate may be eligible for seat allocation based on one, two or all three examinations viz., JEE (Advanced) 2015, JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) and JEE (Main) 2015 Paper-2 (B.Arch. / B.Planning).

उम्मीदवार एक, दो या सभी तीन परीक्षाओं के आधार पर सीट आवंटन के लिए पात्र हो सकता है अर्थात्, JEE (Advanced) 2015, JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) और JEE (Main) 2015 Paper-2 (B.Arch. / B.Planning)।

Even for candidates who are eligible to participate in Joint Seat Allocation based on any two or all three of the above examination, only a single set of academic programs is

made available. Such candidates will be allocated only ONE seat from among the choices they fill-in. Hence, it is important for candidates to carefully prioritize the academic programs while filling-in the choices.

उम्मीदवार जो Joint Seat Allocation में किसी भी दो या सभी तीन परीक्षा के आधार पर भाग लेने के लिए पात्र हो, फिर भी उन्हें केवल शैक्षणिक कार्यक्रमों का एक ही सेट उपलब्ध कराया जाएगा। ऐसे उम्मीदवारों को उनके भरे गए विकल्पों में से केवल एक सीट दी जाएगी। इसलिए, यह महत्वपूर्ण है की उम्मीदवार ध्यानपूर्वक शैक्षणिक कार्यक्रमों को प्राथमिकता दे।

Candidates are given a 5-day window to fill-in their choices [see the time line in Annexure 2] which includes one round of mock seat allocation. This 5-day window will not be extended under any circumstance.

उम्मीदवारों को विकल्प भरने के लिए पांच दिन की अवधि दी जाएगी। उसी अवधि में सीट आवंटन का एक कृत्रिम दौर भी चलाया जाएगा। यह 5 दिन की अवधि किसी भी परिस्थिती में विस्तारित नहीं की जाएगी।

Candidates should take advantage of the mock seat allocation and choose as many academic programs as possible in the order of preference.

उम्मीदवारों को कृत्रिम सीट आवंटन के दौर का लाभ उठाना चाहिए और ज्यादा से ज्यादा शैक्षणिक कार्यक्रमों का चयन अपने पसंदीदा क्रम में करना चाहिए।

38. Candidates MUST “lock” their choices after mock seat allocation. If candidates do NOT lock their choices, last saved choices will be locked automatically in the last minute of the last date of choice filling. Candidates will NOT be able to change their choices/ preference order any more.

उम्मीदवारों को अपने भरे हुए विकल्पों को "lock "करना होगा। यदि उम्मीदवार भरे हुए विकल्पों को "lock " नहीं करते हैं, तो अंतिम विकल्पों को अंतिम विकल्प भरने की अंतिम तिथि के अंतिम मिनट में स्वचालित रूप से “lock” कर दिया जाएगा। उम्मीदवार उनके विकल्प / वरीयता क्रम बदलने के लिए सक्षम नहीं होगा।

## XVI. PROVISIONAL OFFER OF SEAT AND ITS CONFIRMATION सीट का अस्थायी प्रस्ताव और उसका पुष्टिकरण

39. A candidate who has been allocated a seat is allowed to download the “Provisional Seat Allocation Letter” and an e-challan for remittance of seat acceptance fee.

उम्मीदवार जिसे सीट आवंटित की गई है, उन्हें “Provisional Admission Letter” का पत्र और सीट स्वीकृति शुल्क के प्रेषण के लिए एक ई-चालान डाउनलोड करने की अनुमति मिलेगी।

40. Admission fee varies across the Institutes / category of candidates. Hence, at the time of seat acceptance, candidates have to remit only the seat acceptance fee. The seat acceptance fee will be adjusted against the admission fee by the admitting institute.

संस्थानों और उम्मीदवारों की श्रेणी के आधार पर प्रवेश शुल्क अलग अलग है। इसलिए, सीट स्वीकृति के समय उम्मीदवारों को सीट स्वीकृति शुल्क ही भरना होगा। सीट स्वीकृति शुल्क दाखिल करने वाले संस्थान द्वारा प्रवेश शुल्क के साथ समायोजित किया जाएगा।

### Seat Acceptance Fee:

#### सीट स्वीकृति शुल्क

₹ 45,000 for candidates with the category tag GEN, OBC-NCL or Foreign national and  
₹ 45, 000 GEN, OBC-NCL या Foreign श्रेणी उम्मीदवारों के लिए और

₹ 20,000 for candidates with the category tag SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD

₹ 20,000 SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD या ST-PwD श्रेणी उम्मीदवारों के लिए

41. Candidates should (i) remit seat acceptance fee using the e-challan and (ii) report at the admitting institute for document verification before the last date/time specified [see Annexure 2 for the timeline]. Failure to report in person for seat acceptance will be considered as if the candidate has rejected the offer.

उम्मीदवारों को (i) सीट स्वीकृति शुल्क e-चालान द्वारा विप्रेषित करना चाहिए और (ii) दाखिल करनेवाले संस्थान में दस्तावेज सत्यापन के लिए अंतिम तिथि के पहले/ सुनिश्चित समय पर [Annexure 2 में समय सूची देखें] प्रतिवेदन करना चाहिए। सीट स्वीकृति के लिए वैयाक्तिक रूप से प्रतिवेदन करने की असमर्थता, अस्वीकृति मानी जाएगी।

Seat will be confirmed by the Reporting Centre after verification of the original documents and ensuring that the candidate meets all the eligibility norms [see Annexures 7 to 9].

रिपोर्टिंग केंद्र व्दारा सीट का पुष्टिकरण, मूल दस्तावेजों के साथ सत्यापन और सभी पात्रता मानदंड की पूर्तता के सत्यापन के बाद ही किया जाएगा [Annexure 7 से 9 को देखें]।

Seat will be cancelled if, at any time, any of the documents / certificates is found to be invalid / fraudulent and/or the candidate does not meet all the eligibility norms.

अगर कोई दस्तावेज / प्रमाण पत्र / अवैध/ धोखाधड़ी पाये जाते हैं और / या उम्मीदवार सभी पात्रता मानदंडों को पूरा नहीं करता तो सीट किसी भी समय, रद्द कर दिया जाएगा।

42. Option to reject (or not accept) the allocated seat: Candidates who want to reject the allocated seat can do so as follows:

आवंटित सीट को अस्वीकृत (स्वीकार न करने) का विकल्प: उम्मीदवार जो आवंटित सीट को अस्वीकार करना चाहते हैं वे निम्नानुसार यह कर सकते हैं:

- (i) By NOT remitting the seat acceptance fee [and hence, not report at the admitting institute / reporting center]

सीट स्वीकृति शुल्क न भरें [और इसलिए, दाखिल करने वाले संस्थान / रिपोर्टिंग केंद्र पर रिपोर्ट ना करें ]

- (ii) If the seat acceptance fee has already been remitted, by not reporting at the Admitting Institute / Reporting Center. Seat acceptance fee will be refunded to such candidates.

अगर सीट स्वीकृति शुल्क पहले ही भर दि है तो दाखिल करने वाले संस्थान / रिपोर्टिंग केंद्र पर रिपोर्ट ना करें ऐसे उम्मीदवारों को सीट स्वीकृति शुल्क वापस दे दिया जाएगा।

43. There is no option to withdraw from seat allocation or to surrender an allocated seat other than by rejecting the seat as mentioned above.

सीट आवंटन से वापस लेने या इसके बाद के संस्करण के रूप में उल्लेख सीट को खारिज करके एक दूसरे से अपने आवंटित सीट आत्मसमर्पण करने के लिए कोई विकल्प नहीं है।

44. Candidates who reject allocated seat cannot participate any more in seat allocation for the academic year 2015-16.

जो उम्मीदवार आवंटित सीट को अस्वीकार करेगा वह शैक्षणिक वर्ष 16-2015 के लिए सीट आवंटन में आगे भाग नहीं ले सकते।

## **XVII. REPORTING CENTERS FOR DOCUMENT VERIFICATION**

### **दस्तावेज सत्यापन के लिए रिपोर्टिंग सेंटर**

45. Candidates should report in person at a Reporting Centre for document verification before the date/time specified for document verification and get the seat confirmed. The list of reporting centres is available on the online portal <http://jossa.nic.in>.

उम्मीदवारों को दस्तावेज सत्यापन के लिए निर्धारित तिथि समय / से पहले दस्तावेज सत्यापन के लिए एक रिपोर्टिंग सेंटर में वैयक्तिक रूप से सीट की पुष्टि के लिए रिपोर्ट करना होगा। रिपोर्टिंग केन्द्रों की सूची ऑनलाइन पोर्टल <http://jossa.nic.in> पर उपलब्ध है।

उम्मीदवारों को वैयक्तिक रूप से दाखिल (admitting) करने वाले संस्थान में दस्तावेज सत्यापन के लिए और अनंतिम प्रवेश के पुष्टिकरण के लिए अंतिम तिथि से पहले/ दिए गए समय में रिपोर्ट करना होगा।

Candidates who are allotted a seat in any of the NITs, IIITs (Triple-I-Ts) or Other-GFTIs have to report at the reporting centers of NITs / IIITs (Triple-I-Ts) / Other-GFTIs.

जो उम्मीदवारों को NITs, IIITs (Triple-I-Ts) या अन्य-GFTIs में सीट आवंटित हुआ है उन्हें NITs, IIITs (Triple-I-Ts) या अन्य-GFTIs जो रिपोर्टिंग केंद्र के रूप में नामित हुआ है वहाँ रिपोर्ट करना होगा।

Candidates who are allotted a seat in an IIT or ISM have to report only at a reporting center of the IITs.

जो उम्मीदवारों को IIT या ISM में सीट आवंटित हुआ है उन्हें IITs के रिपोर्टिंग केंद्र में रिपोर्ट करना होगा।

## **XVIII. REPORTING AT THE ADMITTING INSTITUTE**

### **दाखिला देने वाले संस्थान में रिपोर्टिंग**

46. At the conclusion of four rounds of joint seat allocation and seat acceptance, candidates will have to report at the admitting institute, complete all the admission formalities of the Institute, get the admission confirmed and begin the academic session.

संयुक्त सीट आवंटन और सीट स्वीकृति के चार दौर के समापन पर, उम्मीदवारों को दाखिला देने वाले संस्थान में रिपोर्ट करके प्रवेश के सभी औपचारिकतायों की पुष्टि कर शैक्षणिक सत्र की शुरूवात करनी होगी।

[NITs, IIITs (Triple-I-Ts) and Other-GFTIs] Reporting schedule at the admitting Institute is as given in Annexure 2.

[NITs, IIITs (Triple-I-Ts) और अन्य-GFTIs] दाखिला देने वाले संस्थान में रिपोर्टिंग कि अनुसूची अनुबंध 2 में दी गई है।

[IITs and ISM] Reporting schedules at the admitting Institute will be announced on the web sites viz., <http://jeeadv.iitb.ac.in> and <http://jossa.nic.in>.

[IITs and ISM] दाखिला देने वाले संस्थान में रिपोर्टिंग कि अनुसूची <http://jeeadv.iitb.ac.in> और <http://jossa.nic.in> पर घोषणा की जाएगी।

## **XIX. REMITTANCE OF SEAT ACCEPTANCE FEE**

### **सीट स्वीकृति शुल्क का प्रेषण**

47. Candidates should use the e-challan downloaded from the seat allocation portal for paying the seat acceptance fee in any branch of State Bank of India using the e-challan.

उम्मीदवारों को सीट स्वीकार करने का शुल्क भरने के लिए आवंटन पोर्टल से डाउनलोड किया गया इ-चालान का प्रयोग भारतीय स्टेट बैंक के किसी भी शाखा में करना चाहिए।

An e-challan is similar in purpose to a challan we use in banks to deposit money. It will have all the details filled in by the online portal and will have three identical parts (i.e., the challan will be in triplicate). One copy will be retained by the bank; candidate retains one copy and submits one copy to the admitting institute/ reporting center.

एक इ-चालान वैसा ही होता है जो चालान बैंकों में पैसा जमा कराने के लिए प्रयोग में लाया जाता है। इ-चालान में ऑनलाइन पोर्टल द्वारा सभी विवरण भरा होगा और उसके तीन समान विभाग होंगे (याने चालान की तीन प्रतियां होंगी)। एक प्रति बैंक अपने पास रखेगी; दूसरी प्रति उम्मीदवार के पास होगी और तीसरी प्रति उम्मीदवार दाखिल करने वाले संस्थान / रिपोर्टिंग सेंटर में जमा करेंगे।

48. Candidates have to remit seat acceptance fee only once. Thus, candidates who are allocated a seat again [because they chose the float or slide option] do NOT have to pay seat acceptance fee again.

उम्मीदवारों को सीट स्वीकृति शुल्क केवल एक बार ही भरना है। लिहाज़ा, जो उम्मीदवारों को सीट दुबारा आवंटित की गयी हो [क्योंकि उन्होंने फ्लोटिंग या स्लाइडिंग का विकल्प चुना] उन्हें सीट स्वीकृति शुल्क फिर से भरने की आवश्यकता नहीं है।

49. Candidates who remit seat acceptance fee and do not report in the admitting institute / reporting centre will be treated as rejecting the offer and will be excluded from further rounds of seat allocation. Such candidates may seek refund of seat acceptance fee through the online portal after the completion of the joint seat allocation.

उम्मीदवार जो सीट स्वीकृति शुल्क भरते हैं और दाखिल करने वाले संस्थान/ रिपोर्टिंग सेंटर में रिपोर्ट नहीं करते, उनके द्वारा प्रवेश का प्रस्ताव **अस्वीकृत** माना जायेगा और उन्हें सीट आवंटन के आगामी दौर से अपवर्जित किया जायेगा। ऐसे उम्मीदवार सीट स्वीकृति शुल्क को संयुक्त सीट आवंटन के समापन के बाद, ऑनलाइन पोर्टल द्वारा वापस मांग सकते हैं।

50. Seat acceptance fee, once paid, is not refundable except when the candidate does not report in person at a reporting centre after paying seat acceptance fee.

केवल आवंटित सीट रिपोर्टिंग केंद्र पर व्यक्ति में रिपोर्ट नहीं करने वाले उम्मीदवारों को छोड़कर, सीट स्वीकृति शुल्क एक बार भरने के बाद वापस नहीं किया जायेगा।

## **XX. FREEZE, FLOAT AND SLIDE OPTIONS**

**फ्रीजिंग, फ्लोटिंग और स्लाइडिंग विकल्प**

51. At the time of accepting the seat, a candidate can opt to 'freeze', 'slide' or 'float' the choice of academic program for subsequent round(s), if any of joint seat allocation.

सीट के प्रस्ताव की स्वीकृति के समय, उम्मीदवार उस शैक्षणिक कार्यक्रम के विकल्प को 'फ्रीज', 'स्लाइड' या 'फ्लोट' करने का चुनाव कर सकता है और आगे के दौर में भाग ले सकता है।

(A) Freezing: Candidates accept the offered seat and indicate that they are content with the allocated academic program and that they do not want to participate in further rounds of seat allocation. Such candidates will NOT be considered in subsequent rounds of admission.

फ्रीजिंग: उम्मीदवार प्रस्तावित सीट स्वीकार करते हैं और यह सूचित करते हैं कि उन्हें आवंटित किये गए शैक्षणिक कार्यक्रम से वह संतुष्ट है और वे सीट आवंटन के आगे के दौर में हिस्सा नहीं लेना चाहते। ऐसे उम्मीदवारों को प्रवेश के आगामी दौर में विचाराधीन नहीं लिया जायेगा।

(B) Floating: Candidates accept the offered seat and indicate that, if admission to an academic program of better/higher preference in any Institute is offered, they will accept it. Else, they will continue with the currently accepted academic program. Such candidates will be considered in subsequent rounds of admission.

फ्लोटिंग: उम्मीदवार प्रस्तावित सीट स्वीकार करते हैं और यह सूचित करते हैं की यदि उनके बेहतर/उच्चतर विकल्प के किसी संस्थान के शैक्षणिक कार्यक्रम में उन्हें प्रवेश मिलता है तो उसका स्वीकार करेंगे। अन्यथा, वे वर्तमान स्वीकृत शैक्षणिक कार्यक्रम में टीके रहेंगे। ऐसे उम्मीदवारों को प्रवेश के आगामी दौर में विचाराधीन लिया जायेगा।

(C) Sliding: Candidates accept the offered seat and indicate that, if admission to an academic program of better / higher preference is offered within the same Institute, they will accept it. Such candidates will be considered in subsequent rounds of admission.

स्लाइडिंग: उम्मीदवार प्रस्तावित सीट स्वीकार करते हैं और यह सूचित करते हैं की यदि उनके बेहतर/उच्चतर विकल्प के उसी संस्थान के शैक्षणिक कार्यक्रम में उन्हें प्रवेश मिलता है तो उसका स्वीकार करेंगे। ऐसे उम्मीदवारों को प्रवेश के आगामी दौर में विचाराधीन लिया जायेगा।

52. Sliding and floating options will be available to only those candidates who are NOT offered admission to their first choice.

स्लाइडिंग और फ्लोटिंग विकल्प केवल उन्हीं को उपलब्ध किया जायेगा जिन्हें उनका पहले विकल्प में प्रवेश नहीं मिला हो।

53. Sliding and floating options are NOT available in the last round of seat acceptance.

स्लाइडिंग और फ्लोटिंग विकल्प, सीट स्वीकृति के अंतिम दौर में उपलब्ध नहीं है।

#### XIV. DUAL REPORTING FOR DOCUMENT VERIFICATION

##### डाक्यूमेंट सत्यापन के लिए दोहरी रिपोर्टिंग

54. This is applicable to candidates

इन उम्मीदवारों के लिए लागू है

- (i) Who choose the float or slide option,  
जो फ्लोट या स्लाइड विकल्प चुनते हैं,

- (ii) Are allocated a seat in an IIT / ISM in one round and in a an NIT/ IIIT (Triple-I-T) or Other-GFTI in a subsequent round

OR / या

Are allotted a seat in an NIT/ IIIT (Triple-I-T) or Other-GFTI in one round and in an IIT/ ISM in a subsequent round.

Such candidates must report in person once again (i.e., for the second time).

ऐसे अभ्यर्थियों दूसरी बार के लिए, यानी (एक बार फिर से व्यक्ति में रिपोर्ट करना होगा।

If not, candidates will neither have the seat accepted the first time nor the seat allocated in the subsequent round. These candidates will not be allowed to participate in joint seat allocation in any of the subsequent rounds, if any.

यदि नहीं, तो उम्मीदवारों को जो सीट पहली बार और बाद के दौर में आवंटित हुए हैं उनके पास नहीं रहेगा। इन उम्मीदवारों को इस संयुक्त सीट आवंटन के आगे दौर में भी भाग लेने की अनुमति नहीं दी जाएगी।

## XXI. CHANGE OF CLASS XII MARKS

कक्षा बारहवीं के गुणों में बदल

55. It is possible that the Class XII marks of a candidate are revised [due to re-totaling, re-evaluation, etc.] by the Class XII examination board AFTER the declaration of JEE (Main) 2015 ranks and joint seat allocation begins. The following business rules apply consequent to such a revision of marks:

यह मुमकिन है की किसी उम्मीदवार के कक्षा बारहवीं के गुण, परीक्षा बोर्ड द्वारा, JEE (Main) 2015 रैंक के घोषणा के बाद और संयुक्त सीट आवंटन के पहले पुनरीक्षित किये गए हो [पुनर्मूल्यांकन, रिटोटलिंग इत्यादि की वजह से]। ऐसे गुणों के पुनरीक्षण पर निम्नलिखित व्यवहार नियमों का पालन किया जायेगा:

Applicable for IITs and ISM

IITs और ISM के लिए लागू

(A) Due to revision of marks, if a candidate becomes ineligible because of not satisfying the “Performance in Class XII (or equivalent) examination” requirement [Annexure 3], then the candidate will be made ineligible at the time of seat acceptance/ document verification, or even at a later stage.

अगर उम्मीदवार "कक्षा बारहवीं (या समकक्ष) परीक्षा में गुणवत्ता" अंकों के सुधार के बाद भी (अनुबंध ३) में आवश्यकताएं पूर्ण न करने पर एडमिशन के लिए अपात्र हो जायेगा। ऐसे उम्मीदवारों को, सीट स्वीकृति के समय/दस्तावेज सत्यापित करते समय, या उसके बाद भी अपात्र बनाया जायेगा।

(B) Due to revision of marks, if a candidate satisfies the "Performance in Class XII (or equivalent) examination" and becomes eligible for admission, then such a candidate has to approach a reporting centre to begin with revised marks sheet/ transcript. The candidate will be allocated a seat in subsequent rounds. The allocated seat shall be the same in subsequent rounds. The allocated seat shall be the same as what the candidate would have got on the basis of revised marks were considered to begin with. This can be a supernumerary seat.

अगर उम्मीदवार "कक्षा बारहवीं (या समकक्ष) परीक्षा में गुणवत्ता" अंकों के सुधार के बाद आवश्यकताएं पूर्ण करने पर एडमिशन के लिए पात्र हो जायेगा। ऐसे उम्मीदवार को अपने पुनरीक्षित गुण-पत्रिका/प्रतिलिपि को लेकर रिपोर्टिंग सेंटर जाना होगा। उम्मीदवार को पुनरीक्षित गुणों के आधार पर आवंटन के आगामी दौर में सीट दी जाएगी। यह सीट वही होगी जो पुनरीक्षित गुणों के आधार पर उसे शुरुआत में ही मिल जाती। यह एक अधिसंख्य सीट भी हो सकती है।

(C) If a candidate who was eligible continues to be eligible even after revision of Class XII marks, there will not be any change in seat allocation.

अगर उम्मीदवार "कक्षा बारहवीं (या समकक्ष) परीक्षा में गुणवत्ता" अंकों के सुधार के बाद भी उम्मीदवार पात्र होता है तो सीट आवंटन में कोई बदल नहीं होगा।

### Applicable for NITs, IIITs (Triple-I-Ts) and Other-GFTIs

NITs, IIITs (Triple -I -Ts) और अन्य GFTIs के लिए लागू

(D) A change in the marks of the Class XII (or equivalent) examination may lead to a change in the position of the candidate in the rank lists prepared based on JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) and/or JEE (Main) 2015 Paper-2 (B.Arch. / B.Planning). In this case, the candidate has to approach the JEE Apex Board for the modified JEE (Main) 2015 AIR(s). The candidate will be allocated a seat in subsequent rounds. The allocated seat shall be the same as what the candidate would have got on the basis of revised marks were considered to begin with. This can be a supernumerary seat.

कक्षा बारहवीं (या समकक्ष) परीक्षा के गुणों में बदल, JEE (Main) 2015 Paper-1 (B.E. / B.Tech.)

and/or JEE (Main) 2015 Paper-2 (B.Arch. / B.Planning) के आधार पर दिया गया रैंक सूची में उम्मीदवार का स्थान बदल सकता है | ऐसी स्थिति में, उम्मीदवार को JEE (Main) 2015 का रैंक संशोधित करने के लिए JEE अपैक्स बोर्ड के साथ संपर्क करना होगा | उम्मीदवार को सीट आवंटन के आगामी दौर में सीट आवंटित की जाएगी। यह सीट वही होगी जो पुनरीक्षित गुणों के आधार पर उसे शुरुआत में ही मिल जाती। यह एक अधिसंख्य सीट भी हो सकती है।

## XXII. DOCUMENT VALIDITY / VERIFICATION

### दस्तावेज वैधता/ सत्यापन

56. During the process of document verification, if the mismatch between the document uploaded on the JEE (Advanced) 2015 registration site and produced by the candidate is found to be due to willful forgery / act of cheating, offer of admission will be withdrawn and the candidate is debarred from further rounds of seat allocation.

दस्तावेज सत्यापन की प्रक्रिया के दौरान यदि JEE (Advanced) 2015 पंजीकरण साइट पर अपलोड किए गए दस्तावेज और उम्मीदवार द्वारा प्रस्तुत किए गए दस्तावेज, दुराग्रही जालसाजी/ दोखेबाड़ी की वजह पाया गया मेल नहीं होता तो प्रवेश का प्रस्ताव वापस ले लिया जाएगा और उसे सीट आवंटन के आगामी दौर से वंचित कर दिया जाएगा।

57. For candidates whose category document is found to be invalid OR who do not produce a (valid) category document [as per the formats given in Annexures], the category tag will be changed (for the purpose of seat allocation) as shown below:

जो उम्मीदवारों का श्रेणी दस्तावेज/ प्रमाणपत्र अवैध पाया जाएगा या जो उम्मीदवार श्रेणी दस्तावेज/ प्रमाणपत्र नहीं प्रस्तुत करते उनका श्रेणी टैग नीचे दिए तालिका के अनुसार बदल दिए जाएँगे (सीट आवंटन के लिए)।

Category tag श्रेणी टैग		Reason कारण
Assigned नियुक्त	changed to परिवर्तित	
GEN-PwD	GEN	Invalid PwD certificate अवैध PwD प्रमाणपत्र
OBC-NCL-PwD	OBC-NCL	Invalid PwD certificate but valid OBC-NCL certificate अवैध PwD प्रमाणपत्र परंतु वैध OBC-NCL प्रमाणपत्र
OBC-NCL-PwD	GEN-PwD	Valid PwD certificate but invalid OBC-NCL certificate वैध PwD प्रमाणपत्र परंतु अवैध OBC-NCL प्रमाणपत्र

OBC-NCL-PwD	GEN	Both PwD and OBC-NCL certificates are invalid अवैध PwD और OBC-NCL प्रमाणपत्र
SC-PwD	SC	Invalid PwD certificate but valid SC certificate अवैध PwD प्रमाणपत्र परंतु वैध SC प्रमाणपत्र
SC-PwD	GEN-PwD	Valid PwD certificate but invalid SC certificate वैध PwD प्रमाणपत्र परंतु अवैध SC प्रमाणपत्र
SC-PwD	GEN	Both PwD and SC certificates are invalid अवैध PwD और SC प्रमाणपत्र
ST-PwD	ST	Invalid PwD certificate but valid ST certificate अवैध PwD प्रमाणपत्र परंतु वैध ST प्रमाणपत्र
ST-PwD	GEN-PwD	Valid PwD certificate but invalid ST certificate वैध PwD प्रमाणपत्र परंतु अवैध ST प्रमाणपत्र
ST-PwD	GEN	Both PwD and ST certificates are invalid अवैध PwD और ST प्रमाणपत्र
OBC-NCL	GEN	Invalid OBC-NCL certificate अवैध OBC-NCL प्रमाणपत्र
SC	GEN	Invalid SC certificate अवैध SC प्रमाणपत्र
ST	GEN	Invalid ST certificate अवैध ST प्रमाणपत्र

58. If the documents are found to be invalid for reasons other than willful forgery / act of cheating, then the following rules will be applied in addition to the change of category tag:

यदि दस्तावेज दुराग्रही जालसाजी/ धोकेबाजी के अलावा किसी अन्य कारणों की वजह से अवैध पाए जाते हैं, तो श्रेणी टैग में बदल के साथ निम्न नियमों को लागू किया जाएगा:

(A) If the OBC-NCL, SC, ST, PwD or DS certificate is found to be invalid or not produced **AND** the candidate satisfies all other requirements **AND** the seat is allocated in the OPEN category, then the offer of admission will be confirmed.

यदि OBC-NCL, SC, ST, PwD या DS प्रमाणपत्र अवैध पाए जाते हैं या प्रस्तुत नहीं किए जाते हैं और उम्मीदवार प्रवेश के लिए आवश्यक बाकी सभी शर्तों को पूरा करता है और आवंटित सीट ओपन श्रेणी से है तो प्रवेश का प्रस्ताव पुष्टित किया जायेगा।

(B) If the OBC-NCL certificate is found to be invalid or not produced **AND** the candidate satisfies all other requirements **AND** the seat is allocated in OBC-NCL category, then

यदि OBC-NCL प्रमाणपत्र अवैध पाए जाते हैं या प्रस्तुत नहीं किए जाते हैं और उम्मीदवार प्रवेश के लिए आवश्यक बाकी सभी शर्तों को पूरा करता है और आवंटित सीट OBC-NCL श्रेणी से है, तो

- (i) Allocated seat will be cancelled.  
आवंटित सीट रद्द की जाएगी।
- (ii) The candidate will be considered for seat allocation as a GEN candidate in the next round of seat allocation (if any), provided all other criteria are satisfied [e.g., present in the respective rank list, etc.].

उस उम्मीदवार को सीट आवंटन के अगामी दौर में GEN उम्मीदवार माना जायेगा। बशर्ते बाकि सभी मानदंडों को संतुष्ट करता हो [उदा. सम्बंधित रैंक सूचि में शामिल रहना, इत्यादि ]।

In this case, the candidate will be allocated a seat in the best (in terms of the filled-in choices) possible choice of academic program that has unfilled seats (in other words, supernumerary seats are NOT created).

ऐसी स्थिति में, उम्मीदवार को यथासाध्य सीट आवंटित की जाएगी (भरे हुए विकल्पों के आधार पर) सम्भाव्य विकल्प जिसमें रिक्त सीट हों (अर्थात, अधिसंख्य सीट्स नहीं बनाये जायेंगे)।

The rule as stated above in (B) for OBC-NCL will be applied if the DS, SC or ST certificate is found to be invalid or not produced.

DS, SC या ST प्रमाणपत्र का अवैध पाए जाने पर ऊपर (B) में दिए गए नियम लागू किये जाएंगे।

(C) If the PwD certificate is found to be invalid or not produced **AND** the candidate satisfies all other requirements **AND** the seat is allocated under the PwD category, then

यदि PwD प्रमाणपत्र अवैध पाए जाते हैं या प्रस्तुत नहीं किए जाते हैं और उम्मीदवार प्रवेश के लिए आवश्यक बाकी सभी शर्तों को पूरा करता है और आवंटित सीट PwD श्रेणी से है, तो

- (i) Allocated seat will be cancelled.  
आवंटित सीट रद्द की जाएगी।
- (ii) These candidates will be considered for seat allocation in the next round of seat allocation in their respective parent category (viz., GEN, OBC-NCL, SC or ST),

provided all other criteria are satisfied [e.g., present in the respective rank list, etc.].

ऐसे उम्मीदवारों को सीट आवंटन के आगामी दौर में उनके सम्बंधित मूल श्रेणी (जैसे की, GEN, OBC-NCL, SC या ST) उम्मीदवार माने जायेंगे, बाकि सभी मानदंडों को संतुष्ट करते हों [उदा. सम्बंधित रैंक सूचि में शामिल रहना, इत्यादि]।

In this case, the candidate will be allocated a seat in the best (in terms of the filled-in choices) possible choice of academic program that has unfilled seats (in other words, supernumerary seats are NOT created).

ऐसी स्थिती में, उम्मीदवार को यथासाध्य सीट आवंटित की जाएगी (भरे हुए विकल्पों के आधार पर) सम्भाव्य विकल्प जिसमें रिक्त सीट हों (अर्थात्, अधिसंख्य सीट्स नहीं बनाये जायेंगे)।

59. The following rules will be applied if there is an error in the state code of eligibility:  
पात्रता की राज्य कोड में कोई त्रुटि है, तो निम्नलिखित नियम लागू किया जाएगा:

- (A) The state code of eligibility will be corrected in the JoSSA 2015 database.  
पात्रता की राज्य कोड JoSSA 2015 डेटाबेस में सही हो जाएगा
- (B) Retention/ cancellation of seat will be as determined by the following table:  
सीट की रिटेंशन रद्द / निम्न तालिका द्वारा निर्धारित किया जाएगा:

Eligibility	Allocated seat quota	Action
Other State quota	Home state quota	Seat will be cancelled
Home State quota	Other state quota	Seat will be cancelled
Other State quota	Other state quota	Seat will NOT be cancelled
All India quota	Home state quota	Seat will be cancelled

- (C) Candidate will be considered for seat allocation in subsequent rounds of seat allocation, provided all other eligibility requirements are satisfied.

उम्मीदवार अन्य सभी पात्रता आवश्यकताओं को संतुष्ट हैं, बशर्ते सीट आवंटन के बाद के दौर में सीट आवंटन के लिए विचार किया जाएगा।

### XXIII. ELIGIBILITY TO APPEAR IN JEE (ADVANCED) IN SUBSEQUENT YEARS

आगामी वर्षों में JEE (Advanced) में शामिल होने के लिए पात्रता

60. Candidates who reject allocated seat can appear for JEE (Advanced) 2016 provided they meet all other eligibility requirements.

उम्मीदवार जो आवंटित सीट का अस्वीकार करते हैं JEE(Advanced) 2016 में शामिल होने के लिए पात्र है बशर्ते वह अन्य आवश्यकताओं को पूरा करते हों।

61. Candidates who accept the allocated seat by reporting at the admitting institute or a reporting center, irrespective of whether they attend classes OR not become ineligible for JEE (Advanced) in subsequent years.

उम्मीदवार जो दाखिल करने वाले संस्थान या रिपोर्टिंग सेंटर में रिपोर्ट कर आवंटित सीट का स्वीकार करते हैं, वह कक्षा में उपस्थित रहे या न रहे, आगामी वर्षों में JEE(Advanced) में शामिल होने के लिए अपात्र हैं।

62. Candidates whose admission is cancelled or withdrawn for any reason whatsoever become ineligible to appear to JEE (Advanced) in subsequent years.

उम्मीदवार जिनका प्रवेश किसी कारणवश रद्द या प्रत्याहृत(withdraw) किया हो, आगामी वर्षों में JEE(Advanced) में शामिल होने के लिए अपात्र हैं।

63. Candidates who produce forged documents or indulge in acts of cheating are debarred from appearing in JEE (Main) and JEE (Advanced) next [and subsequent] year(s).

उम्मीदवार जो दुराग्रही जालसाजी/ दोखेबाड़ी के दस्तावेज प्रस्तुत करते हैं उन्हें आगामी वर्षों में JEE(Main) और JEE(Advanced) में शामिल होने से बहिष्कृत किया जायेगा।

64. Candidates who are admitted to a preparatory course in any of the IITs or ISM in the academic year 2015-16 can appear in JEE (Advanced) 2016 provided they meet all the other eligibility requirements.

उम्मीदवार जिनको शैक्षणिक वर्ष 2015-16 में IITs या ISM के आधार कार्यक्रमों में प्रवेश मिला हो वे JEE(Advanced) 2016 में शामिल हो सकते हैं बशर्ते वह अन्य आवश्यकताएं पूरी करते हों।

### ANNEXURE 3

#### अनुबंध 3

#### Performance in Class XII (or equivalent) examination

#### कक्षा १२ (या समकक्ष) बोर्ड परीक्षा में गुणवत्ता

(Applicable only for candidates seeking admission to IITs and ISM)

(केवल IITs तथा ISM के लिए प्रवेश प्राप्त करने वाले अभ्यर्थियों के लिए)

1. One of the criteria for admission to IITs and ISM is that the candidate should satisfy at least one of these two criteria:

अभ्यर्थियों के प्रदर्शन के आधार पर IITs तथा ISM में प्रवेश के लिए निम्नलिखित दो शर्तों में से कम से कम एक शर्त को पूरा करना आवश्यक है।

- (i) The candidate is within the category-wise top 20 percentile of successful candidates in his/her/its respective Class XII (or equivalent) examination.

अभ्यर्थी को संबंधित कक्षा १२ (या समकक्ष) बोर्ड परीक्षा में सफल हुए अभ्यर्थियों की वर्ग-वार शीर्ष २० प्रतिशतक में निहित होना चाहिए।

- (ii) The candidate has secured 75% (for GEN or OBC-NCL) or 70% (SC, ST or PwD) of aggregate marks in the Class XII (or equivalent) examination.

अभ्यर्थी ने १२ वी (या समकक्ष) बोर्ड परीक्षा में कुल ७५% (सामान्य अथवा अन्य पिछड़ा वर्ग (नॉन क्रीमीलेयर) के लिए) या ७०% (अनुसूचित जाति, अनुसूचित जन जाति अथवा निःशक्त जन के लिए) अंक प्राप्त किये हो।

2. The marks scored in the following five subjects will be considered for calculating the aggregate marks and the qualifying marks for fulfilling the top 20 percentile criterion: (i) Physics, (ii) Chemistry, (iii) Mathematics, (iv) a language (if the candidate has taken more than one language, then the language with the higher marks will be considered), and (v) any subject other than the above four (the subject with the higher marks will be considered).

कुल अंक और "शीर्ष २० प्रतिशतक" शर्त को पूरा करने के कट ऑफ अंकों की गणना के लिए निम्नलिखित पांच विषयों में प्राप्त अंको को सम्मिलित किया जायेगा: (१) भौतिकी शास्त्र (२) रसायन शास्त्र, (३) गणित, (४) एक

भाषा (अगर एक से अधिक भाषाएँ लिए हैं तो, अधिक अंक प्राप्त भाषा को गिना जायेगा) और (५) उक्त ४ विषयों के अलावा कोई अन्य विषय (जिसमें अधिक अंक प्राप्त हो, को गिना जायेगा)।

3. In case any of the subjects Physics, Chemistry, Mathematics and Language are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year will be used for calculating the top 20 percentile qualifying marks and percentage of aggregate marks.

यदि कोई बोर्ड ग्रेड शीट पर अंकों के समकक्ष प्रतिशत के स्थान पर केवल अक्षर ग्रेड प्रदान करता है तो अभ्यर्थी को सम्बंधित बोर्ड से एक समकक्ष अंकों को दर्शाते हुए एक निर्धारित प्रमाणपत्र लेना होगा एवं आवंटित सीट को आनलाइन स्वीकार करते समय इसे अपलोड करना होगा। यदि यह प्रमाणपत्र उपलब्ध नहीं कराया जाता है तो सं.प्र.प. (उच्च) २०१५ की संयुक्त कार्यान्वयन समिति का निर्णय अंतिम होगा।

4. Candidates who have failed in one or more subjects in the Class XII (or equivalent) examination in 2014 will have to reappear for all the subjects in 2015.

ऐसे अभ्यर्थी जो कक्षा १२ (या समकक्ष) परीक्षा पहली बार २०१४ में लिख चुके हैं और दुबारा २०१५ में यह परीक्षा लिखना चाहते हैं, उन्हें सभी विषयों को लेकर परीक्षा में शामिल होना अनिवार्य है।

5. If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case such a certificate is not provided, the decision taken by the Joint Implementation Committee of JEE (Advanced) 2015 will be final.

यदि कोई बोर्ड ग्रेड शीट पर अंकों के समकक्ष प्रतिशत के स्थान पर केवल अक्षर ग्रेड प्रदान करता है तो अभ्यर्थी को सम्बंधित बोर्ड से एक समकक्ष अंकों को दर्शाते हुए एक निर्धारित प्रमाणपत्र लेना होगा एवं आवंटित सीट को आनलाइन स्वीकार करते समय इसे अपलोड करना होगा। यदि यह प्रमाणपत्र उपलब्ध नहीं कराया जाता है तो JEE (Advanced) 2015 की संयुक्त कार्यान्वयन समिति का निर्णय अंतिम होगा।

6. If a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only the Class XII marks will be considered. If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then only the marks scored in the final year will be considered. Similarly, for Boards which follow a semester system, the marks scored in the final two semesters will be considered.

यदि बोर्ड कक्षा ११ एवं १२ (१० +२ प्रणाली के अंतर्गत) दोनों पर विचार करते हुए कुल अंक प्रदान करता है तो केवल कक्षा १२ के अंक ही मान्य होंगे और यदि त्रिवर्षीय डिप्लोमा या उसके समकक्ष पाठ्यक्रम में तीन वर्षों पर विचार करते हुए कुल अंक प्रदान करता है तो केवल अंतिम वर्ष के अंक ही मान्य होंगे। इसी प्रकार ऐसे बोर्ड जिसमें सेमेस्टर प्रणाली के अंतर्गत परीक्षा होती है, अंतिम २ सेमेस्टर के अंक ही मान्य होंगे।

7. If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.

यदि कोई बोर्ड प्रत्येक विषय में प्राप्त अंक न दिखाकर केवल कुल अंक दर्शाता है, तो बोर्ड द्वारा दर्शाये गए कुल अंक ही मान्य किये जायेंगे।

8. The criteria, as specified above, is applicable “in toto” to all the candidates including foreign nationals.

ऊपर बताये गये मानदंड सभी अभ्यर्थियों जिनमें विदेशी नागरिक भी सम्मिलित हैं, के लिए मान्य हैं।

### **Regarding the qualifying marks for the top 20 percentile**

#### **शीर्ष २० प्रतिशतक से संबंधित**

9. The category-wise qualifying marks for the top 20 percentile are calculated based on the marks scored by all the “successful” candidates in their respective boards.

“शीर्ष २० प्रतिशतक” के कट-आफ अंकों की गणना सभी सफलतम अभ्यर्थियों के संबंधित बोर्ड एवं संबंधित श्रेणियों के अंतर्गत विज्ञान वर्ग में प्राप्त किये गये अंकों के आधार पर होगी जो कि विषय समूह से स्वतंत्र है।

10. The qualifying marks for PwD category candidates will be the same as the lowest of the qualifying marks for GEN, OBC-NCL, SC and ST category candidates.

निःशक्त जन अभ्यर्थी के शीर्ष २० प्रतिशतक कट-ऑफ अंक सामान्य, अन्य पिछड़ा वर्ग -नॉन क्रीमी लेयर, अनुसूचित जाति और अनुसूचित जन जाति में से न्यूनतम अंक के बराबर होंगे।

11. The top 20 percentile qualifying marks of the respective Boards in 2014 will be considered for candidates who pass the Class XII (or equivalent) examination in 2014.

संबंधित बोर्ड के 2014 के “शीर्ष २० प्रतिशतक” कट-ऑफ अंक, 2014 में १२ वीं (या समकक्ष) में सफल होने वाले अभ्यर्थियों के लिए मान्य होंगे।

12. The top 20 percentile qualifying marks of the respective Boards in 2015 will be considered for candidates who pass the Class XII (or equivalent) examination in 2015 and for those who appeared in 2014 but reappeared in all subjects in 2015 to improve the performance.

संबंधित बोर्ड के 2015 में १२ वीं (या समकक्ष) में सफल अभ्यर्थियों के लिए 2015 में प्राप्त अंक मान्य होंगे बशर्ते १२ वीं (या समकक्ष) परीक्षा में अभ्यर्थी जो २०१५ में सभी विषयों को लेकर दुबारा परीक्षा में शामिल हुआ हो ।

13. In case a Board does not provide information about the qualifying marks for the top 20 percentile, the candidate will have to produce a certificate from the respective Board stating that he/she/it falls within the top 20 percentile of successful candidates. If the candidate fails to do so, then the qualifying marks for the CBSE will be used.

यदि बोर्ड "शीर्ष २० प्रतिशतक" के कटऑफ की जानकारी उपलब्ध नहीं कराता है- तो अभ्यर्थी को संबंधित बोर्ड द्वारा निर्धारित प्रारूप में एक प्रमाणपत्र देना होगा जो इस आशय को व्यक्त करे कि वह सफलतम शीर्ष २० प्रतिशतक अभ्यर्थियों में निहित है। यदि अभ्यर्थी ऐसा करने में असमर्थ रहता है तो सीप्रतिशतक .ई .एस .बी . का उपयोग किया जाएगा।

**Regarding the aggregate marks of 75% (for GEN and OBC-NCL) or 70% (for SC, ST and PwD)**

**कुल अंक ७५% (GEN तथा OBC-NCL) या ७०% (SC, ST तथा PwD) से संबंधित**

14. The marks scored by a candidate in the 2014 Class XII (or equivalent) examination will be considered provided the candidate does not reappear for the Class XII (or equivalent) examination in 2015 in any of the subjects.

संबंधित बोर्ड के 2014 में १२ वीं (या समकक्ष) में सफल अभ्यर्थियों के लिए 2014 में प्राप्त अंक मान्य होंगे बशर्ते १२ वीं (या समकक्ष) परीक्षा में अभ्यर्थी दोबारा 2015 में किसी भी विषय में शामिल न हुआ हो ।

15. The marks scored by a candidate in the 2015 Class XII (or equivalent) examination will be considered for candidates who pass the Class XII examination in 2015 and for those who appeared in 2014 but reappeared in 2015.

संबंधित बोर्ड के २०१५ में १२ वीं (या समकक्ष) में सफल होने वाले अभ्यर्थियों द्वारा २०१५ में प्राप्त अंक मान्य होंगे और और जो २०१५ में सभी विषयों को लेकर दुबारा परीक्षा में शामिल हुआ हो ।

#### Class XII and equivalent examinations

##### कक्षा १२ के समतुल्य मान्य परीक्षाएं

1. The final examination of the 10+2 system, conducted by a Central or State Board recognized by the Association of Indian Universities ([www.aiuweb.org](http://www.aiuweb.org)).

१० + २ प्रणाली की अंतिम परीक्षा जो भारतीय विश्व विद्यालय संघ से मान्यता प्राप्त केन्द्रीय अथवा राजकीय बोर्ड के द्वारा संचालित हो ([www.aiuweb.org](http://www.aiuweb.org))।

2. Intermediate or two-year Pre-University examination conducted by a Board or University recognized by the Association of Indian Universities.

विश्व विद्यालय संघ से मान्यता प्राप्त किसी बोर्ड अथवा विश्वविद्यालय द्वारा संचालित इंटरमीडिएट या द्विवर्षीय पूर्व विश्वविद्यालय परीक्षा।

3. Final examination of the two-year course of the Joint Services Wing of the National Defence Academy.

राष्ट्रीय रक्षा अकादमी के संयुक्त सेवा कोर [Joint Services wing (National Defence Academy)] के दो वर्षीय पाठ्यक्रम की अंतिम परीक्षा।

4. Senior Secondary School Examination conducted by the National Institute of Open Schooling with a minimum of five subjects.

राष्ट्रीय मुक्त विद्यालयी शिक्षा संस्थान द्वारा आयोजित सीनियर सेकेंडरी स्कूल परीक्षा न्यूनतम पांच विषयों के साथ।

5. Any Public School, Board or University examination in India or in a foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).

१० + २ प्रणाली के समकक्ष रूप की एवं विश्व विद्यालय संघ (ऐ.आई.यू.) से मान्यता प्राप्त किसी पब्लिक स्कूल, बोर्ड या विश्वविद्यालय के द्वारा भारत अथवा विदेश में आयोजित परीक्षा।

6. H.S.C. vocational examination.  
H.S.C. व्यावसायिक परीक्षा |

7. A Diploma recognized by the All India Council for Technical Education ([www.aicte-india.org](http://www.aicte-india.org)) or a State Board of Technical Education of at least 3 years duration.

अखिल भारतीय तकनीकी शिक्षा परिषद (ऐ.आई.सी.टी.ई.) अथवा तकनीकी शिक्षा राज्य बोर्ड द्वारा मान्यता प्राप्त कम से कम ३ वर्षीय डिप्लोमा।

8. General Certificate Education (GCE) examination (London, Cambridge or Sri Lanka) at the Advanced (A) level.

उच्च (ए) स्तर की (एडवांस्ड ऐ.) जनरल सर्टिफिकेट एजुकेशन (जी. सी.ई.) परीक्षा (लंदन, केंब्रिज या श्रीलंका)

9. High School Certificate Examination of the Cambridge University or International Baccalaureate Diploma of the International Baccalaureate Office, Geneva.

कैम्ब्रिज विश्वविद्यालय की हाई स्कूल प्रमाणपत्र परीक्षा या अंतरराष्ट्रीय बैचलॉरीअट कार्यालय, जिनेवा का अंतरराष्ट्रीय बैचलॉरीअट डिप्लोमा।

10. Candidates who have completed Class XII (or equivalent) examination outside India or from a Board not specified above should produce a certificate from the Association of Indian Universities to the effect that the examination they have passed is equivalent to the Class XII examination.

ऐसे अभ्यर्थी जिन्होंने कक्षा १२ (या समकक्ष) परीक्षा भारत के बाहर से अथवा किसी ऐसे बोर्ड से उत्तीर्ण की है जो ऊपर निर्दिष्ट नहीं है, उन्हें विश्व विद्यालय संघ (ऐ.आई.यू.) द्वारा जारी एक प्रमाणपत्र देना होगा जो इस आशय की पुष्टि कर सके कि उनके द्वारा उत्तीर्ण परीक्षा कक्षा १२ के समकक्ष हैं।

#### **Additional business rules pertaining to preparatory courses**

##### **आधार पाठ्यक्रम से संबंधित अतिरिक्त व्याहार नियम**

1. IITs and ISM conduct preparatory courses of one year duration for SC, ST and PwD candidates. In case the seats reserved for SC, ST and PwD candidates are not filled completely, a limited number of candidates are admitted to a preparatory course of one-year duration on the basis of further relaxation of admission criteria.

IITs और ISM, SC, ST और PwD उम्मीदवारों के उम्मीदवारों के लिए एक वर्ष की अवधि के आधार पाठ्यक्रम चलाया जाता है। यदि अनुसूचित जाति, अनुसूचित जन जाति और विकलांग अभ्यर्थियों के लिए आरक्षित सीटें पूर्ण रूप से नहीं भरती हैं तो कुछ सीमित अभ्यर्थियों को प्रवेश मापदंड में कुछ और छूट के आधार पर 1 साल के आधार पाठ्यक्रम में प्रवेश दिया जा सकता है।

2. Admission is given to the candidates in the preparatory course provided (i) the seats reserved for the respective category are vacant, (ii) candidates satisfy the norms for preparatory courses, and (iii) the candidate has NOT accepted offer of admission to preparatory course earlier.

आधार पाठ्यक्रम में अभ्यर्थियों को प्रवेश दिया जाएगा, बशर्ते (i) संबंधित श्रेणी के लिए आरक्षित सीट रिक्त हो, (ii) अभ्यर्थी न्यूनतम नियमों को संतुष्ट करे, और (iii) उसने पहले कभी आधार पाठ्यक्रम में प्रवेश न लिया हो।

3. On successful completion of the course, the students will be offered direct admission in July 2016 (Academic Year 2016-17) to the already allotted undergraduate course.

सफलतापूर्वक पाठ्यक्रम को पूरा करने पर अभ्यर्थी को पहले से आवंटित पूर्वस्नातक पाठ्यक्रम में जुलाई 2016 (शैक्षणिक वर्ष 2016-17) में प्रवेश का प्रस्ताव दिया जायेगा।

4. Candidates admitted to the preparatory course are also eligible to appear for JEE (Advanced) 2016 subject to fulfilling other eligibility criteria.

अभ्यर्थी जिन्होंने आधार पाठ्यक्रम में प्रवेश लिया है, यदि दूसरे सभी पात्रता मापदंडों को पूरा करते हैं तो JEE (Advanced) 2016 में बैठ सकते हैं।

5. Filling-in of choices for preparatory courses is also through the same online portal.

आधार पाठ्यक्रम में प्रवेश आनलाइन पोर्टल के द्वारा भी लिया जा सकता है।

#### Additional business rules pertaining to rank lists

रैंक सूची से रैंक से संबंधित अतिरिक्त व्याहार नियम

**(Applicable only for JEE (Advanced) 2015 rank lists)**

(केवल JEE (Advanced) 2015 के रैंक सूची वालों के लिए)

1. Only candidates who appear for both Paper 1 and Paper 2 of JEE (Advanced) 2015 will be considered for ranking.

JEE (Advanced) 2015 के रैंकिंग के लिए केवल ऐसे अभ्यर्थी विचारणीय होंगे जो प्रथम और द्वितीय दोनों प्रश्नपत्रों में शामिल रहे हों।

2. The marks obtained by a candidate in Physics in JEE (Advanced) 2015 will be equal to the marks scored in Physics part of Paper 1 plus the marks scored in Physics part of Paper 2. Marks obtained in Chemistry and Mathematics will be calculated in the same way.

अभ्यर्थी द्वारा JEE (Advanced) 2015 में भौतिकी में प्राप्त किये गए कुल अंक प्रश्नपत्र १ के भौतिकी भाग और प्रश्नपत्र २ के भौतिकी भाग में प्राप्त अंकों के योग होंगे। रसायन और गणित में प्राप्त किये गए अंकों की गणना भी इसी प्रकार की जायेगी।

3. The aggregate marks obtained by a candidate in JEE (Advanced) 2015 is the sum of the marks awarded in Physics, Chemistry and Mathematics.

JEE (Advanced) 2015 में अभ्यर्थी द्वारा प्राप्त कुल अंक उसके द्वारा भौतिकी, रसायन और गणित में प्राप्त अंकों का योग होता है।

4. Rank lists will be prepared based on the aggregate marks in JEE (Advanced) 2015.

योग्यता सूची JEE (Advanced) 2015 में अभ्यर्थी द्वारा प्राप्त कुल अंक के आधार पर तैयार की जायेगी।

5. If the aggregate marks scored by two or more candidates are same, then the following tie-break policy will be used for awarding ranks:

यदि दो या दो से अधिक अभ्यर्थियों द्वारा प्राप्त कुल अंक एक समान हैं तब उन्हें रैंक प्रदान करने हेतु निम्नलिखित टाईब्रेक नीति का उपयोग किया जायेगा:

(5A) Higher rank will be assigned to the candidate who has obtained higher marks in Mathematics.

गणित में अधिक अंक प्राप्त करने वाले अभ्यर्थी को उच्चतम रैंक प्रदान की जायेगी।

(5B) If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Physics.

यदि इसमें भी दो या अधिक अभ्यर्थियों के अंक समान हैं तब इसी प्रक्रिया को भौतिकी के अंको के आधार पर देखा जाएगा।

(5C) If there is a tie even after this, candidates will be assigned the same rank.

अभ्यर्थियों ने यदि दोनों विषयों में समान अंक अर्जित किये हैं तो उन्हें समान रैंक दी जायेगी।

6. A candidate can appear in more than one rank list subject to the candidate satisfying the minimum marks and category criteria.

यदि कोई अभ्यर्थी एक से अधिक श्रेणियों में अर्हता प्राप्त करता है, तो रैंकिंग के उद्देश्य के लिए सम्बंधित सभी श्रेणियों में विचारणीय होगा, यदि उम्मीदवार न्यूनतम अंक और श्रेणी मापदंड संतोषजनक पुरे करता है।

7. There will be no waiting list for ranking.

रैंकिंग के लिए कोई प्रतीक्षा सूची नहीं होगी।

## ANNEXURE 2

### Timeline followed for seat allocation

1 July (03:00 IST) to 6 July (17:00 IST) 2015 [WED to MON]	Candidates filled-in their choices of academic programs in participating Institutes
4 July (10:00 to 16:00 IST) 2015 [SAT]	Display of mock seat allocation based on the choices filled-in by candidates as of 4 July 2015 (06:00 IST)
7 July (10:00 IST) 2015 [TUE]	Round 1 Seat allocation
8 July (10:00 IST) to 12 July (21:00 IST) 2015 [WED to SUN]	Round 1 Seat acceptance
13 July (10:00 IST) 2015 [MON]	Display of seat filled / availability status Round 2 Seat allocation
14 July (10:00 IST) to 17 July (21:00 IST) 2015 [TUE to FRI]	Round 2 Seat acceptance
18 July (12:00 IST) 2015 [SAT]	Display of seat filled / availability status Round 3 Seat allocation
19 July (10:00 IST) to 21 July (19:30 IST) 2015 [SUN to TUE]	Round 3 Seat acceptance
22 July 2015 onwards [WED]	(A) Beginning of academic sessions at IITs and ISM (B) Display of seat filled / availability status (C) Seat allocation for preparatory courses (IITs, ISM) (D) Round 4 Seat allocation [for NITs, IIITs (Triple-I-Ts) and Other-GFTIs]
23 July (10:00 IST) to 28 July (17:00 IST) 2015 [THUR to TUE]	(A) Preparatory course seat acceptance (IITs and ISM) (B) Round 4 Seat acceptance [NITs, IIITs (Triple-I-Ts) and Other-GFTIs] (C) [For NITs, IIITs, Other-GFTIs] Reporting at the admitting Institute for admission
27 July 2015 (10:00 IST) (MON)	(A) Beginning of academic sessions for preparatory candidates at IITs-ISM (B) Beginning of academic sessions at NITs, IIITs (Triple-I-Ts) and Other-GFTIs

Q. What is JoSAA?

A. JoSAA is an acronym for “Joint Seat Allocation Authority”. It is constituted by the Ministry of Human Resource Development to oversee joint seat allocation for the IITs and NITs. It consists of representatives from the Joint Admission Board (JAB) 2015 (for IITs/ISM) and the Central Seat Allocation Board (CSAB) 2015 (for NITs, IIITs (Triple-I-Ts) and Other-GFTIs). JoSAA is the ONLY authorized agency responsible for joint seat allocation.

Q. Are there any other agencies for conducting the seat allocation to IITs and NITs?

A. **NO** agency other than JoSAA 2015 is responsible for joint seat allocation for IITs/ISM and NIT+ Institutes. **Candidates seeking information / assistance from any agency / agent other than JoSAA 2015 shall be doing so at their own risk and cost.**

Q. What is CSAB?

A. CSAB is an acronym for “Central Seat Allocation Board”. It is an agency constituted by the Ministry of Human Resource Development. It is entrusted with the responsibility of admission for the various undergraduate courses offered by the National Institutes of Technology [NITs], Indian Institutes of Information Technology [IIITs or Triple-I-Ts] and a few other technical Institutes funded fully or partially by Central or a State government [Other-GFTIs]. These Institutes are collectively referred to as NIT+ Institutes.

Q. What are the qualifying examinations for admission to NIT+ Institutes?

A. Candidates qualifying in either one or both JEE (Main) 2015 Paper-1 (B.E. / B.Tech.) and JEE (Main) 2015 Paper-2 (B.Arch. / B. Planning) are eligible for admission to NIT+ Institutes.. However, merely qualifying in these examinations does not guarantee admission in any of the Institute. Each Institute / academic program has additional eligibility requirements which candidates have to satisfy to get admission.

- Q. Can JoSAA prepare / announce JEE (Main) 2015 ranks?
- A. NO. JEE (Main) 2015 ranks are provided by the JEE Apex Board. JoSAA 2015 uses these ranks as such without any further change. If two or more candidates have the same rank, JoSAA uses them as such and does not apply any tie-breaking rules.
- Q. Can I appear in one or more rank list?
- A. Yes. JEE Apex Board will announce eight rank lists viz., OPEN or common rank list, OPEN-PwD rank list, OBC-NCL rank list, OBC-NCL-PwD rank list, SC rank list, SC-PwD rank list, ST rank list and ST-PwD rank list. Depending upon your (birth) category and physical disability status and performance in JEE (Main) 2015 / JEE (Advanced) 2015, you may appear in more than one rank list and a maximum of four rank lists.
- Q. After JEE (Main) 2015 ranks published, my Class XII marks got changed due to re-evaluation. What will happen to my rank and seat allocation?
- A. You have to approach the JEE Apex Board for the modified JEE (Main) 2015 AIR(s). You will be allocated a seat in subsequent rounds. The allocated seat shall be the same as what you would have got on the basis of revised marks were considered to begin with. This can be a supernumerary seat.
- Q. What is an “academic program” referred to in seat allocation?
- A. In the context of seat allocation, “academic program” refers to the combination of academic program and Institute. For example, 4-year B.Tech. program in Biotechnology offered by NIT Calicut is an “academic program”.
- Q. Where I can find the academic program and category-wise intake capacity?
- A. You may visit the JoSAA 2015 web portal <https://josaa.nic.in>

- Q. How should I order the choices of academic programs?
- A. You must order the choices of academic program in the DECREASING order of preferences. The opening and closing ranks of the various programs in 2013 and/or 2014 may be used as a guide to expect one's chances of securing a seat in an academic program based on your rank.
- Q. How are candidates partitioned in JoSAA?
- A. Candidates are partitioned based on their nationality, (birth) categories and physical disability status as **GEN, GEN-PwD, OBC-NCL, OBC-NCL-PwD, SC, SC-PwD, ST, ST-PwD, Foreign.**
- Q. What are the seat categories in JoSAA?
- A. JOSAA has the following types of seat quotas:  
All India, Home State, Other State.  
All India seat quota: all candidates are eligible for this seat quota  
Home State seat quota: only candidates whose State of Eligibility is same as the state / union territory in which the Institute is located are eligible for this seat quota  
Other State seat quota: Only candidates whose State of Eligibility is NOT the same as the state / union territory in which the Institute is located are eligible for this seat quota.
- Each of the above types of seat quotas are further divided into following types of seat categories:  
OPEN, OBC-NCL, SC, ST, OPEN-PwD, OBC-NCL-PwD, SC-PwD and ST-PwD
- Q. What types of seat quotas are available for admission into IITs/ISM?
- A. There is only ONE type of seat quota, viz., All India, in IITs/ISM.
- Q. What types of seat quotas are available for admission into NITs?
- A. There are two types of seat quotas in NITs. These are Home State quota and Other State quota.
- Q. What types of seat quotas are available for admission into IIITs (Triple-I-Ts)?

A. There is only one type of seat quota, viz., All India, in IIITs (Triple-I-Ts) also.

Q. What types of seat quotas are available for admission into Other-GFTIs?

A. Birla Institute of Technology, Mesra, Ranchi and IEST, Shibpur, Dist. Howrah are like NITs and have Home State and Other State quotas. Assam University has All India and Home State quotas. All other GFTIs have only All India quota.

Q. What will be the state code of eligibility for a candidate who is a resident of Bihar and appears for the Class XII examination in West Bengal?

A. The candidate's State code of eligibility will be that of West Bengal and **NOT** that of Bihar.

The state code of eligibility **does NOT** depend upon the native place or the place of residence of the candidate. The state code will be based on the place from where the candidate has passed Class XII.

Q. What will be the state code of the candidate who passes Class XII examination from the National Institute of Open Schooling (NIOS)?

A. This will be the state from where the candidate appears and passes the Class XII examination. In case of "compartment", state of eligibility will be based on the state from which the candidate appears for the compartmental examination of NIOS.

Q. What is the state code for Indian nationals passing the class XII from abroad (includes Nepal/Bhutan)?

A. The state code of the candidate will be determined on the basis of permanent address in India as given in the passport of the candidate.

Q. When will be the number of seats available in different categories / quotas (seat matrix) announced?

A. It has already been announced; visit [www.josaa.nic.in](http://www.josaa.nic.in) for details.

- Q. Is JOSAA responsible for seat matrix data?
- A. NO, JoSAA 2015 is **NOT** responsible for the seat matrix data. JoSAA 2015 merely allocates seats as per the seat matrix data provided by the participating Institutes.
- Q. Do I need to pay any fees for registration and filling up choices?
- A. Registration and filling-in of choices on the online portal <https://josaa.nic.in> is free of cost i.e., you are NOT required to make any kind of payment as fee.
- Q. Can candidates change their personal details during or after registering in the JoSAA portal?
- A. Candidates may edit only **gender** and **state of eligibility**. No other personal data can be modified by the candidates; these will be taken from the JEE (Main) 2015 database.
- Q. Where I can fill my choices of academic programs?
- A. You can login to the portal <https://josaa.nic.in> using the JEE (Main) 2015 Roll Number as login ID and date of birth as password. After that you can fill-in your choices.
- Q. How many days are given to fill in choices?
- A. Candidates will get a 5-day window to fill-in their choices. This includes one round of mock seat allocation. This 5-day window will not be extended under any circumstance. For admission schedule visit [www.josaa.nic.in](http://www.josaa.nic.in)
- Q. What happens if I do not “lock” my choices?
- A. If you do not lock your choices, the last saved choices/preferences will be locked automatically at the conclusion of the time-window for filling-in of choices.
- Q. What happen if one forgets to lock the choices?

A. One **MUST** “lock” his/her choices. If one does NOT lock own choices, last saved choices will be locked automatically in the last minute of last date of choice filling.

Q. Can I unlock my choices after mock seat allocation?

A. In fact, the facility to lock the choices is available **ONLY** after the mock round of seat allocation. After you lock your choices, you will **NOT** be able to change your choices / preference order.

Q. Can I reshuffle my choices after I “lock” my choices?

A. **NO.** You can reshuffle your choices only before you lock the choices. **“You must fill and order your choice priority wise carefully”**

Q. How does JoSAA allocate seats?

A. JoSAA allocates seats based on candidate’s JEE (Main) 2015 ranks [for NIT+ institutes] or JEE (Advanced) 2015 ranks [for IITs/ISM] in the order of highest to least preference and availability of seats.

A seat to the highest possible choice of academic program is allocated to the candidate considering the following factors:

- (1) The category [GEN, OBC-NCL, SC, etc.] of the candidate
- (2) The position of the candidate in rank list (s)
- (3) The prioritization of academic programs of the candidate
- (4) The availability of seats in different seat categories / seat quotas for which the candidate is eligible for
- (5) The business rules

Q. What happens if there are multiple students with the same rank seek admission to the same academic program?

A. Suppose that, under a particular seat category for an academic program, there are  $m > 0$  seats left to be filled and there are  $n$  ( $m < n$ ) candidates with the same category-wise rank seeking admission to this academic program, then all the  $n$  candidates will be offered admission; in this case, there will be  $(n - m)$  supernumerary seats.

Q. How many seats one can get allocated in this system of joint seat allocation?

A. Even if a candidate is eligible based on any two or all three examinations, only a single set of academic programs is made available and he/she will be allocated only ONE seat from among his/her choices based on ranks in categories and their applicability in type of examination / institution. Hence, **it is important for candidates to carefully prioritize the academic programs while filling-in the choices.**

Q. Where should a candidate report after seat allotment?

A. A candidate who is allotted a seat in an IIT/ISM must report at any one of the reporting centres designated by the JAB [IITs].

A candidate who is allotted a seat in an NIT+ Institute must report at any one of the reporting centre designated by the CSAB.

The list of reporting centres is available on the JoSAA web portal, <http://josaa.nic.in>

Q. What is dual reporting?

A. If a candidate has accepted a seat in an NIT+ Institute in one round, and then in a subsequent round the candidate is allocated a seat in an IIT/ISM, the seat accepted by him/her in the NIT, IIIT (Triple-I-T) or Other-GFTI is treated as forfeited. However, he/she has to report to any one of the reporting center of the IITs. Otherwise he/she has to forfeit both the seats. Note that there is no need to pay seat acceptance fee again; the amount deposited in the earlier round of allotment will be adjusted with the subsequent allotment.

Q. I have accepted my seat in NIT/ IIIT/ Other-GFTI in one round, now I got an offer from IIT seat allocation in subsequent. What will happen to my earlier seat?

A. The seat accepted by you in the NIT, IIIT (Triple-I-T) or Other-GFTI is treated as forfeited. However, you have to report any one of the RC's of IITs. Otherwise you have to forfeit both the seats.

Q. For the above case if I do not appear in IIT physically. Can I get back my NIT seat again?

A. No, you have forfeited the seat; in other words, you have neither the NIT / IIIT (Triple-I-T) / Other-GFTI seat accepted nor the IIT / ISM seat allocated in the subsequent round.

Q. Can I participate in the seat allocation again?

A. No. You cannot

Q. Do I need to pay any fees at the time of seat acceptance?

A. At the time of seat acceptance, you have to remit only the seat acceptance fee. It is Rs. 45,000 for GEN, OBC-NCL or Foreign candidates and Rs. 20,000 for SC, ST, GEN-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD candidates.

The seat acceptance fee will be adjusted against the admission fee by the admitting institute.

Q. How to remit seat acceptance fee?

A. Candidates can remit seat acceptance fee using an e-challan at any branch of **State Bank of India** [and no other bank].

Q. Am I required to pay seat acceptance fee again if I am allocated a seat in next round in IIT?

A. NO. There is no need to pay seat acceptance fee again; the amount deposited in the earlier round of allotment will be adjusted with the subsequent allotment.

Q. What are the documents needed during reporting?

A. Original certificates, along with one photocopy each, of the following:  
(1) Provisional Seat Allocation Letter  
(2) Original Admit Card of JEE (Main) 2015 / JEE (Advanced) 2015  
(3) Medical Examination Report  
(4) Class X marks sheet

- (5) Class XII marks sheet
- (6) Category (OBC-NCL / SC / ST) certificate, if applicable
- (7) PwD certificate, if applicable.

- Q. In case of upgradation, does the candidate have to report again?
- A. NO if the upgradation is from an IIT/ISM to same / another IIT/ISM or if the upgradation is from an NIT+ Institute to the same or different NIT+ Institute.  
YES if the upgradation is from an IIT/ISM to an NIT+ Institute or from an NIT+ Institute to an IIT/ISM. THIS IS MANDATORY. ELSE, THE CANDIDATE WILL FORFEIT (LOSE) BOTH THE SEATS (the one allotted earlier and the one allotted in the present round).
- Q. I do not want to accept the allocated seat. What to do?
- A. You can reject the allocated seat by (i) NOT remitting the seat acceptance fee [and hence, not reporting at the admitting institute / reporting center] (ii) Not reporting at the Reporting Center, if the seat acceptance fee has already been remitted. Your Seat acceptance fee will be refunded to you later once the complete seat allocation process is over.
- Q. Can I withdraw from admission process?
- A. **NO**. There is no option to withdraw from seat allocation or to surrender an allocated seat other than by rejecting the seat as mentioned above
- Q. Can I participate again in joint seat allocation in the next round once I reject the allocated seat?
- A. NO. You cannot participate any more in seat allocation for the academic year 2015-16.
- Q. How many rounds of seat allotment are there?
- A. There will be four rounds of seat allotment for NITs/IIITs/GFITs and three for IITs/ISM. The 4<sup>th</sup> round will be exclusively for preparatory courses at IITs/ISM.

Q. Is there any spot round of allotment?

A. No, there will be no spot round.

Q. When will be the seat allocation of the Union Territories start?

A. Once the fourth round of seat allocation and seat acceptance under JoSAA is completed, a separate round of seat allocation for Union Territories will start. The schedule for this round will be announced in due course of time on website [www.josaa.nic.in](http://www.josaa.nic.in) / [www.csab.nic.in](http://www.csab.nic.in).

Q. I do not want to report to the admitting institute / reporting centre. How can I claim my refund of the seat acceptance fee?

A. You can seek refund of seat acceptance fee through the online portal after the completion of the joint seat allocation.

Q. What are the meanings of the terms 'Freeze', 'Float' and 'Slide' ?

A. These three options allow a candidate to either retain the seat allocated or to opt for a change in seat as per candidate's preference in any of the institutes or in the same institute in which the seat is allocated.

(1) Freeze option: Candidate is content with the allocated seat, accepts it and is not interested in participating in further rounds of seat allocation. This candidate will NOT be considered in subsequent rounds of admission.

(2) Float option: Candidate accept the offered seat and wants to wait for a seat in an academic program of better/higher preference in any Institute. If he/she does not a seat in a higher preference program, he/she will continue with the currently accepted academic program. This candidate will be considered in subsequent rounds of admission.

(3) Slide option: Candidates accepts the offered seat and wants to wait for a seat in an academic program of better/higher preference within the same Institute. This candidate will be considered in subsequent rounds of admission.

Let us consider the hypothetical case of Krishna. His choices are as follows:

Choice number	Institute	Program	Degree/Years
1	IITB	Aerospace Engineering	B.Tech, 4 years
2	IITB	Civil Engineering	B.Tech, 4 years
3	IITK	Mechanical Engineering	B.Tech, 4 years
4	IITH	Computer Science Engineering	B.Tech, 4 years
5	IITB	Chemical Engineering	B.Tech, 4 years
6	IITH	Electrical Engineering	B.Tech, 4 years
7	IIT(BHU)	Computer Science Engineering	B.Tech, 4 years
8	IITK	Chemical Engineering	B.Tech, 4 years
9	IITD	Chemical Engineering	B.Tech, 4 years
10	IITD	Production and Industrial Engineering	B.Tech, 4 years
11	IITR	Electronics and Communication Engineering	B.Tech, 4 years
12	IITD	Engineering Physics	B.Tech, 4 years
13	IITM	Chemical Engineering	B.Tech, 4 years

Round 1 of seat allocation: Krishna gets IITD Engineering Physics (choice #12)

Possibility #1:

Round 1 of seat acceptance: Krishna chooses the FREEZE option: Krishna is satisfied with the allocated seat i.e., IITD Engineering Physics. His decision is final and he accepts and gets the seat. He CANNOT participate in further rounds of seat allocation.

Final allotment: IITD Engineering Physics.

Possibility #2:

Round 1 of seat acceptance: Krishna chooses the FLOAT option: Krishna accepts the IITD Engineering Physics (choice #12) seat but wants to wait

for a seat in the higher preference (i.e., choices #1 to #11) program in the subsequent rounds. He will be considered in subsequent rounds of seat allocation. In the 2nd (or 3rd) round, if he DOES NOT get any of the options #1 to #11, he still retains the IITD Engineering Physics seat. However, if he gets a seat of higher preference, say, option #5, IITB Chemical Engineering, he will be allocated the IITB Chemical Engineering seat and he loses the IITD Engineering Physics seat.

**Possibility #3:**

Round 1 of seat acceptance: Krishna chooses the SLIDE option: Krishna accepts the IITD Engineering Physics (choice #12) seat but wants to wait for a seat within the same Institute (IITD in this case) for a seat in a program of higher preference (choices #9 and #10). He will be considered in subsequent rounds of seat allocation. In the 2nd (or 3rd) round, if he DOES NOT get either of these two options (viz., #9 or #10), he still retains the IITD Engineering Physics seat. However, if he gets a seat in one these two options, say, IITD Chemical Engineering, he will be allocated the IITD Chemical Engineering seat and he will lose his IITD Engineering Physics seat.

**NOTE:** Krishna is assured of AT THE LEAST the IITD Engineering Physics seat irrespective of whether he chooses FREEZE, FLOAT or SLIDE option.

### About the Institute:

Indian Institute of Technology Bhubaneswar was set up by the Government of India in 2008. Currently, the Institute has 537 students in the Bachelor of Technology programme in Civil, Computer Science & Engineering, Electrical Engineering, Mechanical Engineering and Metallurgical & Materials Engineering. In the academic year 2015-16, the Institute will offer B. Tech. programmes in Civil, Computer Science & Engineering, Electrical Engineering and Mechanical Engineering with an intake of 40 students in each discipline and 20 students in Metallurgical & Materials Engineering. The Institute promotes a borderless interdisciplinary academic environment to encourage the academic staff and students to work together through the concept of Schools rather than Departments. Currently, the Institute has School of Basic Sciences; School of Earth, Ocean and Climate Sciences; School of Electrical Sciences; School of Humanities, Social Sciences and Management; School of Infrastructure; School of Mechanical Sciences and School of Mineral, Metallurgical and Materials Engineering.

### Academic Structure:

The Institute presently offers the following programmes:

- 4 year B. Tech. Degree programme
- Joint M.Tech.-Ph.D. Programme
- Joint M.Sc.-Ph.D. Programme
- Ph. D. Programme

The credit based curriculum for B.Tech. programme is spread over 8-semesters and includes summer internship, as well as research projects. For evaluation in a subject, the Institute follows a seven-point grading system with letter grades and the corresponding grade points per credit. The Cumulative Grade Point Average (CGPA) is computed at the end of each semester. The CGPA obtained by a student reflects his/her performance up to and including that semester. However students who will secure a minimum final CGPA of 8.50 with minimum "A" grad in the final year project will be awarded B. Tech. (Hons.) degree.

**Rules For Change Branch:**

A student admitted to a particular branch of the B. Tech. Course will normally continue studying in that branch till completion. However the Institute may permit a limited number of students to change from one branch to another based on CGPA not lower than 8.50 at the end of second semester after completion of prescribed credits in their first attempts without having had to pass any course requirement in the supplementary examination and/or summer quarter.

**Faculty:**

IIT Bhubneswar has versatile group of faculty members including visiting faculty from old IITs and reputed universities. All faculty members hold Ph. D. degree from reputed national and international institutions and many of them have international postdoctoral research experiences. The basic focus of the faculty members are quality teaching, research and technology development. Several research and consultancy projects have been awarded to the faculty members from the sponsoring agencies such as CSIR, DST, DBT, DRDO, ISRO, DEIT etc. They are also actively involved in publishing paper, attending the international conferences/workshops/ symposium, chairing session of the conferences.

**Facilities:**

IIT Bhubaneswar is presently operating from the following locations in the city of Bhubaneswar: IIT Kharagpur Extension Centre at Samantapuri, Toshali Bhawan at Satyanagar. The students are able to access the facilities of Central Tool Room and Training Center, Central Institute of Plastics Engineering & Technology and Institute of Minerals and Materials Technology for hands-on training. The academic campus is Wi-Fi enabled and equipped with class rooms having audio-visual aid, well- equipped laboratories, library, high bandwidth internet and video conferencing facility. From the 2015-16 academic session, the institute will shift to its permanent campus at Argul in a phased manner.

**Student Life at Institute:**

Accommodation with mess and other facilities are available for both girls and boys in the hostels provided by the Institute. The hostels have 24x7 internet facility, library, gymnasium, common room, and other recreational facilities. Medical facility is provided to the students both in the campus and in the hostels. A counseling cell with a psychologist-cum-counselor and student guides also assist the students.

**Financial Assistance:**

Merit-cum-Means scholarship and other financial assistance are available to the students according to the rules and procedure laid down by the Senate.

**Training & Placement:**

Career Development Cell maintains active association and excellent contacts with reputed private and public sector organizations. The B. Tech. students have been recruited in various organizations of the country and abroad. The Career Development Cell is in an active process to match the needs of the industry with the aspirations of the students.

**Recreational/Extra Curricular activities:**

The Students' Gymkhana is a student body, fostering all student activities at IIT Bhubaneswar. We are having two major events Wissenaire and Alma Fiesta. Wissenaire, the annual tech fest of the Institute is one of the finest techno-management festivals of this part of the country instilling the students with a spirit of innovation, entrepreneurship and a thirst for discovery. With attendance from all over the nation its workshops, events, competitions and performances are a big success. Alma Fiesta the annual socio-cultural festival of the Institute is one of the largest student events of the state. It creates a space for social awareness, promotion of culture & tradition and channelizes the youth energy and enthusiasm in a positive and constructive direction. Alma Fiesta plays host to an array of events, competitions, performances and workshops and is widely attended by students from across the nation.

**Location and Accessibility:**

The Samantapuri Campus is about 8 km from Bhubaneswar Railway Station and 12 km from the city Airport. The Toshali Bhawan, Satyanagar campus is about 1 km from Bhubaneswar Railway Station and 5 km from city Airport. Private/Pre-paid taxi can be hired to reach the Institute. The permanent campus at Argul is about 30 Km from the Bhubaneswar City and 38 Km from city Airport.

### About the Institute:

Indian Institute of Technology Bombay (IIT Bombay) was established in 1958, with the cooperation and participation of the then Government of USSR under UNESCO's technical assistance program. It celebrated its Golden Jubilee in the year 2008-09. During these 50+ years, IIT Bombay has gained reputation for the quality of its faculty and the outstanding calibre of the students graduating from its undergraduate and postgraduate programs. Today, the Institute is recognized as a centre of academic and research excellence offering engineering, science, management and humanities education on par with the best in the world.

Located at Powai, in the metropolitan city of Mumbai, the industrial and economic capital of India, the IIT campus extends over 500 acres of verdant land, nestled between hills and flanked by Powai and Vihar lakes. The Institute has well-equipped laboratories and workshops, and also excellent computational facilities in all the academic units in addition to a central Computer Centre. It also houses one of the finest technical libraries in the country. About 3900+ students are on roll in the undergraduate programs and 5100+ in the postgraduate (including Doctoral) programs. This includes a number of foreign students. The faculty strength is about 550-600.

#### **Academic Structure:**

The Institute offers a large number of undergraduate and postgraduate programs in engineering, science, management, design and humanities. This includes B. Tech., M. Tech., 4 year B.Sc., M. Sc., M. Phil., M. Des., M. Mgmt., Ph.D. and dual degree programs like B.Tech. – M.Tech., M.Sc.-Ph.D., M.Tech.-Ph.D. and M. Phil.- Ph. D. Currently, the Institute has twenty six Academic Units: this includes fourteen departments, one school, six centres and five interdisciplinary programs. These Units constitute the academic fabric of the Institute. The teaching programs are characterized by their flexibility and informality. The strong faculty-student interaction on the residential campus provides opportunity to students to work on seminars, publication and projects sponsored by the industry and national agencies.

IIT Bombay follows a semester system. An academic year (July-April) consists of two semesters, each of approximately 16 weeks duration. The first semester begins in the last week of July and ends by the last week of November. The second semester starts in the first week of January and ends by the last week of April. In each of the two semesters of the first year, a student is required to register for the relevant courses listed in the curriculum for that semester.

Students belonging to the SC/ST category and students who are identified as academically weak at the end of the first semester may be prescribed a specially worked-out Reduced Load Program (RLP). Such students may be required to undergo special courses in case they are found to have inadequate background. In addition, to help students with backlogs, some courses are offered during the summer semester.

The Institute follows a credit system. Credits are allotted to various courses depending upon the number of lectures, tutorials and laboratory hours per week. The student's performance in a course is continuously evaluated throughout the semester and culminates in the award of a Grade on a 10- point scale. Performance in a semester is evaluated in terms of the weighted average of grade points secured in all the courses registered in that semester, which is known as Semester Performance Index (SPI). A Cumulative Performance Index (CPI) is the weighted average of the grade points obtained in all the courses registered by the student since the time of joining the Institute.

To students admitted through JEE (Advanced) 2015, IIT Bombay offers the following undergraduate and postgraduate programs:

- B.Tech.
- Dual Degree (B.Tech. + M.Tech.)
- B.S.

The B.Tech. and B.S. programs consist of eight semesters spread over four years. The Dual Degree B. Tech.-M.Tech. program consists of 10 semesters spread over five years. A B.Tech. degree of the parent academic unit and an M.Tech. degree of a specialization within the parent academic unit is given at the end of fifth year. A "Minor" is awarded to a student for completing, in addition to the minimum requirement of 250 credits, a prescribed set of courses from academic units other than that in which the student is enrolled for the B.Tech. program. Similarly, "Honours" is awarded to students completing a prescribed set of courses and/or project in their own academic units. This structure of academic programs provides flexibility to suit the varied interests of students and helps build multifarious competencies that employers demand besides satisfying the widely varying attitudes, abilities and aspirations of students.

The Institute continues to introduce new academic programs and innovation in its academic activities. The Centre for Urban Science and Engineering and the inter disciplinary program in Education Technology are the most recent initiatives.

#### Rules For Change Branch:

Students are eligible to apply for change of branch/programme after completing the first two semesters.

1. The Eligibility Criteria for applying for a change of branch / programme are:

- (a) completion of the prescribed course credits in the first two semesters
- (b) no backlog at the end of the first year
- (c) secured a CPI of:
  - at least 8 for general and OBC category students;
  - and at least 7 for SC, ST and PD category students.

2. An eligible student's request for a shift from branch A to branch B will be considered currently valid if any one of the

following two sets of criteria are satisfied.

Set 1

- |  |
|--|
| (a) the CPI of the student is at least 9   |
| (b) the strength in branch B, to which a change is being sought, does not exceed its sanctioned strength by more than 10%. |

Set 2

- |   |
|---|
| (i) the strength in branch B, to which a change is being sought, does not exceed its sanctioned strength by more than 10%.        |
| (ii) the strength in branch A, from which a change is being sought, does not fall below its sanctioned strength by more than 25%. |
| (iii) there is no student with higher CPI who is currently being denied a change of branch to B due to rule (c).                  |

Among all valid requests, the student with the highest CPI is chosen and a shift performed. However, if a student with CPI x is moved from branch A to branch B then every student with CPI x requesting branch B will be moved to branch B, even if they violate (ii) and (iii) above. If necessary, extra seats will be created to accommodate them.

The above action is performed as long as there are valid requests.

**Note:** that even though a student has been switched to a lower priority seat earlier due to unavailability of a seat of higher priority, his request may become valid later because of availability of seats.

3.

- |  |
|--|
| a. The above rules are applicable with concession in eligibility criteria mentioned in rule 1 for SC / ST / PD students.   |
| b. Every student has a birth category attribute, which is one of GE, OBC, SC, ST.  |
| c. A vacant seat that is available for allocation is defined to be one of six different types. The types are i) open, ii) reserved for GE, iii) reserved for OBC, iv) reserved for SC, iv) reserved for ST and vi) reserved for PD.  |
| d. The additional seats in a branch, limited to maximum of 25% of its sanctioned strength, that are made available to students for allocation at the time of change of branch are defined at the start of the allocation process to be of type "open" in nature (do not belong to any category). There may also be a few vacant seats of type "reserved for category X" at this point in time. |
| e. A vacant open seat in Branch B, when allocated to a student in branch A belonging to birth category X, creates a vacant seat in branch A of type "reserved for category X".   |
| f. A vacant seat of type "reserved seat of category X" is available for re-allocation only to students of birth category X.  |

4. All branch transfers can be effected only once at the beginning of the second academic year. No application for change of branch during the subsequent academic years will be entertained.

5. Students will be permitted to change from B.Tech. to Dual Degree Programme in the same department at the end of third and fourth semesters subject to the department's recommendations.

**Faculty:**

The basic responsibilities of the faculty are teaching, research, technology development and industrial interaction. IIT Bombay is a leading center of scientific and technical teaching. It helps many educational Institutes for technical education in up gradation of syllabi of courses, laboratories and manpower development. The educational methodology developed at IIT Bombay is transferred on continuous basis to engineering colleges through organized interactions in the form of CEP courses, QIP programmes and implementation of the TEQUIP scheme of MHRD.

The faculty members are engaged in technology development programmes for industries by consultancy projects and CEP courses. IIT Bombay emphasizes both pure and applied research since they often feed into each other.

Education and research are closely dependent on efficient and imaginative management. Participation in the management of the Institute through participation in academic programmes, administrative committees and outreach programmes for industry and educational institutes are some of the major responsibilities of the faculty members of IITB.

Selection of faculty is through a statutorily constituted selection committee which includes external members, Head, Dean and Director. All candidates deliver seminars and they are interviewed by the selection committee for appointment.

In addition to academic excellence, faculty members at IITB are expected to promote a respect for moral values, duties of citizenship and basic human understanding required for leadership. The strength of the faculty lie in their intellectual and academic distinction attained. The best contribution of this Institute would be to educate young people to solve the real problems faced by our countrymen using the technical knowledge they are imparted during their formative years.

**Facilities:**

IIT Bombay is a residential campus that has all the students and most of the faculty and staff residing on campus. The Institute has 16 students' hostels, which includes separate hostels for women students. Every hostel has modern amenities including a computer room and gym. High speed LAN connection is provided in each room. Students are not permitted to operate and maintain motorized vehicles of any type in the campus except on medical grounds. The Institute also has a very good hospital with OPD and 52-bed in-patient facilities. It includes a pathology lab, dental care, radiology, sonography, physiotherapy, and an operation theatre.

The Student Activity Centre (SAC) provides excellent facilities for sports and cultural activities. Sports facilities include a swimming pool, tennis, badminton, volley ball, basket ball and squash courts and vast playgrounds for field games. Wildlife camps and trekking are popular off campus activities. Cultural activities on the campus are fostered by film clubs, classical music societies, debating and drama clubs and a hobbies club. Special labs and facilities exist to support technical activities and innovation support is provided for participation in a variety of international technical competitions. The Institute also has strong NSS/NSO programs. The Entrepreneurship Cell guides students and promotes a spirit of entrepreneurship by organizing competitions, and lectures and workshops by eminent entrepreneurs. A business incubator also provides opportunities to students to develop products and technologies, and to generate their own business ventures. The Cell for Human Values – a unique feature of IIT Bombay, enriches the minds of students through its various activities.

A Faculty Advisor is specially appointed to look after the academic performance and matters related to SC/ST students. A Foreign Students' Advisor helps and guides the students from abroad in academic and non-academic matters.

**Student Life at Institute:**

The 550 acres of lush green campus, situated right in the heart of the financial capital of India, IIT-Bombay is considered to be the Mecca of extra-curricular activities. Apart from being the best technical school in the country and one of the top few globally, IITB creates experiences that students don't forget. Students are encouraged and supported to submit research papers and participate in national and international conferences.

A major attraction of IITB is its distinguished faculty. The faculty at IITB is one of the finest among the Indian vocational institutes. Most members of the faculty are achievers in their own right as well as excellent teachers and mentors. Most of the professors here are research scholars themselves and are deeply involved in their own subjects of interest. It is this attitude of our professors that really makes them special and engaging for our students.

Life at IIT-Bombay is an amalgamation of fun and studies. While the classes and assignments manage to keep us busy during the morning and late at nights respectively, the rest of the day allows us to pursue our interests. Some of us find peace in playing cricket and football in the hostel grounds, while some of us head to the Student Activity Centre to play Badminton or go for a swim. The few who are not into sports are either busy with the IIT-B club activities or catching up with some sleep.

IIT-Bombay hosts Mood Indigo (Asia's largest College Cultural festival) and Techfest (Asia's largest Technical and Science festival) which shows its diversified and glorious culture.

In IIT-Bombay all students reside in hostel which adds new dimensions to uber cool campus life. Birthday celebrations and inter and intra hostel events add fun to the campus life. To sum up Studying at IITB can truly be a life changing experience.

**Financial Assistance:****UNDERGRADUATE SCHOLARSHIP**

The Institute offers the following scholarships to undergraduate students:

Institute Scholarships	Private Scholarships	Govt. Scholarships
1. Institute Merit-sum-Means	1. Scholarships instituted by private trusts/ organisations	1. National Scholarships (all states)
2. Free Tuition		2. National Talent Search Scholarship (NTS)
3. Free Messing facilities (SC/ST)	2. IIT Bombay Heritage Fund Scholarships	3. Scholarship for M.Sc. students
4. M.Sc.- Ph.D. Dual Degree		

For more details, visit <http://www1.iitb.ac.in/newacadhome/scholar.jsp>

**Training & Placement:**

IIT Bombay is the most preferred academic institute to a large number of organizations for recruiting outstanding employees with immense potential as future leaders. These organizations from both within India and abroad, are excited about the capability, intellect and professional readiness displayed by our students. The most frequently cited praise from these organizations for our students include their ability to learn quickly, versatility, performance as team players, excellent analytical skills, and most important the positive attitude they bring to their jobs.

The institute offers all graduating students an opportunity to participate in the campus placement program. More than 320 recruiting organizations participated in the IIT Bombay campus placement process during the year 2013-14. For the year 2014-15, more than 400 recruiting organizations are expected to participate in the campus placement program.

IIT Bombay has excellent facilities for campus recruitment and strives to make the best possible match between recruiters and students. IIT Bombay was ranked number 60 in the world for "Employer Reputation" in the 2014 QS World University Ranking.

**Industry And Alumni Relations:**

The Institute recognises alumni who have distinguished themselves through their work and have done the Institute proud. The Distinguished Alumnus Awards have been instituted for this purpose. In addition to this, IIT Bombay has instituted the Distinguished Service awards for alumni who have rendered special services to the cause of the betterment of the institute. The institute also involves the alumni in its educational and research activities, whenever possible, by inviting them to participate on its advisory boards as visiting faculty or as guest speakers. Our alumni has responded whole-heartedly by supporting the institute with the most generous endowments, leading to the establishment of schools, laboratories, scholarships, chairs and various infrastructure developments.

**Recreational/Extra Curricular activities:**

The annual Science & Technology festival of IIT Bombay, Techfest, which was started in 1998, is held in the month of January every year and is the largest of its kind in Asia. It comprises various events like competitions, exhibits and talks from guest speakers from around the world. Techfest 2009 was also the first event of its kind in India to conduct its events in other countries.

Apart from these festivals, various other engineering streams based festivals are also being organised to motivate students towards Science and Technology. These include Radiance (Mechanical Engineering), Zephyr (Aerospace Engineering), AZeotropy (Chemical Engineering), Padarth (Metallurgy and Material Science Engineering), Aagomani (Electrical Engineering), GeneRations (Biosciences & Bioengineering) and Aakaar (Civil Engineering).

Cultural activities like dramatics, Speaking, Literary Arts, Music and Fine Arts also mark an important feature in the life of a student of IIT Bombay. Speaking and Literary Arts have always been very popular in the student community with students actively participating in quizzing, writing and debating activities. IIT Bombay has won the prestigious National Law School Parliamentary Debating Tournament.

The annual cultural festival Mood Indigo, usually held in the month of December is the best event hosted by any student body and the largest of its kind in Asia. The most attractive feature of this 4-day event are the influential personalities who have graced the festival like R D Burman, Aamir Khan, Sir Mark Tully, Sachin Tendulkar, Porcupine Tree, Simple Plan, Mike Portnoy and many more. The organization is known for holding the best cultural competitions, games and musical concerts to draw out the best talent in the country.

**Location and Accessibility:**

IIT Bombay is located at Powai, which is an eastern suburb in the North-Eastern part of Mumbai.

**Mumbai** is in the form of a long narrow island, almost a peninsula, thrusting south wards into the Arabian Sea. It can be broadly divided into four zones.

South Bombay (Colaba, CST, Fort, Chrchgate, Nariman Point etc.)

Central Bombay (Dadar, Bombay Central, Worli etc)

The Western suburbs (Bandra, Juhu, Andheri, Borivali etc)

The Eastern Suburbs (Kurla, Chembur, Ghatkopar, Mulund, Kanjur Marg, Vikhroli etc.)

There is also New Bombay (Vashi, Turbhe etc.) across Thane Creek on the mainland.

**Public Transport**

Mumbai has one of the most efficient and reliable public transport network. One can travel by Autorickshaws / Taxis to reach IIT from the nearest stations (Autorickshaws, however do not go further south than Sion and Bandra). For longer distance, you can use either the BEST Bus Network or the Mumbai [Local train System](#).

**Suburban Railway Transport**

Those coming by Central Railway Suburban train will have to get down at Mulund, Bhandup, Kanjur Marg, Vikhroli or Ghatkopar which are the nearest stations from IITB. If you are coming by the Western Railway Suburban train you will have to get down at Andheri, Bandra, Goregoan. BEST Bus are available as below:

NAME OF PLACE	BUS NUMBERS
Mulund(W)	
Bhandup(W)	307, 346, 425, 396, 398,
Kanjur Marg(W)	460, 422, 424, 461

Jogeshwari(E)	461,445
Andheri(E)	396,336,392,307
Bandra(E)	422,424

**AIRPORTS**

International flights land at Sahar Airport which is about 7 kms from IIT. The Domestic Airport- Santa Cruz is about 10 kms. Prepaid taxis are available at the Airports. Autorickshaws are also available for IIT.

## About the Institute:

Founded in 2009, IIT Mandi is the only IIT located in the Himalayas. IIT Mandi's vision is to be leader in science and technology education, knowledge creation and innovation, in an India marching towards a just, inclusive and sustainable society.

The Institute's main campus, called Kamand Campus, is located in the picturesque Uhl river valley at Kamand, which is situated at about 15 kms from the historic town of Mandi in Himachal Pradesh. A transit campus of IIT Mandi, called Mandi Campus, is also maintained in the premises of the Vallabh Degree College in Mandi. Mandi is located at a distance of around 475 km from Delhi and around 200 km from Chandigarh on Delhi-Manali route.

IIT Mandi is the first among new IITs to develop and use its main campus. The move to the main campus which began in July-September 2012 has been steadily gaining momentum. In April 2015, the shifting of all the B.Tech students to the permanent campus in Kamand has been completed and all the major activities of IIT Mandi are now being carried out from Kamand Campus. The residential campus in the serene landscape by the river Uhl offers a world-class academic environment with a high quality of life in a setting of natural splendour. Bus transport facilities have been arranged to facilitate the movement of students and faculty between the main and transit campuses.

## Academic Structure:

IIT Mandi follows a semester system with two 16-week semesters per academic year. The first semester starts in early August and ends by end of November. The second semester runs from February to June.

The Institute offers B.Tech. programs in Computer Science & Engineering (CSE), Electrical Engineering (EE) and Mechanical Engineering (ME). The current intake is 40 students in each branch. From 2015 onwards, Institute is going to start B.Tech in Civil Engineering as well with an initial intake of 25 students. The academic program has been innovatively developed and is offered by the following four schools: School of Computing and Electrical Engineering, School of Engineering, School of Basic Sciences and School of Humanities and Social Sciences. The organization of the institute into these schools rather than into traditional departments is for enabling the evolution of a flexible curriculum with an emphasis on interdisciplinary capabilities. These four schools also run individual research based postgraduate programs. From the academic year 2014-15, the Institute has started two new Masters Programs, M.Tech in Energy Materials and M.Sc in Chemistry.

Currently, besides 453 undergraduate B.Tech. students, IIT Mandi has 137 research scholars, of which 32 are doing MS degree (by research) and 105 are pursuing PhD in Engineering and Basic Sciences. In the newly introduced M.Sc and M.Tech programs, there are 13 students registered. In addition, several Post Doctoral Fellows are also working at IIT Mandi assisting and contributing to the research.

### About the B.Tech Curriculum at IIT Mandi

The B.Tech curriculum is designed keeping in mind the need to produce well-rounded graduates many of whom will go on to join industry in technical or managerial roles, or to join the administrative services as technocrats, while a few may

aspire to research careers. Some may even go on to become entrepreneurs. Thus, at IIT Mandi, the students are exposed to a broad range of knowledge and skills that will enable them to perform well in tomorrow's increasingly complex and inter-dependent world. A B.Tech. student at IIT Mandi will study foundation courses in basic sciences, engineering sciences and practice, humanities and social sciences. In the chosen discipline, besides studying the core courses, the student will also study elective courses which will enable them to develop significant knowledge in a specialized area with exposure to research trends and developments. The category of free/open electives outside the chosen discipline will enable the student to obtain significant inter-disciplinary knowledge. The student can consult a 'Faculty Advisor' with regard to the planning of curriculum and other academic issues.

In addition, the curriculum allows specialization in a 'Minor' area, by taking a set of 3-4 courses in another discipline. For example, a Mechanical engineering student can qualify for a minor in Computer Science or German language. The degree program allows a student to go on exchange visits of up to two semesters to other universities, both in India and abroad, for course work and projects and to industry for project works. A number of B. Tech. students have already availed of these opportunities to study at international institutions. IIT Mandi's undergraduate students have visited IIT Madras and several EU institutions under academic exchange program including Technical University Munich, RWTH Aachen University, [Blekinge Institute of Technology](#)-Sweden and University of Stuttgart.

An important aspect of the curriculum is the integration of innovation and design into the learning process. This is achieved through a 'Design Practicum' model of learning, which is built into the curriculum. Thus, in the first year of the B.Tech program, the student carries out a 'reverse engineering' project, where student teams dismantle a common gadget/equipment, understand how it works and then put it back together in working order!

At the second year level, students learn product design and development skills. Interdisciplinary teams of six students, randomly selected from different branches propose product ideas and then build working prototypes. Many of these product ideas are derived from the needs of the society. The products successfully built and demonstrated in the previous years include a low cost 3-D printer, a versatile hybrid phone charger, a 3D visualizer, a model of an automatic vehicle parking system and autonomous garbage collection machine for parks and beaches.

At the third year level, the students have the option of working on an 'Interdisciplinary Socio-Technical Project' (ISTP). The ISTP exposes students to the complex interactions of technology and society. As part of ISTP, the students work in groups under the mentorship of a faculty member to identify and study the problems related to the society and try to suggest solutions for the same. Every year, a group of students from Worcester Polytechnic Institute (WPI), USA visits IIT Mandi and joins IIT Mandi students in carrying out the ISTP projects.

Finally, during the fourth year, the students have the option of doing a Major Technical Project (MTP) either individually or in a group. MTP is the capstone of the 4-year B. Tech programme. The project is expected to have a major technical contribution in the student's discipline and is intended to demonstrate a high degree of technical knowledge, innovativeness and maturity. The outcome of a B. Tech Project may be an innovative product or technology that addresses a problem of society, or it may be more theoretical or exploratory resulting in an advance in the frontiers of knowledge.

Overall, the curriculum at IIT Mandi is designed to encourage and enable the student to become well-qualified and well-rounded engineers in all respects.

#### **Credit system**

IIT Mandi follows the credit system with continuous internal evaluation throughout the semester. Grades for each course is awarded on a 10 point scale. The overall performance is measured by the weighted grade point averages. A student has to attain a fixed minimum of Cumulative Grade Point Average (CGPA) and earned credits to pass the B.Tech degree program.

#### **Rules For Change Branch:**

During the first year, students get an introduction to all the branches of engineering. As a result, they may decide that they want to change their branch. Normally, at the end of the 1st year, any student who is in good academic standing, having done the full complement of courses and having no backlog courses to clear, can apply for a branch change. The change is allowed provided that the strength of a class does not fall below the sanctioned strength by more than 50% and does not exceed the sanctioned strength by more than 50%. In case either of these limits is reached, CGPA will be used as the criterion for allowing the change of branch. There are provisions, in exceptional cases, for change of branch up to the end of the 2nd year. For more details, please visit the following website.

[http://www.iitmandi.ac.in/academics/branch\\_change.html](http://www.iitmandi.ac.in/academics/branch_change.html)

#### **Faculty:**

Currently, the number of faculty members in IIT Mandi is around 86, a majority of whom are under 40 years of age, yielding a potent blend of exuberance and experience. A number of distinguished academics and experts with industry experience are also invited to visit IIT Mandi for short durations to teach specialized courses in cutting edge technical/scientific areas.

#### **Facilities:**

The main campus of IIT Mandi at Kamand has well equipped class rooms and computing facilities. Good teaching laboratories for Physics, Chemistry, Computer Sciences, Electrical Engineering, Electronics and Mechanical Engineering have been developed. Most of the laboratories are now located in Kamand campus and a few located in the Mandi transit campus will also be shifted to the Kamand campus in coming months.

A well-equipped Central Workshop with CNC lathe, CNC milling, rapid prototyping machine and conventional machining, welding and foundry equipment caters to the requirements of undergraduate teaching and also of various research projects.

The electrical and electronics laboratories are equipped with state of the art instruments, which are useful for both teaching and research. In addition, IIT Mandi is in the process of procuring a Real-time Digital Simulator System and also a Wind Turbine with HIL Simulator. These are important elements of a modern state-of-the-art electrical engineering laboratory and are expected to facilitate high quality teaching and research.

A Mechanical Design Lab has been set up to serve both as a teaching lab and as a research lab. The lab is equipped with a variety of instruments including universal testing machine, tensometer etc and equipment to test hardness, surface roughness, impact, fatigue, torsion and vibration. The lab also houses furnaces for heat treatment and fabrication of metal glass, Piezo-electric materials for vibration control and equipment fabricated in-house.

The thermo-fluids laboratory is equipped with instruments for measuring pressure, temperature and flow rates. A number of undergraduate experiments covering the basic concepts in thermodynamics, fluid mechanics and heat transfer have been designed and fabricated in-house by students and faculty. A sophisticated wind tunnel facility and experimental facilities for combustion and engine analysis are also being set up.

IIT Mandi has four sophisticated interactive virtual class rooms (two large lecture theatres and two seminar/meeting rooms). These are used for conducting classes remotely from anywhere in the world.

The institute has a High Performance Computational Facility with 39 nodes based on Intel Xeon processors that have total 404 processor cores, memory of 1.3 TB and 63 TB storage space. The nodes are connected to each other through dedicated Gigabit Ethernet. A 4000 core facility that have about 100 TeraFLOPS computational capacity is being planned.

Presently, for internet access, IIT Mandi has high-speed links with a total capacity of more than 1 Gbps from two internet service providers both in the main campus and in the transit campus. The access network uses optical backbone for connectivity to academic blocks and wireless infrastructure for connectivity to hostels and faculty housing and various other blocks. The network infrastructure is being continuously upgraded.

IIT Mandi has a Central Library located in the main campus with a branch in its transit campus. A growing collection of books and journals in soft and in print forms is housed in the central library. Library operations are automated using the KOHA LMS and digitized with DSpace OSS. The Library currently houses over 13,277 print books, 8000 e-books and provides access to more than 3500 e-journals. The library has also subscribed to e-books from several reputed publishers, such as ASME, Cambridge University Press, Elsevier, IEEE, Pearson, Taylor & Francis, World scientific, Tata McGraw Hill and Wiley. It also has the access to Ebrary - ebooks database. The Library also has a very good collection of audio-video materials. All records of the library are accessible on a Web based platform, Web OPAC.

In order to serve research activities in the field of materials science, fully functional synthesis and characterization labs are already established at IIT Mandi with a full range of basic instruments and facilities. In addition, an Advanced Materials Research Centre (AMRC) has been established in a purpose-built building in the main campus. At AMRC, researchers investigate the basic structures of materials, and develop novel materials for electrical, electronics, biological, and other applications. AMRC houses several state-of-the-art equipment for materials research including (i) High Resolution Powder X-ray Diffractometer, (ii) Single Crystal X-ray Diffractometer, (iii) High Resolution Transmission Electron Microscope, (iv) Nuclear Magnetic Resonance Spectrometer, (v) Fluorescence Confocal Microscope, (vi) High Resolution Mass Spectrometer, (vii) Femtosecond Pump-Probe Set-Up, (viii) Scanning Electron Microscope and (ix) Atomic Force Microscope. Several other equipment such as, SQUID Magnetometer, Physical Properties Measurement System (PPMS) and X-ray Photoemission Spectrometer will be installed in the near future.

Though AMRC mainly caters to the needs of advanced research in materials, there are opportunities for B.Tech.students to work in the centre on certain projects and gain valuable experiences in the area of materials research.

### **Student Life at Institute:**

The Institute has a fully residential campus. Since April 2015, all B.Tech students of IIT Mandi reside at the permanent campus in Kamand Valley, about 18 km from Mandi town. At present, there are in all five hostels for male students and two hostels for female students capable of accommodating around 825 students.

Hostels on Kamand Campus: There are four hostels on the main campus at Kamand catering to around 590 students currently. These include the Parashar, Suvalsar and Nako for male students and the Chandrataal hostel for female students. Some more hostel buildings are expected to come up by the end of 2015, accommodating eventually all students on Kamand campus latest by spring 2016.

Hostels on Mandi Campus: There are three hostels in Mandi where primarily graduate students reside. Dashir and Beas Kund hostels are for male students, and the Renuka Hall is for female students. Institute transport is available on the hour between the two campuses.

The hostels have good facilities, including mess serving wholesome food, wi-fi Internet connection, LCD TV, washing machine, microwave oven and facilities for table tennis and badminton. A caretaker looks after routine matters. Wardens and resident wardens are available in loco parentis at all times.

### **Support for Female Students**

IIT Mandi strongly believes that female students are well suited to pursue an engineering career and contribute to the growth and development of our nation. Being located in the peaceful hill-state of Himachal, IIT Mandi provides safe environment for girls to pursue their engineering studies. Female students are provided with all kinds of facilities at IIT Mandi for both academic and extracurricular activities. As their hostels are located adjacent to the faculty quarters both in the main and in the transit campuses, they have immediate access to faculty members at all times of day and night. In addition, IIT Mandi has also instituted scholarships for female students to encourage them to study at IIT Mandi. Please see 'Financial Assistance' below for more details. Further information on IIT Mandi's policy towards female students can be obtained from the below website.

<http://www.iitmandi.ac.in/undergrad/forgirls/>

### **Healthcare Facilities**

IIT Mandi has a medical unit consisting of male and female doctors, staff nurses and pharmacists serving both the main campus and the transit campus. The medical unit is also equipped with an Ambulance to take care of emergency medical problems. Modern healthcare facilities are available in Mandi town with a number of Government and private hospitals. A 500-bed Govt. Hospital cum College is also coming up at a distance of 25 km from Kamand.

#### **Financial Assistance:**

##### Merit-cum-Means Scholarships for General / OBC students:

The Institute provides Merit-cum-Means Scholarships to deserving B.Tech Students based on their academic performance and on financial background. The present value of MCM scholarship is Rs.1000/- per month and the recipients would be exempted from Tuition Fee.

For further details, please visit <http://www.iitmandi.ac.in/administration/scholarships.html>

##### Central Sector Scholarships for SC students:

SC students at IIT Mandi are eligible for scholarship under the Central Sector Scholarship Scheme sponsored by Ministry of Social Justice and Empowerment, Govt. of India. SC students whose total family income is up to Rs. 4.50 lakhs per annum are eligible for the scholarship. The scholarship is merit based and will be awarded to the top qualifying students.

For further information, visit

<http://socialjustice.nic.in/topclass.php>

##### Institute Scholarships for SC/ST students:

In order to encourage and support SC/ST students belonging to lower income group, the Institute provides an additional scholarship to such students. This scholarship provides Hostel Room Rent exemption and a stipend of Rs.1000/- per month or free messing (basic menu only) and Rs.250/- per month as pocket allowance for 10 months in a year. For further information, visit

<http://www.iitmandi.ac.in/administration/scholarships.html>

##### Scholarships for Female Students:

All girl students admitted to the B.Tech. program are provided with free boarding and lodging plus a stipend of Rs.1000/- per month for 10 months in the first year of their study. Girl students enrolled in Electrical Engineering and Mechanical Engineering branches will be given the stipend during their second year also subject to maintaining certain level of academic performance.

In addition to this, ACM, IEEE or ASME student membership will be provided by the institute to female students admitted in B.Tech.

#### **Training & Placement:**

Placements, internships and training for the students of the Institute are handled by the Career and Placement Cell (CnP). The cell consists of faculty members, staff and student volunteers. Companies and organizations that visited the campus in 2014-15 for placement purposes include Microsoft, Amazon, Tata Motors, Finisar, TCS, eClerx, Khosla Labs, L&T, IP Infusion etc and PSUs like DRDO. Beginning with a batch of 94 students in 2013, this year IIT Mandi achieved nearly 75% placement with an average package of 10 lakhs per annum across all the disciplines. The highest package offered was 26 lakhs for a few students. Many students also opted for higher studies and were admitted into various universities across the world including top management colleges within the country. The second batch, graduated in 2014, has had 65% placements for all branches with the highest package offered being Rs 20 lakhs.

#### **Industry And Alumni Relations:**

Students are required to undergo mandatory industrial internship of 6-8 weeks duration during their 3<sup>rd</sup> year of B.Tech. The CnP cell helps students go to reputed industries to do their internships.

The Institute has developed promising research and teaching collaborations with several Institutions around the world. These collaborations lead to exchange visits by students and faculty members. The collaborating institutes/universities include Blekinge Institute of Technology - Sweden, the IT University - Denmark, nine TU9 technical universities in Germany, Worcester Polytechnic Institute (WPI) – USA and HEPIA University of Applied Sciences - Switzerland. The Institute has also such agreements with a few Indian Institutions. The collaboration with the IT University, Denmark has led to co-teaching of a Software Engineering course simultaneously to students located in India and in Denmark. As mentioned earlier, the collaboration with WPI has led to WPI students and IIT Mandi students working together in collaboration projects as part of our ISTP program. The Institute is also exploring future research and teaching collaborations with universities in Canada and Central America.

IIT Mandi has established an Alumni Association. Two batches of B.Tech graduates and several MS and PhD graduates are members of this Association. IIT Mandi maintains close relationship with its Alumni.

#### **Recreational/Extra Curricular activities:**

In spite of being a new IIT, the Institute has been successful in developing a firm foundation in sports. Training is provided by experienced coaches with adequate facilities. Students are encouraged to participate in various inter-collegiate tournaments. IIT Mandi participated in the last four annual Inter-IIT Sports Meets and distinguished itself in the league of new IITs. IIT Mandi provides facilities currently for the following sports: Athletics, Football, Cricket, Badminton, TableTennis, Volleyball and Basketball.

At IIT Mandi, students are encouraged to cultivate all-round skills. For this purpose, a broad range of extracurricular activities is on offer. Cultural activities include Choreography, Magazine Section, Music, Dramatics besides programs of the English Literary & Debating Society. There are several technical groups such as Website Information and Network Group (WING), Robotics, Electronics, Astronomy, Energy and Programming Clubs as well as Society for Collaborative Research and Innovation functioning actively at IIT Mandi. National Service Scheme (NSS) helps students to be in active

contact with their immediate neighbourhood. A Hiking and Trekking Club is there for students to take advantage of the unique geography of the surrounding Himalayas. EXODIA is a popular Tech-Cult Fest organized by IIT Mandi students every year. Students from renowned technical institutions from all over the country as well as local colleges take part in several exciting technical and cultural events in this program. Entrepreneurship Club and avenues to establish start-up ventures promote the professionalization of the young engineer.

**Location and Accessibility:**

Mandi is a central town of Himachal Pradesh. It is accessible from Delhi and Chandigarh. The distance between Delhi and Mandi is around 475 km which is covered in 10-12 hrs by road. An alternative is to travel by train up to Kiratpur Sahib or Chandigarh, then 5-6 hours by road to Mandi. Mandi is 200 kms from Chandigarh, about 6 hrs by bus or 5 hrs by taxi. Delhi–Mandi buses pass through Chandigarh and some buses start from Chandigarh itself to Mandi. The nearest airport to Mandi is the Bhuntar Airport near Kullu. One can also fly to Dharmashala from Delhi and reach Mandi by road, the distance being around 130 KM.

### About the Institute:

Established as a College of Engineering in 1961, this Institute was declared as Institution of National Importance under the Institutes of Technology (Amendment) Act 1963 and was renamed as Indian Institute of Technology Delhi. It was then accorded the status of a university with powers to decide its own academic policies, to conduct its examinations, and to award its degrees. IIT Delhi is situated at Hauz Khas in South Delhi, bounded by Sri Aurobindo Marg on the east, Jawaharlal Nehru University complex on the west, National Council of Educational Research and Training on the south, and the Outer Ring Road on the north. The Institute campus is about 20 km from Indira Gandhi International Airport, 10 km from domestic terminal of the airport, 19 km from Delhi main Railway Station and 14 km from New Delhi Railway Station. The Institute campus extends over an area of 320 acres with many topographical features, imaginatively laid out with picturesque landscape. With clean and wide roads, the campus presents a spectacle of harmony in architectural and natural beauty. Most of the students, faculty and staff reside on the campus. The main academic building houses various teaching and research facilities. Although each department is a separate entity, all the departments together constitute an integrated complex. Each academic year consists of two semesters and a summer term. The education system is organized around a credit system, which ensures continuous evaluation of a students performance and provides flexibility to choose courses so as to facilitate progress at an optimum pace suited to ones ability or convenience. Each course is assigned certain number of credits depending upon the class contact hours. A minimum number of credits are to be completed in order to qualify for the award of degree. IIT Delhi has revised its curriculum with effect from academic session 2013-2014. The revised curriculum emphasizes on self-learning, project activity and laboratory work. It leaves sufficient time for students to take part in other activities like sports and recreation, and encourages them to be creative and innovative. The Students Activity Centre provides a number of facilities for students extracurricular and physical development. The central two-storied block with a swimming pool and a gymnasium hall has amenities such as squash courts, hobbies workshop, seminar rooms, music rooms and other multipurpose rooms for reading and indoor games. The amphitheatre constructed in modern style is an added amenity to the Centre. The campus also provides such amenities as staff club, hospital, shopping centre, bank, post office, community centre, stadium and playing fields.

### Credit System

The prominent features of the credit system are: the process of continuous evaluation of a students performance, the absence of pass or fail on annual basis and the flexibility to allow a student to progress at the pace suited to his/her individual ability and convenience subject to the regulations of the credit requirements. Each course, except for a few special courses, has a certain number of credits assigned to it depending on its lecture, tutorial and laboratory contact hours in a week. Each course is coordinated by a member of the faculty called the course coordinator. He/she has the full responsibility for coordinating the course, coordinating the work of other members of the faculty involved in the course, holding tests and awarding grades. In case of any difficulty, students are expected to approach the course coordinator for advice and clarification. A letter grade with a specified number of grade points is awarded in each course for which a student is registered. A students performance is measured by the number of credits that he/she has earned

and by the weighted grade point average maintained by him/her. A minimum number of credits and a minimum cumulative grade point average (CGPA) are necessary in order to qualify for a degree.

#### Rules For Change Branch:

##### Rules for change of Branch at the end of First Year:

A student is eligible to apply for change of branch at the end of the first year only, provided he/she satisfies the following criteria.

1. CGPA for General and OBC category students >8.00
2. CGPA for SC/ST and Person with Disability category students >7.00
3. Earned credits / non-graded units at the end of the second semester of first year: All credits of core and non-graded units of first year
4. One first year course has been identified by each programme, in which the grade of the applicant should be equal to or above B.
5. The student should have no disciplinary action against him/her

Change of the branch will be permitted strictly in the order of merit, in each category, as determined by CGPA at the end of the first year, subject to the limitation that the actual number of students in the third semester in the branch to which transfer is to be made should not exceed its sanctioned strength by more than 15%, and the strength of the branch from which transfer is being sought does not fall below 85% of its sanctioned strength.

The conditions mentioned in items 1-5 above will not be insisted upon for change to a branch in which a vacancy exists with reference to the sanctioned strengths, and the concerned student was eligible as per JEE Rank for admission to that branch at the time of entry to IIT Delhi. However, these conditions will continue to apply in case of students seeking change to a branch to which the concerned student was not eligible for admission at the time of entry to IIT Delhi.

### About the Institute:

<p><b>About the Institute:</b></p> <p><b>The Institute</b> IIT Indore, one of the young breed of the IIT fraternity, came into existence in July 2009 was mentored by IIT Bombay. Continuing with the tradition of the established IITs, IIT Indore aims to play an active role in the task of propelling India on her growth-trajectory by focusing on education, research and development.</p> <p><b>Indore City</b> Indore is the commercial capital of Madhya Pradesh with many industries in the area of mechanical engineering, pharmacy and electronics. It is an educational-hub and has institutes of international repute, such as Raja Ramanna Center for Advanced Technology (RRCAT), Indian Institute of Management (IIM) etc. Indore has young and vibrant student population. The city is well connected by road, rail and air and is strategically located in close proximity to Mumbai, Delhi and Ahmedabad.</p>

### Academic Structure:

<p><b>Academic Structure:</b></p> <p>IIT Indore developed its own curriculum for its UG and PG programs from the academic year 2010-11 onwards. The UG and PG curriculum emphasises on imparting practical knowledge, hands-on experience and Humanities and Social Science (HSS) courses to the budding engineers along with the strong theoretical fundamentals and inter-disciplinary approach. Consequently, the BTech students of CSE, EE, and ME have to study 12, 9 and 11 practical courses respectively during 3-8 semesters of their program. While, in their first year of BTech program all the students do practical courses on Chemistry, Physics, Engineering Graphics, Computer Programming, Basic Manufacturing Techniques and Basic Electrical and Electronic Engineering along with their theory courses. Additionally, there are institute core courses on English language and its Lab to help the students to improve their communication skills, Experimental Engineering Lab and Environmental studies covering both scientific and social aspects. The institute offers wide range of institute and departmental elective courses to its UG and PG students including two courses on French language. Many courses are cross-listed for both PG and PhD students to enhance the interaction between the UG and PG students.</p>
--

The Institute has added Minor program in Chemistry, Biosciences and Biomedical Engineering and Humanities and Social Sciences to its UG curriculum in March 2014 to provide a platform to students to earn an additional degree along with BTech degree.

Also, IIT Indore provides an opportunity to its BTech students to convert their program into a 5 Year BTech+MTech Dual Degree program from their 7<sup>th</sup> semester.

The Institute has revised its UG curriculum in March 2014 to enable its BTech students to do their entire BTech project of 6-7 months duration outside the institute by freeing 7<sup>th</sup> semester of BTech program from any type of coursework. The institute also offers French language courses to its UG and PG students.

More information related to academics can be found at <http://www.iiti.ac.in>.

### Rules For Change Branch:

#### Rules for Change of Branch

After successful completion of the first two semesters, a student can apply for change of branch subject to the fulfillment of the following conditions:

- I. Top 1% students of the total admitted students in that year will be eligible for change of branch without any constraints.
- II. For others, change will be permitted strictly on merit basis. Students without fail grades and backlogs and with CPI > 6.5 will only be eligible to apply and can give their choices.
- III. The request for change (in order of merit) from branch A to branch B will be considered if:-
  - (a) Strength of branch B does not exceed the sanctioned strength for that branch.
  - (b) Number of student on rolls in the branch A does not fall below 85% of the sanctioned strength.
  - (c) The request of Student 1 will be re-considered (again in order of merit) if student 1 does not violate point (b) above due to another student getting transferred to branch A.
  - (d) If student 1 is not permitted to change from branch A to B (due to (b) above), any other student in any branch with CPI less than Student 1 will also not be permitted to change to branch B.
- IV. All such transfers can be effected only once at the beginning of the second academic year. No application for change of branch during the subsequent academic years will be entertained.
- V. The rules for change of branch from students belonging to SC/ST category would be similar to that of other candidates except for the following concessions.
  - I) Their CPI must be 6.0 or more (without any kind of backlogs)
  - II) Each branch does not exceed its sanctioned strength by more than 2.

Preference will be given to the students of respective category, subject to the fulfillment of the branch change rules. *If seats are not filled by the students of respective category then the applications of the General category students will be considered, subject to approval by Dean, Academic Affairs.*

### Faculty:

#### Faculty

There are total 80 faculty members including 3 as visiting faculty. All faculty members of the institute have been selected on the basis of the same high standard criteria as is being followed in the older IITs. All faculty members hold Ph.D. degrees from reputed national and international institutions and several have international post-doctoral research experience. The process to recruit more faculty members is under process. Several research projects have been awarded to the faculty members from the sponsoring agencies such as CSIR, DST, etc. while many project proposals are under considerations of other sponsoring agencies. The faculty members have a number of research publications, paper presentations and attending the International Conferences/Workshops/Symposium, Invited Talks, Chairing sessions of the conferences, and being members of Editorial Boards of the reputed international and national journals.

### Facilities:

#### Facilities

##### Upcoming Campus

IIT Indore's permanent campus is located at Simrol which is a small village in Mhow Tehsil in district of Indore. The site for IIT Indore is about 20 kms. from Indore city, connected by the state highway, Khandawa Road. The state government has allotted 501.42 acres of land for the institute's development. The boundary wall and a pre-fabricated structure housing the entire Estate Office has been constructed and all the pre-construction activities have been completed including contour survey, soil-investigation, water-resistivity survey, etc. Master Planning of the Campus is completed and passed through statutory bodies. The campus is getting regular supply of water & electricity. Institute has gone into its 1st phase of construction for academic buildings, sports complex, hostels and staff residential area. It is expected that IIT Indore will have its infrastructure ready, so that the Institute can shift to its permanent campus by end of 2015.

### **Temporary Campus and Institute Facilities**

At present, IIT Indore is functioning from two temporary campuses. The School of Engineering is located in the newly constructed building rented from the Pithampur Auto Cluster Limited (PACL) on Indore-Mhow road. While, the School of Basic Sciences and School of HSS are located in the premises of the Institute of Engineering and Technology (IET) of Devi Ahilya Vishwavidyalaya (DAVV) on Khandwa Road. This campus has complete modern academic facilities including modern classrooms with sophisticated audio-video teaching aids, a modern computer centre, ever-expanding Central Library, well-equipped UG Chemistry and Physics laboratories and probably are amongst the best of the undergraduate laboratories in the country. IITI has also developed one virtual classroom (VCR) under NKN project with state-of-art video-conferencing facilities and a dedicated NKN Link of 1 GBPS capacity. IITI was the first IIT to complete creation of VCR and one of the three IITs chosen for its inauguration on 05/02/2011. The core engineering laboratories developed include Experimental engineering lab, Basic Electrical and Electronics engineering lab.

The institute has also acquired some state-of-art research equipment and facilities to cater to the research interests and needs of the existing faculty members and research scholars and also to attract best of the research scholars and faculty members as part of our endeavour for a world class research institute.

### **Library**

The Central Library, IIT Indore, provide students and faculty members resources for their varied needs, a comfortable and peaceful environment conducive to study including wi-fi enabled and air conditioned reading rooms, and help in locating and using the resources. The resources of the Central Library include books, e-resources, magazines, and newspapers. The text book collection in the library provides vital support for on-going UG and PhD teaching program. The library has also developed a fine collection of books on literature and English language, and also sports, biographies, and general interest titles. At present, the library has more than 27,000 books in its collection. The Magazine and Newspaper section includes all prominent technical and general magazines and local and national dailies. The Library provides access to many full-text and bibliographic e-resources from reputed publishers such as Elsevier, Taylor & Francis, Sage, Wiley, Nature, American Chemical Society, Royal Society of Chemistry, American Institute of Physics, American Mathematical Society, and many more. The library has also e-books from IEEE-Wiley, and a select collection of e-books from EBSCO and Ebrary platform. The Library regularly organizes demonstrations and training programs for various e-resources to facilitate maximum utilization of these resources. In addition to this, "Bookville", a Book Fair, is organized annually by the Library.

The Library is in the process of introducing various new services to users in addition to the Lending Facility, Reading Room Facility, Renewals, Reservations, etc. The library has automated its services with the help of an integrated library management software 'Libsys' to provide fast and effective library services to users including OPAC (Online Public Access Catalogue) facility. The Library Orientation Classes are held for new students at the beginning of the new academic year, where they get to know about the library collection, services, rules and regulations, and are introduced to the Library team.

### **Medical Facilities**

IIT Indore has a dispensary, situated at Silver Springs (hostel premises) with a good medial team including three doctors, one nurse and a pharmacist to take care of the medical needs of IITI students and its community. Institute has MOU with six best hospitals of Indore City, CHL-Apollo Hospitals, Choithram Hospital & Research Centre, Gokuldas Hospitals Pvt. Ltd., Apollo Rajshree Hospitals & Research Centre, Greater Kailash Hospital and Bombay Hospital to cater to the medical requirements of the students, faculty, staff, and their dependents. The Students and Faculty, Staff members and their dependents are issued medical cards to ensure cashless medical treatment to the patient along with issue of the required medicines. Moreover, Institute doctor is available in the hostel premises on regular basis and for medical emergencies a round-the-clock Ambulance and transportation facility is also available at the hostel premises.

### **Hostel Accommodation and Transportation**

IIT Indore is fully residential with hostel facility provided to all the students. All undergraduate students are given the opportunity to stay in the hostels. We provide studio apartment kind of accommodation facility to students. Students are accommodated in a 3 BHK flat which is as big as 2000 sq. feet area for average 6-8 students. This gives enough space to students for their studies and living. It has twin sharing bedrooms with the facilities like cot, mattress, chair, table, almirah, geyser, RO, washing machine, etc. so that they get home away, home environment. We have well maintained, spacious and hygienic dining halls both for Veg and Non Veg food. Students are provided four meals a day: Breakfast, Lunch, Evening Snacks and Dinner. Night time canteen facilities for late night demand.

Residential campus is equipped with recreational Sports Facilities and gym so that they can relax after studies. 24X7 internet facilities so that they could study on internet. We have our own student facilities center where they can buy food and can get their daily need items and stationary items at discounted price. Printing and photocopying facility is also available at this store. This helps the student so that they don't have to go out for eating or buying something.

We have dedicated medical dispensary for students at the hostel. We also have 24X7 ambulance facility available for emergency medical situation. Each apartment is provided with first-aid box and fire extinguisher for security concern. We have student Councilor inside the hostel campus so that students can interact whenever they are down or disturbed. Dedicated hostel coordinators and security officers are available for their security and emergency related issues.

IIT hostel also has a student activity centre which includes facility like indoor games, music room etc. There is a well-equipped hostel library cum reading room at the hostel so that they don't have to travel to the institute for issuing/reading books.

### **Transportation**

Formal bus-transport facility is provided to students to shuttle between hostel and institute at regular intervals throughout the day. Institute is having a fleet of 14 buses of varying capacity for facilitating the students/faculty to commute from one campus to other. The schedule of buses is published at the beginning of each Semester as per the academic calendar to meet the requirement of students to attend the classes/lab sessions. Apart from this, the institute also provides bus on holidays and weekends for visiting the city to meet their marketing needs. The facility of institute vehicles is also extended to the students for outreach excursion/sports/cultural activities.

### **Student Life at Institute:**

#### **Student life at Institute**

Student Life at IIT Indore is a balance between academics and extra-curricular. It is driven by clubs such as the Literary Club, Dance Club, Drama Club, Programming Club, Electronics Club, Quiz Club, etc. that enable students to engage in various domains for all round development. The Entrepreneurship Cell encourages students to come up with novel ideas and enable students who wish to pursue such ideas. The faculty members at IIT Indore are not only wonderful teachers who are always open and approachable to students, but are also outstanding researchers in their respective fields. This, along with a high faculty to student ratio encourages a healthy academic interaction among students and faculty members. Avana, a social welfare body operating in IIT Indore takes various initiatives for the benefit of the underprivileged in our society.

Tech-oriented students take part in SAE India's BAJA competition, Robocon and the ACM ICPC. For sports enthusiasts, there are dedicated coaches for various games such as Cricket, Basketball, Football, Swimming, Athletics, etc. who help students in improving their skills and fitness. We send a contingent of about 90 students to the Inter-IIT Sports Meet each year. Students also organise and participate in intra-college sport competitions. Celebrations are organized for occasions and festivities such as Independence Day, Republic Day, Foundation Day, etc. in which students take part with great fervour and enthusiasm.

Fluxus, the annual Techno-Cultural festival of IIT Indore is Central India's largest college festival of this kind and is host to some of the biggest competitions and shows each year. Students take great pride in organizing and taking part in the festival.

The students at IIT Indore have world class hostel facility. A student enjoys all the benefits that come with living in a hostel, from group study to celebrations of birthday parties. Indore is called 'mini-Mumbai' and is Madhya Pradesh's commercial capital. It has malls, cafes, movie theatres, clubs, restaurants, most major fast food outlets and several popular hangout places. Students also make trips to nearby tourist destinations such as Mandu, Ralamandal, Ujjain, etc. IIT Indore strives for an over-all development of its students, making them equipped to be the future leaders in their respective fields.

### **Financial Assistance:**

#### **Financial Assistance**

IIT Indore provides the following scholarships to its B.Tech. students:

1. 1) Institute Merit-Cum-Means Scholarship.
- 2) Tuition fee to SC/ST students is exempt.
3. 3) Central Sector Scholarship by Ministry of Social Justice and Empowerment and Ministry of Tribal Affairs.
4. 4) Other national scholarships of other states and
5. 5) Other scholarships instituted by various private trusts.

### **Training & Placement:**

#### **Training and Placement**

The institute has achieved more than 90% placement for all the three batches of UG students graduated in the year 2013, 2014 & graduating in 2015, while 5-7% students have joined for higher studies at IIMs, IITs, top rated foreign institutions and the others have chosen to start their own enterprise. Companies from various sectors visited IIT Indore from both core & non-core divisions which include growing start-ups as well. Some of the reputed recruiters include Google, Amazon, Microsoft, DE-Shaw, IBM India, Samsung R&D India, CISCO, TCS, TCE, Infosys, CMC Ltd., Impetus, CSC Ltd., Finisar Malaysia, Altair India, Qualcomm, Morgan Stanley, CA Technologies, Innovative Scheduling, Snapdeal, Flipkart, Atria, Mu Sigma, Mahindra, Nucleus, National Instrument, L & T, BPCL, HPCL, IOCL, DRDO, Eicher-Volvo Commercial Vehicles Pvt. Ltd., AVTEC Pvt. Ltd., TATA Motors, Endurance Technologies Pvt. Ltd., Honda, Epic, FICO, Blue Star, Reliance, Samsung Solutions, Trident Group, United Health Group Ltd., Uniken India Pvt. Ltd., Virtusa, etc.

The average salary package for B.Tech. lies between 9 to 11 LPA and highest package received till date is 1.7 Crore (INR). Apart from final placements, many students have done their internships in these reputed organisations as well as well-known universities abroad.

### **Industry And Alumni Relations:**

**Industry and Alumni Relations:**

The IIT Indore Industry Relation (IR) team is the point of contact for industry & related companies with research skills available at IIT Indore. To strengthen the relations with the industry & related research institutes, IIT Indore conducts various programs under Industry relations like Industry lecture series, Industry Academia Conclave (IAC), joint B.Tech/M.Sc./M.Tech/Ph.D thesis, industry funded research projects, industry research & consultancy, innovations, patents & licensing.

The Industry Academia Conclave (IAC) is a very unique event that has been conducted by IIT Indore since 2012. It is a platform for fostering constructive interaction between the industry and the academia and discuss about prospective symbiosis in the field of industry oriented academics. Through the conclave, we have made significant advances in this field and have been able to sign MoUs with IBM, GE Healthcare and numerous other companies and organisations. IIT Indore offers three adjunct faculty positions for industry personnel. In this regards, one can directly approach Director IIT Indore or to Industry Relation team.

**Alumni Relations:** Currently IIT Indore has more than 200 alumnus pursuing their career in reputed National and international organizations. After graduation from IIT Indore, students become the registered member of the alumni section. The alumni are in constant touch with the institute, they give their feedback and updates at different stages, which are highly helpful for the growth of the institute. The alumni are entitled to use the guest house, the gymkhana facility and they also have an access to library facilities. The alumni relations are in regular communication with the alumnus and guide them at different aspects which includes, career guidance, technical solutions etc.

**Location and Accessibility:****Location and Accessibility****By Air:**

Devi Ahilyabai Holkar Airport (IDR) is a prominent airport in Madhya Pradesh, state of India and is about 8 kms. from Indore city. This is one of the best in India and offers good connectivity from major cities of India like New Delhi, Mumbai, Bangalore, Ahmedabad, Hyderabad, Pune, Kolkata, Jabalpur, Bhopal, Nagpur, and Raipur. International travelers can get connecting flights to Indore from Delhi (800 kms.) or Mumbai (655 kms.) airport.

There are at least 5 airlines operating in Indore: Air India, Jet Airways, SpiceJet, Jet Lite and Indigo.

**By Rail:**

Indore Junction Railway Station (INDB) is an important railway station in Western railway zone. It is well connected to major Indian cities like Mumbai, Pune, Nagpur, Delhi, Jaipur, Agra, Ahmedabad, Vadodara, Howrah, Bhopal, Ujjain, Gwalior, Bhind, Jabalpur, Bilaspur, Khandwa, Lucknow, Varanasi, Patna, Ambala Ct, Jammu, Dehradun and Trivandrum.

**By Bus:**

Indore is well connected by state road transport public bus services. The national highway NH3 (Bombay-Agra Road) and NH59 (Indore-Ahmedabad Road) passes through Indore and there are daily bus services from Indore to Mumbai, Jaipur, Gwalior, Bhopal, Pune, Ahmedabad, Surat etc. Regular buses, Super fast and Deluxe A/C buses are also available in these routes.

### About the Institute:

The Indian Institute of Technology Kharagpur was founded in 1951. A forerunner of the other IITs, and in many ways a role model for them, IIT Kharagpur has been producing scientists and technologists of the highest calibre who continue to provide leadership in education, research, industry, and management. Many of its alumni are illustrious men and women whose achievements command admiration and respect everywhere and evoke a just sense of pride in the IIT community. Situated 120 km west of Kolkata, Kharagpur can be reached in about two and a half hours by train from the Howrah railway station of Kolkata. Kharagpur is also connected by direct train service to other major cities of the country. The Institute is about 10 minute's drive (5 km) from Kharagpur railway station. Located in a sylvan landscape, far from the heat and dust of the city, the campus provides a calm and serene environment for dedicated academic pursuits. IIT Kharagpur has two fully operational extension centres, one at Calcutta and the other at Bhubaneswar, besides the main campus at Kharagpur, which is the largest in the country.

IIT Kharagpur has the largest number of PG and UG programmes and has a large number of doctoral research scholars. It offers 21 undergraduate (B.Tech., B.Arch., M.Sc.), 87 postgraduate (M.Tech., Dual Degree, M.C.P., M.B.M.) and research (M.S., Ph.D., D.Sc.) programmes.

IIT Kharagpur has been a prime mover in the modernization of technical education in independent India. Excellent research facilities and support in the frontier areas of science and technology are available at IIT Kharagpur, which includes some of the most advanced laboratories and the largest technical library in the country housing a state-of-the-art electronic library. All the departments and centres are equipped with modern instruments. Central Research Facility caters to the special needs of all including outside organizations. The Institute also houses an Astronomical Observatory set up by the Positional Astronomy Centre, Government of India. A well-equipped centre for Education Technology, and Language and Psychology laboratories are additional assets. Many special purpose top rung laboratories have been created in IIT Kharagpur out of the R&D grants received from Industries, Government, Defence and from Alumni Contributors. A large new Computer and Informatics Centre, a new wing for Information Technology, computer network for halls of residence, students' hostels rooms and a capacious lecture hall complex are fully operational. Some of the laboratories are: a world class VLSI Design Laboratory, Communication Empowerment Laboratory, Media Lab Asia, Microsoft Laboratory, Motorola Laboratory, Centre for Excellence in Composite Technology, Ocean Science and Technology Cell, Advanced Technology Development Centre, Space Technology Cell, etc. Vinod Gupta School of Management (VGSOM) and G S Sanyal School of Telecommunications (GSST), School of Infrastructure Design and Management, School of Intellectual Property Law offering LLB program are the first of their kinds in the IIT system, owe their existence to the generous contributions from its alumni. IIT Kharagpur is the first to plan establishment of multispeciality hospital and Medical School and would be offering MBBS programs in the near future.

#### Academic Structure:

#### FOUR YEAR B.TECH COURSES

##### 4101: AEROSPACE ENGINEERING

The aerospace engineers are concerned with the design, analysis, construction, testing and operation of flight vehicles, including aircrafts, helicopters, rockets and spacecrafts. The course is based on the fundamentals of fluid dynamics, materials science, structural analysis, propulsion, aerospace design, automatic control and guidance, and development of computer software.

##### 4102: AGRICULTURAL AND FOOD ENGINEERING

With increase in growth and associated industrial potential, Indian agriculture has now been accorded the status of an industry. The course on Agricultural and Food Engineering aims at producing engineering graduates to meet the requirement of technical manpower in development of farm machines, land and water resources management, agricultural production and manufacture of processed food. In order to meet the present demand of agricultural and food industries, the course has been suitably modified to include specialized training in design, development, testing and selection of tractors and farm implements, irrigation, drainage and watershed management using Remote Sensing and GIS; information technology, processing of food, fodder and fibre, utilization of biomass, by-products and wastes in the production of biochemicals, fuels, manure and non-conventional energy. The course provides ample flexibility to the students for acquiring expertise in any of the three major areas of specialization, namely, Farm Machinery and Power, Land and Water Resources Engineering, and Food Process Engineering as well as two interdisciplinary areas of Aquacultural Engineering and Agricultural Systems Management.

##### 4105: BIOTECHNOLOGY AND BIOCHEMICAL ENGINEERING

This four-year B.Tech. programme in engineering (based on Modern Biology/Bioprocess Engineering) provides training in Natural, Biological, and Engineering sciences including relevant computer and management subjects. First year courses are common as in other engineering disciplines. A unique feature of the programme is the blending between life sciences and engineering.

Students get in-depth theoretical background/practical training in various disciplines such as Genetics, Microbial Biotechnology, Plant Cell Culture, Agricultural Biotechnology, Cell Biology, Molecular Biology, Environmental Biotechnology, Immunology, Downstream Processing, Metabolic Engineering, Enzyme Technology, Protein Engineering, Bioinformatics, Intellectual Property Rights, etc. along with adequate laboratory classes. Basic process engineering subjects include Fluid Flow, Mass Transfer, Transport Processes, Biochemical Reaction Engineering, Instrumentation and Process Control, etc. Design of bioreactor and other bioprocess equipment is an integral part of the course.

Research projects are offered in cutting edge relevant to the subjects like Nano-Biotechnology, Biomicrofluids, Tissue Engineering, Antimicrobial Chemotherapy, Recombinant DNA Technology, Structural Biology and Bioprocess technology. The course is highly multidisciplinary one and students can take minor in other core engineering subjects for acquiring expertise to suit placement in allied areas. The most modern exposure in theory and laboratory classes ignite urge for innovation to play leadership role in bio-industries of tomorrow. There are many elective subjects to fulfill the objective as well.

##### 4107: CHEMICAL ENGINEERING

Chemical engineers work in diverse fields like petroleum refining, fertilizer technology, processing of food and agricultural products, synthetic food, petrochemicals, synthetic fibres, coal and mineral based industries, and prevention and control of environmental pollution. Chemical engineering is concerned with the development and improvement of processes, design, construction, operation, management and safety of the plants for these processes and research in these areas.

##### 4109: CIVIL ENGINEERING

A civil engineer is concerned with planning, analysis, design, construction and maintenance of a variety of facilities such as buildings, highways and railways, airports, waterways and canals, dams and power houses, water treatment and waste water disposal systems, environmental quality control, docks and harbours, bridges and tunnels. A civil engineer is also required to deal with critical problems of today such as disaster mitigation and management, constructing offshore structures for oil production, flood forecasting and flood control, traffic congestion, transportation planning, use of non-conventional energy resources, for example, wind, tides, waves, etc. The breadth and diversity of the civil engineering profession make it particularly attractive. Computer Aided Design (CAD) and software development for various civil engineering facilities have become integral parts of civil engineering profession.

##### 4110: COMPUTER SCIENCE AND ENGINEERING

The course is concerned with theoretical and engineering aspects of Computer Architecture, System and Application Software, Computer Networks, VLSI, Internet Technology and Applications. Adequate emphasis is also given to Programming, Algorithm Design and Analysis, Formal Languages and Automata Theory, and Theoretical Computer Science.

#### **4111: ELECTRICAL ENGINEERING**

The course pertains to the broad disciplines of electrical power engineering and electrical engineering. An electrical engineer is concerned with the generation, distribution and use of electrical power, power control and instrumentation applications. An electrical engineer also deals with the application of electronics in the processing of information in the fields of communication and control systems, electronic computers, industrial electronics and instrumentation.

#### **4115: ELECTRONICS AND ELECTRICAL COMMUNICATION ENGINEERING**

The course is a judicious combination of core subjects and professional electives. The core subjects provide a sound foundation in areas like electronic devices, circuits, control, signals and networks, computers and communications, and electromagnetics. The foundation is strengthened by depth subjects in microelectronics, microwaves, communication, computers, digital signal processing, etc. The breadth subjects in Mathematics, Sciences, Humanities, Management, etc. widen the scope of the course. The course lays considerable emphasis on the laboratory classes. The course accommodates students' special interests through professional elective subjects in the areas of microelectronics and VLSI engineering, visual information processing and embedded systems, telecommunication systems engineering, RF and microwave engineering, Fibre Optics and light-wave engineering. New elective subjects are added from time to time to cater to the future technological needs. The curriculum also includes industrial training. The curriculum makes a balance between excellent industrial prospects as well as higher studies in any branch of electronics and communication engineering.

#### **4170: INDUSTRIAL & SYSTEMS ENGINEERING**

Industrial & Systems Engineering is the branch of engineering that deals with the design and optimization of complex processes or systems involving people, materials, and energy in a productive way. Industrial engineering is providing all kinds of analytical skills and educational training to analyze and solve the complex real world problem encountered in different sectors of our economy. Manufacturing, Logistics, financial and insurance, health care and many other service sectors employ industrial engineers to address their problem and enhance their efficacy, productivity, and market share. All modern tools and techniques such as optimization, simulation, stochastic modeling, system dynamic, statistical modeling, and computational intelligence are covered in wider details to capture real world problems and solve them. Linear and non linear interactions observed during development of decision support model through analytical tools are interfaced with modern Information and communication tools (ICT) to simplify the implementation of decision making process for the benefit of industry in particular and society in general.

The department of Industrial & Systems Engineering at IIT Kharagpur has the distinct credential to be the first department of its kind in India. The Department has continually restructured itself to cater to the needs of the Indian Industries. Over the years, the scope of industrial & systems engineering has expanded. The state-of-the-art of industrial & systems engineering encompasses fields of study such as: production and product system design, systems engineering, quality control and engineering, software engineering/e-commerce, ergonomics/human factors/ safety engineering, supply chain management, and technology management.

Over the years, the disciplines of Industrial & Systems Engineering, as being practiced at IIT Kharagpur, has attracted several reputed and well-established private and public sector companies for sponsored research and industrial consultancy where bright and enterprising B Tech students get an opportunity for nourishing their immense potential for career development. Moreover, the department takes pride in having a highly dedicated, student-friendly group of faculty members with constantly updating international academic support base.

#### **4121: INSTRUMENTATION ENGINEERING**

Instrumentation ensures better quality and increased productivity in industries. It is also used for diagnostics in health care, environmental pollution measurement and in all fields of advanced research and development. Instrumentation Engineering is a multidisciplinary program drawing on several disciplines: electrical, electronics, computer, chemical and mechanical engineering, material science and biomedical engineering. Flexibility in curriculum is provided through electives enabling the student to choose subjects to their own fascination and career objective. The main emphasis is on process instrumentation and control. Advanced tools and techniques like VLSI design, MEMS, signal and image processing, optoelectronics and intelligent instrumentation are also included.

#### **4122: MANUFACTURING SCIENCE AND ENGINEERING**

The Manufacturing Science and Engineering Programme is designed to create a specialized breed of engineers-cum-managers, who are expected to evolve, build and manage with global outlook, a new class of physically distributed enterprises. The programme first builds a solid background of manufacturing systems and processes, with exposure to basic courses in engineering design and thermal sciences. It covers subjects like quality control, CAD, CAM, AI, CIM, Robotics, etc. The students are also exposed to state-of-the-art developments in micro-mechanical systems and intelligent systems driven by continuous innovation in product and process technologies. The programme, with its fine blend of advanced manufacturing technologies and broad based IT and management skills, is ideal for students who wish to take up challenging careers in engineering management and innovative system entrepreneurship

#### **4125: MECHANICAL ENGINEERING**

Mechanical Engineering is concerned with the design, operation and maintenance of machines and their components, mechanisms, machine tools, manufacturing systems and processes, components of thermal power systems including internal combustion engines and turbo machinery, solar energy, heat transfer, air-conditioning, refrigeration and industrial engineering including production planning and control. The students of mechanical engineering have an opportunity to study both the fundamentals and applied aspects of these areas.

#### **4127: METALLURGICAL AND MATERIALS ENGINEERING**

Advances in technology depend on the availability of high performance materials. The field of engineering materials has expanded enormously in the recent past and has encompassed a variety of materials such as ceramics, polymers, electrical and magnetic materials, glasses and composites, along with the traditionally important metals and alloys. Critical selection of

such materials for advanced engineering applications in high technology areas such as space, energy, and communications, is of utmost importance. B.Tech. programme encompassing metallurgical engineering and materials science/engineering have been designed to train engineering graduates, who would be highly competent in meeting the emerging needs of India in advanced materials as well as in conventional metallurgical engineering. Comprehensive programmes of studies allow the student to grasp the fundamentals of metal extraction, characterization, processing and selection of engineering materials. A wide variety of electives available during the third and fourth years of study give an opportunity to the student to concentrate in an area of his/her choice.

#### **4130: MINING ENGINEERING**

Mining Engineering, a 4-year B.Tech. programme is concerned with the production of minerals and coal. The field of study exposes the students to aspects of surveying, planning, design, construction, mineral excavation, transportation, maintenance, safety, and management of mines. Courses in the first two years provide the students with essentials of science, basic engineering, computing, and information technology. In the subsequent years, a group of core and elective subjects including methods of mining, geomechanics, numerical methods, environmental engineering, industrial management, computer-aided mine planning, remote sensing and geographic information system (GIS) are taught to keep pace with the latest developments in mining technology and to meet the present demands of the industry.

#### **4133: OCEAN ENGINEERING AND NAVAL ARCHITECTURE**

Ocean Engineering provides solutions to the needs of the society for exploration and utilization of the ocean, its coastlines, and its vast natural resources such as extraction of oil from offshore wells, minerals from the sea bed, biological resources like fish and other sea food. The subject of ocean engineering is concerned with various industrial activities of design and construction, building and maintenance, production, operation, and transportation of marine structures. Naval architecture is a major branch of ocean engineering, which deals with design, construction, and maintenance of ships and other water borne vessels. The discipline of ocean engineering not only includes insights from all branches of engineering but it also incorporates unique marine features. Marine Hydrodynamics, Water Wave Mechanics, Computer Aided Design and Manufacturing (CAD-CAM), Computational Methods in Marine Hydrodynamics and Structural Mechanics, Design of Ships and Marine Structures, Marine Construction and Welding, Coastal Engineering, Hydroelasticity, Port and Harbour Engineering, Coastal Zone Management, etc. have become an integral part of this engineering profession. The employers of ocean engineers and naval architects are the various offshore industries, ship building and ship repair yards, shipping companies, classification societies, statutory bodies under the Ministry of Surface Transport, offshore consulting firms, coastal and dredging consulting firms, instrumentation and data analysis firms and institutions, drilling companies, seismic and hydrographic surveying companies, Indian Navy, DRDO laboratories, coast guards, port trust, environmental protection agencies, pollution control boards, and academic institutions. Due to multidisciplinary nature of Ocean Engineering & Naval Architecture, a large number of graduates find employment in allied engineering professions, management and information technology areas.

#### **FIVE-YEAR B. ARCH. COURSE**

##### **5101: ARCHITECTURE**

An Architect is a professional who designs buildings and built environments, and acts as the leading coordinator for the entire construction project from conception to completion. Architecture is the “art and science of building” – hence an Architect’s education needs to be a perfect balance between art, science and technology. As an architecture student, one is encouraged to develop one’s creative talents and artistic skills, as well as hone one’s analytical aptitude for building science and technological innovation. The role and importance of an architect in society has been acknowledged since time immemorial, and assumes special significance in today’s world when buildings and spaces serve complex and diverse functions and need expert monitoring and coordination during planning and construction.

Architectural education equips a student with basic design and visual arts skills, as well as a thorough knowledge of building materials, methods of construction, structural principles and innovations and other related technological aspects of building (like air conditioning, acoustics, illumination and intelligent systems). The student is also exposed to hard-core construction issues such as construction project management, professional practices, specification, estimation and arbitration. There is a strong emphasis on practical training, whereby the student works as a professional apprentice in an established architectural firm for almost the entire ninth semester. The final semester consists of a complete real-life architectural project handled single-handedly by the student which is a true simulation of entire scope of works, responsibilities and liabilities of a practicing architect. On completion of five years of education, the Council of Architecture (India) offers a professional license to the architect for independent practice in the profession.

The professional opportunities for a graduate architect are diverse. Apart from the option of independent practice or expert consultancy, an architect may gain employment in professional consulting or construction firms, private, public or government organizations, as well as pursue higher research and teaching careers. The avenues of higher studies and research open to a graduate architect are also wide ranging. The related research areas include urban design, interior design, landscape design, industrial product design, city and regional planning, transportation planning, environmental planning, heritage and conservation studies, sociological aspects of the human-built environment interface, digital art and visual communication, and computer applications (design software programming, decision support systems and artificial intelligence).

Candidates desirous of joining the B.Arch. course will be required to qualify in an Architecture Aptitude Test (AAT-2012), as mentioned in the Information Brochure. Syllabus for the Architecture Aptitude Test is given below:

Freehand drawing: Simple drawing depicting the total object in its right form and proportion, surface texture, relative location and details of its component parts in appropriate scale. Common domestic or day-to-day life usable objects like furniture, equipment, etc., from memory. Geometrical drawing: Exercises in geometrical drawing containing lines, angles, triangles, quadrilaterals, polygons, circles etc. Study of plan (top view), elevation (front or side views) of simple solid objects like prisms, cones, cylinders, cubes, splayed surface holders etc. Three-dimensional perception: Understanding and appreciation of three-dimensional forms with building elements, colour, volume and orientation. Visualization through structuring objects in memory. Imagination and aesthetic sensitivity: Composition exercise with given elements. Context mapping. Creativity check through innovative uncommon test with familiar objects. Sense of colour grouping or application. Architectural awareness: General interest and awareness of famous architectural creations - both national and international, places and personalities

(architects, designers etc.) in the related domain.

### **FIVE-YEAR M.TECH. DUAL DEGREE COURSES**

In addition to the 4-year B.Tech. degree programmes, some dual degree (B.Tech. & M.Tech.) programmes are also available. The salient features of the dual degree programmes are:

Two degrees (B.Tech. & M.Tech.) will be given at the end of 5 years, but the requirements for B.Tech. degree will not be completed at the end of the 4<sup>th</sup> year.

Up to second year, the courses will be common with the corresponding 4-year B.Tech. programme. Third year onwards electives for dual degree students will be in the area of their M.Tech. specialization. Project work will start in summer of 4<sup>th</sup> year and extend through the 5<sup>th</sup> year (14 months).

### **5201: AEROSPACE ENGINEERING**

Aerospace engineers are concerned with the design, analysis, construction, testing and operation of flight vehicles. The basic courses are based on the fundamentals of Fluid Dynamics, Materials Science, Structural Analysis and Development of Computer Software. The M.Tech. programme has common core in the areas of Aerodynamics, Aerospace Technology, Design, Propulsion and Structures. A number of electives are available for specialization in areas related to Aerospace Engineering. Project work of fourteen months duration will be in one of the areas of Design, Analysis and Control of modern aircrafts, space vehicles, engines and flight machines. Modern experimental facilities are available for project work.

### **5203: AGRICULTURAL AND FOOD ENGINEERING WITH M.TECH. IN ANY OF THE LISTED SPECIALIZATIONS**

The department offers five specializations under the Dual Degree programme. A comprehensive coverage of all essential aspects of Agricultural & Food Engineering will be provided in the first three years. A dual degree student has the flexibility to opt for anyone of the following M.Tech. specializations based on his/her own choice and performance at the end of the third year:

- (i) Farm Machinery and Power
- (ii) Land and Water Resources Engineering
- (iii) Food Process Engineering
- (iv) Aquacultural Engineering
- (v) Agricultural Systems and Management

The course in Farm Machinery and Power aims at developing and disseminating engineering knowledge and skills for the mechanization of farm operations, utilization of farm power and alternative energy resources in sustainable agricultural production and environmental management. It also focuses on design and automation of farm machines and operations for precision agriculture with emphasis on ergonomics, safety and health.

The course in Land and Water Resources Engineering emphasizes on the interaction of land and water systems along with changing climate conditions in agricultural production and imparts knowledge and skills necessary for the proper development and management of land and water resources for agriculture. Students are trained on the fundamentals of surface and subsurface hydrology in general with a focus on sustainable land and water resources planning and management, including conjunctive use of surface and groundwater, management of waterlogging and salinisation in canal commands, integrated water resources management as well as climatic and socio-economic impacts on water resources. In-depth knowledge of modern tools and techniques such as Simulation and Optimization Modeling, Remote Sensing (RS), Geographic Information System (GIS) and Emerging Soft-Computing Techniques, together with their application to land and water resources (both quantity and quality) management is provided.

The course in Food Process Engineering is a balanced amalgamation of fundamental and applied sciences and engineering aspects of processing of food and perishables. It aims at imparting training to students for meeting the technological demands of various food industries dealing with processing of dairy and food products inclusive of beverages, cereals, pulses, oil seeds, fruits, vegetables, and plantation crops. Advanced knowledge in mechanical, thermal and mass transfer operations along with novel and advanced techniques are given major emphasis in the curricula through incorporation of compulsory and elective subjects like Food Process Modelling, Food Plant and Equipment Design, Food Packaging and Handling, Grain Storage Principles, Non-thermal Preservation of Foods, Instrumentation and Control in Food Industry, Computer Programming etc.

The course in Aquacultural Engineering aims at imparting knowledge and skills for the development of aquacultural facilities and production of fish by applying the engineering principles and practices to aquaculture. To meet the demand of fisheries and several other organizations dealing with the engineering aspects of aquaculture, the students are trained in fishery biology, open channel hydraulics and coastal engineering, planning and design of aquacultural projects, aquacultural facilities and equipment, aquacultural systems analysis, fish processing and fishing crafts and gears.

The course in Agricultural Systems and Management aims at imparting knowledge and technical know-how for augmenting and sustaining agricultural productivity in the perspectives of limiting resources, degrading environment, and increasing demand for agricultural produce by applying the principles and practices of the systems approach to agricultural arrangement. The programme has an optimum mix of agricultural science, engineering and management courses with built-in flexibility through a large number of elective subjects.

### **5208: BIOTECHNOLOGY AND BIOCHEMICAL ENGINEERING**

This course is an extension of the 4-year B.Tech. Programme. The course gives special emphasis on professional subjects, such as Recombinant DNA Technology, Immunotechnology, Immobilization Technology, Biotechnology of Plant Metabolites, Bioseparation, Bioprocess Plant and Equipment Design, etc., in addition to the subjects covered in 4-year B.Tech. programme. It also includes special laboratory classes in the above areas.

The Courses offered in the 5<sup>th</sup> year instill confidence and competence in areas of recombinant therapeutics, diagnostics, Bio processed food, new generation drug development etc. The project work enables hand-on exposure and research planning necessary for a modern bio-industries or related R&D.

### **5210: CHEMICAL ENGINEERING**

The major thrust of this dual degree course in Chemical Engineering is to prepare an incumbent for advanced applications in

industry, R&D, and academics. The course imparts advanced concepts in specialized areas such as, computer-aided process engineering, intelligent automation and control, advanced separation processes, interfacial science, high temperature technology and combustion, multiphase systems, biosystems engineering, nanosciences etc. A student with this degree is adequately equipped for taking up challenges in the newer areas in chemical engineering.

#### **5215: CIVIL ENGINEERING WITH M.TECH. IN ANY OF THE LISTED SPECIALIZATIONS**

The following specializations are available at Dual Degree level. The students will be able to exercise options for specialization after completing sixth semester. By then, they will have a better perspective of the specializations and will be in a position to make a right choice depending on their performance and preference of the subjects.

- Environmental Engineering and Management
- Geotechnical Engineering
- Hydraulic and Water Resources Engineering
- Structural Engineering
- Transportation Engineering

The programme is well designed to specialize a civil engineering graduate in any of the above areas through experimental and theoretical knowledge including applications of computer aided design. Past experience shows that the students who have an in-depth knowledge are more capable and confident to take up the challenging assignments of a specialized professional civil engineer.

#### **5216: COMPUTER SCIENCE AND ENGINEERING**

This course is concerned with the theoretical foundations of Computer Science, Programming, Engineering aspects of the Design of Computers (both hardware and software) and Application, Computer Communication and Networking, Aspects of Information Technology, and Design of Computer based Control Systems. At the M.Tech. level the areas of specialization are Computer Design, Software Engineering, VLSI Design, Expert Systems, Parallel Processing, and Sophisticated Computer Applications. General electives are offered in all the above areas. Final project of fourteen months duration will be on a problem of relevance to Industry.

The dual degree course aims at providing strong foundation on different aspects of Computer Science and Engineering with emphasis on Computer Architecture, Compiler Design, Operating System, Computer Networks, Design and Analysis of Algorithms, Automata and Formal language Theory, Artificial Intelligence emerging trends and its applications in different fields.

Both B.Tech. and M.Tech. degrees will be given in Computer Science and Engineering.

#### **5222: ELECTRICAL ENGINEERING WITH M.TECH. IN ANY OF THE LISTED SPECIALIZATIONS**

This integrated dual degree program offers both the B.Tech.(Hons) and the M.Tech. degrees on successful completion at the end of the 6th semester, based on students choice and performance records as well as availability of seats for each of the disciplines. The academic curriculum is the same as that of the 4-year B.Tech. (Hons) programme in Electrical Engineering for the first six semesters. From the 7th semester, the students begin to undertake postgraduate level courses in their respective areas of specialization. Considerable flexibility exists in choosing electives. Project work begins at the B.Tech. level and gets carried over to the M.Tech. level.

#### **5225: ELECTRONICS AND ELECTRICAL COMMUNICATION ENGINEERING WITH M.TECH. IN ANY OF THE LISTED SPECIALIZATIONS**

The degree programme provides a sound foundation in Electronics and Electrical Communication Engineering through its B.Tech curriculum, and it also offers M.Tech degree in any of the specializations pursued by the department. Currently, the department pursues Microelectronics and VLSI Design; Telecommunication System Engineering; RF and Microwave Engineering; Visual Information Processing and Embedded Systems as the M.Tech specializations. The students are required to undergo the core theory courses and the corresponding laboratory courses pertaining to the specialization and opt for a prescribed number of elective subjects in the various emerging areas of their choice. The students are also required to complete an M.Tech dissertation in the first year. The degree programme is designed to prepare a student to undertake research, development, teaching, or any other specialized professional career.

#### **5241: INDUSTRIAL & SYSTEMS ENGINEERING WITH M.TECH. IN INDUSTRIAL & SYSTEMS ENGINEERING AND MANAGEMENT**

This dual degree course, offered by IIT Kharagpur, provides an in-depth background on various areas of Industrial Engineering during its B Tech phase. Thereafter, the students are exposed to the integrative concepts of Industrial Engineering and Management by selecting electives from a list of advanced courses on Logistics and supply chain Management, production planning and control, systems modeling and analysis, intelligent manufacturing, financial management and accounting, facility layout and design, service operations management, safety and risk management, six sigma fundamentals and applications, applied multivariate modelling, and others. During the course of study, the students need to carry out project work for one full year that should ideally involve design and optimization of a real-life industrial problem.

#### **5281: MANUFACTURING SCIENCE AND ENGINEERING WITH M.TECH. IN INDUSTRIAL & SYSTEMS ENGINEERING AND MANAGEMENT**

This dual degree course is offered jointly by the Department of Mechanical Engineering and the Department of Industrial & Systems Engineering. The programme prepares the students to implement modern concepts of industrial and systems engineering in manufacturing and service organizations.

Initially, the programme provides an in-depth background in the area of Manufacturing Sciences and Engineering with exposure to basic courses in Engineering Design and Thermal Sciences. Thereafter, the students are exposed to the tools and techniques of Industrial & Systems Engineering. The programme focuses on the efficient design and operation of production systems, and includes subjects in the areas of work systems design, production planning and inventory control,

supply chain management, software engineering/e-business, financial management and accounting, quality engineering, project management, advanced decision modeling, simulation and related elective courses. During the course of study, the students need to carry out project work for one full year that should ideally involve design and optimization of a real-life industrial problem.

### **5239: MECHANICAL ENGINEERING WITH M.TECH. IN ANY OF THE LISTED SPECIALIZATIONS**

The Dual Degree courses of the Department are designed to develop manpower with basic background in Mechanical Engineering with specialized knowledge in any of the major specific areas of Mechanical Engineering. Accordingly, the Department offers three

Dual Degree programmes which are as follows:

- Mechanical Engineering with M.Tech. in Manufacturing Science and Engineering

This programme essentially covers the relevant topics like CAD, CAM, Robotics, Mechatronics, Flexible Manufacturing, to provide awareness of the state-of-the-art and future trends in manufacturing.

- Mechanical Engineering with M.Tech. in Thermal Science Engineering

In this course the students are given an opportunity to specialize in one or more areas of thermal engineering with special emphasis on computational fluid dynamics, simulation, modelling and optimisation of complex thermal systems.

- Mechanical Engineering with M.Tech. in Mechanical Systems Design

The course encompasses all the basic subjects of Mechanical engineering and specialized subjects on solid mechanics, machine vibrations, design optimisation, fluid power control and material handling equipment needed to become an efficient professional in the specialization of mechanical system design. Some of the subject areas are vibration and noise control, modelling and simulation of dynamics systems, dynamics & control of robots, machine tools & other complex mechanical systems, dynamics & control of smart structures, composite materials, signal processing, mechatronics, rotor dynamics and machinery condition monitoring.

### **5243: METALLURGICAL AND MATERIALS ENGINEERING WITH M. TECH. IN METALLURGICAL AND MATERIALS ENGINEERING**

It is a five-year programme with the first three and half years of studies common with the B.Tech. programme. Major emphasis of the remaining period will be on education in advanced areas through specialization courses and research. The student has the option to specialize, through a large number of postgraduate electives, in the fields of Design and development of advanced materials for structural and functional applications, Process modeling and simulation, Nanoscience and nanotechnology, Phase transformation in materials, Deformation and fracture behaviour of materials, Particulate technology, Solidification processing and foundry technology, Extractive metallurgy, Environmental degradation of materials, and Surface Engineering.

### **5247: MINING ENGINEERING/MINING ENGINEERING WITH M.TECH. IN MINING ENGINEERING**

This five-year dual degree course as offered lays greater emphasis on acquiring deeper knowledge, widens the scope of understanding of interdisciplinary subjects such as economics, management and advanced treatment of undergraduate subjects and on design and problem solving using computational techniques. The students would be able to enjoy wider choice of electives. The extensive project work provides opportunity for the students to analyze, to synthesize, and to creatively apply fundamental engineering principles to new problems and make useful and original contributions to this branch of engineering.

The dual degree programme has a multi-faceted orientation with blend of core mining engineering subjects, professional courses and allied courses relevant to the mining engineers in present global scenario. The mining engineers are concerned with mine planning, design, exploitation and processing of ore/coal. Salient course structure gives coverage on the fundamentals of basic science and engineering, mining geology, mine surveying, mine development, mine ventilation, rock mechanics, underground and surface coal & metal mining methods, environmental management, mining methods, mining machinery, mineral processing and other allied subjects. This course will be followed by PG seminar and research-based dissertation work.

### **5248: MINING SAFETY ENGINEERING**

Considering the importance of occupational health and safety, The Department of Mining Engineering has introduced this Dual Degree course with B.Tech. (Honors) in Mining Engineering. First of its kind in India, this course prepares the students with in-depth knowledge and hands on training in various aspects of the present and emerging fields of Safety Engineering and Disaster management.

In addition to the core courses on Safety Systems in Engineering, Rescue and Disaster Management, Legislation and Environmental Laws, this course provides opportunity to the students to acquire knowledge in emerging fields such as Human Factors Engineering, Geo-Technical Earthquake Engineering, Reliability and Quality Engineering, Application of Remote Sensing, GIS, GPS, Virtual Reality and Artificial Intelligence, Injury Epidemiology and Natural Hazards Mitigation.

The multi-disciplinary nature of the course enables the students to undertake their project work and vocation in various mining, oil and natural gas industries, and national and international organizations with which the Department is interacting through sponsored research and academic collaborations.

### **5251: OCEAN ENGINEERING AND NAVAL ARCHITECTURE**

Ocean Engineering in its broadest sense is concerned with all engineering systems in the ocean. This includes systems for exploration and exploitation of the vast oceanic resources such as offshore oil and gas, seabed minerals, biological resources like marine and sea food, etc. Ocean Engineering also involves systems that utilize the ocean for transportation and recreational purpose like ships and marine vehicles of different variety, submarine and underwater vehicles, pleasure crafts, floating resorts, etc. Yet another important component of ocean engineering is related to seacoasts and its protection, and marine hazards and its mitigation through engineering solutions. In short, any system that uses the ocean, operates in the ocean or related to the ocean in some sense falls under the purview of an Ocean Engineer. Naval Architecture, an important branch of Ocean Engineering, deals primarily with ocean transportation systems such as ships. Due to its historic importance, Naval Architecture stands out as a separate entity, and a Naval Architect is primarily engaged in the process of ship design in the widest sense of the word 'design'. Ocean Engineering and Naval Architecture encompasses subjects such as marine hydrodynamics, water wave mechanics, design of marine structures, structural

mechanics related to marine structures, marine construction and welding, coastal engineering, etc.

In the five years of this dual degree M.Tech. course, the students can specialize in any of the broad area of Ocean Engineering and Naval Architecture such as marine and ocean hydrodynamics, marine structures, design and construction of marine vehicles etc. through project and specialized courses. The prolonged period of project work provides an opportunity to the student to gain expertise in one of these broad areas.

Employment opportunities of Ocean Engineers and Naval Architects exist in various offshore industry, shipbuilding and ship repairing yards, marine classification societies and other government regulatory bodies dealing with marine systems, Navy and Coast Guard, coastal engineering companies, Naval Defense R&D, environmental protection agencies for coastal protection, etc. Being multidisciplinary in nature, students from this program generally receive a broad engineering background, and this helps finding employment in other allied engineering fields as well including management and IT industry.

### **5253: QUALITY ENGINEERING DESIGN AND MANUFACTURING**

In the background of globalization, with the consumer and industrial products needing superior performance and economic value, there has been renewed realization in Indian Industry for highly qualified analytical, developmental and design engineering professionals. With an aim to fulfil this need, a new interdisciplinary dual degree programme is introduced at IIT Kharagpur with B.Tech. (Hons) in Engineering Product Design and Manufacturing and M.Tech in Design and Quality Engineering. The interdisciplinary programme is offered in two verticals – Mechanical Engineering and Industrial Electronics by the departments of Mechanical Engineering, Electrical Engineering, and Industrial Engineering and Management (Coordinating Department). A student opting for this dual degree programme will be allocated one of the verticals based on his/her choice and his/ her cumulative grade-point average at the end of first year.

The programme will inculcate in students an enhanced awareness of Engineering Design, Manufacturing and Quality issues related either to Mechanical Engineering Products such Automotive Systems or to Electronic Products such as Real-time Embedded Systems. The academic content of the program is accordingly designed to expose the students to most major engineering aspects related to such products including Product Modelling and Development, Design for Quality, Manufacturability and Assembly, and engineering courses on mechanical/industrial electronics discipline. The programme includes six-month dedicated Internship in leading organizations in product design and development.

The programme is aimed at imparting its students the required skill sets, knowledge, competence and sufficient hands-on experience to successfully perform in careers that involve determining customer requirements, conceiving the solution, designing the product, maturing it to a prototype, optimizing its performance and designing the process to manufacture it while ensuring superior quality and cost competitiveness of the final product.

### **FIVE-YEAR INTEGRATED M.Sc. COURSES**

#### **5501: APPLIED GEOLOGY**

The Earth System is continuously evolving through a series of complex dynamic processes. Understanding and modeling these processes is a challenging, but also intrinsically exciting task. These complex processes interact with each other leading to the development of oceans, mountain belts, plateaus, flood plains, deserts and various picturesque landscapes; more importantly, they also result in local scale enrichment of various metallic, non-metallic, water and fuel resources that have formed the backbone of the human civilization since its existence. On the flip side, catastrophic events like earthquakes, volcanic eruptions and landslides represent the sinister manifestations of these processes. Geology and Geophysics, the two sub-disciplines of Earth Science, have the common goals of understanding the origin of Earth vis-a-vis the solar system, of quantifying the Earth's evolutionary processes, searching for Earth Resources and predicting and mitigating natural and anthropogenic disasters and hazards. Geology primarily involves the unravelling of the physics and chemistry of Earth processes through direct sampling of earth materials like rocks, soils, water and vegetation in the field, and the development of sophisticated laboratory methods and tools for interpretation of the collected field data. The primary objective of Geophysics is to probe the inaccessible depths of the Earth for understanding its 'anatomy' on the basis of bulk physical (electrical, magnetic, electromagnetism, gravitational, elastic and visco-elastic) properties and phenomena, such as electrical, magnetic, electromagnetic and gravitational properties, and propagation of elastic waves through its interior. Inevitably, Geophysics requires sophisticated instrumentation and rigorous mathematical tools. The Department of Geology and Geophysics of IIT Kharagpur offers five-year integrated M.Sc. programs in both the disciplines, imparting training on applied aspects of Earth Science.

Core courses in Applied Geology enable students to develop expertise in the study of minerals, rocks, fossils and ores. Students are imparted laboratory and field training (a total of 18 weeks of field work) under this program. Apart from disseminating information, emphasis is given to acquisition of basic tools for quantification of processes. Modern courses on crust-mantle interaction, mountain building processes, global climate changes, basin analysis, low-temperature Geochemistry, water-rock interaction, Isotope Geology and mineralogical spectroscopy have been formulated to expose students to frontier areas of research.

The course of Engineering Geology along with stimulating laboratory components is one of the strengths of the Applied Geology curricula, which is meant to integrate geological knowledge/information with rock and soil engineering. Rigorous training on techniques and tools for exploration of earth resources is also imparted through adequate exposure to courses such as Groundwater Geology, Remote Sensing & GIS, Environmental Geology and Micropaleontology, that have immediate industrial and environmental importance. The teaching in Applied Geology is supported by excellent computational and laboratory facilities e.g. X-ray Fluorescence Spectrometer, Laser-Raman Probe, Total Organic Carbon Analyzer, Gas source stable-isotope Mass Spectrometer, Automatic Compression Test Machine, to name a few.

The curricula of M.Sc. in Applied Geology provide the opportunity of becoming specialized in the field of interest by taking appropriate courses in the fourth and final years. Students get ample opportunity to get acquainted with modern research methodologies while working for their Masters' dissertation during the last two semesters. Exposure to industry and R & D activities are provided through summer training.

Students get excellent job opportunity in the Cement, Oil and Natural Gas, Mining and Construction companies, and in various Research Laboratories. Our graduates also excel in higher studies, with many being well placed in R&D sectors and

Universities in India and abroad (e.g. US, UK and other developed countries).

#### **5503: CHEMISTRY**

This programme prepares the students for modern day research in chemical sciences by providing them, besides an in-depth education in chemistry, adequate training in mathematics, physics, computers and engineering sciences. In the first two semesters of their stay in the programme, they take the same courses as their fellow engineering students. During the course, they are trained to do frontline research in interdisciplinary areas, which include materials science, environmental science and molecular biology, in addition to traditional topics in chemistry. It also trains students for industrial production and research.

#### **5504: ECONOMICS**

IIT Kharagpur offers an excellent opportunity for exceptionally bright students to get admitted to a five year integrated M.Sc. programme in economics, a unique programme in IIT system. This holistic programme is being offered by the Department of Humanities and Social Sciences, which has a multidisciplinary character, with the involvement of sister departments like Mathematics, Industrial Engineering and Management, Computer Science and Engineering, Architecture and Regional Planning, and Vinod Gupta School of Management. The common programme in the first two semesters would make the students efficient in developing verbal and quantitative abilities with a scientific approach. Thereafter, students get a thorough and intense exposure to economic theory, analytical tools, mathematical techniques and applied econometric models with adequate stress on interpretations of the results along with their socioeconomic implications. Theory classes are supplemented by lab practices, projects, industrial training and seminars. The course would succeed in establishing a synergy between technology and economics to understand the real world situation more accurately and intensely. Through a suitable choice of professional electives, students can specialize in selected streams like environmental economics, quantitative economics, business economics with provisions for super specialization in certain chosen fields under the streams. At the same time, ambitious and hard working students can earn a minor in areas like mathematics and computing, statistics, industrial engineering and management. The new breed of economists specially trained for problem solving purposes are expected to be in high demand in industry, institutions of higher learning and research, both at home and abroad, in the increasingly globalized world of tomorrow.

#### **5505: EXPLORATION GEOPHYSICS**

Geophysics is a branch of Earth sciences that deals with the delineation of Earth's subsurface structure. The primary objective of Geophysics is to explore the inaccessible depth of the Earth for understanding its anatomy on the basis of bulk physical properties and phenomenon (density, magnetic susceptibility, elastic, visco-elastic, electrical conductivity, natural radioactive radiation etc). Propagation of elastic waves through earth's interior enable geophysicist to visualize the Earth from surface to its center. Various geophysical methods are based on various physical principles such as Newton's law of gravitation, Coulomb's law of forces between magnetic poles, Snell's law, ohm's law and natural disintegration ( $\alpha, \beta, \gamma$  radiation) of radioactive substances. Geophysicist performs different experiment in the field and delineates different physical properties associated with oil and gas, minerals, groundwater, subsurface pollution etc. All these require sophisticated instrumentation, rigorous mathematical techniques and knowledge about modern day's computer programming and applications.

The Department of Geology and Geophysics offers a 5-year integrated M.Sc. Program in Exploration Geophysics. This program covers fundamental courses on Solid Earth Geophysics, Geophysical field theory and various exploration techniques with special emphasis on mathematical and computational tools. Gravity, Magnetic, Seismic, Electrical, Electromagnetic, Well logging, Radiometric methods of exploration are covered in great details. Earthquake Seismology, Seismic Tomography, Geophysical Signal Processing, Geophysical inversion/optimization are integral part of the program. Students and exploration geophysics undergo rigorous field training that involves use of various equipments and acquisition of data in the field. State-of-the-art equipment in Geophysics include 48-channel Reflection, Refraction and Engineering seismograph, Broad Band Seismograph, Strong Motion Accelerograph, Gravimeter, Magnetometer, Resistivitymeter, VLF, VLF-R and magnetotelluric EM equipments and Radiation measurement equipments. A global Seismological Observatory has been commissioned in the department.

Apart from the fundamental courses on Geophysics, Exploration Geophysics students get solid knowledge about geological subjects that makes them an excellent Geophysicist. Curricula are very much flexible and student can choose for study advanced mathematics, electronics, computers and management courses.

Students get ample opportunities to get themselves acquainted with modern research methodologies while working for their Master's dissertations during the last two semesters. Exposure of Industries and R&D activities are provided through summer training.

Students get job opportunities Government and Private organizations in the Oil and Natural gas, Mining sectors and Research Laboratories. Our graduate excel in higher studies abroad, most of them being well placed in R&D sectors and Universities in US, UK and other developed countries.

#### **5506: MATHEMATICS AND COMPUTING**

The 5-year Integrated M.Sc.course in Mathematics and Computing is designed to provide strong foundation in both Mathematics and Theoretical Computer Science. It gives exposure to basic courses like Real Analysis, Linear Algebra, Functional Analysis, Complex Analysis, Topology, Numerical Analysis, Graph Theory, Algorithms, Probability, Stochastic Process and Simulation, Operational Research etc. Also several advanced courses like Artificial Intelligence, Database Systems, Computer Networks, Parallel Algorithms, Dynamical Systems, Computational Statistics, Computational Fluid Mechanics, Cryptography, Theory of Operators, Sequence Spaces, Decision Theory etc. are covered. Some of the subjects are supported by computer labs.

The students on completing this course get lucrative placements in toponotch finance/business/software/ companies as design/development engineers/research consultants. Several students also get scholarships abroad to pursue M.S./Ph.D programmes in the areas of Mathematics, Statistics, Operating Research and Computer Science. Subsequently, many of them also join teaching/research positions in reputed National/ International Universities/ Institutes/ Companies.

#### **5507: PHYSICS**

This course is designed to produce students capable of pursuing advanced studies in theoretical and experimental physics as well as handling problems related to applications of physics in engineering, technology, industry and medicine. This is achieved by making use of a well-balanced course structure consisting of undergraduate core courses in basic sciences,

engineering sciences, technical arts, and workshop practice. In addition, students are required to study courses in computer science, humanities and social sciences, etc. In the final years of the programme, the students can opt for specialized courses in advanced physics and they have to work for projects related to current problems in experimental and theoretical physics.

#### **Rules For Change Branch:**

The Institute may permit a student of B.Tech. or integrated M.Sc. Course (except for B.Arch. students) to change from one branch of studies to another after the first academic year (first two semesters). Only those students will be eligible for consideration for a change of branch who has completed all credit courses in the first two semesters in their first attempt and obtained a CGPA of not lower than a prescribed value at the end of second semester. Change of branch shall be permitted strictly on the basis of inter-se-merit of the applicants. For this purpose, the CGPA obtained at the end of the second semester shall be considered. If there is any tie, it will be resolved by considering the JEE rank of the applicants.

1. In making the change of branch, those applicants, who have secured a rank within the top one percent, shall be allowed to change the branch to their choice without any constraint.

2. The remaining eligible applicants shall be allowed a change of branch strictly in order of their inter-se merit, subject to fulfillment of both the constraints given in (a) and (b) below.

a. The actual number of students in the third (autumn) semester in the branch to which the transfer is to be made, should not exceed 110% of the number of students on roll in that branch in the previous semester.

b. A maximum of 10% students registered in a branch can go out from that branch due to branch change.

3. The applicants registered for a Dual Degree Programme will be considered for change of branch to another Dual Degree Programme only, for which the above norms will be applicable.

All changes of branch made in accordance with the above rules will be effective from third (autumn) semester.

#### **Faculty:**

The three main areas in which faculty members contribute to Indian Institute of Technology, Kharagpur are Teaching, Research and Service. As a core activity (along with research), teaching involves delivery of courses and activities such as evaluation as part of the Institute's academic programmes. In order to provide opportunity for a larger section of our highly talented students to take up niche specializations from other/interdisciplinary programmes, IIT Kharagpur has initiated the concept of Micro-Specializations which are offered by departments, centres, schools including those who do not run undergraduate programmes.

The Institute has an active Continuing Education Programme (CEP) which co-ordinates the 'Quality Improvement Programme', a programme of the Government of India to upgrade the skills of practicing teachers of Engineering colleges in the country. Faculty members also offer courses to Industry in specific areas of their expertise, through the CEP cell.

A well equipped Sponsored Research & Industrial Consultancy (SRIC), a special R&D Cell to act as an interface between funding agencies and the Institute to handle sponsored research projects and industrial consultancy assignments enables faculty to engage themselves in consultancy and sponsored projects with an aim to enhance the Academy-Industry interface. Considering the escalating costs to upgrade the state-of-the-art R&D activities IIT Kharagpur has laid strong emphasis towards generation of resources and active collaboration with national / international industries and R&D organisations. Faculty members also participate in the management of the Institute by being members of various administrative committees and outreach programmes for industry and educational institutes.

#### **Facilities:**

##### **Health care**

The B. C. Roy Technology Hospital is located at the center of the Campus. It provides indoor and outdoor medical facilities for common ailments. However, a few specialized visiting medical practitioners regularly attend the outdoor chambers. The Hospital has its round the clock emergency medical attendance arrangement, and a 24x7 medicine counter. Complicated cases are referred for treatment to the State Hospital or to the Railway Hospital or to Hospitals in Kolkata. The Institute has Students' Medical Insurance Coverage which is obligatory on the part of the students and which usually covers a part of medical expenses for such referred cases. 24 hours Institute ambulance service is also available for the purpose of shifting the patients to other hospitals for better management. A few specialized medical practitioners are also available around the IIT campus for private consultation; this list of neighbourhood medical facilities is posted at <http://noticeboard.iitkgp.ernet.in/hospi.htm>

##### **Counselling Centre**

The Counselling Centre offers a broad range of services including psychological assessment, individual therapy, group therapy, and management to promote mental health, life skills training, emotional resilience and overall wellbeing of the student community. Full-time clinical psychologists and a visiting psychiatrist are available for consultation.

#### **Student Life at Institute:**

The institute is fully residential. Students are accommodated in 22 Halls of Residence, 16 for boys and 6 for girls and one for Research Scholars with family. A boys' hostel with 2000 capacity is fully operational now. A new boys hostel with 1600 capacity and a new girls hostel with 800 capacity is under construction. Research personnel working in sponsored and projects are accommodated in a Residential Complex. The halls have 24 hours internet connectivity. All the Halls of Residence have regular catering facilities. Some additional food outlets are located within the campus; a few late evening canteens are available as well in some of the halls of residence. Several restaurants including air-conditioned ones and a Cafe Coffee Day unit are located in the campus, particularly in the hostel area. Outlet of Subway is operational at Nalanda Complex inside the campus. For daily necessities and groceries, one can walk down to the Tech Market within the campus. A larger market, Gole Bazaar, is about 5 km from the Campus. Three banks with ATM facility are located inside the Campus. The State Bank of India branch with core banking services is in the campus close to the Institute Main building and

it provides foreign exchange facilities as well. An extension counter of Syndicate Bank is situated on the first floor of the Institute main building. A branch of Punjab National Bank is situated in the Tech Market where business transactions are carried out in the afternoon. In addition, an Axis Bank ATM is available as well inside the Gymkhana premises. The Post Office is located close to the State Bank branch. Outlets of a few courier services are also available within the campus. South Eastern Railway has been operating a counter in the Institute Main Building area extending Railway ticket booking facilities especially to the students and the campus residents. There are also a few privately run outlets in the campus to cater facilities for railway ticket booking, air ticket booking, car rental, and STD/ISD phone calls.

#### **Financial Assistance:**

The Institute also offers a very large number of scholarships, medals and prizes which is made possible by the munificence of its well-wishers, providing due recognition and reward for merit. The Institute awards merit-cum-means scholarship to all eligible students of 4-year B. Tech (H), 5-year Dual Degree, 5-year B. Arch., 5-year M.Sc. courses subject to a maximum number of 25% of the total number of registered students of that sessions. Apart from this, various endowment scholarships are also available. The sponsored research and consultancy projects generate significant amount of fund and provide generous support for undergraduate students doing good projects.

#### **Training & Placement:**

##### **Career Development Center at IIT Kharagpur**

IIT Kharagpur has revamped its Training and Placement (TnP) section to Career Development Center(CDC) which provides 360 degree career solutions to the students. CDC, through its various activities, envisions to 'Create Game Changer IIT Kgpians'. CDC has been established with the mission to 'Make every individual IITian a Career Oriented person instead of a Job Oriented Person. CDC views all the recruiters as its partners to develop careers of students of IIT. It is continuously engaged in building relationships with corporate sectors and build career of IIT students. Several corporate houses have also shown interest in joining this new career orientation program of IIT-Kharagpur. CDC develops professional ethics among students. It facilitates students to decide and pursue their careers in various sectors, which include core engineering, IT, Financial, Banking, Analytics, Consulting jobs, research and development, academic institutions etc. A new initiative of CDC has been to institutionalize the international internship program through which students of IIT Kharagpur would get opportunities for international internship facilitated by the alumni of the institute. Students right from day one can be guided in making a conscious career choice. These various activities of CDC serve as motivation for IIT aspirants who on admission to IIT Kharagpur can avail the unique services offered by the CDC.

Various activities of CDC can be primarily categorized into three functions:

##### **1. Career Development Programme–**

- Improve soft skills, professional communication and personality through career counselling by professional agencies/experts,
- Help prepare professional resume through conducting resume writing workshops.
- Management development programs
- Assist the departments in organizing Industry oriented workshops, leadership talks, lectures, competitions, Curriculum Oriented Career Prospects (COCP) Workshops including niche areas,

##### **2. Internships and placements–**

- Conduct the internship and placement – both national and international
- Conduct in-house Employability Test (ET)
- Publish information in portal/ hard copies and Communicate

##### **3. Corporate Relations –**

- Facilitating meetings between visiting corporate houses and Sponsored Research and Industrial Consultancy Cell and Departments.
- Collecting corporate feedback on what they are looking for in students for different types of jobs.
- Development of further interaction pattern.
- Arranging interaction sessions between corporate leaders and students (Guest lecturers/ talks/ seminars)
- Alumni – Mentoring, Recruitment, Further networking (Through alumni cell, Dean AA&IR)
- Collecting Course content feedback from the industries

#### **Industry And Alumni Relations:**

Alumni of IIT Kharagpur are considered to be the most prominent face of the Institute who have become our global brand ambassador. Their success across various domain has brought the Institute international recognition.

To cater to these esteemed alumni, IIT Kharagpur has instituted the Office of Alumni Affairs and International Relations (AA&IR) head by a Dean. The office is the nodal point for all official communication, events and other activities on behalf of the Dean, Alumni Affairs & International Relations. It is located in IIT Kharagpur Campus. The Office organizes the Annual Alumni Meet, Distinguished Alumni and Service Awards (during Convocation) and other alumni related events. The office has currently launched a program called Institutional Development for the overall development and improved global ranking of the Institute.

The Office also publishes several newsletters throughout the year. The AA& IR Office strives to excel in alumni relations and networking and create an effective platform for the alumni, faculty, students and of course the Institute. The office ensures free flow of information, news and updates, announcements and alumni networking through a dedicated website iitkgp.org. The Office has enabled the alumni to collaborate with the Institute to set up new Schools and Centres, international programmes, students' financial assistance. More activities are in the pipeline.

**Recreational/Extra Curricular activities:**

IIT Kharagpur aims at the all round development of personality, with emphasis on physical, socio-cultural and value-oriented education. In the rich tapestry of culture that marks this IIT, students play a vital role. They participate in almost all decision-making bodies of the Institute, starting from hostel administration to Senate, and organize cultural and techno-management activities throughout the year, culminating in the Spring Fest and Kshitij. Technology Students' Gymkhana, along with the newly expanded Students' Activity Centre is the nerve centre for sports, cultural and social activities and puts a premium on creativity and teamwork. It has a number of outdoor and indoor stadia for sports and games, a modern swimming pool and a gymnasium. Photography Club, Fine Arts Club, Publicity Club, Music Club, Yoga Club, Film Society, Dramatics Society, Aquatics Society, Astronomy Club and many more special interest groups are supported by the Gymkhana. Lately a large number of technology and social service focused student societies have been formed, quite often the local chapter of an international body. The halls of residence also offer a few in-house sports facilities in addition to the central facilities.

**Location and Accessibility:**

Situated 120 km west of Kolkata, Kharagpur can be reached in about two and a half hours by train from the Howrah railway station of Kolkata. Kharagpur is also connected by direct train service to other major cities of the country. The Institute is about 10 minute's drive (5 km) from Kharagpur railway station. Located in a sylvan landscape, far from the heat and dust of the city, the campus provides a calm and serene environment for dedicated academic pursuits. IIT Kharagpur has two fully operational extension centres, one at Calcutta and the other at Bhubaneswar, besides the main campus at Kharagpur, which is the largest in the country.

## About the Institute:

Indian Institute of Technology Hyderabad (IITH) was established in the year 2008. IIT Hyderabad has student strength of around 1700 – 743 B.Tech, 84 M.Sc, 372 M.Tech, 10 M.Des, 7 M.Phil and 474 Ph.D. IITH aims to train well-rounded engineers who are ready to tackle real-world problems. In a short period of time, IIT Hyderabad has emerged as a prestigious institute of higher learning producing students of great caliber. IITH is creating a unique holistic educational ecosystem that will foster interactive learning, cutting edge research, strong industry collaboration, and entrepreneurship. It is providing an environment wherein students and faculty are not afraid to experiment and celebrate their ideas. The development of the first phase of the permanent campus, about 570 acres near Kandi (Medak District), will be completed soon and by July 2015, we will be settled in this futuristic campus, which is about 50 minute drive from the Rajiv Gandhi International Airport, Hyderabad, and 30 minute drive from Gachibowli—the IT and financial hub of Hyderabad. The campus buildings are designed by world renowned architects and have the ultramodern aesthetics with world class amenities. The hostels have a very unique architecture, making it more of a dwelling rather than a student hostel. IITH has a vibrant student gymkhana that oversees all the aspects of the students' life during their stay at IIT Hyderabad.

Note: SC/ST students are exempted from payment of Tuition Fees (Sl. 11).

\* In addition to above, all students are required to pay Medical Insurance Premium- Rs.750/-p.a.

\*\* Dining Charges, Medical Insurance Premium and Electricity, water & other charges are subject to revision.

All Freshers (1st Year 1st Semester Students) are required to pay the total fee of the 6 components above i.e.

A+B+C+D+E+F. All other existing students are required to pay the total fee of the last 3 components above i.e. D+E+F.

### Academic Structure:

The institute offers a large number of Undergraduate and Postgraduate programs in engineering, science, design and Liberal Arts. This includes B.Tech, M.Sc., M.Tech, M.Phil., M.Des., and Ph.D. Currently, IIT Hyderabad has 14 departments.

IIT Hyderabad follows a semester system. An Academic Year (July-May) consists of 2 semesters, each of approximately 16 weeks duration. The first semester begins in the last week of July / first week of August and ends by the last week of November. The second semester starts in the first week of January and ends by first week of May. A student is required to register the relevant courses listed in the curriculum for that semester. The Institute may offer summer courses for backlog students.

IIT Hyderabad offers the B.Tech. undergraduate program for students admitted through JEE (Advanced) 2015. IITH has implemented a very novel academic program, referred to as, Fractal Academics – the key idea is to atomize courses, provide breadth and depth, emphasize courses in science and liberal arts as well as creative arts, emphasize project work, and create an interactive learning ambience. A typical 3 lecture course has 3 credits leading to 42 lecture hours in a semester. Fractional credits can be 0.5, 1, 1.5, 2.0, 2.5, 3.0 having 7, 14, 21, 28, 35 and 42 lectures hours, respectively.

The fractal academic program is a novel holistic approach to undergraduate teaching. It has multiple goals among which fostering undergraduate research, interdisciplinary learning and encouraging creativity are the primary ones. In the first year of study, students are introduced right away to a wide gamut of courses not only from the engineering spectrum but also from science and liberal arts. This is aimed at giving the students a flavor of various engineering disciplines in addition to whetting their appetite for the science, creative and liberal arts. In the second year, an in-depth study of the core engineering courses is undertaken. This is designed to firm up the students' foundations in fundamental areas of their chosen branch. In the third year of study, students are encouraged to pick an area of their choice (within their branch) and take relevant elective courses. By the end of the third year, the students are primed to take on challenging research projects. The final year of study is project heavy where students are encouraged to work on research problems. Two common threads run through all four years of study - independent projects and creative/liberal arts courses. Students are required to pursue independent projects to "learn by doing" as well as to explore engineering problems that pique their interests. Through the study of liberal and creative arts, it is hoped that students appreciate non-technical disciplines which in turn should help them become better engineers.

In addition, to students admitted through JEE (Advanced) 2015, IIT Hyderabad offers 'double major', 'minor', 'honors' 'Dual Degree (B.Tech+M.Tech),' and 'Conversion to Ph.D.'

Double Major\*: If a student does say 24 extra credits in a given department he/she can get a double major. Essentially, this is equivalent to double minor in the same department. (\*subject to approval)

A "Minor" is awarded to a student after completion of twelve credits in addition to B.Tech. IITH offers a Minor in Entrepreneurship to all students. The student's performance in a course is continuously, evaluated throughout the semesters and culminates in the award of a Grade on a 10 point scale.

Similarly, "Honors" is awarded to a student after completion of twelve credits with prescribed set of courses and projects in their own academic curriculum

Dual Degree (B.Tech+ M.Tech) program (<http://academics.iith.ac.in/files/dual.pdf>): The primary motivation for a dual degree program is to create a win-win proposition for both students and faculty.

B.Tech/B.Tech (Honours) to M.Tech: The duration of the dual degree program is 5 years from the time the student enters IIT Hyderabad. Both degrees (B.Tech and M.Tech) will be awarded at the end of the fifth year subject to satisfying necessary credit requirements. All students who convert will be given MHRD stipend after the eighth semester. Option to convert will be given at the end of the sixth semester (after grades are announced) till the beginning of the eighth semester (by coursework add/drop deadline).

B.Tech/B.Tech (Honours) to PhD: (<http://academics.iith.ac.in/files/dual.pdf>): Option to convert will be given only at the end of the sixth semester (after grades are announced). Students must appear for a technical interview before a panel of at least three faculty members nominated by the head of the department.

### Scope and description of B.Tech courses

#### Computer Science and Engineering

The 4-year B. Tech. program in the dept. of CSE is concerned with theoretical and practical aspects of computing. The foundations of computing include algorithms and their analyses, data structures and their uses in software, theory of automata, formal languages and computation. The engineering aspects include various topics in systems such as architectures of computers, programming languages, compiler design, operating systems, and design of databases, computer networks and application software.

The program includes a choice of advanced elective courses in each of the above topics, as well as in areas such as machine learning, computer vision, big-data analytics, wireless networks and mobile computing. The program also has a provision to credit courses from other disciplines of science, engineering, creative as well as liberal arts.

Gender-based and/or handicap (physical/ neurological)-based restrictions: NONE

#### **Civil Engineering**

Civil Engineering is concerned with addressing the current and future needs of society in "all things Civil". That is, in planning, designing and constructing advanced and robust buildings and structures, built on stable foundations, in satisfying the water needs of the country, and in developing measures for a cleaner and healthier environment free from chemical and biological pollutants. A Civil Engineer deals with planning transportation networks, design and construction of transportation infrastructure to facilitate movement of people and goods such as bridges, tunnels and train and roadway systems, predict the outcomes and develop mitigating measures for the influence of natural disasters such as floods and earthquakes, designing and constructing large water storage and distribution systems, such as dams and canals to sustain the requirements of urban society and agriculture. A Civil Engineer is also involved in dealing with the outcomes of urban development such as traffic management and mitigating congestion, design and operation of water treatment and waste water disposal systems.

Gender based and/or handicap (physical/neurological)-based restrictions: None

#### **Chemical Engineering**

The main goal of the department is to perform fundamental and industrial research in the area of Chemical Engineering and prepare the next generation of chemical engineering experts. One of the core objectives in research is to create a balance between theoretical, computational, and experimental approaches to solve problems. The research interests of the faculty span various areas including energy, catalysis, computational fluid dynamics, nanotechnology, systems engineering and bioengineering. Our undergraduate and graduate program is designed to expose students with cutting edge tools, experience in interdisciplinary research, and adaptability to prosper throughout their careers. Our outstanding student-to faculty ratio facilitates personalized teaching and research guidance. We strive to create an environment that enables students to identify and pursue their professional goals within an innovative educational and research program.

Gender based and/or handicap (physical/neurological)-based restrictions: None

#### **Electrical Engineering**

The department offers four year Bachelor of Technology (BTech) program. The eight semester fractal curriculum comprises of core courses, department elective courses, free electives, seminar, experiments in laboratory, projects and liberal arts courses. The fractal program offers unprecedented flexibility so that the students can undertake various elective courses that provide exposure in various disciplines of EE such as Communications and Signal Processing, Microelectronics and VLSI design, Power Electronics and Power System, Control System and Embedded Systems. The undergraduate students can also undertake various research projects through BTech project. More details about undergraduate research opportunities are given in the website.

Apart from the normal B.Tech curriculum, students have an opportunity to increase their depth in Electrical Engineering by undertaking additional courses. By completing 12 credits from a broad list of prescribed courses, a student can earn Honors in Electrical Engineering. Students can also get a minor in areas of their interest, outside the department, like entrepreneurship, computer science, etc. by completing 12 credits in their area of interest.

Gender based and/or handicap (physical/neurological)-based restrictions: None

#### **Engineering Physics (IITH)**

Physics subject has been central to technological development as we can see it from day to day life. A lot of developments took place in the past few decades which promise to change the face of technology in the coming years. But to understand and appreciate these developments and to translate these to technology, it is very much essential to grasp the fundamental principles of Physics. The Engineering Physics course at IIT Hyderabad aims to provide students basic understanding in Physics in terms of offering various basic level courses coupled with hands-on training. The curriculum is designed to provide students the depth needed to understand the advanced level physics courses followed by various courses such as, quantum mechanics, mathematical physics, statistical mechanics, condensed matter physics, quantum field theory, particle physics, laser technology, accelerator physics and photonics etc. In addition to these advanced level courses on plasmonics, superconductivity, spintronics, general relativity, quantum information, cosmology and gravitation and astro-particle physics course are offered. The Engineering Physics course is a real mixture of basic Physics and applied courses which can ignite young minds to be driven towards creativity and innovation for new age technologies. The course prepares students to face all kinds of challenging careers in industry, advanced study in engineering, science and technology and also careers in academia.

Gender-based and/or handicap (physics/ neurological)-based restrictions: None

#### **Engineering Science**

Engineering Science is a unique interdisciplinary B.Tech program started at IIT Hyderabad for the first time in 2012. It focuses on the 'T-EDUCATION' model where the horizontal line in T corresponds to breadth while the vertical line corresponds to the depth. The curriculum is designed such that for the first two years of this program students take courses from different departments such as Computer Science, Electrical, Mechanical, Chemical, Civil, Material Science, Math, Physics and Chemistry. Later, student can select their core branch in the third year as per their preference and continue to specialize in them. The core options could be either Sciences or Engineering stream as it is left to the student choice. This 'T' based model gives a holistic perspective in engineering education. It is believed that the graduates from this program will excel in any organization because of their strong multidisciplinary background. All the faculties in Engineering Science Program are adjunct faculties drawn from various branches. The current intake strength

is 25 students per year.

Gender based and/or handicap (physical/neurological)-based restrictions: None

### **Materials Science and Metallurgical Engineering**

Materials science and metallurgical engineering (MSME) is an interdisciplinary science enriched engineering branch which deals with material discovery and design for applications, through the material paradigm (synthesis, characterization, structure, property, performance). Materials science and metallurgical engineering is a very fast evolving and expanding branch and thus the curriculum has to be constantly evolving. Currently, MSME offers teaching and research spanning across various disciplines of structural, functional and computational materials science.

A B.Tech graduate from MSME department at IITH is trained as an expert at the core concepts as well as conscious of evolving multidisciplinary domains. The B.Tech curriculum at IITH is unique as it comprises of fractal courses (1 and 2 credit courses instead of 3 credit regular courses), which facilitates expansion of the core subject acumen as well as exposure to multidisciplinary courses. The curriculum allows good opportunity to gain specialization within the department as well as across department owing to a large number of free electives. The department electives are often trending subjects which expose the students to recent developments and popular subjects in materials science and metallurgical engineering. The department prepares its students for research roles as well as other professional roles by providing a conducive environment for all round development.

Gender based and/or handicap (physical/neurological)-based restrictions: None

### **Mechanical Engineering**

Mechanical Engineering is the broadest of engineering disciplines. Founded on classical subjects like Mechanics, Dynamics, Thermodynamics, Fluid Mechanics, Solid Mechanics and Strength of Materials, the field gives entry into the design, analysis and manufacturing of automobiles, aircraft, locomotives, ships, power-plants, and also inter-disciplinary areas like energy and environment, earth and planetary sciences, nuclear, fusion, solar, wind and alternate energy. The program at IIT Hyderabad is designed to train the student for jobs in modern industry in research and development, and also prepare them for higher studies in India and abroad.

Gender-based and/or handicap (physics/ neurological)-based restrictions: None

#### **Rules For Change Branch:**

- Branch change is effected at the end of the first semester
- The branch change option is given based on the grade point average at the end of the first semester of all those who seek branch change
- In case of a tie, the person with a better JEE (Adv.) rank will be given allotment
- Each dept. can take 10% of new students from branch change. Not more than 20% students can move to another department under branch change
- Once the allotment is made, there is no possibility of a further change either to a new branch or to the original branch.

#### **Faculty:**

IIT Hyderabad Faculty members are fully concentrating in teaching and high quality research. At present, there are 142 faculty members at IIT Hyderabad, out of which, 6 faculty are Professors, 22 are Associate Professors and the rest of them are Assistant Professors. Selection of faculty members is purely based on the recommendations of a selection committee, which includes External Committee Members, Head, Dean and the Director. All candidates should deliver seminars and they are interviewed by the selection committee for an appointment.

IITH faculty members take classes in a friendly atmosphere, encourage students to raise questions and also to offer their comments. Most of the IITH faculty are voluntarily contributing towards the growth and development of the Institute. Faculty stream is involved in shaping the future of IIT Hyderabad.

There is a good amount of cooperation and coordination among the IITH faculty which is helping them in realizing their personal and professional goals and also to achieve the organizational goals. The idea is to create a congenial and conducive environment to conduct research in all key areas.

There is a Faculty Advisor in each Department for every batch of the program, who provides academic support and advise to the students on all academic matters.

#### **Facilities:**

Keeping in view the vision of IITH i.e. inventions and innovations, several state-of-the-art research laboratories have been set up, which are highly unique to IITH. To name a few such facilities, the Institute has (a) Nanotechnology, (b) X-Materials Innovations Laboratory and (c) Cyber Physical Systems / Internet of Things, (d) High Performance Computing Center and many more centers are in the offing. IITH is the first IIT to offer a course on Digital Fabrication to the students. IITH has all the other infrastructure facilities, like library, access to almost all online publications, computing, networking, the campus is Wi-Fi enabled, state of the art workshops, and of course latest teaching laboratories and research laboratories.

#### **Medical Services**

IITH is serviced by the fifty bedded Ordnance Factory Hospital (OFH). The OFH provides round the clock emergency care, with one Medical Officer available in the hospital at all times. The patients who require tertiary health care will be referred to hospitals in Hyderabad city. To be eligible for treatment at the OFH, students from IITH will have to register at the hospital and then will receive their Medical Booklet.

#### **Student Life at Institute:**

IIT Hyderabad is a residential campus, with well facilitated students' hostels. All hostels are equipped with Wi-Fi. Recreation rooms, Table Tennis rooms, Dance room, Music Room, Robotics room and TV room etc. give students a platform to go beyond the Academics. IITH has sports grounds both in Hostel campus and institute. Students are involved in numerous sports to enable them maintain their physical fitness and develop team spirit. IITH provides hygienic mess facilities for all students with menu changed, if necessary on a monthly basis. There is a bus service connecting the institute building with the hostels with a frequency of 15 minutes on weekdays, 30 minutes on weekends and also a bus that make weekly trips to the city on Sundays.

The student life at IITH has been and continues to be very eventful. There is very visible flow of energy at the hostel with a lot of events and celebrations almost every month. A whole lot of club activities are carried on at the hostels. Students keep themselves involved in a lot of activities in the hostel and they are designed in such a way that all students can participate in all activities. Apart from those, one may always see interaction between students not only for exchanging ideas, thoughts and innovations but also having fun.

Student Gymkhana is a student body which aims to bring the students together for their overall development. All the students of IIT Hyderabad are members of the Student Gymkhana and they are bounded by the Student Gymkhana Constitution and functions through its Executive Council. These members manage all the activities in their respective areas with the Gymkhana President coordinating them all. They are selected through the general elections which are held at the end of each academic year. Each area has its own Council which helps the Secretaries in conducting various activities throughout the year. Some important councils being Science and Technology Council, Cultural and Literary Council, Sports Council, Hostel Affairs Council and Academic Affairs Council, Media and Public Relations Council. It oversees all the student festivals held at IITH as well.

Student Gymkhana always tries to help the students to develop themselves and excel in any field that they wish to. It is a body constituted to foster a sense of unity among the students. It oversees all the aspects of the students' life during their stay at IIT Hyderabad and is constantly trying to improve their life here. It also acts as a link between the administration and the students.

#### **Financial Assistance:**

The Institute offers the following scholarships to undergraduate students:

<b>Institute Scholarships</b>	<b>Govt. Scholarships</b>
1. Institute Merit-cum-Means Scholarship	Central Sector Scholarship for SC students
2. Institute SC/ST Scholarship	Central Sector Scholarship for ST students
3. Institute Free Studentship Scholarship	

For more details: <http://academics.iith.ac.in/scholarship.html>

#### **Training & Placement:**

IITH offers all the graduating students an opportunity to participate in the campus recruitment program. Over the years, many reputed companies from different sectors have been participating in the process. IITH enjoys a very special relationship with Japanese Universities and Industries that goes beyond academic and research collaborations. As part of the Friendship Program, IITH and Japanese Universities have very active students, and faculty exchange program. IITH has MoUs and active collaboration with several leading US and Japanese universities. The activities range from student and faculty exchange to research collaborations. Similar agreements have been signed with Australian (two), European (two) and Scandinavian (one) Universities. Tie-ups with industrial giants and overseas universities provide students with the international and national career opportunities & scholarships.

For the academic year 2014-15, we had a total number of 104 recruiting companies, which had registered for the campus process. Out of them, 56 new companies have registered. Of the total registered companies, 55 were from the core sector and others from IT/ITES, consulting and education sectors. Some of the major recruiters are: Mercedes Benz, Flipkart, Snapdeal, Tata Motors, Qualcomm, & Yahoo Japan. Other reputed recruiters are Mahindra & Mahindra, EATON, Cummins, Hero MotoCorp, Microsoft, Amazon, and DRDO.

The Training and Placement Cell make all the efforts to facilitate better career opportunities for all the students, bringing every year more reputed companies to the campus.

#### **Industry And Alumni Relations:**

IIT Hyderabad Alumni Association (IITHAA) aims to interface the alumnus with the institute. The office of alumni association situated in the campus is fully managed by elected members of the alumni association and is supported by elected members of student gymkhana. The main objective of IITHAA is to efficiently network among the alumni and to keep them connected to the alma mater. Though small IITHAA has local chapters in Bangalore and USA. The alumni of IITH are very proactive in giving back to the institute by mentoring the students on various career aspects, internship opportunities, and campus placements. IITH believes its alumni to be its biggest strength and the alumni of IITH enjoy special privileges in using the campus facilities.

Within a short span of over five years, our alumni have gone on to greater successes both in the academia and industry. Our alumni are either pursuing or are going to pursue graduate study at some of the best universities in the world including Stanford, London School of Economics, Yale, EPFL, IIM Ahmedabad etc.

Our alumni are also placed at some of the Best Technical companies including Broadcom, NetApp, Polycorn, Qualcomm etc.

#### **Recreational/Extra Curricular activities:**

IITH aims to make students not only the best Engineers but also the better citizens of the world by not only molding the knowledge base of the students but their morale too. Students of IITH organize two festivals every year Elan & ρvision. Festivals are the corner of showcasing the technical, cultural and management skills for our students. Elan is the annual technical and cultural festival of IITH. Elan was initiated in 2009 and it continues to grow every year. It is usually held during spring, in the beginning of the year (January/February). It includes workshops, lectures, demonstrations, technical exhibitions, cultural performances and live concerts. Competitive activities cover design events, programming, simulations and modeling, quizzes, debates, applied engineering and robotics.

ρvision is the inter-institute technical festival of IIT Hyderabad. The first edition was held on 5-6 November 2011 and was called as Advaya. The theme for this edition was "Invention". The second edition was renamed as ρvision and was held between 14-16 October 2012. The fest is preceded by a series of various technical workshops which attracts crowd from all over the country. The fest comprises various technical events, which are decided by the existing technical clubs in IIT Hyderabad and some informal events also.

E- Cell (Entrepreneur) of IITH encourages the students to bring in an idea, develop the model and put it to practice. This has led to a lot of start-ups from our institute. Students at IITH follow a motto that " IF YOU CANNOT DO GREAT THINGS, DO SMALL THINGS IN A GREAT WAY"

The variety of extracurricular life in IITH, gives everyone an opportunity to find worthwhile and meaningful activities to pursue throughout their stay on campus. IIT Hyderabad's Sports is one of the more brilliant facets of this campus life. Our fiery enthusiasm and zeal is embodied in our motto, "The name on the front of a jersey is more important than the name on the back". Sports facilities at IITH include a common football and cricket ground, a hockey ground, a well-equipped swimming pool, floodlit courts for basketball, badminton, tennis, and multiple courts for volleyball. Facilities for indoor games like table tennis, caroms, and chess are also available. Our calendar is packed with events like Freshers' Interaction Sports Program during the first month of every year, Inter-Departmental Sports Meet where the students play for their department's glory, regular friendly matches with other college teams, and the most important Inter-IIT Sports Meet. IITH made its mark in Inter-IIT history by becoming the first newer IIT to win a medal at the Inter-IIT Sports Meet, after they won the Bronze Medal in Football. Come and re-live the joy of years spent on school playgrounds, experience the enthusiasm of cheering for your team and the overwhelming feeling of winning a medal at the Inter-IIT. It all begins here, at IIT Hyderabad Sports.

#### Location and Accessibility:

Currently, the Institute is located in its temporary premises in the quiet residential campus of Ordnance Factory Medak (OFMK) at Yeddumailaram (Medak District, Telangana State), about 45 km from the heart of Hyderabad city. The requisite infrastructure, namely hostels, classrooms, offices, recreation, sports and medical facilities, are all located within the OFMK Estate.

The permanent campus will be located on the National Highway 9 at Kandi (near Sangareddy, Medak District, Telangana State).

#### How to reach IIT Hyderabad:

**From BUS STATIONS (Mahatma Gandhi Bus Station (Afzalgunj) (75-90 min): via Mehdipatnam, Narsingi, CBIT and Shankarpalli to reach South Gate of Ordnance Factory, Yeddumailaram.**

#### Jubilee Bus Station (75-90 min):

via Begumpet, S.R.Nagar, Kukatpally, Miyapur, Chandanagar and Patancheru proceeding west on NH 9 past BHEL to Isnapur. Take left at Isnapur towards AP Industrial Infrastructure Corporation (APIIC) layout. The double-road bends automatically to the right at the BPL board, and goes past Pashamailaram of the APIIC. The double-road becomes a single-road and reaches the Indrakaran welcome board. Take left here to reach East Gate of Ordnance Factory, Yeddumailaram.

## About the Institute:

Indian Institute of Technology Jodhpur was established in 2008. The Institute has established basic academic and infrastructure facilities for teaching and research. At present, IIT Jodhpur operates from its temporary campuses, namely:

1. Academic Campus: IIT Jodhpur operates independently from the premises of MBM Engineering College in Jodhpur, situated on the Old Residency Road, Ratanada, at a distance of about 4 km from the Jodhpur Railway station and 3 km from the Airport.
2. Residential Campuses: IIT Jodhpur has two residential campuses located at: (1) GPRA Residential Campus, New Pali Road, Jodhpur, and (2) BSNL Residential Campus, Subhash Nagar, Jodhpur. GPRA Campus is located about 17 km from the Academic Campus and accommodates nearly 600 B.Tech. boy and all girl students. Also, it provides accommodation to nearly 150 Faculty Members, Staff Members, and their family members. The other Residential Campus, the BSNL Campus, is located in the heart of the city and provides accommodation to to nearly 150 male M. Tech. and Ph. D. students.

In the forthcoming years, IIT Jodhpur will shift to its sprawling state-of-the-art residential permanent campus on 852 acres of land located about 20 km away from the center of the city of Jodhpur on National Highway 65 towards Nagaur, N-NE from the center of Jodhpur. The Permanent Campus of the Institute is being constructed. Work to build *Phase 1* of the campus began in March 2015. When complete, it will be the first fully-planned technical institute campus in India. More importantly, it will be an international exemplar of sustainability with strategies for ensuring *NET ZERO ENERGY, WATER* and *WASTE*. The first building is ready on the Permanent Campus. It will house the Solar Energy Research facilities and office for construction of Permanent Campus. First migrations of Students and Faculty Members into the campus are likely to take place by early July 2016.

## Fee Structure:

Fee for Students of B.Tech. Program from Academic Year 2015-16 is given the Table below.

## Academic Structure:

### **Academic Programs:**

IIT Jodhpur offers four-year B.Tech. Programs in three branches; namely:

1. Computer Science and Engineering,
2. Electrical Engineering, and
3. Mechanical Engineering.

Also, the Institute has signed Memoranda of Understanding (MoUs) with five leading Indian Industries to strengthen the undergraduate technical education. This Industry Immersion Program, the unique flagship program of the Institute, blends the classical classroom B.Tech. Program with the 3-summer engagement in Industry. The program provides an opportunity to the *interested Students*, of spending *6 months (24 weeks)* in the Industry spread over three summers, in addition to the 8-semester engagement in the Institute. The program offers the needed connect between classroom and real-life practice with the Industry, and helps Students to build practical knowledge, gain technical experience, and be sensitized to the professional environment in the Industry.

### **Academic Session:**

Each academic year (July to June) consists of two academic semesters. Each semester is for about sixteen (16) weeks with one week of recess for students, making it about 15 working weeks in each semester. Excluding the days of the examinations, the total number of days of instruction in a semester is at least 70. Normally, Semester I (odd semester) commences in the fourth week of July and closes in the last week of November. Semester II (even semester) commences in the last week of December starts closes in the last week of April.

The Academic Calendar gives the exact dates of all important events during the Academic Session, such as orientation, registration, commencement of classes, adding and dropping of courses, submission of documents, examinations, submission of grades, conversion of Incomplete I-grades, vacation, mid-semester recess. This calendar shall be approved by the Senate and displayed in the Institute website much before the commencement of the academic year.

### **Rules For Change Branch:**

Change of the branch will be permitted strictly in the order of merit as determined by the Cumulative Grade Point Average (CGPA) at the end of second semester. In case of a tie, the JEE rank of the applicants will be considered.

Eligibility Criteria:

1. The CGPA at the end of the second semester should be:
  1. Greater than or equal to 7.0 for SC/ST applicants
  2. Greater than or equal to 8.0 for other applicants
2. The student should have passed all the courses till second semester (including the courses in which S/X grades are awarded).

Strength Constraints: No branch may exceed 105% of sanctioned strength or fall below 90% of its existing strength as a result of branch changes.

### **Facilities:**

#### **Academic Facilities:**

IIT Jodhpur has established state-of-the-art teaching and research laboratories. These laboratories have advanced machinery and devices of international standard, which are actively used in teaching and research. The major laboratories include Heat Transfer, Fluid Mechanics, Electronic Circuit Laboratory, Robotics, Electro Mechanical Energy Conversion Laboratory, and Solar Radiation.

The Library of the Institute has a collection of about 10,000 volumes of books comprising of textbooks, research and reference books, monographs, etc. In addition, the Library provides access to a range of electronic resources from professional and scholarly societies and publishers, such as American Society for Mechanical Engineers, Institute for Electrical & Electronics Engineers, and Association for Computing Machinery. Also, it subscribes to popular scientific, research and archival databases, like SciFinder, MathSciNet, JStor, Prowess, and EBSCO Academic Search. The Library operates in a computerized environment with automated member & circulation services, and digital library services. Memberships, circulation, reference & information service, inter-library loans & document lending services, current awareness service, and digital library service, are some of the important services that are presently offered.

Visit <http://library.iitj.ac.in> for more information.

IIT Jodhpur is building close relations with international universities, research institutes and corporations. For examples, Memoranda of Understanding have been signed with the University of Waterloo, the University of Western Ontario in Canada, and the Universitat Rovira i Virgili (Tarragona, Spain). These understandings allow for short term exchange Students and Faculty Members.

#### **Facilities at GPRA Residential Campus:**

This major residential area is in a scenic campus located on New Pali Road, Vivek Vihar, Jodhpur, about 20 km from the railway station. The campus is well guarded and equipped with basic amenities including Wi-Fi, recreational rooms and a computer center. Also, the residential campus provides accommodation for Faculty Members and Staff Members of the Institute. Transport facility is available between the Institute and Residential campus. Following are some basic facilities made available in the residential areas:

1. **ATM & Bank:** The residential area has a branch of SBI (State Bank of India) as well as an ATM of SBI, enabling students to make transactions with ease. There are several other banks namely UCO, HDFC and SBBJ close to the academic area.
2. **Canteen:** There are two sets of canteens, one at Residential Campus and the other one in Academic Campus. They provide hygienic food, fresh juices and various other snacks for the students.
3. **Gymnasium:** A well-equipped gymnasium is operational during 5 am to 10 pm. Students can avail these facilities to stay healthy and to maintain his/her physique.
4. **Dining facility:** Dining Facilities are available in both the residential campuses and the academic campus as well. The mess offers good quality food, regularly monitored by the Wardens for hygiene and nutritional values, and provided at affordable cost.
5. **Shops:** Shops catering to the various primary needs of students are present near the Academic Campus. A small outlet is functional inside GPRA Campus for urgent, petty purchase.
6. **Transport services:** The Institute has bus services running between the Residential and Academic Campuses at regular intervals, exclusively for the Students of the Institute.
7. **Entertainment Room:** Every hostel consists of recreation facilities (like TV Rooms, where students can enjoy matches and watch movies) along with indoor games (like table tennis and carrom).

#### **Medical Services:**

Both the residential campuses have primary Health Centers for providing routine health services. Due to geographical locations of the two Campuses and the type of the residents, the Health Center at GPRA Campus provides services to the patients round the clock, while medical services are available at BSNL Campus for limited hours in the evening, typically from 5 pm to 10 pm. In addition to the availability of medical services at the residential campuses, medical assistance is available at Academic Campus. This assistance is normally provided from 3 pm to 4.30 pm, when laboratory sessions are in full swing and medical assistance may be required. The Institute has its ambulance services available round-the-clock. Besides the Health Centers, the Institute has empanelled five hospitals in the city of Jodhpur. Two of these hospitals have specializations in ophthalmology and one in orthopedic, and the remaining two hospitals are the best known general purpose hospitals in the city. For specialized medical attention doctors at our Health Centers refer patients to one of these hospitals. In addition to these five hospitals, the city has a Medical College and three hospitals run by Government of Rajasthan. Also, the city All India Institute of Medical Sciences (AIIMS), which is nearly 12 km GPRA Campus and nearly 5 km from BSNL Campus. Also, the Institute has constituted a Medical Board consisting of Senior Doctors from the Medical College and the AIIMS; advice is taken for enhancement of medical services of the Health Centers and in critical medical cases. IIT Jodhpur has empaneled two hospitals in Jaipur. These two hospitals are accredited by National Accreditation Board for Hospitals & Healthcare, and patients can be referred to these hospitals as per the need of the treatment.

#### **Student Life at Institute:**

IIT Jodhpur offers plenty of opportunities for the holistic development of Students. Apart from intensive academics with regular classes, assignments and quizzes, Students are encouraged to pursue extra curricular activities of their choice throughout the year. Two major festivals are organized every year with active participation from hundreds of outside students. Thus Students can prove their mettle and nurture their talent. In addition, everyday life at the Institute is full of excitement with plenty of scope for fun, joy and learning.

#### **Financial Assistance:**

Merit-cum-Means Scholarships are awarded to deserving (up to 25%) B.Tech. students. In addition, the Institute provides financial assistance (Tuition fee waiver) to other students with special financial circumstances.

#### Training & Placement:

The Office of Student Placements provides assistance to students towards placements and internships. It bridges the gap between companies and students, to help organize the placement process in an orderly and efficient manner, with the intent of developing a long-lasting and mutually beneficial relationship. Training sessions on grooming the skills of the students to make them fit to face the world are also organized. The prime focus of the office is to act as an interface between the students and the corporate world, to facilitate a smooth transition from academic life to professional life. The office builds relationship with companies through social networking and industrial visits. Some of the renowned companies like Microsoft, Amazon, Google, Cisco, Hacker Rank, Tata Motors, Mahindra, L&T, Havells, DRDO, JSW, Mu Sigma etc. visit IIT Jodhpur for placements.

#### Recreational/Extra Curricular activities:

The students are encouraged to participate in co-curricular activities to further their all-round personality development. Also, extracurricular activities at the Institute include participation in Science and Technology, Photography, Sports, Music, Astronomy, and Films. The activities are divided under five societies of the Students Gymkhana, which organizes these activities. These societies fulfil the varied interests of Students and contribute to their holistic development. These societies are:

1. Academic, Research and Management (ARM) Society,
2. Media, Arts and Design (MAD) Society,
3. Nurturing-Understanding Technology and Science (NUTS) Society,
4. Sports, Adventures, Games and Explorations (SAGE) Society, and
5. Writing, Awareness, Vocals, Entertainment, Social (WAVES) Society.

#### Location and Accessibility:

Indian Institute of Technology Jodhpur is located at the heart of the Jodhpur city and is well connected to other parts of country by road, rail and air. The institute is located on the Old Residency Road, Ratanada at a distance of about 4 km from the railway station and 3 km from the airport. It takes approximately 5 mins and 10 mins to drive from airport and railway station to the Institute, respectively.

Jodhpur is connected well by road, rail and air to all major cities in the country, and by mega highways to major neighboring cities, e.g., Jaipur, Jaisalmer, Udaipur and Ahmedabad.

1. It is connected by rail to major cities in the country, like Delhi, Mumbai, Kolkata, Chennai, Hyderabad, Kota, Kanpur, Ahmedabad, Indore, Bhopal, Jabalpur, Guwahati, Nagpur, Lucknow and Jaipur;
2. There are daily flights from Delhi and Mumbai to Jodhpur. Air India and Jet Airways operate the daily flight to each of these cities; and
3. Jodhpur is connected by mega-highway to major neighbouring cities, e.g., Jaipur, Jaisalmer, Udaipur and Ahmedabad. Deluxe and express buses ply to Jodhpur from Delhi, Jaipur, Ahmedabad and Baroda.

### About the Institute:

The Indian Institute of Technology Madras (IITM) is among the finest, globally reputed higher technological institutions that have been sensitive and constructively responsive to student expectations and national needs. IITM was founded in 1959 as an 'Institute of National Importance' by Government of India with technical and financial assistance from the Federal Republic of West Germany. IITM celebrated its Golden Jubilee in the year 2008-09. During these 50+ years, IIT Madras has gained reputation for the quality of its faculty and the outstanding caliber of the students in the undergraduate and postgraduate programmes. IITM is recognized as a centre of academic and research excellence offering engineering, science, management and humanities education on par with the best in the world.

IITM campus is famous for its serene and scenic natural environment. Comprising 650 acres of lush green forest, including a large lake and a rich variety of flora and fauna, the campus is the pride of its residents and provides an ideal setting for serious academic and developmental pursuits.

It is an autonomous body under the administrative control of a Board of Governors appointed by the Government of India. IITM is a residential institute with nearly 500 faculty, 8400 students and 700 administrative & supporting staff and is a self-contained campus. It has established itself as a premier centre for teaching, research and industrial consultancy in the country.

The Institute has sixteen academic departments and a few advanced research centres in various disciplines of engineering and pure sciences, with nearly 100 laboratories organised in a unique pattern of functioning. A faculty of international repute, a brilliant student community, excellent technical & supporting staff and an effective administration have all contributed to the pre-eminent status of IIT Madras.

IIT Madras offers B.Tech/Dual Degree in twelve disciplines, M.Tech and M.Sc in numerous disciplines; M.B.A and MA, and research degrees through the M.S. and Ph.D. programmes. Life at IIT Madras is an exciting mix of academic, sporting and cultural activities. Our graduates have succeeded with brilliance all over the world, and leave a distinctive mark everywhere they go giving IIT Madras its global reputation.

+ - SC/ST students/ scholars are exempted from payment of tuition fee irrespective of their parental income.

\* - For Hostellers only.

@ - Dual degree students have to pay B.Tech fees for first 8 semesters and M.Tech fees for 9<sup>th</sup> and 10<sup>th</sup> semesters

\$ - ` .8000/- will be refunded to B.Tech./Dual Degree students who will be awarded Institute SC/ST scholarship, if their parental income is less than ` .4.5 lakhs.

Hostel rooms are allotted depending on availability on sharing basis. **If you wish to be a day scholar, you should register your name in the Office of the Dean Students and obtain day scholar certificate immediately after admission.**

<b>Fees for Foreign Nationals:</b>		
1	US \$ 2000 (tuition fees) + US \$ 261 (towards one time fee, deposits and application cost) for SAARC countries	
2	US \$ 4000 (tuition fees) + US \$ 261 for other countries for full time students	
3	Hostel fees: Rs.18150/- (Approx) per semester + Rs.2000/- ( towards one time fee - Hostel Deposit)	

#### Academic Structure:

The institute offers high quality academic programmes leading to B.Tech., Dual degree B.Tech. and M.Tech., Dual degree B.S. and M.S. (Physics and Biological Sciences), M.Sc., M.A., M.B.A., M.S. (Research), and Ph.D. degrees through its technology, engineering, science, management and Humanities and Social Sciences Departments. Students seeking a wholesome, academically rigorous, intellectually challenging, personally enriching and value-laden educational experience have for long found IIT Madras an ideal institute for pursuing their higher studies.

The four-year B.Tech. and the five-year dual degree (B.Tech. + M.Tech. and B.S. + M.S.) programmes consist of an amalgamation of core courses in the chosen engineering/science discipline along with courses in basic sciences, humanities and practical engineering skills. Laboratory courses and an industry internship give students a platform to test the fundamentals acquired in the classroom. The institute follows a policy of relative grading and continuous assessment done through class tests, assignments and examinations. The curriculum of the five-year dual degree programme is common with the four-year programme for the first three years, after which electives are offered based on the chosen M.Tech./M.S. specialization.

#### Honours Programme

Students admitted to IIT Madras in four-year B.Tech. or five-year dual degree programmes can opt for B.Tech. (Honours) at the end of the fourth semester.

They should have a minimum CGPA (Cumulative Grade Point Average) of 8.5 (on a scale of 10), and should have cleared all the courses as prescribed in the curriculum in the first attempt. In addition, B.Tech. (Honours) students must complete additional courses specified and a project. Dual degree students who meet the above criteria will be awarded B.Tech. (Honours) and M.Tech./B.S. (Honours) and M.S. degree.

### **Programme Description**

With our focus on research and development, in the complex changing scenario of today's industry, the IITM curriculum constantly reflects key trends and emerging areas of interest. The curriculum is reviewed regularly and changes are incorporated to enable our students to be well-prepared for the future. The greatest strengths of the IITM curriculum are its academic rigor and the variety it offers one to pursue one's interest in diverse disciplines ranging from engineering, technology, pure sciences, management, and humanities and social sciences including economics, sociology, philosophy and literature. Interdisciplinary learning is stressed and achieved through our policy of giving our students freedom in choosing their electives and minor streams. The curriculum, pedagogy and the atmosphere together infuse in our students a strong spirit of inquiry, the joys of learning, and the excitement of discovery.

### **Credits**

Credits are assigned to the courses as given below:

- Three credits per lecture period (50 mins)
- One credit per tutorial period (50 mins)
- One credit per lab hour (50 mins)

Additional credits may be allotted depending on the time required to the spent outside the lab session.

The numbers of credits for various programmes of study are given below :

B.Tech	: 432
B.Tech. (Honours)	: 459
DD [B.Tech. + M.Tech.]	: 553
DD [BS + MS]	: 553
DD [B.Tech. (Honours) + M.Tech.]	: 580

## **ACADEMIC PROGRAMMES (in detail)**

### **AEROSPACE ENGINEERING**

#### **Four-Year B.Tech. Programme**

Aerospace engineers are concerned with the design, analysis, construction, testing and operation of flight vehicles, including airplanes, helicopters, rockets and spacecraft. The course is based on the fundamentals of fluid dynamics, materials science, structural analysis, propulsion, aerospace design, automatic control and guidance, and development of computer software.

#### **Five-Year Dual Degree Programme (B.Tech & M.Tech)**

Aerospace engineers are concerned with the design, analysis, construction, testing and operation of flight vehicles. The basic courses are based on the fundamentals of Fluid Dynamics, Materials Science, Structural Analysis, Propulsion, Aircraft Design, Propulsion, Aircraft Design, Automatic Control and Guidance, and Development of Computer Software. A number of M.Tech. level electives are available for further specialization in one of the above areas. Further, students carry out a fourteen-month project in their area of interest. Modern experimental and computational facilities are available for project work.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://www.ae.iitm.ac.in/>

### **BIOTECHNOLOGY**

#### **Five Year Degree Programme (BS & MS) in Biological Science**

This dual degree in Biological Sciences (B.S. & M.S.) provides a strong foundation in biological sciences. It encompasses the study of living organisms and life processes at all levels, including individual organisms, tissues, cells, subcellular structures, and molecules. The application of biological sciences to improve health, agriculture and environment is unlimited and currently there is a dearth of well-trained manpower in this area. Apart from the fundamental courses in biological sciences, the curriculum will emphasize on other areas – chemical biology and computational biology. In addition to a few core theory and laboratory courses, a basket of elective courses will be offered in each of these areas. Each student will undertake an extensive research project, spread over the last 4 semesters of the curriculum. Therefore, this programme provides intense research-based training, which is lacking in traditional M.Sc. Biology programmes. The curriculum imparts specific skills on interfacing cellular, molecular and computational biology, trains students to undertake academic research in frontier areas in world class universities and also equips students with skills to be employed in R&D laboratories of pharmaceutical and biotechnology industries in India and abroad. The Department of Biotechnology, IIT Madras, with its large faculty body and diverse expertise in various disciplines of biology, such as cellular & molecular biology, structural biology, chemical biology and computational biology, is uniquely positioned to offer a research-oriented programme in biological sciences. Biology at school level is not a prerequisite for admission to this programme.

#### **Five-Year Dual Degree Programme (B.Tech & M.Tech) Biological Engineering**

The Department of Biotechnology at IIT Madras has a large faculty body having expertise in diverse areas such as bioprocess engineering, chemical biology, computational biology, cellular & molecular biology and structural biology. The Dual Degree B.Tech. & M.Tech. course on Biological Engineering brings together engineering principles and molecular life sciences to develop and operate biology-based technologies in diversified fields such as energy, environment, bioprocesses, biomaterials, diagnostics, biopharmaceuticals and food processing. Hence, the curriculum in biological engineering is designed to be a broad-based one. The programme will impart knowledge on different areas of the biology-engineering interface. It emphasizes core courses in basic sciences, biological sciences and provides a solid foundation in application of engineering principles to biological systems, through courses in different areas such as bioprocess engineering, biomedical engineering, biomolecular engineering and computational biology. This will allow the students to have a wider appreciation of the biology-engineering interface and allow them to evolve interdisciplinary

approaches to problem solving, research and technology development. In addition to core theory and practical courses, a basket of elective courses will be offered in bioprocess engineering, biomedical engineering and computational biology. The curriculum also aims to impart a more research-based training than what is available in traditional M.Tech. Biotechnology programmes. Each student will undertake an extensive research project spread over the last three semesters of the programme/study. The programme will also allow the students sufficient time and courses to familiarize themselves with different areas of the biology-engineering interface before embarking on a specialization. It will open-up different avenues for taking up doctoral-level research; and also expands the scope of the industry-job market. The students graduating from this dual degree programme will be well- positioned to take up academic research at Ph.D. level, or explore the job market in bioprocess industries. The programme trains students to be employed as process engineers and R&D scientists in industries.

Biology at school level is not a prerequisite for admission to this programme.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <https://biotech.iitm.ac.in/welcome>

## **CHEMICAL ENGINEERING**

### **Four-Year B.Tech. Programme**

Chemical engineers work in diverse fields like petroleum refining, fertilizer technology, processing of food and agricultural products, synthetic food, petrochemicals, synthetic fibres, coal and mineral based industries, and prevention and control of environmental pollution. Chemical engineering deals with the development and improvement of processes, design, construction, operation, management and safety of the plants for these processes and research in these areas.

### **Five-Year Dual Degree Programme (B.Tech & M.Tech)**

The major thrust of this dual degree course in Chemical Engineering is to prepare students for advanced applications in industry, R&D, and academics. The course imparts advanced concepts in specialized areas such as, computer-aided process engineering, intelligent automation and control, advanced separation processes, interfacial science, high temperature technology and combustion, multiphase systems, bio-systems engineering, nanosciences etc. A student with this degree is adequately equipped for taking up challenges in the newer areas in chemical engineering. For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://www.che.iitm.ac.in/>

## **CIVIL ENGINEERING**

### **Four-Year B.Tech. Programme**

A civil engineer is concerned with planning, analysis, design, construction and maintenance of a variety of facilities such as buildings, highways and railways, airports, waterways and canals, dams and power houses, water treatment and waste water disposal systems, environmental quality control, docks and harbours, bridges and tunnels. A civil engineer is also required to deal with critical problems of today such as disaster mitigation and management, constructing offshore structures for oil production, flood forecasting and flood control, traffic congestion, transportation planning, use of non-conventional energy resources, for example, wind, tides, waves, etc. The breadth and diversity of the civil engineering profession make it particularly attractive. Computer Aided Design (CAD) and software development for various civil engineering facilities have become integral parts of civil engineering profession.

### **Five-Year Dual Degree Programme (B.Tech & M.Tech) listed in the following specialization**

The following specializations are available at Dual Degree level. The students will be able to exercise options for specialization after completing sixth semester. By then, they will have a better perspective of the specializations and will be in a position to make a right choice depending on their performance and preference of the subjects.

#### **Building Technology and Construction Management**

Building Technology and Construction Management (BTCM) is a multi-faceted group of eleven faculty members who work in broad areas of *Materials and Construction, Construction Engineering & Management, and Functional Design of Buildings and Infrastructures.*

BTCM has four independent state-of-the-art laboratories; these are *Acoustics and Lighting Laboratory, Materials and Systems Laboratory, Advanced Surveying Instruments Laboratory, and Integrated Construction Practice (ICP) Laboratory* – a joint venture of Autodesk Inc. and IIT Madras. The ICP laboratory is the nucleus for a consortium of facility owners, contractors, consultants and researchers and serves as a learning center for architects, civil, electrical and mechanical engineers on the use of Building Information Modeling (BIM) tools and integrated project delivery. In essence, the laboratories facilitate in preparing future generation professionals with the latest tools to improve industry effectiveness.

The group is focused towards providing new, innovative and efficient methods of construction practice for buildings and infrastructures. BTCM shoulders responsibility of spearheading the industry sponsored *M.Tech. (UoP) in Construction Technology & Management* for M/s Larsen & Toubro Limited, India and PG Diploma Course in *Metro Rail Technology and Management* for M/s Chennai Metro Rail Limited. Besides, the faculty members undertake socially relevant projects like restoration and rehabilitation of heritage structures in India and abroad, and have won awards for their contributions. This unique specialization offers courses covering a range of subjects in Building Sciences, Construction Materials, and Construction Engineering and Management areas, which include: (1) *Building Science*: Functional design of buildings, Buildings acoustics & noise control, Building services, and Energy management in buildings; (2) *Construction Materials*: Modern construction materials, Characterisation of Construction Materials, Advanced concrete technology, Maintenance & rehabilitation of constructed facilities, and Structural systems & design; (3) *Construction Engineering and Management*: Construction methods and equipment, Sustainable Construction, Construction planning and control, Construction project management, Construction economics and finance, Quality and safety management, Lean construction, Construction contracts & specifications, and Computer applications in construction.

#### **Environmental Engineering**

Environmental Engineering is a group of six accomplished faculty members with diverse research expertise. The broad teaching and research areas of the group are *Environmental Engineering*. Some specific areas of research under these broad areas include:

*Environmental Engineering* : Air and water quality modeling, monitoring and management; Water and wastewater treatment; Solid and hazardous waste management; Bioremediation of contaminated sites; Subsurface contaminant transport.

This interdisciplinary Programme is designed to meet the needs of government departments/ public sector and industry, with emphasis on various aspects like protected water supply and sanitation for public health, pollution control, sustainable development, and fundamental science of various climate interaction and processes. The topics to be covered include protected water supply, waste water management, air pollution control, solid waste management, ground water pollution-fate, transport and remediation, environmental planning and impact assessment, modelling of air and water quality environmental chemistry, environmental microbiology biotechnology and environmental systems analysis, fundamentals of atmospheric and climate sciences.

The laboratory is equipped with sophisticated instrumentation facility with Gas chromatographs, High pressure Liquid Chromatograph, Ion chromatograph, Elemental analyzer, Total organic compound analyzer, FTIR and UV Spectrophotometers is one of the best facilities in the Country for environmental sample analyses. State-of-the-art and high end instruments for air pollution and climate research including aerosol research.

### **Geotechnical Engineering (CE3)**

Geotechnical engineering is an active group of nine faculty members with vast expertise in different areas of geotechnical engineering. Some of the major research areas of the geotechnical engineering faculty members are: Constitutive modeling of soil and rock; Soil mechanics; Shallow and deep foundations; Finite element analysis; Soil dynamics and earthquake geotechnical engineering; Soil stabilization, geosynthetics and reinforced soil structures; Rock mechanics and underground excavations; Field instrumentation and monitoring; Geo-environmental engineering; Reliability analysis of geotechnical systems

Well equipped laboratories aid in both imparting world-class education to undergraduate and post-graduate students in various testing methods, and facilitate fundamental and applied research. Some important facilities available include geotechnical centrifuge, cyclic triaxial test setups, Bishop-Wesley stress path systems, large scale geosynthetic pull-out test facility, atomic absorption spectrometer, gas chromatography, MASW, WP4, SWCC Cell, and a shake table. Faculty members actively participate in numerous practical projects and offer number of Short Term Courses and Training Programmes for college teachers and practicing engineers.

This Programme provides specialized knowledge in various geotechnical engineering topics such as foundation engineering, ground improvement techniques, design of retaining walls, underground excavations, etc. A wide range of subjects such as advanced soil mechanics, rock mechanics, soil exploration and testing, applied soil mechanics, advanced foundation engineering, soil dynamics and machine foundations, earthquake geotechnical engineering, geo-environmental engineering, geo-synthetics and reinforced soil structures, ground improvement, finite element analysis and constitutive modelling of soils, geotechnics for infrastructures, and seismic site characterization are included in the curriculum.

### **Hydraulic and Water Resources Engineering (CE4)**

The *Hydraulic Engineering* laboratory, established in 1969 with assistance from the German Universities, is one of its kinds in the country and has facilities like large towing tank, different types of flumes, open air physical models, and latest table-top hydraulic models.

Hydraulics and Water Resources Engineering is a group of six accomplished faculty members with diverse research expertise. Some specific areas of research under these broad areas include:

*Hydraulic & Water Resources Engineering*: Hydrologic modeling including stochastic and spatial hydrology; Conjunctive use of surface and ground water; Aquifer modeling and management; Urban water supply; Water resources planning and management; GIS/remote sensing applications

The major emphasis in Hydraulic and Water Resources Engineering is to provide specialized and practical knowledge in: soft computing in water resources, hydrologic modelling, stochastic and spatial hydrology, computational hydraulics, river flow, flood, dam-break flow, tsunami and storm surge propagation, coastal and estuarine flow, conjunctive use of surface and ground water, aquifer modelling and management, pollutant and sediment transport in rivers, water resources planning and management, irrigation water management, climate change, urban water supply and GIS/remote sensing applications.

The laboratory has several flumes for conducting various open-channel flow experiments. In addition, the laboratory is equipped with several table top models (hydraulic benches) to demonstrate basic hydraulic and hydrologic phenomenon such as laminar and turbulent flow, impact of jet, flow over weirs and notches, pumps, water distribution networks and basic rainfall-runoff processes. In addition, a number of high end PC's are available to meet the requirements of the graduate students. Advanced technical, computational and mathematical software tools required for design and simulation of water and environmental systems are available for class projects and research use.

Faculty members undertake many socially relevant projects and offer various training programmes to solve modern day environmental issues.

### **Structural Engineering**

Structural engineering is a vibrant group of thirteen faculty members with extensive theoretical and practical experience. The broad areas of work of the group include: *Earthquake Disaster Mitigation, Computer Aided Analysis and Design, Structural Dynamics, Structural Stability, Structural Optimisation, Design of Masonry, Reinforced and Pre-stressed Concrete, and Steel Structures.*

This Programme deals with the following major areas: advanced structural mechanics, finite element analysis, structural dynamics, structural stability, structural reliability, structural optimization, reinforced and pre-stressed concrete, steel structures, design for wind and earthquake, plates and shells, bridges, tall buildings, towers, computer applications in structural engineering, fracture mechanics, masonry structures, power plant structures, composite structures.

The structural engineering laboratory, one of the best experimental facilities in the country, has two bays for large scale structural testing, a casting yard, and facilities for fabrication of large specimens. The first bay has a structural testing *strong floor* with loading frame capacity of 2000kN. There are test facilities with capacities up to 6000kN in compression, and high and low frequency pulsators for fatigue tests. The second bay has a *strong wall and floor system* with 1000kN computer controlled actuators for pseudo-dynamic tests. In addition, relaxation and smart materials testing facilities are

available in the laboratory.

The group contributes to social and industrial development of the country by engaging in various challenging sponsored projects and industrial consultancy to provide solutions to practical problems. These include analysis, design, optimization, repair and retrofit of buildings, bridges and other industrial structures.

### **Transportation Engineering (CE6)**

The programme covers wide range of topics under Transportation Engineering which includes characterization of pavement materials, design, construction, maintenance and management, traffic engineering including Intelligent Transportation System, transportation planning, modeling and management. The programme trains the students with the needed expertise and proficiency for a professional career in the field of transportation engineering. The students are imparted hands on training on pavement material characterization using state-of-art equipment; pavement evaluation studies; traffic engineering studies and analysis; development of models through latest software in design studio and by associating the students in several industry sponsored research projects. The students specialized in the area of Transportation engineering are very well placed in leading consultancy and research organizations/institutions in India and abroad.

*Traffic Engineering & Transportation Planning:* Traffic operations and control; Intelligent transportation systems; Heterogeneous traffic-flow modeling, simulation, safety and congestion mitigation; Activity-based travel demand modeling; Dynamic and stochastic modeling of transportation networks.

*Pavement Engineering:* Micro-mechanical characterization of asphalt concrete; Investigation on modified binders and healing of asphalt mixtures; Performance based design of bituminous mixes; Concrete pavements for highways and airports; Pavement recycling, State-of-the-art laboratory facilities supplement faculty expertise in teaching, research and consultancy of the group. Some important facilities available include infra-red & radar traffic sensors, signal controller, GPRS based GPS units, vacuum capillary viscometer, simple performance test equipment, gyratory compactor, CORELOK, rotary evaporator, and automatic penetrometer. Besides, an exclusive 24 hour computing facility is available for graduate students and research scholars with latest versions of application based software packages for research.

### **Infrastructural Civil Engineering**

Infrastructure is seen as one of the key drivers for economic growth the world over. In India, a large portion of the budget and a significant portion of the GDP (nearly 6%) is invested in the infrastructure sector today. In the next six years, India will be investing Rs. 3,20,000 crores for the development of infrastructure projects viz., roads, ports and harbours, airports, pipe line etc. The boom in infrastructure investment has widened the gap between demand and supply of qualified and trained graduate engineers specialized in the area of Infrastructural Civil Engineering. Engineers specialized in infrastructural engineering are therefore in great demand and they have a key role to play in planning, design, construction, maintenance and asset management of the various infrastructure projects in the country in the years to come.

The dual degree programme in Infrastructural Civil Engineering at IIT Madras is an inter-disciplinary programme which provides the students an opportunity to gain knowledge and expertise to plan, design and manage various infrastructure projects. The students will learn basics of Civil Engineering with additional exposure to advanced topics in planning and design of infrastructure projects in the areas of transportation engineering, water resources, environmental engineering apart from construction, planning and management. In addition, the students will also be exposed to courses in finance and management viz., infrastructure finance, infrastructure planning and management. The students will be facilitated to take up internships with reputed national and multinational infrastructure firms to obtain hands on experience in infrastructure planning and management. The current and future demand for infrastructure specialists is such that students specialized in Infrastructural Civil Engineering programme are likely to be presented with very lucrative and challenging job offers and also opportunities to pursue higher education at reputed institutions in India and abroad, upon completion of this programme.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://www.civil.iitm.ac.in/>

### **COMPUTER SCIENCE AND ENGINEERING**

#### **Four-Year B.Tech. Programme**

The course is concerned with theoretical and engineering aspects of Computer Architecture, System and Application Software, Computer Networks, VLSI, Internet Technology and Applications. Adequate emphasis is also given to Programming, Algorithm Design and Analysis, Formal Languages and Automata Theory, and Theoretical Computer Science.

#### **Five-Year Dual Degree Programme (B.Tech & M.Tech)**

This course is concerned with the theoretical foundations of Computer Science, Programming, Engineering aspects of the Design of Computers (both hardware and software) and Application, Computer Communication and Networking, Aspects of Information Technology, and Design of Computer based Control Systems. At the M.Tech. level the areas of specialization are Computer Design, Software Engineering, VLSI Design, Expert Systems, Parallel Processing, and Sophisticated Computer Applications. General electives are offered in all the above areas. Final project of fourteen months duration will be on a problem of relevance to Industry.

The dual degree programme prepares the students in all aspects of computer Science and Engineering with emphasis on programming, engineering aspects of the design of Computers (both hardware and software) and applications, Computer Communications and Networking, aspects of Information Technology, and Design of Computer based Control Systems.

Advanced electives are offered in all the above areas. Final project of fourteen months duration on a specific topic has to be carried out. For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://www.cse.iitm.ac.in/>

### **ELECTRICAL ENGINEERING**

#### **Four-Year B.Tech. Programme**

This programme pertain to the broad disciplines of electronics engineering and electrical power engineering. An electrical engineer is concerned with the generation, distribution and use of electrical power, power control and instrumentation

applications. An electronics engineer deals with the application of electronics in the processing of information in the fields of communication and control systems, electronic computers, industrial electronics and instrumentation.

#### **Five-Year Dual Degree Programme (B.Tech & M.Tech)**

The Dual Degree programme in Electrical Engineering at IIT Madras has been structured to make it highly flexible. During the first five semesters a strong foundation is laid by courses such as Signals and Systems, Digital Signal Processing, Electrical Machines, Electromagnetic Fields, Control Engineering, Analog and Digital Circuits, Solid State Devices. etc. From the sixth semester onwards, courses from a basket of restricted electives enable a student to specialize in a particular area. Student can specialize in Communications and Signal Processing, Microelectronics and VLSI Design, Power Systems and Power Electronics, or Photonics. It is also possible to take courses that span across the above specializations, e.g., a student can take courses in Microelectronics & VLSI and also in Photonics. In addition to the Restricted Electives, a student can choose electives from an array of advanced courses in various specializations. The final year is largely devoted to a high quality project, which has the potential to result in research publications, patents, and/or product design. A sample list of advanced level courses are: Probability Foundations for Signal Processing, Introduction to Wireless and Cellular Communication, Image Signal Processing, Communication Networks, VLSI Technology, Analog & Digital IC Design, Synthesis of Control Systems, Robust and Optimal Control, Power Converter Analysis and Design, High Voltage Technology, Introduction to Photonics, Optical Engineering, Foundations of Optical Networking.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://www.ee.iitm.ac.in/>

#### **ENGINEERING DESIGN**

##### **Five-Year Dual Degree Programme (B.Tech & M.Tech) In Engineering Design**

Engineering Design is an exciting dual degree programme recently introduced at IIT Madras. The programme consists of B.Tech. and M.Tech. degrees in Engineering Design with a post graduate specialization in Automotive Engineering and Biomedical Design. The choice between these 2 specialization is made at the end of 6<sup>th</sup> semester.

##### **Engineering Design With M.Tech. In Automotive Engineering**

The objective of the programme is to produce engineering graduates well versed in the process of design. This involves designing products to meet customer requirements, for the required quality standards, taking into account manufacturability, serviceability, reliability, human factors, efficiency of operation and economics.

The programme represents a shift in emphasis from analysis to skill sets appropriate for design, development and prototyping and will encompass best design practices followed world-over. Emphasis on creativity, efficient use of materials, sensitivity to environment and managerial skill development are some of the aspects of the programme. The curriculum focuses on the aspects of learning to learn and teaching of concepts through case studies especially in unstructured design situations. The mission of the programme is to make IIT Madras a Global centre of Excellence in Engineering Design. We are looking at students with exceptional abilities to provide leadership to the Indian industry in the area of design and manufacture of new products in the increasingly globalised economy.

##### **Engineering Design With M.Tech. In Biomedical Design**

The course will be a dual degree programme with a B.Tech in Engineering Design and a M.Tech. in Biomedical Design. A medical equipment is any instrument, apparatus, or material that is used in diagnosing, treating, and/or preventing diseases in humans. Medical devices constitute one of the fastest growing industries. German medical devices industry is one of the largest with an estimated 100,000 employees working in more than 500 companies. Lead by giants in the field like Siemens, there are twenty or more companies with a turnover of more than 35 million Euros. An analysis of the costing of medical devices reveals that the highest component is the intellectual content and development costs of the invention and the actual product cost is very much less by comparison.

The major objective of this course is to develop biomedical designers who have the background to design, manufacture, test and market such products. The biomedical instrumentation as the course is called in many Indian universities, is usually tuned towards maintenance of medical instrumentation and is heavily biased towards electrical engineering.

Though such courses are no doubt important, there is a need to develop biomedical designers, who have an interdisciplinary background in mechanical design, controls, mechatronics and manufacturing science. Apart from this they should be well versed in human anatomy and physiology, mechanics as applied to physiology and biology (there is a recent book titled "Cardiovascular Solid Mechanics"), biosensors, protocol and procedures for animal models, signal processing and so on. In our opinion, no such course which systematically builds a designer exists.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://www.ed.iitm.ac.in>

#### **MECHANICAL ENGINEERING**

##### **Four-Year B.Tech. Programme**

Mechanical Engineering is concerned with the design, operation and maintenance of machines and their components, mechanisms, machine tools, manufacturing systems and processes, components of thermal power systems including internal combustion engines and turbo machinery, solar energy, heat transfer, air- conditioning, refrigeration and industrial engineering including production planning and control. The students of mechanical engineering have an opportunity to study both the fundamentals and applied aspects of these areas.

##### **Five-Year Dual Degree Programme (B.Tech & M.Tech)**

Students joining the Dual Degree programme of Mechanical Engineering can choose one of the following M.Tech specialization at the end of sixth semester.

##### **Mechanical Engineering With M.Tech. In Thermal Engineering**

After studying the general mechanical engineering courses in the first six semesters, the students of this stream study courses and also do a two-semester project work on a specialized topic in thermal engineering. The core courses during the M.Tech. study phase include Applied Thermodynamics, Design and Optimization of Energy Systems, Incompressible Fluid Flow, Numerical Methods in Thermal Engineering, Advanced Energy Conversion and Measurements in Thermal Engineering. The students also pursue four electives of their choice in the area of Thermal Engineering. The courses are

aimed to provide the specialized knowledge expected of a thermal engineer, and give the background necessary to do a project on a specialized topic in Thermal Engineering.

#### **Mechanical Engineering With M.Tech. In Intelligent Manufacturing**

Intelligent Manufacturing under dual degree programme will cover various related topics in addition to the basic mechanical engineering areas. Present day manufacturing requires precision, repeatability and quality to satisfy the customer needs at an affordable cost. A thorough knowledge update on the computer-based technologies is needed to achieve the above goal. With this in view, CAD/CAM, Advanced Material-removal Techniques, Microprocessors, Controllers, Sensors for Intelligent Manufacturing Systems, Networking Procedures, Expert Systems and Artificial Intelligence, Flexible Manufacturing Systems, Mechatronics,

Computer Aided Quality Evaluation, Management Information Systems, etc. are the areas that will be covered under various courses in Intelligent Manufacturing.

#### **Mechanical Engineering With M.Tech. In Product Design**

This specialization is aimed at enabling the student to imbibe the essence of a holistic approach to the design of a product so that there is integrity in form, function and use. The courses cover Product Engineering, Design Synthesis, Design of Mechanical Systems, Stress and Compliance in Machine Elements, Ergonomics and Aesthetics, Mechatronics, CAD/ CAM for Product Design, etc. The project can be taken up in the following areas: Design and Development of Mechanisms, Machines/Mechanical Systems, New Products, Development of CAD software for Equipment and System Design.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://mech.iitm.ac.in/>

### **METALLURGICAL AND MATERIALS ENGINEERING**

#### **Four-Year B.Tech. Programme**

Advances in technology depend on the availability of high performance materials. The field of engineering materials has expanded enormously in the recent past and has encompassed a variety of materials such as ceramics, polymers, electrical and magnetic materials, glasses and composites, along with the traditionally important metals and alloys. Critical selection of such materials for advanced engineering applications in high technology areas such as space, energy, and communications, is of utmost importance. B.Tech. programme encompassing metallurgical engineering and materials science/engineering have been designed to train engineering graduates, who would be highly competent in meeting the emerging needs of India in advanced materials as well as in conventional metallurgical engineering. Comprehensive programmes of studies allow the student to grasp the fundamentals of metal extraction, characterization, processing and selection of engineering materials. A wide variety of electives available during the third and fourth years of study give an opportunity to the student to concentrate in an area of his/her choice.

#### **Five-Year Dual Degree Programme (B.Tech & M.Tech)**

Over the past decades, considerable efforts have been devoted towards an integrated understanding of the nature of processes involved in extraction and refining downstream processing, evolution of micro and macrostructure, various evaluation and characterization techniques of materials. A process engineer should not only have a sound understanding of the scientific principles of metallurgy, but should also have sufficient expertise in engineering areas like heat and mass transfer, equipment and process design, plant engineering, instrumentation and process control, etc.

The present-day competitive environment demands modern metallurgical plants to operate at high levels of productivity and efficiency. The course is designed to produce engineers having an integrated understanding, who can contribute to process optimization and control, and design and development. There are ample job opportunities for graduates with specialization in the areas of production, design, development and research.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://mme.iitm.ac.in/>

### **NAVAL ARCHITECTURE AND OCEAN ENGINEERING**

#### **Four-Year B.Tech. Programme**

Ocean Engineering is an interdisciplinary field that is concerned with all aspects of exploration and exploitation of the resources of the oceans. Naval Architecture deals with the design, construction and maintenance of ships and other water borne vessels. Apart from the core programme in science and mathematics, well structured courses in fluid and solid mechanics, wave hydrodynamics, offshore structures, foundation and coastal engineering are taught. The programme also imparts good design and experimental skills. The courses in the advanced semesters lay emphasis on numerical modeling and CAD, with electives from many postgraduate courses. Excellent facilities exist for carrying out the final year project work on advanced design, and experimental as well as numerical analysis of ocean engineering systems including marine vehicles.

A wide variety of job opportunities are available to the graduate in companies dealing with offshore engineering, ship building and ship repair, coastal and port engineering, shipping companies, classification societies, statutory bodies, Port Trusts, Coast Guard, the Indian Navy and consulting organizations. Because of the multidisciplinary nature of the programme, a large number of graduates find employment in allied engineering professions and management area also.

#### **Five-Year Dual Degree Programme (B.Tech & M.Tech)**

The discipline of Ocean Engineering and Naval Architecture is one of the oldest of the IIT System. It started in 1952.

Ocean Engineering provides solutions to basic needs of the society by exploration and exploitation of the resources from the ocean-mineral oil from offshore oil fields, high protein food (fish of various varieties and sea weeds), minerals e.g. cobalt, nickel etc. and energy (thermal, wind and tidal waves). The subject of Ocean Engineering is concerned with various industrial activities of design, construction, building, transportations, installation and maintenance at site of the marine structure floating or fixed at a place. Naval Architecture is a major branch of Engineering, which deals with design, classification approval, construction and maintenance of

merchant ships, defense ships and other floating or submerged moveable vehicles. The discipline of Ocean Engineering and Naval Architecture is a unique and balanced blend of different engineering, management and science streams which gives it a distinctive characteristic. The curriculum includes subjects dealing with Marine Hydrodynamics, Wave Mechanics, Solid Mechanics, Computational Methods in Marine Hydrodynamic and Structural Mechanics, Structural Vibration,

Computer Aided Design and Manufacture, Design of Ships and Marine Structures, Coastal Engineering, Coastal Zone Management, Port and Harbour Engineering, Green Technology, etc.

The employers of Ocean Engineering and Naval Architecture Graduates (B.Tech) and postgraduates (Dual Degree M.Tech and 2 year M.Tech) are shipbuilding and repair yards, classification societies, offshore industries, shipping companies, statutory bodies of Central Government and State Government Ministries, consulting firms, ministry of Defense and Home Ministry, software industries, engineering and economic data analysis firms, research organizations, academic institutions and many more.

## **PHYSICS**

### **Four-Year B.Tech. Programme in Engineering Physics**

The Engineering Physics programme at IIT Madras encourages students to learn the fundamental aspects of frontier areas in Physics and Electrical Engineering. In addition to several core courses in Physics, Electrical Engineering and other engineering branches, special topics will be covered by elective courses such as Solid State Devices, Cryogenic Engineering, Materials Technology, Communications Engineering and Photonics. The academic curriculum provides excellent academic/ laboratory training in Digital Electronics, VLSI, Communication Systems, and experiments based on advanced principles of physics.

These programmes will be suitable for those students who intend to pursue higher studies in physics, or would like to take up advanced studies in engineering requiring a good grasp of physical principles or wish to branch out after graduation in industrial research and development programmes. Good employment opportunities for Engineering Physics graduates exist in universities and in research and development sections of national laboratories and industries.

### **Five-Year Dual Degree Programme (BS & MS) in Physics**

A new five-year integrated Dual Degree, B.S. and M.S. in Physics, has been introduced by IIT Madras. This special course is designed impart an exciting curriculum in the foundations and applications of Physics to students who would become distinguished scientists and/or leaders in the academic world or play a lead role in pure and applied research and development in interdisciplinary areas which requires a strong background in Physics. Students would get accelerated exposure to advanced principles and applications in a curriculum format that is carefully paced to make comprehensive learning an exciting and fulfilling experience. A strong research component in the final year will be a stimulating component of this programme.

For detailed information on faculty expertise, courses offered, research programme, laboratories and infrastructure facility and various depart level student activities please visit <http://www.physics.iitm.ac.in/>

### **Rules For Change Branch:**

The academic programmes offer ample flexibility for areas of specialization. In addition, students can change their branch to another one at the end of the first semester depending on their academic performance. However, change of branch from Engineering design dual degree (Biomedical/Automotive) to other branches and from other branches to Engineering Design (Biomedical/Automotive) is not permitted in view of the specialized nature of the curriculum and course contents of these dual degree programmes. Change from a B.Tech. course to a dual degree course within the same department is permitted at the end of sixth semester provided the student has a minimum CGPA of 8 at the end of the fifth semester. All changes are subject to certain institute rules which are available in the institute website.

### **Upgradation from B.Tech to Dual Degree (B.Tech & M.Tech)**

B.Tech Students who are maintain a CGPA of 8 without any backlog at the end of 5<sup>th</sup> semester are eligible for transfer from four-year B.Tech to five-year Dual Degree (B.Tech & M.Tech) programme in the same department with effect from the 7<sup>th</sup> semester. In the final year (9<sup>th</sup> & 10<sup>th</sup> Semester) the student will have to pay the fees as applicable to M.Tech Students

### **Dual Degree Specialization Stream Allocation**

Change of specialization will be considered in Dual Degree Programmes where there are more than one specialization, at the end of 6<sup>th</sup> semester, (at the end of 4<sup>th</sup> semester in the case of Dual Degree in Engineering esign), the student should have a minimum CGPA of 8 at the end of 5<sup>th</sup> semester(3<sup>rd</sup> semester in case of Dual Degree in Engineering Design)

### **Upgradation from B.Tech – B.Tech. + MS (Entrepreneurship) Programme**

At the end of 6<sup>th</sup> semester, student with a minimum CGPA of 8.0 or qualify through GATE are eligible for HTRA from their 9<sup>th</sup> semester onwards. The students will be required to complete all the credits required for their B.Tech programme (Dept. specific), and the B.Tech. project of 9 credits in the form of a Detailed Project Report (DPR) establishing pre-feasibility of the product/process to be developed. 5 courses for MS(E), but on case by case basis, General Test Committee (GTC) can decide to waive up to 3 courses, based on performance of the student and the expertise that he/she has acquired. DoMS quarter system based courses to be counted towards course requirements of MS(E) thesis.

### **Upgradation from Dual Degree (B.Tech & M.Tech) to B.Tech + MS (Entrepreneurship)**

Dual Degree students can convert to B.Tech + MS(E) programme at the end of their 3<sup>rd</sup> or 4<sup>th</sup> year, and will have the same requirements as B.Tech students converting to B.Tech + MS(E) programme at the end of their 3<sup>rd</sup> year. They have to complete the B.Tech requirement in parent department (except the project) with the project credit being merged with their MS thesis. They will have to take 5 courses for MS(E), as discussed above.

### **Faculty:**

IIT Madras has several faculty members with exemplary teaching / research capabilities. Several academic distinctions, honours and awards, fellowships of professional societies, and memberships on editorial boards of journals, have been bestowed on our faculty, in recognition of their academic achievements. SS Bhatnagar award, Padma Bhushan, Padma Shri are some, to mention. A complete account of the details of faculty members and the laurels won by them can be found from our website, <http://www.iitm.ac.in>.

In order to encourage excellence in teaching with high quality research, a scheme of awards for young faculty members (less than 40 years of age) is in place. Two awards for faculty in Engineering Departments and one award in the Departments of Sciences, Humanities & Social Sciences and Management Studies are given annually.

#### **Facilities:**

##### **Academic Facilities**

###### **Central Library**

The Central Library, a five-storey, air-conditioned building, is home to a large number of books and a wide range of journals and periodicals. The library is divided into different sections - Text Book/Reference, General Stacks, Reading Halls, Journals and Current Periodicals, Media Research Centre (which regularly screens educational and scientific videos), and a Book Bank.

The library has subscriptions to most of the renowned research journals of engineering, science, and technology including e-subscriptions to a palette of journals. As a member of our Central Library, every student can get access to books/journals and reference material from other libraries in the Chennai city also.

The institute ID smart card, that is provided to all students, is used to borrow books from the library. It can be used for borrowing books from the General Stacks for a month's period. Books can be borrowed for overnight loan from the Textbook reference section. Please note that this "smart card" is very important, as it serves as your principal photo identity. The Book Bank Section is open only to the B.Tech, Dual Degree and M.Sc. students. Each student can borrow fixed number of books from the book bank for the duration of one semester.

The Library has an online renewal system available for renewing the books and also one can send an online pre-request for the books they need. The Library building also houses the Digital Knowledge Centre (DKC) having computers with broadband internet connection. It is available to all students for their general requirements during the library working hours.

###### **Laboratories**

In order to fulfil the teaching and research pursuits, IIT Madras has laboratory facilities ranging from the very basic to highly sophisticated ones. The Institute houses many labs with cutting-edge technological resources built in collaboration with industry partners. The central lab facilities include Sophisticated Analytical Instruments Facility (SAIF), Material Science Research Centre (MSRC), and Central Electronics Centre (CEC). A complete list of all the labs under each department is available at the following link: <http://www.iitm.ac.in/departments>. You can select a department to view the list of labs it has. Research-oriented students pursuing their B.Tech/ Dual Degree may work in any of these labs under the guidance of professors and research scholars on projects. Working in these labs will expose the student to the advances in research in that particular field. Alternatively, to get hands-on engineering experience, they can work in the Centre for Innovation (CFI), which is described later in this booklet.

###### **Computer Centre**

The Computer Centre at IIT Madras was established in 1973 to provide Centralized Computing resources and support to the Academic initiatives of the Institute. It has professionally maintained facilities, from the IBM system 370 in the 1970s, and the Siemens system in the 1980s, to the SGI and Sun systems in the earlier part of this millennium and the super-computers, communication and network services of today, which have served the IIT Madras community. Over the years, the computing and information technology requirements of IIT Madras community have changed. The Computer Centre's organization has also evolved with these changing requirements. In 2014-2015, the activities of the centre were organized under five verticals: High Performance Computing Environment (HPCE), Networks, E-Services, Data Centre, and Workflow.

###### **High Performance Computing Environment:**

The High Performance Computing Environment group (HPCE) was established to cater to the ever-increasing demand for supercomputing facilities by researchers at IIT Madras. The Virgo super cluster with 292 nodes and 2 master nodes of I-Dataplex Dx360M4 and with FDR 10 Infini-band connectivity is already in use. These nodes have 2 X intel E5-2670, 8 core, 2.6 GHz processors and have 4 GB of memory per core. This machine caters to the needs of the research community which mostly uses parallel programming. In terms of speed, this machine when commissioned was rated 224 in the world and is the fastest in educational institutes across India. With energy efficiency of 932 MFop/Watt., this machine has set new benchmarks for energy efficiency. It is the most energy efficient supercomputer in India and was ranked 5<sup>th</sup> worldwide. The Virgo system has a storage capacity of two 80 TB General Parallel File systems and the NAS file system of 50TB for backup. Suselinux 11.2 has been installed on all nodes with Xcat as clustering software. Load leveler has been installed for scheduling jobs.

###### **Networks**

The campus computer network was established in 1994 connecting about 18 buildings in the academic zone using telephone cables. The initial bandwidth was 64Kbps. Today, using Fiber Backbone high speed network connectivity to all the buildings in the academic zone is operational. In addition, a backbone interconnecting the three zones - Academic, Hostel and Residential is also operational. The total number of nodes in the campus is approximately 18,000. The network equipment in the academic zone were upgraded to provide 100/1000 Mbps connectivity to the nodes. All the buildings in the academic zone are provided with dual fiber connectivity. Facilitation for Video Conferencing is also provided under the network service.

## **E-Services**

The E-Services vertical focuses on services such as web system configurations, e-mail, web access, web security, storage solutions, virtualization, web services etc. Several new services were enhanced and added by the e-service group. For more details visit <http://www.cc.iitm.ac.in/>

## **Data Centre**

The function of the Data Centre is to ensure the appropriate facility management for efficient functioning of all verticals of the computer centre. These facilities include uninterrupted power supply, backup power supply (DG Set), CCTV, climate control, access control, water leakage system, fire protection and office space maintenance.

## **Workflow:**

The implementation of Enterprise Resource Planning (ERP) software, or what is internally referred to as a Workflow, has expanded its services in different sections of Academics, Administration, Accounts, ICSR, Stores and Purchase. Workflow group at the Computer Centre works with various sections in the institute to support system usage, capture change requirements, involvement in process development activities, maintaining reporting websites that collect data from workflow and generating reports using new software tools. The workflow team works with users from different sections to re-engineer selected processes to streamline operations. Reports from workflow have been widely used in administration, accounts and academics to easily manage the day-to-day operations. Workflow submissions that were enforced in few processes such as Leave, LTC, faculty visits, festival advance, children education allowance, purchase order creation, imprest claim, SRB, student course registrations, student travel approval, student worklog approvals, grade approvals etc in the previous financial year are successfully running. Based on the user feedback, change requests are raised to implement few modifications in these processes as well.

In the financial year 2014-2015, the data extracted from workflow has been analyzed and utilized by ISO internal audit team to improve the performance of administrative staff and better align our internal processes to support our vision for IIT-Madras.

## **Central Workshop**

The workshop is an educational platform where science and technology intersect. The process of modernizing the workshop training is done in line with industry to suit industrial requirements is complete. The Central workshop is one of the support services of the Institute that enhances the academic process of B.Tech and M.Tech students M.S and PhD. Research Scholars.

The Central workshop facilities are utilized to impart practical skills for the students in major fields of engineering and technology. Experimental set ups are routinely fabricated in this facility with the utmost quality within the stipulated time to support research projects and teaching lab requirements of the Institute.

## **Residential Facilities**

### **Hostels**

There are currently 18 hostels out of which three are ladies hostels. All hostels are named after the prominent rivers of India. The number will become 20 during 2015.

In view of the unique and ecologically diverse nature of IITM campus, the students are not allowed to drive powered vehicles in the campus. They can use bicycles only or walk. The institute operates buses and vans from the main gate to different parts of the campus and also around the Hostel and Institute Zone at frequent intervals for easy travel.

Most hostels have a capacity of about 350 to 400 rooms. The first year undergraduate Students are accommodated in a separate hostel following a Supreme Court order related to ragging. With a couple of new hostel buildings nearing completion, the institute will have room for every student admitted to the institute.

Internet and Local Area Network (LAN) facility is provided in every room and there is a computer room in all hostels as well. Students will also be given an email account on the institute server and it will generally read

[rollnumber@smail.iitm.ac.in](mailto:rollnumber@smail.iitm.ac.in).

Students can borrow novels and other reading material from the hostel library. Most hostels also have a garden. Every hostel has facilities for sports with all the equipment and gear. Every hostel has a Music room and a tech-room. Washing Machines are provided in all the hostels. Students can also avail the laundry facility in the campus. There is a room with television known as the 'common room' where most of the hostel gatherings take place. Students celebrate many festivals like Holi, Diwali, Pongal etc. The Hostel Night and Ice-Cream Night are two other occasions when the entire hostel meets.

Each hostel has a Warden, who is a faculty member, and a resident Assistant Warden. The Warden and Asst. Warden, with the help of the office staff, handle all administrative work concerning the hostel. The Hostel Council consisting of the warden and a number of student secretaries, elected by the residents of each hostel, decides issues pertaining to the hostel.

### **Open Air Theatre (OAT)**

In between the Gajendra Circle (GC) and the hostel zone, you will spot a large arena called the OAT (Open Air Theatre), where the weekend movies are screened by the Film Club. The best of the latest movies in English, Hindi and regional languages are screened. Movies in other languages are also screened by the cultural associations. OAT is the venue where the Saarang Proshows are held. The capacity of this place is about 7000 and it looks splendid when it gets lit up during shows for Saarang.

### **Student Facilities Centre**

There are many locations in the hostel zone in which general student facilities to cater to the needs of the students. The Students Facilities Centre (SFC) housing the Patisserie cum coffee shop, general store, gift shop, juice shop, saloon, travel agency, printing and photocopying, and ATM is a popular location for students. This is a great place to spend your evenings as it is also a place for people to chat with their friends. Apart from this, there are facilities located near the Ladies' hostels, Quark where a restaurant is going to be opened with a first floor for use. The IRCTC canteen is another place students frequently go to chat and satiate their taste buds.

### **Food**

Institute has two large dining facilities namely Himalaya and Vindhya. Students of Sarayu and Sharavati hostel dine at the Vindhya dining facility while the other students dine at Himalaya dining facility. The Institute provides its catering facility in two other places in Krishna and Cauvery hostels. We have a multitude of caterers operating the Himalaya dining facility, with a choice North Indian and South Indian vegetarian and non-vegetarian cuisines. Students get to choose the caterer and the cuisine every month on a first-come-first-served basis. There is also the facility of food courts which can be booked for the whole semester which is a pay-as-you-eat facility. A two-story sprawling food court will be available from July 2015 in the Academic zone which will provide a wide range of choices.

#### **Bank Facilities**

State Bank of India has a branch just down the road from the GC. Canara Bank has a branch in the Shopping Centre. The Institute has two State Bank of India ATMs – one at the Bank and the other at the Taramani Guest house located and two Canara Bank ATMs: one at the shopping centre and another opposite to Narmada Hostel. The SBI ATMs can be used to make all payments to the institute. There is also an ICICI bank ATM in the Office of Hostel Management (CCW Office).

#### **Student Life at Institute:**

#### **Institute Hospital**

Institute hospital has the facilities to take care of general health problems faced by the students. The Institute hospital runs round the clock service. The hospital is located at the centre of Hostel, Institute and residential zone. Apart from the regular doctors, there are a set of visiting specialists including a general surgeon, ENT surgeon, ophthalmologist, orthopedist, cardiologist and psychiatrist. Well-equipped laboratories for all tests, X-Rays, and inpatient ward are also present. Ambulance facility is also available. Apollo hospital runs the pharmacy in our hospital. All students are covered under medical insurance with a premium of Rs.899/- and an additional amount of Rs 300/- per semester as medical fee. For details visit <https://hospital.iitm.ac.in/>

#### **Mitr**

Mitr is a body comprising faculty and senior students. The objective of mitr is to provide guidance to the students on various academic and extra-curricular activities on campus, expose them to various life skills and to counsel students to cope with overwhelming emotional disturbances they face - curriculum-related, or otherwise.

When a new student joins the institute, he/she needs a lot of information and orientation to adjust to the new place. Mitr plays a key role in making the transition from a new student to an IITian viz. the process of instilling a sense of pride and confidence in oneself, an essential to do anything to the expected level at IIT.

Mitr student volunteers will be your first friends on campus. For anything you may need, just contact mitr team and they will always be there to help you. Please meet your student mentor as early as possible. The responsibilities of mitr also include helping out students who find it difficult to cope with the academic load with connecting to tutors who will do the needful. Look out for interesting talks and workshops by people from various parts of the institute, arranged by mitr, to facilitate acquaintance with them so that students can contact the right person(s) freely as and when necessary. Mitr is not just limited to first year students; mitr associates are also actively involved in counseling or offering any kind of help to the students even in the higher semesters. You can reach Mitr at any time for any kind of difficulties and they will solve them just the way your friend would.

#### **Counseling Services**

To help students who require counseling, expert/professional counselors are engaged by the Institute and are available in a counseling room located in the Central Library. They are also available 24x7 through telephone. Apart from this, the Institute hospital has 2 specialists Psychiatrist who take care of students who seek their help or who are referred by Mitr or faculty advisors.

#### **Weaker Section**

Special help is provided for SC/ST students. The Advisor for weaker section provides the required nurturing wherever required and tutoring by senior students is provided. Students are benefited significantly through the help provided at the different stages.

#### **Students with Physical Disability**

All the buildings are installed with elevators and ramps to facilitate access students with physical disability, and are assigned specially designed hostel rooms with attached bathroom in ground floor. An exclusive advisor has been assigned to take care of academic and general well-being of these students. Dean (Academic Courses), Advisor (PD) and Dean (Students) meet with each of these students periodically to understand the special attention/requirements on a case to case basis, additional requirements like large font question paper, extra time during examinations, suitable requirement/assistance in conduct of laboratory experiments, flexible curriculum requirements are provided.

#### **Faculty Advisor/HOD/Deans**

To help the students in planning their courses of study and for getting general advice on the academic programme, the concerned Department will assign 10 students to a Faculty member who will be called their Faculty Adviser. The students should always feel free approach any faculty member in the department. The head of the department and Dean (Academic Courses) are always available for any help required by the students. Parents are always encouraged/requested to stay connect with the faculty advisor. In case of any concerns, students and their parents can always meet with Dean (Academic Courses) and Dean (Students).

#### **Financial Assistance:**

#### **Scholarship**

IIT Madras offers many scholarships which are based on financial situation of the student or academic performance of the student. There are also scholarships which are based on both financial condition and academic performance of student. For more details <https://www.iitm.ac.in/scholarships>

**Institute Scholarships**

Scholarship	Eligibility/Condition	Benefits of scholarship
Institute Merit-cum-Means Scholarship	Annual income of parents should not be more than Rs.4,50,000/- Awarded on 25% of the students admitted. Renewal is subject to a minimum GPA of 5.0 in the previous semester.	Amount of Rs.1000/- every month. Exemption from payment of tuition fee.
Institute Free studentship	Annual income of parents should not be more than Rs.4,50,000/- Awarded on 10% of the students admitted. Renewal is subject to a minimum GPA of 5.0 in the previous semester.	Exemption from payment of tuition fee . An amount of Rs.1000/- per month is paid from "64 Foundation alumni sponsored scholarship"
Inspire Scholarship	Dual Degree (BS & MS) Physics and Biological Science. Selection as per DST norms.	Rs.60,000/- per year and additional Rs.20,000/- per year for summer time research project.

**Scholarships for SC/ST students**

Scholarship	Eligibility/Condition	Benefits of scholarship
Institute SC/ST Scholarship	Annual income of parents should not be more than Rs.4,50,000/- . Renewal is subject to a minimum GPA of 5.0 in the previous semester.	Free messing (basic menu only) with pocket allowance of Rs.250/- p.m. and exemption of hostel seat rent. (Tuition fee is exempted for all SC/ST students).
<b>Ministry of Social Justice and Empowerment , Gol. Central Sector Scholarship For SC students</b>	Top 12 students based on JEE (Adv.) rank and parental income not exceeding Rs 4.50 lakhs. (only students of B.Tech, Dual Degree & MBA students are eligible). Renewal is subject to a minimum GPA of 5.0 in the previous semester.	Personal PC Rs.45000/- (one time) ; Living Expenses Rs 2,200/- per month; Books and Stationery Rs 3,000/- per annum; Reimbursement of Fees.
<b>Ministry of Tribal Affairs , Gol. - Central Sector Scholarship For ST students</b>	Top 5 students based on JEE (Adv.) rank and parental income not exceeding Rs 4.50 lakhs. (only students of B.Tech, MBA & Dual Degree students are eligible). Renewal is subject to a minimum GPA of 5.0 in the previous semester.	Personal PC Rs.45000/- (one time) ; Living Expenses Rs.2,200/- per month; Books and Stationery Rs.3,000/- per annum; Reimbursement of Fees. Renewable subject to passing of the final examination of each year.

**Industry Funded Scholarships**

Scholarship	Eligibility/Condition	Benefits of scholarship
<b>Aditya Birla Scholarship</b>	The selection of one student will be made by the Aditya Birla Group among the top 20 students in JEE (Adv.) Rank.	Rs.65,000/- per annum and renewable every year subject to norms fixed by the Aditya Birla Group.
<b>OPJEMS</b>	3 toppers from 2 <sup>nd</sup> , 3 <sup>rd</sup> , and 4 <sup>th</sup> year of B.Tech students in Civil Engineering, Electrical Engineering, Mechanical Engineering and Metallurgical Engineering	Rs.80,000/- one time payment
<b>ST Engineering Scholarship</b>	Offered to two BTech Students top 10% of students in their respective specialization, i.e. AE, CS based on first year results.	Rs.1,25,000/- per year. To continue to be eligible for the scholarship for the third and fourth academic year of the B.Tech degree, the scholar must obtain minimum CGPA of 8.0 respectively for the second and third academic year.
<b>Nissan Scholarship</b>	Offered to two students of III year B.Tech and Dual Degree Students	Rs.70,000/- per year Scholarship will be renewed on the condition that the student maintains a good level of academic performance.

**Donor based Scholarships**

Scholarship	Eligibility/Condition	Benefits of scholarship
<b>Girish Reddy Scholarship</b>	On the basis of highest JEE(Adv.)rank and parents income not exceeding Rs.5,00,000/-(2 scholarships) On the basis of best all round performance in the previous school years and parents annual income not exceeding Rs.5,00,000/- (one scholarship).	Rs.25,000/- per year and the renewal of scholarship in the subsequent years is subject to a minimum GPA of 8. in the previous semester.
<b>M Sankaraiah and M Saradha (Mithigiri) Scholarhsip</b>	Students of B.Tech / Dual Degree Electrical Engineering are eligible based on highest CGPA at the end of 4th semester.	Rs 20,000/- (one time)
<b>Dr K Vasanth Rau Scholarship</b>	Based on JEE(Adv.) rank and parental income up to Rs. 5.50 lakhs. (one student for the entire duration of the programme) Rs 25,000/- per annum.	Renewable based on GPA of 6.5 and above.
<b>Sriram Srinivasan Scholarship</b>	One student based on Parents annual income upto Rs.5.50 lakhs based on JEE (Adv.) rank	Reimbursement of tuition fee plus Rs.1000/- p.m. and renewable based on CGPA 6.5 and above.
<b>Prof G V N Rayudu Memorial Merit Scholarship</b>	One student of B.Tech/Dual Degree Mechanical Engineering based on JEE (Adv.) rank and parental income less than Rs.4.50 lakhs (MCM norms) – Once in four years	Rs.1,25,000/- per year and Renewal subject to CGPA of 8.0 and above.

Scholarship	Eligibility/Condition	Benefits of scholarship
<b>Smt Hattiangadi Manorama Bai Scholarship for</b>	One girl student based on top JEE(Adv.) rank with parental income between Rs.4.50 lakhs to Rs.6.75 lakhs	Rs.1,40,000/- per year Renewal subject to CGPA of 8.0 and above.

#### **Half Time Teaching Assistantship (HTTA)**

The final year Dual Degree students are eligible for HTTA of Rs.12,400/ p.m. Student those who secure CGPA of 8.0 and above (in the case SC/ST students CGPA of 7.5 and above) and earned minimum credits specified by the senate at the end of 8th semester or "Having valid GATE score and earned minimum credit specified by the senate at the end of 8th semester".

#### **Students' Welfare Fund**

Students welfare fund has been established to provide financial assistance for various welfare schemes and measures for the needy students such as aid for physically handicapped, accident or sudden illness related expenses that are not otherwise met by the regular medical insurance, and loan to individual students to meet expenses related to travel and other expenses when they have to go on a study abroad schemes,

#### **Student's Distress Fund Supported by Alumni**

IITM Alumni have created a corpus to provide help to deserving students who have been identified to be under financial distress due to any reason such as loss of bread-winner in the family. Such requests are considered by the Dean (IAR) and approve the required financial support every semester.

#### **Educational Loan by Campus Nationalized Bank**

Along with the letter of admission, a certified statement of total educational expenses (including boarding & lodging) is sent for all students. This will help the student to avail bank loan from any of the banks in their place of residence. All students offered admission to IIT Madras are provided along with the admission letter, a welcome kit by a SBI offering (i) Zero balance SB account; (ii) Online Transaction Facility; (iii) Debit card; (iv) Pre-approved bank loan which will cover entire 4/5 years expenses.

#### **Alumni Funded Interest Free Loan (SSAN ANANYA IITM Educational Trust)**

An alumnus, Mr. Sunderam Swaminathan, has created "SSAN ANANYA IITM EDUCATIONAL TRUST" to provide financial assistance in the form of interest free loan to B.Tech/Dual Degree students at IIT Madras for the purpose of covering tuition fees and living expenses. He has committed to support 5 students from the first academic year 2014-15 at Rs. 1.2 lakhs each, and add 5 students every year for the next 3-4 years. His vision is to see this scheme supports at least 100 students within 12-18 years and start growing exponentially further. He intends to achieve this by having beneficiaries pay back into the programme directly within about 5 years after they start earning. The candidates should realize that this Trust is started purely with a vision to make the Trust large enough to ensure no candidate is deprived of education in IITM due to financial reasons. This means that its success solely depends on these candidates giving back the amount within, say, 5 years (this will be about Rs. 10,000 / month which is very reasonable) once they start earning. No interest will be applicable. They can even contribute more, if they wish.

#### **Medical Insurance Coverage for all students**

All students are covered under a medical Insurance scheme exclusively designed for students. Annual premium is paid by the student. All minor ailments are attended to by the Institute hospital.

#### **Travel Support by Alumni**

The IITM alumni funded IITMAANA Travel Grant programme is designed to assist IITM students, faculty and staff to visit USA and other countries abroad and present their papers at internationally recognized technical conferences. Participation in summits, workshops, competitions and internship and semester exchange programmes may also be funded through this Programme. The main objectives are to help IITM students, faculty and staff participate in International events in the U.S. and other countries, promote the 'IIT Madras' brand at these venues, promote Research and Development in Technical Education by providing an opportunity to deserving students to interact with peers and experts at International level and support personal and professional development among IITians by facilitating participation in foreign internships, workshops, competitions, and summits. For more details log in to <http://alumni.iitm.ac.in/>

#### **PRIZES & RECOGNITION**

No competent and deserving candidate goes unrecognized at IIT Madras! They win prizes for achievements ranging from commendable academic performance to those excelling in extra-curricular and co-curricular activities. The highest honour is the President's Gold Medal followed by the Governor's Medal. All round meritorious performances by students earn them the prestigious 'Institute Blues' award.

#### **Training & Placement:**

The Placement Office is involved in securing placements for students graduating from the institute. The office maintains a close liaison with various industrial establishments (both private and public sectors), which conduct campus interviews and select UG and PG students from all disciplines. The Placement Cell provides the infrastructural facilities to conduct group discussions, placement tests and interviews. The Office interacts with over 800 industries in the country, of which nearly 300 companies visit the campus for holding campus interviews. To give students an exposure to the application of technology in the industry and hands-on work experience, the institute mandates that students do an internship in an Indian Industrial core Company for a minimum duration of six weeks, over the summer following third year. This internship is included in the curriculum and carries credits.

To name a few well-known companies, we had McKinsey, Google, Microsoft, GE, Schlumberger, ITC, Price Water Coopers, Airbus, Honda and Shell Technology for campus placements last year.

The students of IITM join various kinds of industries viz. 1. Core Engineering, 2. Software/IT, 3. Manufacturing, 4. Consultancy, 5. Finance and 6. R & D laboratories

Since the recruitment scenario is constantly changing across the globe, multiple dimensions of skills have to be introduced to the students to make up employable man power. It thus becomes imperative that the students be guided about their

career choices not only in their final year but all through their study at IITM starting right from their first year. A new early career development programme is being setup for this purpose handled by trained professionals with able guidance from the faculty and alumni of the institute.

#### **Industry And Alumni Relations:**

IITM is actively involved with national and international organizations through its Centre for Industrial Consultancy and Sponsored Research (IC&SR). Set up in 1973, the IC&SR plays a vital role in bringing together industry professionals and the faculty of the institute for gaining insight and solving challenging problems. These joint efforts result in significant contributions to technology design and development, improved efficiencies in industrial performance and increasing impact on national development. Students are actively involved in all these efforts.

For more information please visit: <https://icandsr.iitm.ac.in/>

IITM enjoys a warm affectionate relationship with its over 30000 alumni located all over the world. The alumni have extended intellectual and financial support that has enabled the institute to build infrastructure for learning and living in its beautiful campus and also establish various advanced facilities. A contribution by an anonymous alumnus has enabled us to provide uniform financial support to all eligible and deserving students of B.Tech., dual degree, M.A. & M.Sc. programmes. Supplementary alumni funding also enables our students to attend international conferences, competitions, summits and workshops. Alumni also play an active role in facilitating student internships and placement in various organizations, as well in mentoring and supporting student-led enterprises.

#### **Recreational/Extra Curricular activities:**

IITM is a vibrant campus with lots of opportunities for students to get involved in co-curricular and extra curricular activities. With the establishment of Centre for Innovation (CFI) which is growing at a rapid pace and the availability of space in the Students Activities Center (SAC), there are as many as 25 different co-curricular and cultural clubs with about 2000 students registered with them. This demonstrates the students' involvement in such activities. These pave way for the students to develop their talents, passion and skills and also to showcase their abilities. Many explore new dimensions of their interests to discover their passion.

Many competitions and festivals are held. The prominent ones are the technical festival named Shaastra and the cultural festival named Saarang. There are many smaller scale versions of fests conducted by the clubs on campus. Apart from these, some departments also conduct special fests at different times in the year. Some of the prominent ones are CEA Fest, Exebit, Biofest, Amalgam, Forays, Wavez, Mechanica, Samanvay, and Chemclave.

Descriptions of some of these activities and facilities are provided below:

##### **Centre for Innovation (CFI)**

Envisioned to promote student invention and innovation, with a focus on technology environment, this 'student lab' at IIT-Madras was set up with funds donated by the Alumni batch of 1981. It is located in the building that houses the Central Workshop, in the middle of the academic zone. It hopes to make a positive impact to the environment and society with its contribution. This lab serves as an intellectual environment to provide facilities to the students to work on hands-on engineering activities. This lab supplements the engineering learnt in class with another important part of engineering, innovation and creativity.

Since its inception, CFI has played a major role in fostering student interest in technical activities, through the various projects that it has funded and supported. A few of them even being patented, owing to the social and economic impacts of the project. CFI has also been associated with several major, long-term projects and competitions such as Robocon and Formula-SAE. The Spirit of Engineering projects, displayed at Shaastra (Annual Technical Festival) are major highlights such as, the Yu- Fly VTOL Craft, Robo-fish, the paper suspension bridge (the world's longest paper bridge 11m in length), the automatic page flipper, have all been SOEs in the past. CFI fosters and channels students' interest through its various clubs such as the Ibot club, Auto club, Aero club, 3-D Animation club, Computer Vision group, the HAM Radio club and the Electronics club. In summary, CFI is a place where a student can 'walk in with an idea and walk out with a product'.

##### **Lit Soc activities**

Lit Soc is a yearlong inter-hostel battle royale. All the hostels go head to head over the course of the academic year and battle it out with each other trying to win different competitions in an effort to get the necessary points to take the Lit Soc cup home at the end of the year and be crowned champions. The various events have different points and special points are awarded to enthusiastic and talented freshers! Freshie events will also be held towards the beginning of the odd semester to initiate them into Lit Soc and give them a feel of how intense and enjoyable Lit Soc events can be. It is a matter of great pride for a hostel to win Lit Soc and as a resident of your hostel; it will be up to you to help your hostel win it.

##### **Tech Soc activities**

Very simply put, Tech-Soc was born as a tournament where hostels could compete against each other in all tech-related events for points, power and fame. Tech-Soc was started in 2005 and has since then grown steadily adding events to its repertoire every year. Together with Schroeter and Lit-Soc, it forms the three independent "Big" trophies that hostels competes for every year. However this year, we have something special in store. Tech-Soc is being re-envisioned as forum with a much wider reach than just inter-hostel events. It has now become the umbrella under which all tech-related student initiatives will be encouraged and nurtured. In the odd semester, various informal sessions like "Fundae" sessions, Tech interaction sessions will also be organized so that the first year students can learn about the tech world they are about to step into. Apart from these, there are various clubs related to the technical activities which one can join. For the tech-savvy we always have something or the other going on. You get to dirty your hands and build stuff on your own or participate in tech quizzes or watch the spectacle as the different hostels battle it out in tech-soc.

##### **C-TIDES**

The Cell for Technology Innovation, Development and Entrepreneurship Support (C-TIDES) acts as a platform that bridges the gap between established entrepreneurs and aspiring students of IIT Madras. In order to foster and encourage this spirit of entrepreneurs, C-TIDES, the entrepreneurship cell of IIT Madras, was established in 1998. The cell provides budding entrepreneurs with a platform to support them, thereby realizing their ideas and converting them to reality. Events and workshops are conducted all-round the year emphasizing at least one of the many aspects of entrepreneurship. So if you are a person who is constantly dreaming and striving to get the best out of things around, looking for places where you can make a difference, you are similar to a class of people opting for their own ventures in their careers and becoming entrepreneurs.

C-TIDES is something in between being a Student Club and an institute body. Though primarily a student-managed cell, it is mentored by professors, renowned entrepreneurs, and alumni. C-TIDES also organizes Breakthrough, a technical Business Plan competition and Genesis, which is one of the largest Social Entrepreneurial competitions in the whole world.

#### **Techno Entrepreneurial Social Initiatives**

IIT-Madras is well known for the diversity in the range of activities that its students and the administration take up. The Institute aims, not only at the academic development of its students, but also their overall development. IITM is actively involved in several initiatives which helps its students put their technical knowledge to practical use, encourages them to hone their interests, and also target at making a difference to the Society and Environment.

### **STUDENT CLUBS**

A large number of student-managed clubs are active in the institute. It is strongly encouraged that the students actively take part in at least a few of them. They play a key role in the all-round development as well as honing skillset. Further no prior knowledge is required in many of these clubs. A keen interest and enthusiasm is all that is necessary to participate and excel. These clubs act as pathways in developing hobbies to a higher level.

#### **Astronomy Club**

Enthusiastic about astronomy, gazing and studying stars? Then this is a must visit club for you, even if you don't have any prior knowledge of the subject. Theory sessions are organized, where interesting observations in astronomy and astrophysics are discussed. There are members having astrophotography equipment. Even a rookie can learn a lot from these sessions. Members of this clubs watch out for planets, open clusters, globular clusters, and galaxies.

#### **Data Analytics Club**

The newly-formed Analytics Club at the student-run Centre for Innovation, or CFI, through projects and workshops, helps students acquire the skills required to extract meaning from data, which can be put to use doing live projects with real-world data in partnership with companies in the field of analytics.

#### **Linux Users Group**

Also known as LUG, it is a club which provides support and education for Linux users (particularly inexperienced users). It also helps in promoting the use of open source software. Those with an interest in developing stuff need not worry. There are a few very good developers in the group. Lectures and workshops are conducted regularly for the members.

#### **Design Club**

The Design Club of IIT Madras is a great way to immerse yourself into the graphic design community. We intend to inspire you to become active and creative. You can meet other designers, present and share ideas, ask questions, talk about the latest design news, ask for critiques of your work and much more. Being active in a design community is also another great way to promote your own work and get your name out there. Above all it is also a learning platform for all the budding Graphic Designers. Anybody can become a collaborator of the Design Club by contributing designs and ideas by means of Blog posts, Facebook posts etc.

#### **Music Club:**

If you are a Music lover, then this is the ideal place. This is a club specially formed for promoting Indian traditional music in the institute. It strives to make students realize and appreciate Indian traditional (Carnatic) music. For the past 30 years, it has been responsible for bringing famous musicians to the institute. It is actively engaging the music enthusiasts with concerts almost every month. A series called ClassFest is also organized during which leading performers play. The budding musicians need not worry as Young talent is also encouraged and there are opportunities for them to showcase their skills.

#### **Institute Adventure Club**

"Adventure is not outside man. It is within." It is with the sole purpose of exploring this adventurous side of students that three adventure freaks started the club in 2011. The activities of the Club include trekking and cycling. Treks to Nagala, Tada, Talakona, Yercaud are organized by our organizers on a fortnightly basis. Cycling to Mahabalipuram, Kovalam beach, Elliots beach are organized on a monthly basis. Started in February last year, the club has already made 3 trips - 2 Trekking trips to the famous Nagala hills and 1 cycling trip to Kovalam. The club has also nurtured sister clubs in other colleges like NIFT, thus helping in socializing with other college students for greater exposure to the outside world. IAC gives you a great platform to interact with like-minded people who love adventure. Also, IAC seeks to help you out with ways and means to explore the unexplored and dare the daring! "It is only in adventure that some people succeed in knowing themselves".

#### **Quiz Club**

Quizzing has always been a popular pastime on IITM campus. Consisting of a bunch of people united by a common passion, the IITM Quiz Club conducts several quizzes throughout the academic year. Quizzes are conducted on a wide spectrum of topics, ranging from sports and entertainment to science and technology. The quizzes at Saarang and Shaastra (as well as LitSoc and TechSoc) are also organized by QC members. Whether you've quizzed before or are new to quizzing, this is a great way to meet people and have a lot of fun!

#### **Word Games Club**

Interested in quirky word origins, bamboozling anagrams and cryptic crosswords? If you love scrabbling, solving word puzzles and other teaser word games; if any friend of the English language is a friend of yours; if you never met a homophone that you didn't like; if the polymorphous intricacies of language enthrall you – then this is your "Mecca". Our

primary activities are Scrabble, Cryptic Crosswords and WTGW (What's the Good Word?) with a lot of other random word puzzles and the like. We meet every fortnight or so for WGC activities. We organize an insti Scrabble tourney, a national Scrabble tourney and a Crossie Open in addition to various activities for both Saarang and LitSoc.

#### **IVIL**

A completely student-run initiative, IIT for Villages (IViL) has been a life-changing experience for many. Whether it is helping women self-help groups or working towards rural sensitivity amongst urban students, IViLians have no boundaries restricting the scope of their work. With members across all batches and courses, the only prerequisite to joining the group is a desire and willingness to get down to the ground and understand grass root level reality. Whether it is the Integrated Knowledge Centre that IViL helped set up or cottage industries that it helps promote, IViL helps you make a difference in the lives of those around us, and grow in the process. Being an IViLian is known to help in more ways than one – seeing the India most IITians don't, sharing life-changing experiences and having stories to tell, learning to be proactive and always spreading the joy!

#### **Prakriti**

This is a group of environmentally conscious people, which mainly works towards making young students aware of environmental issues on our campus, our country and on planet earth. It also strives to preserve and improve the ecology of the IIT campus. The forum also strives to create awareness among the campus residents in preserving the endangered species that inhabit our campus.

#### **Oratory Club**

The perfect place for all the literature enthusiasts-this is the longest running literary club in the institute. As a completely student-managed club, it has helped a lot of students overcome their public speaking inhibitions and improve skills. Its informal nature has attracted all kinds of students. It creates an ideal platform wherein all the people can participate and learn a lot from each other. This club organizes JAM sessions, extempore, and a host of other activities. Spending time with this club guarantees to make you an orator and probably a good one at that!

#### **Colloquium**

The Colloquium is an informal student discussion forum that conducts open discussions on various current affairs and topics of social relevance. The forum seeks active engagement from its participants and promotes debate and exchange of ideas through weekly discussions. The forum maintains an active online presence in the form of a facebook page which serves as a hub for sharing interesting thoughts and articles, initiating and scheduling discussions.

#### **The Harvard US-India Initiative**

The Harvard US India Initiative or the UII, as it is called, is a new addition to the numerous student clubs that exist on campus. The UII seeks to foster interactions and long term cooperation between youth from the United States and India and to leverage these relationships to address socially relevant issues. The UII, has in its short span of existence, achieved significant results and we hope that the IIT Madras chapter will follow the trend.

#### **The Fifth Estate**

The Fourth Estate is defined in a dictionary as 'the press, including journalists, newspaper writers, and photographers'. As IIT Madras' official magazine, we are all this and more. The Fourth Estate that we represent comprises a bunch of mild-mannered doe-like sweet-souled beings who wouldn't dream of hurting a fly, unless of course the fly started it. Similar treatment would be meted out if the fly in question decided to interfere with our tireless striving towards bringing you the best of Insti's literary talents. The Fifth Estate, the online segment of The Fourth Estate, brings to you the latest on campus buzz and a forum to voice your opinions on campus.

#### **Chennai36**

Once at IITM, always at IITM! We never forget our alumni and constantly have them interviewed by correspondents on this blog. Alumni talk about their lives after their wonderful and enriching campus life and how they have strived to keep up the name of their alma mater. The Alumni Association has also started the 'I Love Insti' video series that captures every aspect of our beautiful campus life and culture.

#### **Reflections**

Per ception. Inr ospection. R etr ospection... Reflection. The transformation every human goes through - and to keep the spirit alive, up and fighting, Reflections was born. Reflections works towards bringing out various unexplored horizons that lie within and lead to better living. We are a team of people who, in our own way, are trying to help keep the spirits up and alive. Reflections conducts programmes to encourage discussions on issues pertaining to everyday life which have a far deeper impact than normally perceived. It brings out the "Reflections" magazine, which contains articles from alumni, professors and students. Many writers from outside the campus have been actively contributing every year. It provides a platform for expression to everyone. Talks, diverse topics, by speakers ranging from the fields of engineering to science to psychology are conducted, which encourage thinking and help in understanding things which we normally neglect in our day to day lives. Panel discussions are held to question, share, contradict and explain, and movies screened to touch, teach and inspire.

#### **EMLs (Extra Mural Lectures)**

As children, we admire; as adolescents, we aspire; as adults we perspire; and as responsible, successful citizens, we inspire. It is this inspiration that one gets in these lectures. One cannot achieve big without listening to people who have done it before. It is as they say; we shall not live long enough to learn from our own mistakes. We shall have to learn from others' too. The Extra Mural Lectures in IITM, cover diverse topics, and bring in people from across the globe; those people, who have been pioneers and who have received the highest honours in their fields. Where else do you get to interact with people so knowledgeable, so experienced and so successful? The faces that are closest you've been to through a television screen are brought before you to talk. These lectures unfold tales of unfathomable perspiration and unmatched genius. It is said that we cannot discover new continents with the fear of losing sight of the shore. We provide you with the tales of these conquests and much more...

#### **The Open Forum**

It is an ambitious plan to get students closer to professors and the topics of research undertaken by them. It is often characteristic of research that progress happens in steps and not in continuity. Be it the professors or their doctoral

students, many a times they're stuck at a stage which ranges from a conceptual hurdle to a tough mathematical equation to solve. Our proposal shall have these students/professors put these problems they face on an open forum such that it could be tackled by any student at IITM.

### **Leisure Time Activities Programme**

This newly formed programme offers activities related to learning various skills in a structured manner. These activities promote a student's personal development, independence and confidence apart from social skills. Offerings include leisure time courses such as, Introduction to Meditation, Psychology in Everyday Life, Beginner Painting, Appreciating Music, Appreciating Cinema, Blogging, Introduction to Writing, Robotics for Fun, Computer Generated Art, Coding in Java, Android programming, Unmanned Aerial Vehicles, Discovering India, English Speaking Skills, Mythology, Learn "language", Learn Cooking, etc.

The activities in the programme are planned, supervised, facilitated and guided by a leisure time activities coordinator.

## **CULTURAL AND TECHNICAL FESTIVALS**

### **Shaastra**

Shaastra is the annual technical festival of IIT Madras. True to its name, Shaastra (signifying 'science') is a celebration of science and technology; a confluence of minds and a melting pot of diverse disciplines. It provides a chance to unleash the engineer and scientist within us, providing glimpses of the elegance and scope of evolving technology.

Shaastra has so far seen 15 editions, having started in its current avatar in the year 2000. It is scheduled to be held over four days and four nights during the first week of January. Shaastra is a veritable engineer's paradise where fervent enthusiasts congregate, compete, learn and enjoy. Intense competitions, spectacular demonstrations, world-class lectures and a variety of informative workshops are just the tip of the iceberg. Shaastra attracts an immense number of participants from diverse technical, scientific and managerial backgrounds ranging from college students to graduates, from academicians to professionals, from design engineers to managers. The fest holds the distinction of being the first student managed event in the world to implement a Quality Management System and earn ISO 9001:2008 certification by TUV. This has been done to ensure that the standards of the festival are maintained at the highest level and assure our sponsors a consistent degree of exposure at Shaastra.

This is the platform to showcase our knowledge and enthusiasm. Shaastra is our way of celebrating our love for the spirit of engineering. And in the process we plan to give the visitors a show they will never forget. Shaastra has always been a phenomenal learning experience for the organizers and the participants alike. So at the end of the day we go back feeling much wiser and happier. Of course if you are not a hard-core techie, don't worry we've got you covered too. Just walk in for a pleasant surprise. Shaastra nights are the icing on the cake. Laser shows, fireworks displays and so much more each year, proving that you don't always need the know how to appreciate what science can do. This is just a glimpse of the sort of stuff we have in Shaastra every year. How much more you uncover is entirely up to you. So welcome, make yourselves at home, and remember don't be shy when it comes to revealing the engineer in you.

### **Saarang**

IIT Madras has seen a glorious 56 year journey, punctuated by many milestones – one of which was the advent of Mardi Gras, a pioneer student cultural extravaganza. Mardi Gras has the distinction of having hosted Uriah Heep, in one of their rare world tours, Buddha's Babies and even A R Rehman as a college student. Almost forty years later, the legacy lives on, albeit in a new avatar as Saarang

Saarang has always made heads turn. It is one of the largest cultural festivals in India attracting over 50,000 people from around the country. Held in the month of January every year, Saarang is commonly acknowledged as the mother of all cultural festivals, a reputation that we at IITM are honour-bound to uphold!

This five-day festival is the traditional meeting place for the young and those young at heart. Saarang is characterized by days jam-packed with enough events and competitions to make your head and your heart do cartwheels. Be it the theatre arts, musical displays such as Decibels or the laugh out loud wackiness of extempore and Just-A-Minute, Saarang always has the crowds screaming for more.

The mainstay at Saarang has always been the 4 Professional Shows, with past editions having seen performances by prominent classical artists such as Balamurli Krishna, Ustad Bismillah Khan, Pandit Hariprasad Chaurasia; international acts such as Opeth and Skidrow; as well as light music shows by Shaan, S.P. Balsubramanian, Shankar Ehsan Loy, Karthik, KK, Benny Dayal, Lucky Ali, Udit Narayan and Sonu Nigam.

Be it the Acoustics, Sound Systems, Stage or Seating Capacity, Saarang promises a memorable experience for everyone. A large fraction of the student community works around the clock for months to ensure a better Saarang each time around. Cherishing the support of a bevy of sponsors throughout previous years, Saarang has always managed to strike a chord with the people who flock to see it all happen.

On the events front, we cater to all genres. We have quizzes on all topics. We also have other exciting events like WTGW, Picto and Tinto blend into Pot Pourrie along with DumbCs, painting and modelling apart from theatre, speaking events, creative writing, music and so on. So just turn up, let loose and figure out what floats your boat because this truly is the place to be!

## **SPORTS ACTIVITIES AND FACILITIES**

### **Sports**

Sports at IIT Madras generates a lot of enthusiasm, not only from within the campus, but from other colleges in the city and the country as well. The academic calendar is packed with sporting events, intra-hostel and inter-hostel events, inter-collegiate and inter-IIT tournaments. All hostels actively compete to win the coveted Schroeter Cup which is the Inter-Hostel sports championship.

The institute has excellent sporting facilities in the campus which include:

- IIT-Chemplast Cricket field.
- Athletics stadium
- Four synthetic floored Tennis & wood-floored badminton courts
- Three flood-lit synthetic floored basketball and three volleyball courts

- A Swimming pool of Olympic standards
- Hockey & Football fields with flood-lights.
- A well-equipped Gymnasium
- Two newly constructed world class Squash courts

All this, combined with the untiring commitment and enthusiasm of the student community, with encouragement and guidance from the faculty has created tremendous opportunities for students to hone their talents. It is no wonder then that tournaments in IITM have continued to draw teams and colleges from all over the country.

Blessed with a sprawling and spacious campus, IITM has the facilities to cater to the most active sportsmen and sportswomen.

#### **Intra-Hostel and Inter-Hostel Competition**

During the course of the year, all the hostels compete for the 'Schoeter' (pronounced as "shroy-eter" ... read more about it on the IITM sports website) – a trophy for the best hostel in sports. So fierce is the competition, that you might just be reminded of an India-Pakistan Cricket match! You have got to witness it to believe it. In September, every year, the institute hosts Sportsfest, an intercollegiate meet for local colleges, in Tennis, Volleyball, Basketball, Hockey, Football, Table Tennis, Badminton and Aquatics. Other specific sports events are also hosted such as SanmaK tournament for cricket where the insti-cricket team plays with different clubs and GF&KR (Gerhard Fisher and Kokila Rajaiah) All-India Basketball tournament for men and women.

The even semester (Jan – May semester) arrives and you have a feast of informal events starting from 6-a-side hockey, 3-a-side-baski, 6-a-side footer (football), 9-a-side cricket, 3-a-side volley and so on. All this and more await you— a seemingly endless list of events—all played at Sangam (look up campus map to locate it!) under floodlights. The Gymkhana Day marks the culmination of all the sports activities for the academic year. Sign of true celebrations is sure to erupt from the Schoeter-winning hostel.

One sec... Where does it all begin?? Where do you start off if you are like a no vice in sports? Well, the answer won't lie far away once you are in the hostel. In addition to a playing area within its quadrangle where Cricket, Football, Hockey, etc. are played, every hostel has facilities for TT, carrom, chess, volley ball and baski. There is nothing to be bashful about being a beginner. Every year, there are a few people in every sport team, who had started playing only after they came to the institute, and learnt to play well enough to represent the institute in INTER-IIT, one of the highest honours in sports that an IITian sportsperson can hold. Everyone has to make a beginning somewhere. Use the available resources to the fullest!!

#### **Inter-IIT Sports**

Held annually by rotation among the IITs, the Inter-IIT meets aim at promoting the interaction between students of the various IITs and encouraging sportsmanship. The meet is held in December after the end of the odd semester. IIT Madras had hosted the event a couple of years ago in conjunction with its Golden Jubilee celebrations. A General Championship (GC) is awarded to the team with the best performance in the Inter-IIT Sports meet and the Inter-IIT Aquatics meet (held in October). In these games, a fierce competition coupled with a great spirit of sportsmanship mark these as the most memorable moments of any IIT student life. It is during this week-long event, that IITians get perhaps their only opportunity to meet and interact with students from other IITs. IIT Madras has excelled continually at these games, winning the general championship (GC) eleven times in a row in the past. IIT Madras has a great history in Inter-IIT with over 19 wins in the 47 meets, thanks to an excellent performance of IITM students.

#### **Location and Accessibility:**

IIT Madras campus is located on the Sardar Patel Road, about 12 kms from Chennai Central Railway Station. The notable landmarks around our campus are the Guindy Snake Park adjacent to the IIT main gate, Gandhi Mandapam (Anna University stop), Madhya Kailash temple and the Central Leather Research Institute (CLRI) campus directly opposite to our campus.

## About the Institute:

IIT Gandhinagar strives to offer the best undergraduate engineering education in India with unmatched innovations in curriculum. A five week immersion Foundation Programme for all new undergraduate students is designed to nurture creativity, communication skills, ethics, teamwork, social engagement and physical fitness. To promote critical thinking and an appreciation of the interdisciplinary character of knowledge, students take almost 20% of their coursework in the humanities and social sciences – nearly twice the proportion of other leading engineering colleges in the country – as well as courses in design and the life sciences. We empower our students to discover and pursue their passion with the most liberal branch change policy among all IITs, an emphasis on project based learning and options for minors. The IIT Gandhinagar undergraduate experience stresses diversity and globalization. Fully one third of the undergraduate students from the last three batches availed educational or internship opportunities abroad.

## Campus

IIT Gandhinagar (IITGN) is moving to its permanent campus on the banks of the Sabarmati river near the twin cities of Ahmedabad and Gandhinagar over the next few months. Ahmedabad consistently ranks as one of the best cities to live in India in several major national surveys, and has excellent infrastructure, thriving industries, prestigious academic and research institutes, including the Indian Institute of Management, the National Institute of Design, Physical Research Laboratory, etc. It not only has a vibrancy and ambiance that fosters excellence and entrepreneurship, it also has deep cultural roots and played a central role in India's independence movement.

The first phase of constructions on the permanent campus includes well-furnished hostels, classrooms, library, laboratories, auditoriums, social and interactive spaces, playgrounds, faculty and staff housing, a few shops and other basic infrastructure. With over 3 kilometers of river front, a combination of ravine landscape and flat areas of land, a rich biodiversity, earthquake-resistant confined-masonry construction, the IITGN campus has numerous unique aspects to boast about. The campus has been designed to bring out the vibrant, energetic, interdisciplinary and interactive character that marks its academic programs.

## Other important information about the Institute

### Innovations at IITGN:

IITGN aspires to be a leader and a trend-setter in education. In this endeavour, it enthusiastically encourages novel educational initiatives consistent with the core values, mission and vision of the Institute. Some of our recent initiatives are outlined below.

**Foundation Programme for Self Development:** IITGN recently introduced a Foundation Programme that requires all new undergraduate students to undergo an intense five-week immersion programme to develop their life-skills. The programme helps students make a smooth transition from the days of single-minded preparation for the JEE to a new phase in life that will ultimately shape them as well-rounded human beings, outstanding engineers and responsible citizens. This programme focuses on nurturing creativity, communication skills, ethics, teamwork, and includes various games and workshops on theatre, an appreciation of architecture, arts, etc.

**International Faculty:** The Institute has recruited its full time faculty from some of the world's leading institutes, such as CalTech, Carnegie Mellon, Purdue, Cambridge, Michigan, Vanderbilt, Texas Tech, Berkeley, Cornell, Illinois, Max Planck, Harvard, Warwick. A vigorous visiting faculty program and a flexible short course structure exposes students to scores of the most prominent scholars and professionals from all over India, as well as the United States, France, Portugal, Switzerland, Singapore, Canada, New Zealand, etc.

**Comprehensive Viva-Voce:** The Institute has introduced a comprehensive viva-voce to identify the talents and weaknesses of students. The students are encouraged to pursue their talents vigorously and to address areas of concern. This is a mandatory activity conducted every semester for all undergraduate students by a panel of faculty and

enables the Institute to establish one-on-one connections by giving attention and feedback to each individual, and assess our teaching-learning ambience.

**Emphasis on Physical Education:** With firm belief in the truism that a healthy mind lives in a healthy body, the Institute has introduced a demanding physical education regimen into its curriculum. All undergraduate students must engage in formal sports activity at least five days a week during the first two semesters at the Institute. This programme has been exceedingly effective in rekindling a passion for sports and outdoor activities among students and is reflected in IITGN's performances at IITGN Sports Meets.

**Short-Courses:** IITGN has started a Short-Course Series for the well-rounded growth of its students. Each shortcourse runs for 8-10 hours and is conducted by a guest scholar on a topic different from the subjects in the regular curriculum. Students earn one credit (listed in the grade card) for each short course, which is voluntary. Recent short courses have been conducted on Indian Democracy, Entrepreneurship, Energy Efficiency, Literature, and Cosmology.

**Project-Based Learning:** The Institute places great emphasis on students undertaking projects of interest to them outside the curriculum. Students have been involved in exciting projects in Fire Engineering, Low-cost Mechanical Gadgets, Biomedical Engineering and the like, under the mentorship of faculty from the institute, as well as scholars and corporations at top institutions worldwide.

**Earn-While-You-Learn Programme:** Undergraduate students help in the library, computer centre, and in grading assignments under an optional earn-while-you-learn programme that provides financial help, instills the value of the dignity of labour, and builds the self-esteem of participating students.

**Peer Assisted Learning:** This programme is to help those first year B.Tech students who face difficulties in adapting to new culture and medium of instruction in their coursework. It is built on the philosophy of engaging students in learning outside the classroom by seeking help from peer educators. The students engage with their seniors in active conversations on topics related to their curriculum. It has been also extended to second year students who may still need help.

**Dean's List:** The institute recognizes students' performance in academics through a Dean's list each semester as a confidence building exercise and also as a tool for encouragement of students to realize their true academic potential. Nearly 25% of the undergraduate students are expected to receive this appreciation every semester.

**Awards to Students for Research Publications:** The institute places significant emphasis on undergraduate research and considers participation in research activities critical for the holistic growth of students. Undergraduate researchers who publish in peer-reviewed journals are eligible for cash awards. All undergraduates receive financial assistance to attend conferences and for research-related travel.

**Industry Visits:** Each student is encouraged to go for industry visit at least two times in each semester, which provides real life exposure to professional world. The Institute has connected with several industry partners to facilitate that. It also provides financial support for these visits.

**IIT Gandhinagar Explorer's Fellowship:** IIT Gandhinagar Explorer's Fellowship engages students to undertake travel to explore different places and come to know things in new ways. This fellowship is intended to introduce students to cultures, people, and areas of India with which they are not familiar. Under this, fellows make powerful connections and find opportunities to foster dialogue with people from different walks of life. The fellowship amount is upto Rs.50,000/-.

No provision of late registration for new UG students.

**Fee Structure:**

\_A- Total Fee : Rs.68,750/- which includes:

- \_1) One Time Admission Fee - Rs.4,000/-
- \_2) Refundable Security Deposit- Rs.5,000/-
- \_3) Semester Fee- Rs.59,750/-

\_B- Mess Fee: Rs.13,000/- per semester.

**Academic Structure:**

IIT Gandhinagar offers 4-year B.Tech programmes in Chemical, Civil, Electrical, Mechanical and Materials Science & Engineering and M.Tech, PGDIIT and Ph.D programmes in several engineering, science, humanities and social science disciplines. The Institute has introduced a futuristic undergraduate curriculum keeping in mind the urgent need to develop

engineers and problem solvers for the 21<sup>st</sup> century.

**Curricular Initiatives:** The brand new curriculum is a significant departure from any other engineering curriculum in the country. It focuses on the overall development of students and has a significant component of humanities and social sciences, compulsory coursework in the life-sciences, exposure to design and creativity, and it provides flexibility to students with several options for Honors/Minors.

## Credit System

The credit system at IIT Gandhinagar is as follows:

Letter Grade	Grade Point
A+	11
A	10
A-	09
B	08
B-	07
C	06
C-	05
D	04
E	02
F	00
S	Satisfactory
U	Unsatisfactory
I	Incomplete

- The SPI/CPI at the end of any semester shall have a maximum limit of 10.
- Grade "P" refers to passing in course and is not counted in CPI/SPI calculations.
- Minimum passing grade is D.
- The letter grade E may be considered as sufficient exposure to satisfy the prerequisites of another course, where applicable.
- Grade I is a place holder grade and gets converted to an appropriate grade before the commencement of the next semester.

### Rules For Change Branch:

To provide an environment where students are free to develop their passions, IITGN has adopted the most liberal policy for branch changes at any IIT after the first year. Virtually all students are given an opportunity to switch to a discipline of their choice in the second year. We also have created a formal structure to convey the excitement, promise, and relevance of each branch of engineering to our students. This is probably the first time in the history of the IIT system that such a policy has been successfully implemented.

After successful completion of the first two semesters, students may apply for branch change under the following guidelines:

1. 1. Any student with a CPI 9.50 or higher is allowed a change of programme without any restriction.
2. 2. For others, change is permitted in order of merit determined by their CPI. Students with a CPI of 6.50 or higher and without any fail grade/backlogs are eligible to apply.
3. 3. The request for change (in the order of merit) for a student (say S1) from programme A to programme B will be considered so long as:
  - (a) Strength of programme B does not exceed by more than 10% of the sanctioned strength for that programme.
  - (b) Strength of students on the rolls in programme A does not fall below 50% of its sanctioned strength.
  - (c) The request of S1 will be re-considered (*again in order of merit*) if another student transfers to branch A, provided this re-consideration does not violate (b) above.
4. 4. All such transfers can be effected only once at the beginning of the second academic year. Applications for change of Programme during subsequent academic years are not entertained.

### Student Life at Institute:

Students are major stakeholders of educational institutions. The growth of the Institute is therefore heavily dependent on their academic, social and emotional wellbeing. IIT Gandhinagar is committed to the welfare of the students and ensures that they have opportunities to grow academically, develop leadership skills and understand core values of life. Along with rigorous academic training, students are encouraged to pursue curricular and extracurricular activities. IITGN is liberal in its outlook, informal in its interactions and uncompromising on its values. We are not averse to failures but we refuse to be let down by them. IIT Gandhinagar supports students to pursue their dreams and aspirations. The students are encouraged to have convictions and opinions; take decisions and be responsible for it. IITGN ensures that all students have opportunities for a holistic development.

More information available at: <http://www.iitgn.ac.in/student.htm>

### Training & Placement:

IITGN graduates testify to the success of its vision and mission. Nearly 60% voluntarily opted to add a minor or honors to their B.Tech. Nearly 30% availed educational or internship opportunities abroad. One in four graduating students is pursuing a master's or doctoral degree. Over 15% are headed abroad to some of the world's finest research institutions, including CalTech, Stanford, Notre Dame, Michigan, Houston and Imperial College.

Our graduates were recruited by major industries such as Ricoh, BPCL, DRDO, ONGC, Grasims, TCE, Finisar, JCB, etc. Backed by the training and support of the institute's Career Development Cell, students at IITGN regularly interact with experts in the industry and IIT alumni, thus staying abreast of the needs of the job market. The Placements Cell brings companies spanning management, research and IT, in addition to core engineering, to meet the diverse aspirations of students. Its graduates have been recruited by Microsoft, Flipkart, Timetooth, DRDO and other leading organizations.

The Career Development Service (CDS) provides a platform to students to enhance and groom their professional skills and demeanor. Through various workshops and events with eminent external speakers, the CDS exposes students to a wide range of career opportunities and assists them in making informed decisions about their careers. The mission of CDS is to be a catalyst in the development of students to become leaders in a technologically based global ambience.

#### Location and Accessibility:

The Ahmedabad/Gandhinagar area has been listed as the 19th most rapidly growing city in the world. Ahmedabad is also ranked as one of India's safest cities. It boasts uninterrupted water and electricity supply throughout the year. Several supermarkets, vegetable stores, and neighbourhood shops are located in the vicinity of the Institute. The area around IITGN campus is undergoing major urban expansion with the construction of many high-rise condominiums, apartment complexes and malls.

The campus is easily accessible from both the railway station and airport in Ahmedabad. A taxi ride from the airport to the campus costs about Rs 350. Auto rickshaws are the most common form of transportation; a typical fare from Ahmedabad Railway Station to campus by auto rickshaw is about Rs. 120. The city is also well connected by BRTS, a bus rapid transit system that circles major spots throughout the city.

Ahmedabad airport has numerous domestic and direct international flight connections to Doha, Dubai, Bangkok, Singapore and Newark, which serve as global hubs for other international destinations. It is very well connected by rail and road networks to other cities in India. The World Bank recently recognized the highways in and around Ahmedabad as model road transportation infrastructure for emulation by other cities. The construction of a metro subway rail link between Ahmedabad and Gandhinagar is presently underway.

There are several banks within a half-kilometer radius of the Institute. The IIT Gandhinagar branch of State Bank of India is located across the street from the campus. The post office is also close to the Institute.

## About the Institute:

Indian Institute of Technology Patna was established by an Act of Parliament in 2008 along with 8 new IITs. Initially it was under the mentorship of IIT Guwahati. IIT Patna has successfully created a niche for itself in the area of academics and research within a short span of time. The institute infuses new and fresh energy and vigor in a region that has been a centre of knowledge since ancient times. IIT Patna aims to bring prosperity and enhancement to life through quality and holistic education and pioneering research. With a group of faculty who has wide range of academic and research experience, IIT Patna is successfully running B.Tech., M.Tech. and Ph.D. programmes in Engineering, Sciences and Humanities. The Institute aims to encourage collaborative activities along with leadership skills among students. Students are encouraged to participate in various co-curricular activities and visits to nearby industrial units help in honing their skills and knowledge. The institute aims to take students into a world of discovery, innovation and self-reliance which will lead to inclusive development not only of the individual but also of the society at large.

#### Academic Structure:

IIT Patna offers B. Tech. programmes in Computer Science and Engineering, Electrical Engineering, Mechanical Engineering, Civil and Infrastructure Engineering, and Chemical Science and Technology. The current student strength enrolled in undergraduate programs is 533. The first batch of our B. Tech. students graduated on June 15, 2012. Active doctoral programs are being offered in all the departments with 140 students currently registered in various departments. A total of 85 students are currently enrolled in the M. Tech. program in the following five areas: (i) Communication System Engineering (offered by the Department of Electrical Engineering), (ii) Computer Science and Engineering (offered by the Department of Computer Science and Engineering), (iii) Mathematics and Computing (offered by Department of Mathematics jointly with Department of Computer Science & Engineering), (iv) Mechatronics (offered by Department of Mechanical Engineering jointly with Department of Electrical Engineering), and (v) Nanoscience and Technology (offered by Department of Physics jointly with Department of Chemistry). From July 2014, three new M.Tech. programmes are going to start in the areas of: (i) Civil and Infrastructure Engineering, (ii) Materials Science & Engineering, and (iii) Mechanical Engineering. New and interesting courses like Entrepreneurship, Infotainment, etc., have been added to the B.Tech. curriculum.

#### Rules For Change Branch:

The Institute may permit a B.Tech student to change from one branch of study to another after the first two semesters, subject to certain conditions, some of which are given below:

1. Only those students will be eligible for consideration of a change of branch/ programme, who have completed all the common credits required in the first two semesters, in their first attempt and with a CPI of not less than 8.00 and without having had to pass any course requirement in the summer term examination.
2. Applications for branch change must be submitted in the prescribed format to the B.Tech Coordinator/Prof Incharge, UG studies at the end of the second semester of each academic year by the last date specified in the notification.
3. Students may enlist up to three choices of branch, in order of preference, to which they wish to change over. It will not be permissible to alter the choice after the application has been submitted
4. Change of branch shall be made strictly in order of merit of the applicants (CPI obtained at the end of the second semester). In case of a tie, JEE rank of the applicants will be considered
5. The applicants may be allowed a change in branch, subject to the limitation that the strength of a branch should not fall below the existing strength by more than ten percent and should not go above the sanctioned strength by more than ten percent
6. All changes of branch made in accordance with the above rules will be effective from the third semester of the applicants concerned. No change of branch shall be permitted after this

#### Faculty:

The IIT Patna is currently running with over seventy seven members in the faculty and the staff strength of over eighty. Hiring of more faculty members is in progress. The members of the faculty come with a wide range of academic and research experience. They come with academic and research training from various institutes of excellence within the country and abroad. The recent publication record of the faculty with several practical constraints appears to be outstanding. It includes many national and international journals of repute. The research and development program of IIT Patna is supported by many funding agencies within the country. Several projects have been funded by many government and industrial research bodies.

**Facilities:**

All classrooms of the institute are equipped with modern audio-visual electronic gadgets. The main building has state-of-the-art laboratories in Computer Science, Electrical Engineering, Physics and Chemistry. It also houses Computer Centre with total 1 GBPS (provided by NKN) internet connections and adequate server infrastructure. Laboratories in Basic Electronics, Analog Electronics, Digital Electronics, VSLI, Control, Instrumentation and Communication are also located in this building. The building also has a central library, the administrative office, a dispensary and faculty chambers. The central library is stocked with sufficient number of text and reference books. Online access to various technical and scientific journals under the INDEST-AICTE consortium is available. The STPI building of IIT Patna has a conference room, a class room, a Training and Placement Cell and faculty chambers. Besides this, it has two laboratories namely Hardware Lab of Computer Science and Engineering Department, and Digital and Signal Processing Lab of Electrical Engineering Department. The Mechanical Engineering Workshop building houses all the Mechanical Engineering Laboratories, viz. Basic and Conventional Manufacturing Lab, Advanced Manufacturing Lab, CAD/CAM Lab, Dynamics Lab, Fluid Mechanics Lab, Heat and Mass Transfer Lab, Instruments and Control Lab, IC Engines Lab, Material Testing Lab, Metrology and Metallographic Lab, Robotics Lab and Polymer engineering Lab. The Electrical Engineering workshop building has an Electrical Machines Laboratory and an Advanced Electrical Engineering Laboratory. The Science block has well equipped classrooms with modern teaching gadgets, faculty chambers and advanced laboratories for Physics, Chemistry and Mathematics departments. This includes Materials Research Lab and Optics Research Lab of the Physics Department; Chemistry Instruments Lab, Chemistry Research Lab and Bioscience Lab of the Chemistry Department and Computational Research Lab of the Mathematics Department. All these Labs are home for numerous state-of-the art equipments. IIT Patna has recently developed three highly sophisticated virtual classrooms equipped with ultra modern electronic gadgets funded by Department of Information Technology, Government of India, under the National Knowledge Network project. These classrooms add to the concept of virtual classroom where one can learn something from the teacher who is teaching remotely.

**Student Life at Institute:**

In IITP education, collaborative activities and development of leadership quality are important. In this respect we encourage sports and cultural activities in this institute. We have playgrounds for Volleyball, Cricket, Badminton, Basketball etc. and many indoor game facilities. IIT Patna is developing more facilities in the coming years. Students have participated in the inter IITs Sports Meet. Also, several cultural and technical fests are being organized each year. For example, we successfully organized ANWESHA '14 where IIT Patna invited few top technologists from India and abroad and various technological programmes were organized. An Entrepreneurship Week was organized in the first week of March 2014 where special lectures from top brass of the industries were arranged. Besides these, there are a large number of clubs including Rural Technology Development Club, Cultural Club, Literary Club, and Environmental Club which organize a variety of activities round the year.

### **Financial Assistance:**

The Institute provides Merit-cum-Means Scholarships to B. Tech students on merit basis and to those having financially weak backgrounds. Also, a brotherhood fund has been created to help financially weak students.

### **Training & Placement:**

Training and Placement Cell (TPC) of the Institute actively engaged in developing relationship between various industrial organizations and employers of technical and scientific manpower. The Placement Cell is engaged in summer internships for the pre-final year and placement activities of the final year B.Tech. and M.Tech. students, who would be completing their degree in May, 2014. The Placement office is fully equipped for the placement procedure at every stage. Arrangements for placement activity are handled by the staff and the student coordinators at the placement office. We are well equipped with conference halls to conduct pre-placement talks and tests; video conferencing facilities; well-furnished air-conditioned rooms for interviews and group discussions and a fully computerized office. The Institute intends to achieve cent percent placement for the graduating students and for which the Cell emphasizes on the developing students' soft skills like verbal communications, personality development and general awareness for better performance in the interview boards. The Cell organized several lectures, workshop on Pre-Placement training and demonstration by experts to the students for the development of these skills. A training and placement brochure is published by the TPC for circulation to the prospective employers including several private companies, public sector undertakings and government agencies. The summer internship for a period of 8 weeks is compulsory component of all the branches of B.Tech. Curricula for pre-final year students. The cell has been actively involved in placement of the final year graduating B.Tech students of second batch admitted in year 2010 and M.Tech. Students admitted in year 2012. The campus placement session started in September 2013 with reputed companies like Google, Indian Navy, Samsung, Amazon, Microsoft IDC, Hero Motocorp Ltd , Cisco Systems, Finisar Malaysia, TCS Innovation Lab, DRDO, Bank of America, Masamb Electronics, Tricon Infotech and IBM. Out of 98 B.Tech. students registered for placement, 61 have got placed in 25 companies. The highest package was offered by Epic of INR 62.00 lakhs per annum. The highest number of offers were made by Amazon, Hyderabad (7) followed by Samsung SISO, Bangalore (6), IBM, Kolkata (6), Transweb Educational (6), and CISCO Systems, Bangalore (5). The other 20 technological, consultancy and financial companies who recruited our graduates ranged from 1 to 4. The average salary package is INR 9.52 lakhs per annum.

### **Industry And Alumni Relations:**

IIT Patna Alumni Association has conducted two Alumni meet. <http://www.iitp.ac.in/alumni>  
The IIT-Patna students also interacted with their former batches through video-conferencing. Anandghan Waghmare, an IIT-Patna alumnus (2009-13) who is working as software engineer at Cisco System, Bangalore, talked to his teachers and friends through video chat. Waghmare came up with the idea of building a smart phone for the visually challenged. Bangalore-based Gagandeep Singh, the President of India Gold Medallist of his batch (2008-12), shared his views on the life he had spent at IIT-Patna's computer science and engineering department.

Students of IIT Patna have opportunities to visit Indian Industries/Organizations like C-DAC, DRDO, Microsoft, TCS, HP, CMERI, Reliance Communication, LG, BOSCH, Hyundai Motors, Tata Motors, IOCL, ONGC, Bajaj Auto etc. for summer internship. To strengthen the industrial relation IIT Patna has also started establishing incubation center.

In order to promote research, we have a research scholars' day where we ask our senior research students to make poster presentations and defend their work in front of the external experts and open forum. In a very short span of time Institute has established relationship with various industrial as well as research institute in the national/international. To name a few list includes BRNS(DAE),DST,NRB,BCD(GoB), SERB (DST), CSIR, DEIT,UNICEF.

### **Recreational/Extra Curricular activities:**

The Students' Gymkhana, which is the students' governing council that consists of representatives elected by the students, organises a plethora of cultural, technical and sports events all-round the year to facilitate a holistic learning experience for the IITP student community. The institute has developed basketball court, volleyball court, badminton court (indoor), cricket pitch, football ground etc. There is an also multi-station gymnasium facility for boys'and girls'in their respective hostels as well as in the Gymkhana building. Coaches of different discipline are hired in order to provide best possible training to the students to improve upon their skills. To promote the co-curricular activities and interests, the gymkhana has many clubs and groups dedicated to the interests of the students. Round the academic session, Inter-Hall and Inter-Department games were organized in which students participated in maximum number in all sports activities. Girls also took part in various sports activities like Badminton, Table Tennis etc. They also took part in Inter College Football, Inter College Cricket and Inter College Basketball tournament organized by different IITs and other educational institutes. The House of Socio-Cultural Affairs (HOSCA) or the Cultural Club as it is more commonly referred to ascended aggrandized steps and touched a new zenith. Conceived in 2009, the Club that counts more heads than other clubs in the campus successfully organized various events throughout the year, carrying forward the foregoing tradition. Nebula, is being celebrated on sixth of August as the Foundation Day. HOSCA also put together a cultural night full with a fashion show, a comical stage play by the fresher's and a dance performance by the students to celebrate the fresher's day – Nebula.

### **Location and Accessibility:**

Patna is well connected to other parts of India by road, rail and air. The institute is approximately seven kilometers away from the Patna Junction and eight kilometers from the Loknayak Jai Prakash Narayan International Airport Patna.

### About the Institute:

Indian Institute of Technology - Roorkee is among the foremost Institutes of national importance in higher technological education and in engineering, basic and applied research. Since its establishment, the Institute has played a vital role in providing the technical manpower and know-how to the country in pursuit of research. The Institute ranks amongst the best technological institutions in the world and has contributed to all sectors of technological development. It has also been considered a trend-setter in the area of education and research in the field of science, technology, and engineering.

Indian Institute of Technology Roorkee, the successor of the University of Roorkee, is the oldest technical institution in the country. Established as the Roorkee College in 1847 and rechristened as the Thomson College of Civil Engineering in 1854, it made tremendous contributions in the development of infrastructural base of the country, to mention few as roads and highways, canals and irrigation networks, railways and engineering industries. Recognising its outstanding contributions and its potential for growth, the college was elevated to be the first Technical University of India on November 25, 1948. Nurtured as the premier institution by the State of Uttar Pradesh, the University was declared an Institute of National Importance and converted into the Indian Institute of Technology Roorkee by an Act of Parliament with effect from September 21, 2001. Today it cherishes the history as an institute 169 years old, served as University of Roorkee for 67 years and as IIT Roorkee for 15 years.

The Institute admits students to B.Tech. and B.Arch. courses through the Joint Entrance Examination Advanced (JEE-Advanced) and Architecture Aptitude Test (AAT) respectively conducted at various centres spread all over the country and at an overseas center Dubai.

The Institute offers Bachelor's Degree courses in 12 disciplines of Engineering and Architecture and 4 integrated Masters programme in different disciplines of engineering and science apart from 56 Postgraduate courses in various disciplines of Engineering, Applied Science, Architecture and Planning. The Institute offers doctoral degree in all Departments and Research Centres.

IIT Roorkee is one of the biggest technical institutions in the country having the largest number of academic units. It has 21 academic departments covering engineering, applied sciences, humanities & social sciences, and management programmes, 1 academic centre, 3 centres of excellence, 7 academic service centres and 3 supporting units.

### Vision

To be the fountainhead of new ideas and innovations in science and technology and continue to be a source of pride for all Indians.

### Mission

To create an environment that shall foster the growth of intellectually capable, innovative and entrepreneurial professionals, who shall contribute to the growth of Science and Technology in partnership with industry and develop and harness it for the welfare of the nation and mankind.

#### • Core Values

- Academic integrity and accountability,
- Respect and tolerance for the views of every individual,
- Attention to issues of national relevance as well as of global concern,
- Holistic understanding, including knowledge of the human sciences,
- Appreciation of intellectual excellence and creativity,

- An unfettered spirit of learning exploration, rationality and enterprise, and
- Sensitivity to social responsibilities.

**Academic Structure:**

The academic activities of the Institute are spread over three campuses: (i) 365 acres main campus at Roorkee, (ii) 25 acres campus at Department of Paper Technology (Saharanpur) and (iii) 10 acres campus of Greater Noida Extension Centre at Greater Noida. The Institute offers 12 undergraduate programmes leading to Bachelor degree in different disciplines of engineering, technology and architecture, one Integrated dual-degree programme, 4 Integrated Masters programmes in different disciplines of engineering and sciences and 56 postgraduate programmes in specialised areas leading to Masters degree in technology, architecture, sciences and management. In addition, the Institute is engaged in advanced level research, and offers doctoral & postdoctoral programmes in the areas of cutting edge technologies and sciences.

The Institute has a highly qualified and motivated faculty of about 450 teachers who are engaged in both teaching and research. They also offer their expertise through consultancy services to private and public sector industries as well as various government agencies. The Institute has at present about 4500 undergraduate students, 2100 postgraduate students and nearly 1500 Ph.D. scholars including overseas students from several countries.

A number of academic and service centres are engaged in interdisciplinary research and many collaborative programmes exist between the Institute and other Institutions in India and abroad. The teaching and research work at the Institute is amply supported by central facilities, such as the Central Library with more than 3.8 lakhs printed volumes of books, journals and periodicals. The Central Library is a member of the Indian National Digital Library in Engineering Science and Technology (INDEST) Consortium. The membership provides online access to about 13000 e-journals. Important centres on the campus include: Educational Technology Cell, a modern Institute Computer Centre, an Institute Instrumentation Centre with high quality analytical instruments and an Information Superhighway Centre with wide-band internet connectivity.

The Institute prepares students to meet the ever-increasing technological and social challenges with its traditions of self-discipline, hard work, all round personality development and a creative approach to problem solving. Extensive infrastructure exists to imbibe and cultivate these attributes amongst the students. To maintain the highest standards, the Institute has recently introduced major changes in its undergraduate curricular structure, with emphasis on greater flexibility and interdisciplinary courses.

The Institute has procured a large number of state-of-the-art equipment and various other facilities, thus updating and modernizing its laboratories. All the Departments of the Institute have modern laboratories equipped with sophisticated facilities. Some of the state-of-the-art facilities available include: Atomic Force Microscope, Broadband probe, LCNMR MS, Thermal Ionization Mass Spectrometer (Triton T1 from Thermo Finnigan, U.K.) for high resolution isotope ratio determination, X-ray diffractometer (Bruker, Germany), Thermal Analysis System for TGA, DTA and DSC studies. Other sophisticated facilities and laboratories at different departments are Climatology Laboratory, Protein Biochemistry and Analytical Biotechnological Laboratory, Process Dynamic Control Laboratory, Advanced Manufacturing Laboratory, Ultra Clean Laboratory for Geochronology isotope Geology, Corrosion Engineering Laboratory, VLSI Design Laboratory, Wind Tunnel, etc. A fully computerized satellite earth station and an automatic satellite data acquisition system have been installed at the Institute which can acquire data from more than twenty neighbouring countries.

A large number of distinguished organizations interact with the Institute through research and consultancy services, which bears testimony to the important role being played by the Institute in the national development. The Institute also offers, on request, tailor-made short-term continuing education programmes, specifically for personnel from industry and service organizations.

The Indian Institute of Technology Roorkee has a fully residential campus at Roorkee and Saharanpur for the students and the faculty. The Institute campus hums with diverse creative activities, which constantly serve to bring students and the staff in close contact, thereby fostering an all round intellectual development. On visiting the campus, one is struck by the elegance of the main building of renaissance style, spacious lawns and sports grounds. The Institute campus has an excellent gymnasium, covered badminton and squash courts, lawn tennis courts, an Olympic size swimming pool, largest number of Billiards Tables, and numerous recreational and pastime centres, like the Students' Clubs, Hobbies Club, Boat Club, Cultural Society and an Institute Cinema Club. The students are housed comfortably in hostels with excellent dining facilities. A fairly equipped Institute Hospital caters to the health needs of the campus community.

The Institute organizes several co-curricular activities for all-round personality development of the students, such as THOMSO and RAVE, the annual youth festivals, COGNIZANCE, an all-India technical festival, and JIGYASA, a national-level paper presentation contest. Hobbies club and its annual exhibition SHRISTI is one of the unique features of the Institute that promotes creativity among students. Students are encouraged to participate in various sports and cultural activities to help them develop a well balanced personality. Every year, they organize an exhibition of fine arts, sculptures and carvings, philately, photography, scientific models, etc., besides sports activities. Being a rather compact campus, a cheerful and friendly atmosphere prevails and students feel at home very soon after joining the Institute. The green verdant surroundings

and the stately Ganga Canal flowing nearby provide a very stimulating and creative environment.

The Institute follows modern methods of continuous evaluation through a credit system in all its UG, 5-year Dual-Degree and PG programmes. The system offers flexibility to progress at a pace commensurate with the capabilities of a student, subject to minimum credit requirements. There is no annual/semester pass or fail. The award system follows letter grades on a 10-point scale where the performance is measured in terms of weighted Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA). A student has to satisfy a minimum CGPA and earn credit requirements to be eligible for the award of degree.

### Academic Departments, Centres and Units

There are twenty-one academic departments in the Institute, one academic centre, three centres of excellence, seven academic service units and three other units.

The Academic Departments and Centres offer courses to the students in various disciplines. Academic curricula are so devised that a student of one discipline can take some courses of other disciplines as well. Such flexibility helps a student to develop his/her core competence together with the interdisciplinary skills in the area of his/her interest.

#### Programmes

The main aim of education at IIT Roorkee is to enable students to face the wide-ranging changes taking place in the fields of technology, environment and management with confidence. This includes undertaking design, development, construction, production, managerial and entrepreneurial activities, and higher studies in their chosen or allied interdisciplinary fields of study.

The Institute lays great emphasis on assisting students in the development of character and self confidence with management traits. To achieve these goals, the curriculum lays more stress on learning and less on teaching. Efforts are made to encourage self-learning, creative thinking, critical evaluation, spirit of inquiry and imbibing the culture of lifelong learning.

The Institute offers programmes leading to Bachelors degree, Integrated Dual Degree (IDD), Integrated M.Tech. (IMT) and Integrated M.Sc. (IMS) degrees in different disciplines of Engineering, Technology, Architecture and Science.

#### Structure of [Undergraduate/Integrated Dual-Degree/Integrated M.Sc./Integrated M.Tech. Programmes](#)

The four-year B.Tech. programmes and five-year B.Arch. programme comprise of courses divided in five distinct areas, namely: Institute Core, Departmental Core, Institute Elective and Departmental Elective Courses, and Co-Curricular Activities.

The five-year Integrated M.Tech. and M.Sc. programmes comprise of courses divided in two distinct areas namely: Common courses which include Institute core and Basic Science courses and Specific Programme courses which include Departmental core, Departmental and Institute Electives, Dissertation and co-curricular and extra-curricular activities.

### Institute Core (IC) Courses

All UG/IDD/IMS/IMT students need to complete few Institute core courses on Mathematics, Physics, Chemistry, Engineering Sciences and Humanities and Social Sciences specific to the programmes. Different departments have participated in designing these courses so as to cater to the requirement, of their programme(s) with the parent science departments. These courses are planned to give the students a firm base in the areas of science.

### Departmental Core Courses (DCC)

The Departmental core consists of courses considered essential for a chosen engineering/science discipline, including laboratory courses, practical training and projects.

### Institute Elective Courses (IEC)

The Institute Electives are the courses offered by different academic Departments/Centre to the students. These courses are divided into two basic categories viz. Humanities, Social Sciences and Management Elective Course (HSSMEC) and Open Elective Course (OEC). The students are free to select two courses from the HSSMEC category and one course from the OEC category, depending upon their interests and inclination. However, each student will have to take courses from Basic Sciences, Engineering Sciences and Humanities and Social Sciences.

### Departmental Elective Courses (DEC)

The students are required to complete a number of Departmental elective courses offered by his/her parent department/centre. These courses need to be picked from a group of courses identified by the department/centre so as to excel in a specialisation within a discipline.

Each course of the above programmes has a number of credits assigned to it, depending upon the academic load and weekly hours of lectures, tutorials, practical and self study. Normally, one credit is assigned to each lecture of one hour or each tutorial of one hour or practical of two hours.

Educational tour, group discussions, development of technical communication skills and practical training form an essential part of the curricular structure.

### **Co-Curricular Activities**

The students are also encouraged to participate in a variety of co-curricular and sports activities with a view to develop their overall personality and groom a student to be an engineer-manager-scientist. These activities are also given weightage in calculating the overall academic grade of a student.

#### **(a) Discipline**

In order to enforce discipline among students, discipline is also treated as an activity. Two credits have been assigned to this activity. Grades will be awarded by Dean of Students' Welfare and will be tabulated in Spring Semester at the end of Final Year.

#### **(b) N.C.C./N.S.O./N.S.S./Hindi/Rangering**

Students of B.Tech., B.Arch., IDD, Integrated M.Tech. and Integrated M.Sc. programmes have to take National Cadet Corps (NCC)/ National Service Scheme (NSS)/ National Sports Organization (NSO) at the first year level. Selection for N.C.C./N.S.O./N.S.S. is usually completed in a special session held during the Orientation Programme for the first year students immediately after their registration at the Institute. Foreign Students will be offered Hindi in place of N.C.C.. Rangering will be offered to girl students. Two credits have been assigned to these activities. These activities will run in both semesters but will be evaluated at the end of First Year.

#### **(c) Proficiencies**

Co-Curricular Activities under Proficiency, as listed below, will be offered as a 2-credit course to the students of B.Tech., B.Arch., IDD, IMS and IMT Programmes from first year to final year. These activities will run in both the semesters but will be evaluated and tabulated in spring semester only. The students are required to select only one proficiency from the list in 2<sup>nd</sup> year which will remain the same up to the final year. The grades from the 'Proficiency' opted for by the students will be awarded at the end of the Final Year. Proficiency, once opted, cannot be changed during the year of the study. In case a particular activity is opted by a large number of students and some students cannot be accommodated, the Sports Association in consultation with Academic Section will reallocate proficiency to such students.

#### **i) Sports and Games Activities**

Athletics	Football	Squash	Tennis
Badminton	Gymnastics	Swimming*	Volleyball
Basketball	Hockey	Table Tennis	Yogic Exercises

Cricket	Rowing (Boating) *	Weight Lifting
*Non-Swimmers are not allowed to take these proficiencies, as swimming test has to be cleared.

<b>Minor Specialisation Courses (MSC)</b>		
<p>The student with good academic standing (having CGPA&gt;7.5) desirous of excelling in some specialisation other than his/her own department may be allowed to take 4-5 additional courses equivalent to 18-20 credits from that specialisation. These courses have been defined as Minor Specialisation Courses (MSC). The courses from minor specialisation may be taken from any one engineering, science, humanities and management disciplines. These courses will have to be selected from a list of such courses (basket) offered by the departments, however, there will be a maximum limit to the seats. These students will be given degree in main engineering area with minor specialisation in other area. For example, the degree certificate will indicate B.Tech. in Civil Engineering with Minor Specialisation in Physics.</p>		
<b>Departmental Honours Courses (DHC)</b>		
<p>The students with good academic standing (having CGPA&gt;7.5) desirous of excelling in a particular specialisation of his/her parent department may be allowed to take 4-5 additional courses equivalent to 18-20 credits from that specialisation. These courses will have to be selected from a list of such courses (basket) identified and offered by the departments. These students will be given degree in main engineering area with Honours in his chosen area of specialisation. For example, the degree certificate will indicate B.Tech. in Civil Engineering with Honours in Structures.</p>		

#### Rules For Change Branch:

A student admitted through JEE (Advanced), except those in the B.Arch. Programme, shall be eligible for change of Branch/Programme at the end of the Autumn Semester of the First year provided that the student satisfies the following criteria:

- (i) He / She has earned all the specified credits in the course structure at the end of Autumn Semester.
- (ii) He / She has not failed in any course.
- (iii) He / She has not been penalized for indiscipline.

#### Faculty:

IIT Roorkee has a 450 strong [faculty](#) in various disciplines of science and technology. The basic responsibilities of the faculty are teaching, research, technology development, dissemination and outreach, and industrial interaction. IIT Roorkee faculty also helps and mentors other institutes and engineering colleges in developing undergraduate and post graduate course curricula. A large number of faculty members from engineering colleges have been trained under QIP and other programmes of the Government of India. It also organizes a large number of short-term training programmes for in-service engineers and engineering college teachers.

IIT Roorkee has several multi-disciplinary departments/centers, some of which are unique in the country. These departments/centers provide opportunity for research collaboration between pure and applied sciences and different disciplines of engineering. IIT Roorkee faculty is actively interacting with the industry through sponsored research and consultancy projects and has played an important role in several large projects of national importance. Selection of faculty in IIT Roorkee is through a rigorous process involving screening at Department and Institute levels and an interview by a statutorily constituted selection committee which includes external expert members, Head of the concerned department and the Director. The candidates make research presentations in the Departments prior to the interview. Being the first engineering college in India and among the first few in the world, IIT Roorkee has a rich historical legacy and takes pride in its traditions and moral values. IIT Roorkee faculty has an intense interaction with the students and nurtures them to evolve as good citizens in addition to developing their intellectual and academic competence.

### **Student Life at Institute:**

#### **Hostels**

Our homes away from home are as modern as they can be. More importantly, these have spawned the cultures that make the campus an unforgettable experience. It's here that midnight cricket tournaments, early morning bakar sessions, community computer warfare and so many other things find expression.

Each hostel has a state of art Cyber Cafe, managed by students. All hostels are now fully Wifi and LAN connected, meaning that the Internet permeates the space we live in. Who could imagine life without midnight snacks at the Bhawan Canteens, especially after an intense bakar or gaming session? And all this, in peaceful, clean, aesthetic environs, the likes of which very few places in the world can boast.

A year-wise hostel system, which once existed on the campus, has recently given way to a mixed hostel system where students of all years and branches of study reside together in perfect harmony.

So much for thought and sentiments. Look for yourselves, and find out how our Bhawans draw you into their unique culture.

#### **Clubs**

Clubs at IITR are the best place to relax and recharge with the indoor sports facilities, including seven Billiards & Snooker Tables, Carrom boards, Chess boards, Table Tennis facilities, hockey table and a Foosball table.

The competitive academic environment and co-curricular activities on campus keep the students on their toes.

But everyone needs some time off to relax and recharge. Clubs at IIT-R are the best place for this. The students' clubs: the Hobbies club, the U.G. club, the P.G. club, the Alaknanda club and the Jawahar club house the indoor sports facilities including seven Billiards & Snooker Tables, Carrom boards, Chess boards, Table Tennis facilities, hockey table and a Foosball table. The Hobbies club also has sections devoted to pursuits, like star-gazing, philately and numismatics, and robotics. These clubs also have reading rooms with a plethora of newspapers and light magazines. Each of the clubs have a TV room with a seating capacity of a hundred-odd people providing a great atmosphere for watching the winning sixer or the not-so-interesting soap operas.

Physical recreation through games and sports has been an important part of the Institute since its inception. Today, the Institute has some of the best facilities in a number of games and sports, and awards proficiencies in 14 games.

Physical recreation through games and sports has been an important part of the Institute since its inception. Games like football, cricket and hockey were introduced around 1870, followed closely by squash and boating. The practice of holding an Annual Athletic Meet was started in 1873. Rowing in the Ganga Canal has remained one of the most popular sports since 1901, and the Annual Boat Regatta is a popular and keenly awaited event every year. The Lion Trophy, the most prestigious and coveted prize in sports, was instituted in 1912. The tradition continues, as students of the institute keep making use of the marvellous sports facilities to excel in sports and games. In order to motivate the students and to get them interested in sports, a special scheme of NSO (National Sports Organisation) has been started from the session 2007-08.

### **Groups**

The ubiquitous student groups are what set IITR apart from other institutes in India, Here the like-minded gather to work together toward a certain goal- be it getting out a magazine on time, or putting together a one-hour concert, or making a trip to a nearby village for social work.

From togetherness comes success, and this feature of life here certainly adds spice to the lives of the students.

### Financial Assistance:

## Scholarships, Prizes and Certificates

The Institute awards the merit-cum-means (MCM) scholarships, Institute free studentship, SC/ST category institute scholarship and other scholarships, stipends, awards and prizes to the students of UG, IDD and IMD programmes, as may be approved by the Senate. Other scholarships may be instituted by grant from individuals, trusts, organizations and the Governments with a view to provide financial assistance to needy students under the terms and conditions specified by the Institute. Announcements on these scholarships, stipends, etc. stating eligibility and the value of scholarships, stipends, etc., shall be made by the Institute while inviting applications from time to time.

A student registered for the fifth-year of the IDD programme and who has cleared all the course work requirements up to fourth year of the programme and (i) has a CGPA not less than 8.0, or (ii) has qualified GATE, may be offered MHRD scholarship/assistantship on the basis of his/her attendance in the courses registered in a semester and his/her fulfilling the requirement of weekly work hours assigned to him/her. Sixty percent (60%) of the amount of scholarship/ assistantship shall be paid on the basis of monthly attendance of a student and the rest forty percent (40%) on the basis of weekly work hours assigned to a student. The deduction from the scholarship/ assistantship due to absence in class or non-fulfillment of the weekly work-hours assignment shall be made on pro-rata basis. If the marks obtained in the portion of the dissertation carried out by a student in the Autumn Semester of fifth year of the programme are less than 35%, the student shall cease to get scholarship/ assistantship in the next semester. Announcements on these scholarships/assistantship stating eligibility and the number and value of scholarships/ assistantship, etc. shall be made while inviting applications from time to time. A student may draw scholarships or stipends from outside sources only, if permitted by the Dean, Academics. Those students, who have been punished for unfair means, plagiarism during Mid-Term Examination (MTE) or End Term Examination (ETE) or in Seminars/Project/ Dissertation, etc. or for serious act of indiscipline shall not be not awarded Merit-cum-Means Scholarship, Fellowship/ Assistantship/ and other trust scholarship for Medals, Prizes and awards for that academic session only. Grade 'C' or below in discipline will be treated as a serious act of indiscipline.

## A. INSTITUTE MERIT-CUM-MEANS (MCM) SCHOLARSHIPS

The institute offers merit-cum-means scholarships to undergraduate students in engineering and technology.

These are permissible to about 25% students. The present value of merit-cum-means scholarship is Rs.1000/-per month for general category students, and the recipient is exempted from paying tuition fee.

The 4-year B.Tech., 5-year Dual-Degree and 5-year Integrated M.Tech. students will be eligible to receive Merit-cum-Means scholarship at the time of joining the Institute. The criterion of merit for first year is All India Rank in the JEE (Advanced). The scholarships are renewed on a yearly basis until he/she clears all academic requirements of the programme, provided that he/she continues to satisfy the eligibility criteria (given below). Continuation of MCM scholarship for general category students of the 4-year B.Tech., 5-year Dual-degree and 5-year Integrated M.Tech. programmes, the requirements of merit for continuation of Institute Merit-cum-Means Scholarship are:

1. CGPA must be 6.0 or more; and,
2. Earned credits should not be less than 22 times the number of semesters registered for; and
3. SGPA in the previous semester must be 6.0 or more
4. Should not be penalised due to unfair means/discipline

For continuation of MCM, performance of the students will be reviewed at the end of each semester. The first such review will be held at the end of second semester.

As per the criterion of Merit-cum-Means, only those students are presently eligible whose parents have gross yearly income up to Rs. 4.5 lacs per annum for all categories of students, including SC/ST students. The terms and conditions of the award of scholarship are laid down in the rules and regulations thereof in force and are subject to change from time to time.

Note: The income range is subject to revision as per directives of Government of India.

## **B. MEDALS & AWARDS**

The following medals/prizes will be awarded to students for their academic/overall excellence.

### **B.1 PRESIDENT's Gold Medal**

To be awarded to the student with good character who entered through JEE (Advanced) and obtains the highest marks/CGPA among all students obtaining a B.Tech. degree in that year from the 4/5-year B.Tech./B.Arch., 5-year Integrated M.Sc., 5-year Integrated M.Tech. and 5-year Dual-Degree programmes. For the purpose of this award, the marks/CGPA for the 4-year programme students will be computed without including the Major Project grades, while dual-degree students will be based on the UG credits. In case there is a tie, the medal will be awarded to the student with the largest earned credits.

### **B.2 DIRECTOR's Gold Medal**

To be awarded to a student with good character who entered through JEE (Advanced) and who is adjudged as the best all-rounder from amongst the graduating students of the 4/5year B.Tech./B.Arch., 5-year Integrated M.Sc., 5-year Integrated M.Tech. and 5-year Dual-Degree programmes.

### **B.3 INSTITUTE's Gold Medal**

To be awarded to a student securing a CGPA of 10, other than the one who has been awarded the President's Gold Medal.

### **B.4 INSTITUTE's Silver Medals (One for each UG/Dual-degree Int. M.Sc./Int. M.Tech. programmes)**

To be awarded to a student (one in each programme) who obtains the highest marks/CGPA amongst the graduating class of undergraduate students at the Institute, in his/her programme. A separate (additional) Institute Silver Medal will be awarded for each Dual-Degree programme to a student who obtains the highest marks/CGPA amongst the graduating students of that programme. For the purpose of this award, the marks/CGPA will be calculated on the basis of the cumulative performance in both B.Tech./ B.Arch. and M.Tech. credits. In case there is a tie, the medal is awarded to the student with the largest earned credits. No Silver Medal will be awarded in the discipline from which a student gets the President's Gold Medal or Institute Gold Medal. A minimum marks/CGPA of 8.5 or its equivalent is required for award of the Institute Silver Medal; in case no graduating student satisfies this criterion, the student with the highest marks/CGPA will be given a certificate.

#### **Training & Placement:**

The Training and Placement Office of the Indian Institute of Technology Roorkee, is committed to provide the best of placement opportunities to all the students graduating from this Institute. Under the Campus Recruitment Campaign, companies from all sectors (i.e. Core, IT, Government, Academics, R&D and Financial) are invited for the training/internships and placement recruitment. The Training and Placement Office of the Institute is housed in a separate building with world class infrastructure to facilitate the recruitment process.

Every year, there is an increase in the number of companies visiting the campus. Approximately 200 new companies have been added in last three years. During academic year 2013 – 2014 total 1113 job offers have been received from 197 recruiting organizations. For the academic year 2014 – 2015 total 1080 job offers have been received till date (i.e. 6th April 2015) from 207 recruiting organizations.

#### **Industry And Alumni Relations:**

The alumni of IIT Roorkee (erstwhile University of Roorkee) have contributed immensely to the growth and development of our nation ranging from Infrastructure development to Service sector. Our alumni have occupied very important positions with the Government of India and abroad, academia and research fields, engineering services and many have excelled in entrepreneurship in corporate sectors. Industry-academia interaction with the collaboration of our faculty members, current students and alumni has augmented in taking our labs to the corporate houses and governance. There are thousands of alumni spread all over the world and we constantly strive to nurture and sustain the relationship with the alumni.

The highly enriched alumni at IITR is the link between the past and present which shall pave way for the future. They enrich faculty members with research focus on the needs of the country and innovations. They have always contributed a lot for the development of the institute and IIT Roorkee cherishes the warm bond that it has with its

alumni. Besides monetary contributions, the alumni has contributed immensely towards enriching the academic resources of the Institute.

IIT Roorkee is the only Institute in India which has seen the test of time before independence, after independence and the global economic liberation. Spanning over an alumni history of more than 160 years, we have our presence in every aspect of global significance. The strength of our alumni is the pride of IIT Roorkee and shall endeavor at all times to serve the cause of humanity.

The office of the Alumni Affairs & International Relations is working towards establishing good alumni network. Several initiatives have been undertaken to stimulate the relationship building, nurturing and sustaining with our alumni.

The Institute also conducts regular interactions between the students and the alumni. Many alumni visit the Institute and deliver lectures and professional advice to these youngsters. Besides professional excellence and heights achieved by the IITR alumni, the focus always remains on the prominence of character and values that make up the IITian professionalism.

The alumni of IIT Roorkee (erstwhile University of Roorkee) meet during the month of November every year. It is an annual tradition for the alumni along with their families to visit the campus and reconnect with their past. IIT Roorkee hosts the get together of the alumni who have completed 25, 35, 40, 50 and 60 years of their graduating from the Institute. It is also a time for the youngsters studying to interact with the alumni and gain insights through the various experiences shared by the alumni. 25th November, the Charter Day of the Institute is also celebrated as Alumni Day. Out of the many eminent alumni, some of the most distinguished are honoured with the Distinguished Alumni Award on this very special day.

The Alumni Relations Cell or ARC, IIT-Roorkee is a cell which strives to foster the relationship between the current students and its alumni. It is the student body working under the guidelines of the office of Dean Alumni Affairs & International Relations - IIT Roorkee for strengthening the alumni - institute relationship. A dedicated student team serves the alumni community 24 x 7 and promises to change their experience of interaction with the institute.

It is situated on National Highways 58 and 73 and is on Amritsar-Howrah main rail route. It is 170 kilometres from Delhi, 29 kilometres from Haridwar and 75 kilometres from Dehradun.

##### **Accessibility**

Roorkee is well connected to Delhi by rail and road. Some trains which are convenient for travelling between Delhi and Roorkee are New Delhi-Dehradun-New Delhi Shatabdi Express and Dehradun-New Delhi-Dehradun Janshatabdi Express. The nearest airport is located at Jollygrant, Dehradun. However, New Delhi is the preferred airport.

##### **By Road**

Traveling from Delhi, Roorkee is located towards north approximately 170 kilometers. Take the highway NH58, and it passes through Roorkee. The city of Haridwar is located further on the same highway about 29 kilometers from Roorkee.

##### **By Air**

Nearest airport to Roorkee is Dehradun's Jolly Grant airport which has Air Deccan services from New Delhi. But most preferable airport nearest from Roorkee is the New Delhi International Airport which is about 180 kilometers away

### About the Institute:

The Indian School of Mines (ISM) was established by the Government of India in 1926 on the pattern of Royal School of Mines, London to teach Mining Engineering and Applied Geology to provide manpower for the Indian Mineral Industry and the concerned departments of the Government. Subsequently in 1957, Petroleum Engineering and Applied Geophysics disciplines were also added. In due recognition of its vital role in the service of the mineral exploration and mining sectors of the national economy, ISM was granted autonomy by the Government of India in 1967; and has been functioning as a Deemed University under the University Grants Commission Act, 1956. In 1996, it came under financial and administrative control of MHRD, Government of India. It has 218 acres of fully residential campus of its own consisting of graceful blend of old and new style buildings. The serene campus comprises academic buildings, separate hostels for boys and girls, faculty & staff quarters, health centre, workshop, Student Activity Centre (SAC), canteen and other infrastructural facilities for its cosmopolitan community.

### Fee Structure:

GE/OBC:Rs. 67,700/-  
SC/ST: Rs. 27,700/-

### Academic Structure:

ISM offers B.Tech programmes in 13 disciplines, viz. Mining Engineering, Petroleum Engineering, Mining Machinery Engineering, Mineral Engineering, Computer Science & Engineering, Electronics and Communication Engineering, Electronics and Instrumentation Engineering, Mechanical Engineering, Electrical Engineering, Environmental Engineering, Civil Engineering, Chemical engineering and Engineering Physics; five year dual degree programmes in Mining Engineering, Mineral Engineering and Computer Science and Engineering. It also offers five year integrated M.Tech in Applied Geology, Applied Geophysics and Mathematics & Computing. ISM has been offering, since 1972, a number of industry-oriented M.Tech. and M. Phil. Programmes. The Ph.D. Programmes in Engineering and Sciences also attract many postgraduate students from across the country. The Institute also offers 3 year M.Sc. Tech Programmes in Applied Geology and Applied Geophysics, 2 year M.Sc. Programmes in Applied Physics, Chemistry and Mathematics & Computing, through a separate All India Competitive Examination. A 2 year M.B.A. Programme is also offered where the admission is based on combined scores of CAT and personal interview/ group discussion of candidates. Department of Mining Engineering has been granted the status of Centre for Advance Studies (CAS) in Mine Safety and Management and also a Quality Improvement Programme (QIP) Centre for higher studies (M.Tech. and Ph.D) by University Grant Commission.

### R&D Activities and Technical Collaboration

ISM, in its various departments, is currently doing R&D projects worth more than rupees three hundred and twenty five million sponsored by various Government Organisations namely, UGC, CIL, MHRD, DST, SAC (ISRO), CSIR etc. The Institute has signed MOU for technical collaboration with CSIR laboratory, McNally Bharat Engineering. Co. Ltd, MTI (SAIL), Dept. of Atomic Energy, GOI, BHP Billiton (Australia), Bosch Rexroth AG Germany etc. The Institute has signed MOUs 8 universities spread across the globe such as Politecnico di Torino(Italy), Arkansas State University (USA), TU Clausthal (Germany), National United University (Taiwan) and others. The Institute enjoys nine posts of Chair Professors in different departments instituted by National Mineral Development Corporation, Steel Authority of India Limited, Tata Steel, Coal India Limited (two), Uranium Corporation India Limited, Oil and Natural Gas Corporation, Sandvik and Ministry of Labour and Employment. ISM is actively engaged in faculty and student exchange with universities in the European Union under Erasmus Mundas India 4EU II and Areas+ Projects.

### Rules For Change Branch:

Change of branch is an academic incentive to the students to perform well in the initial incubative year at the institution. It also facilitates them to change their professional profile, having realized their inclination and potential once directly exposed to the various options available. Change of branch will be considered at the end of second semester based on the performance in the first and second semester examinations. Interested students may submit such applications within fifteen days after the publication of results of the second semester and at least one week before the start of the third semester.

Change of branch between B.Tech, Dual Degree and Integrated programmes is permissible subject to the following conditions: (1) Students must not have passed any semester through special examination or by repeating the semester. (2) Students must have obtained at least 7.5 GPA out of 10, considering both first and second semesters. However, SC/ST and PD candidates with a minimum of 6.5 GPA out of 10 can apply for change of branch in their respective categories. Change of branch will be made strictly as per merit. In case of a tie, it will be resolved by considering the JEE (Advanced) rank of the applicants. (3) While permitting change of branch the strength of a branch should not exceed by more than 15% of the sanctioned strength of the receiving department or fall below 50% of the sanctioned strength of the donor department. (4) Students who complete both first and second semesters in all respects and obtain GPA above 9.0 considering both first and second semesters together and/or secure rank within top 1% of the successful students (without special examination or repeating first or second semesters) of the batch shall be allowed to change to the branch of their choice irrespective of conditions stipulated at (3). The eligibility criteria as stipulated at (1) and (2) will however apply.

#### **Facilities:**

##### **Laboratories**

ISM can boast of a large number of well equipped, state-of-the-art laboratories in various departments such as Rock Mechanics, Rock Excavation, Mine Surveying, Mine Environment and Safety Engineering, Computer Aided Mine Planning & Design Laboratories in the Department of Mining Engineering; Thermal, Steam Power, Theory of Machines, CAD, Oil Hydraulics, Strength of Material, Fluid Power, Fluid Mechanics, Material Handling, Mining Machinery, Drilling Engineering Laboratories in the Department of Mechanical Engineering and Mining Machinery Engineering; Paleomagnetism, Gravity and Field Testing, Electromagnetic Models, Seismic, D.C Resistivity and Instrumentation Laboratories in the Department of Applied Geophysics; Ore Geology, Engineering Geology, Photo Geology, Geochemistry, Coal Geology and Sedimentology, Petrology, Hydrogeology Laboratories in the Department of Applied Geology; Mineral Characterisation, Communiton & Classification, Gravity Separation, Magnetic & Electrostatic Separation, Pyroprocessing, Fuel Technology, Bio-mineral Processing Laboratories in the Department of Fuel and Mineral Engineering; Petrophysics, Drilling Fluids, Reservoir Fluids, Reservoir Engineering, Crude Oil and Product Testing and Petroleum Engineering Laboratories in the Department of Petroleum Engineering to name a few. An extensive Geological Museum, a Seismological Observatory, an Experimental-cum-Training mine at No. 26 incline Godhur Colliery of BCCL, and Longwall Training Gallery are unique instructional facilities. A state-of-the-art central research facility housing high-value advanced scientific equipments is being established.

##### **Computing and Internet facility**

ISM has a state-of-the-art Computer Centre which supports campus wide Fibre Optic Network comprising of 5000 nodes that connect all the academic departments, central library, administrative departments, each room of hostels, residences of faculties and officers. Internet access is provided to all the users through dedicated internet links and is being augmented further. Computer Centre has a number of state-of-the-art servers, LINUX and WINDOWS Labs and application softwares.

##### **Central Library**

The Central Library of the Institute has rich collection of books, journals, conference proceedings, standards, reports, theses and dissertations on all branches of engineering, applied sciences, earth science, social science, environmental science and management. The library provides access to nearly 123,517 books, 291 current and 38,400 bound volumes of journals, more than 10,203 theses and dissertations and many conference proceedings, 14 national newspapers and 35 current magazines. Different sections and services of library are automated with help of an Integrated Library Management Software called "LIBSYS". All records of the library are accessible on Web based Online Public Access Catalogue (WEBOPAC) popularly known as internet catalogue, on the ISM campus wide network as well as through internet. It provides access to more than 14000 electronic journals. The library has 4 servers, 32 PCs and other accessories adequate to cater to the needs of users. Four information KIOSK are meant for users to access OPAC data bases, e-books, e-journals and other e-resources. The official website of the Central Library (<http://www.ismlib.ac.in>) provides access to different data bases and e-journals viz Science Direct, AIP, APS, ACS, One Petro, ASME, ASCE., IEL online, EBSCO, ACM Digital Library, Nature, JCCC-INDEST and Springer Link. A new Centrally Air-conditioned 8 storied library building is under construction.

##### **Medical Facility**

Medical facilities as available at health centre of the Institute are provided to all students during their period of study at ISM. The Health Centre is well staffed and equipped with facilities for treatment of outdoor patients. The services of specialized visiting doctors are also available on regular basis. Important hospitals in the country have been tied up for providing medical assistance and treatment in emergency. A new four storied health centre building is under construction.

#### **Financial Assistance:**

ISM provides financial assistance/ scholarships to a large number of students covering almost 40% of the student strength. Under ISM merit-cum-means scholarship, the institute provides scholarships to 25% of the students on role that includes tuition fee reimbursement in full apart from financial assistance @ Rs 800/- per month. Ten percent of the students on role are provided with only tuition fee reimbursement in full. All M.Sc. (Tech) students of Applied Geology and Applied Geophysics are given scholarship @ Rs 1000/- per month in their III year. Under New Central Sector Scholarship Scheme 10 students are provided every year free boarding and lodging apart from grant-in-aid of Rs 45000/- for purchase of computer. Besides, there are a host of scholarships sponsored by different State Governments and public and private corporate sectors.

#### **Training & Placement:**

The training and placement cell of the Institute, headed by a Professor, maintains active association and excellent contacts with industries and the corporate sectors to secure jobs in various organizations of the country and abroad. The placement cell coordinates the placement activities to match the needs of the industry with the aspirations of the students.

#### **Industry And Alumni Relations:**

ISM is proud of its alumni. Traditionally, ISM alumni are holding top positions in industries and government offices. Graduates of this Institute are heading public and private sectors and also holding key positions in the area of academic and research both in India and abroad (USA, Canada, Australia etc). ISM PVS (ISMAA) is extremely active and vibrant in meeting its objective of enabling the alumni to keep in touch with the Alma mater, to promote and foster spirit-de-corps amongst the past and present students and the teachers of the Institute and to contribute towards furtherance of science and technology through its seven national and one international chapters located respectively in Bhubaneswar, Dhanbad, Delhi, Ranchi, Kolkata, Mumbai, Nagpur, and North America. ISM PVS (ISMAA) actively promotes various annual awards to students and teachers for academic/research excellence in ISM. The association also provides international travel grants for students to present papers in various technical forums abroad.

**Recreational/Extra Curricular activities:**

The Institute has unique infrastructural facilities on campus for indoor/ outdoor games and sports. The upper and lower grounds constitute beautiful arena for outdoor games and annual sports. The Sports Complex comprises infrastructure for tennis, basketball, volleyball, and badminton. A student activity centre equipped with a state-of-the-art gymnasium, yoga centre, indoor sports facilities and Olympic size swimming pool provide ample facility for building and toning up of physical and mental health. Srijan, the biggest cultural-management festival of Eastern India is organized by ISS body of students every year which draws nationwide participation from different institutes. A number of student societies and hobby clubs functioning on ISM campus are the potential avenues to unleash students' creativity and imagination in constructive events.

**Location and Accessibility:**

The Institute is situated about 3 km north of Dhanbad Railway Station on the Grand Chord of Eastern Railway. ISM being situated at the core of the industrial base of the region covering mines, steel plants, fertilizer plants, refractories, heavy machine building plants etc. derives locational advantage in learning and teaching process in terms of keeping abreast with changing technology in the industry.

## About the Institute:

The Indian Institute of Technology Ropar was established by the Ministry of Human Resource Development (MHRD), Government of India in 2008. In keeping with the spirit of the IIT system, this institute is committed to provide state-of-the-art technical education in a variety of fields, and also to facilitate transmission of knowledge using the latest developments in pedagogy. At present the Institute is operating in the transit campus and has all the required facilities such as lecture halls fitted with multimedia, faculty rooms and an administrative wing. The four hostels (three for boys and one for girls) on campus have modern mess halls. Faculty recruitment, creation of advanced laboratories and other support facilities are in full swing. In a few years, the institute will be relocated to its own campus. The new campus is spread over an area of 500 acres, and is situated on the banks of the Satluj.

**Academic Structure:**

The overall academic system for IIT Ropar, Punjab has been designed to provide a science-based engineering education with a view to producing quality engineer-scientists. The curriculum provides broad-based knowledge and simultaneously builds a temper for life-long learning and exploring. The undergraduate programme begins with a set of science and general engineering courses which are reflected in the course plan for the first year. These courses provide a foundation for further discipline-specific courses. Institute offers B.Tech., M.Sc., M.S. (Research) , M.Tech. and PhD programmes. Currently, the Institute has eight Academic Units: this includes six departments, one school and one centre.

IIT Ropar follows a semester system. An academic Year (July – April) consists of two semesters, each of 14 weeks duration. The first semester begins in the last week of July and ends by the last week of November. The second semester starts in the first week of January and ends by the last week of April. In each of the semesters of the first year, a student is required to register for the relevant courses listed in the curriculum for that semester. Students who are identified as academically weak at the end of the first year may be prescribed a specially worked –out slow paced programme. In addition, to help student with backlogs, some courses are offered during the summer semester. The Institute follows a credit system. Credits are allotted to various courses depending upon the number of lectures, tutorials and laboratory hours per week. The student's performance in a course is continuously evaluated throughout the semester and culminates in the award of a Grade on a 10 point scale. The performance of a student will be evaluated in terms of two indices, viz. the Semester Grade Point Average (SGPA) which is the Grade Point Average for a semester, and Cumulative Grade Point Average (CGPA) which is the Grade Point Average for all the completed semesters at any point in time. To students admitted through JEE (Advanced) 2015, IIT Ropar offers the following Undergraduate and post-Graduate Programme:

-  B.Tech
-  Dual B.Tech. – M.Tech.

The B.Tech programme consists of eight semesters spread over four years. The Institute has a provision of B.Tech (Honours) Degree programme. A student must declare his / her intention to work for the honours degree by the end of the third semester if he/she is interested in completing the requirements for the degree in eight semesters.

The Institute continues to introduce new academic programs and innovation in its academic activities.

**Rules For Change Branch:**

- A) A student is eligible to apply for change of branch at the end of the first year only, provided he/she satisfies the following criteria:
  - 1. CGPA for GEN/OBC category students >7.50
  - 2. CGPA for SC/ST/PD category students >6.50
  - 3. Earned credits at the end of first academic session are 40 credits or more.
- B) Change of the branch will be permitted strictly in the order of merit, in each category, as determined by CGPA at the end of the first year, subject to the limitation that the actual number of students in the third semester in the branch to which transfer is to be made should not exceed its sanctioned strength by more than 10% and the strength of the branch from which the transfer is being sought does not fall below 85% of its sanctioned strength.
- C) The conditions mentioned in items 1-3 above will not be insisted upon for change to a branch in which a vacancy exists with reference to the sanctioned strength, and the concerned student was eligible as per JEE Rank for admission to that branch at the time of entry to IIT Ropar. However, these conditions will continue to apply in case of

students seeking change to a branch to which the concerned student was not eligible for admission at the time of entry to IIT Ropar.

#### **Faculty:**

Faculty members of the Institute are selected by a statutorily constituted selection committee which includes external members, Head, Dean and Director. All candidates deliver seminars and are interviewed by the selection committee for appointment. The approximate mean age of a faculty member at IIT Ropar is 35. The faculty members who have been selected from the best institutes from India and abroad embody the spirit of enthusiasm that comes with youth.

The faculty members are required to excel in the fields of their specialization. Teaching, research, technology development and industrial interaction are some of the responsibilities they have to undertake. They are also expected to take on administrative responsibilities such as serving on administrative committees. Some faculty members done the role of faculty advisors and certain others actively participate in training and placement of the students. Faculty members lay as much emphasis on ethical and moral development of student as on the development of their technical know-how; so when the student graduates she/he makes not just a good engineer but also a good human being.

#### **Facilities:**

##### **Library Facilities:**

Central Library of IIT Ropar is an invaluable source of information services which is playing a vital role in furthering the academic and research mission of the Institute by acquiring, processing, preserving and disseminating of information resources. The objective of the library is to provide its users the required information resources such as books, reports, multi-volume reference works, dictionaries, encyclopaedias, handbooks, periodicals with the appropriate delivery systems and services in order to support the Institute to achieve excellence in teaching, learning, research and community service.

Collection development is one of the important functions of the library which includes books, journals, reports, and other reference materials in science, engineering, technology, humanities and social sciences. The growing collection which binds the user with the library comprising of various resources such as reference works, dictionaries, handbooks, encyclopedias, journals, databases, CDs/DVDs etc. The total Book collections in the Library are: Print 11063 and Electronic 5000. Library also having PhD thesis and BTP (B. Tech. Project) reports in print and digital format.

The Central Library facilitates online access to thousands of e-journals through direct subscription and also participation in consortia, such as INDEST-AICTE, UGC-INFLIBNET. The library also provides online access to scientometric databases such as Scopus and Math Sci.Net. The library provides access to the following Electronic Resources.

##### **Medical Facilities:**

The institute has a Medical Centre adjacent to the hostel complex. Three doctors (Allopathic, Ayurvedic & Homeopathic), Pharmacist & Staff nurse have been appointed to attend to medical emergencies of the campus residents. In addition, the institute relies on a few super-specialty hospitals in the city of Ropar and Chandigarh for providing medical care to its members. The students are covered under medical insurance for taking in patient treatment from the empanelled hospital throughout India. The students are covered for an amount of Rs. 1,50,000 under the policy. In addition, the institute possesses state of the art ambulance for medical emergencies.

##### **Hostel and Dining Facilities:**

The Institute campus houses four hostels with the latest and modern facilities: Jupiter, Mercury (Wing A & Wing B), Neptune Hostels for boys and Venus Hostel for girls. The hostels are well equipped for comfortable board and lodging of approximately 550 students. All hostels are provided with water coolers with RO systems. Facilities for indoor recreation and games are also available.

The hostel complex also includes four shops that cater to the basic needs of the residents; washing machine facilities are also available for the students in the hostels. The Institute houses two Messes adjacent to the old and new hostel. Breakfast, lunch, tea / snacks and dinner are served to the students. The Mess Committee looks after the day to day administration. In addition, a cafeteria caters the needs of the student community.

##### **Student Activities:**

The Institute has a Society for Publication and Communication Skills Development. In addition, there are Music, Dance, Dramatics, Science and Technology, Robotics and Literary Societies where the students can participate and develop a well-rounded personality.

### **General Facilities:**

The Institute has a branch of SBI as well as a Post office to cater to the needs of the faculty members, staff and students.

### **Student Life at Institute:**

At present, the transit campus has excellent facilities for several sports, including a cricket field, three lawn tennis courts, a football field, a hockey field, a gymnasium, a basket ball court, badminton courts, an athletics track, table tennis room and also facilities for several athletic events. The institute encourages its students to participate in inter-IIT sport events and other competitions. Space for recreational and creative activities is also available.

### **Financial Assistance:**

#### **Scholarship for B.Tech Students:**

The Institute offers the following scholarships to Undergraduate students:

1. Institute Merit-cum-Means (MCM) Scholarships.
2. Institute Merit Prizes and Certificates.
3. Institute Free Studentship.
4. Scholarship provision for Students of SC/ST Category.
5. Post-matric Scholarship.
6. Central Sector Scholarship for student of SC/ST Category.
7. Other Scholarships – by NGO's and some external agencies.

### **Training & Placement:**

The Training and Placement Cell at IIT Ropar facilitates the participation of graduating students in the campus placement process in the fourth year. It also assists students in finding internship opportunities at the end of the sixth semester. With the help from student representatives, the cell provides the best possible assistance in contacting companies, managing logistics for arranging tests, pre-placement talks, group-discussion, and final interviews. The institute has the entire infrastructure required to support every stage of the campus placement and the internship processes.

A total of twenty two companies/organizations had participated in the campus placement process in the year 2013-14; the average package offered to the students was about Rs 13 lakhs per annum. More than 30 companies are expected to participate in 2014-15. Few of the recruiters who participated in the placement process in the last couple of years are: Amazon, Microsoft, Ebay, Zomato, Flipkart, Snapdeal, Samsung, DRDO, Tata Motors, Mahindra & Mahindra, Larsen & Toubro, etc.

### **Industry And Alumni Relations:**

The Institute has been actively working to ensure greater participation of its Alumni in its educational and recreational activities by initiating various programs in association with the IIT Ropar Alumni Association. Alumni Cell at IIT Ropar maintains active association with alumni of institute. IIT Ropar Alumni Office promotes lifelong learning by offering alumni-in-residence (AIR) and continuing education programs to alumni. These programs engage alumni with current students of institute and lead to close relationship with alma mater. Alumni working in different fields consistently provide their feedback and help to improve the study program and cultural environment of institute. The Alumni Association has already started several programs like Alumni Student Mentorship Program and Scholarship Program to encourage students to participate in international conferences being held outside India. To promote Alumni-Student Interaction, the Alumni Association also holds web and in person sessions by eminent Alumni. Alumni working in industry and universities are supporting current students of institute in searching internships and placements in India and abroad. The Alumni have shown a lot of enthusiasm in participating in these initiatives and to keep working towards building a brand for IIT Ropar.

### **Recreational/Extra Curricular activities:**

At present, the transit campus has excellent facilities for several sports, including a cricket field, three lawn tennis courts, a football field, a hockey field, a gymnasium, a basket ball court, badminton courts, an athletics track, table tennis room and also facilities for several athletic events. The institute encourages its students to participate in inter-IIT sport events and other competitions. Space for recreational and creative activities is also available. An Annual Cultural fest Zeitgeist will be held every year where student from other IITs / Universities / Colleges participate in a three day event.

### **Location and Accessibility:**

#### **By Air:**

The nearest Airport is in Chandigarh, about 50kms from Rupnagar. Any visitor wishing to come to Rupnagar/Ropar could take a flight from his/her respective place to Chandigarh, if available, or a flight from Delhi to Chandigarh and then take a taxi from the airport to reach the campus of Indian Institute of Technology Ropar (IIT Ropar) which is approximately one

and a half hour journey.

**By Train:**

There are regular trains running between Delhi and Rupnagar. The Delhi-Ambala-Una railway line passes through Rupnagar. The duration of the journey is around six hours from Delhi. Anyone wishing to visit the campus may also take a train from his/her place to Ambala or Chandigarh and then a taxi ride to the IIT Ropar campus just takes around one and a half hours.

**By Road:**

Rupnagar is well connected by road through National highway NH-21. It is about 290 km from Delhi through highway. For reaching Rupnagar initially can follow NH-1 from Delhi to Ambala city via Panipat, Karnal and Kurukshetra then reach Chandigarh and finally go along NH-21 to reach Rupnagar via Kharar, Kurail.

## About the Institute:

### Brief History

The Indian Institute of Technology (Banaras Hindu University) is situated in the magnificent campus of Banaras Hindu University spread over nearly 1300 acres at the southern end of the ancient city of Varanasi on the bank of the holy river Ganga. The IIT (BHU) formerly known as the Institute of Technology was a part of the Banaras Hindu University, which has been an internationally established renowned seat of learning. The Banaras Hindu University was founded in the year 1916 by the great visionary and patriot, Mahamana Pandit Madan Mohan Malaviya Ji. This residential University has teaching and research facilities in over 135 diverse disciplines including Ancient History, Oriental Learning, Performing and Fine Arts, Management, Science, Social Sciences, etc. Engineering Education in Banaras Hindu University commenced as early as in 1919 with the establishment of Banaras Engineering College (BENCO). The University has also pioneered engineering education by being the first in the country to start degree courses in Mining, Metallurgy, Ceramic Engineering and Pharmaceutics with the establishment of the College of Mining and Metallurgy and the College of Technology in the years 1923 and 1932 respectively. In 1969 these three colleges were amalgamated to form the Institute of Technology. The Institute of Technology, Banaras Hindu University (IT-BHU), was converted into Indian Institute of Technology (Banaras Hindu University), Varanasi by the Government of India, New Delhi on 29th June, 2012.

### Academic Structure:

The Indian Institute of Technology (BHU) offers 4-Years B.Tech./ B.Pharm. degree programme (UGD), 2-Years M.Tech./M. Pharm. degree programme (PGD), 5-Years Integrated B. Tech.-M.Tech./B.Pharm.-M. Pharm. dual degree programme (IDD), 5-Years Integrated M.Tech. degree programmes (IMD) and Ph. D. programmes. The Institute has highly qualified and motivated faculty members. Besides teaching, the Faculty members are also engaged in research and consultancy projects. The students are also encouraged to do projects under the able guidance of the Faculty members. The research and development activities are supported by different National Agencies, viz. Ministry of Human Resource and Development, University Grants Commission, All India Council for Technical Education, Department of Science and Technology, Council of Scientific and Industrial Research, Defence Research and Development Organization, through programmes such as FIST, sponsored research projects, etc. The Indian Institute of Technology (BHU) consists of nine Engineering Departments (Ceramic Engineering, Chemical Engineering and Technology, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Electronics Engineering, Mechanical Engineering, Metallurgical Engineering and Mining Engineering), Department of Pharmaceutics, three Science Departments (Chemistry, Mathematical Sciences and Physics) and three Interdisciplinary Schools (Biochemical Engineering, Biomedical Engineering and Materials Science and Technology). Besides these a new Humanities and Social Sciences Department is also being established taking into its fold the existing English which is presently included in Department of Mathematical Sciences.

### Credit System

IIT (BHU) follows semester system. An academic year (July-May) consists of two semesters each of approximately 20 weeks duration. The odd semester begins in the third week of July and ends in the first week of December. The even semester begins in the fourth week of December and ends in the first week of May. Besides these a Summer Term is also included in an academic session. Each theory and laboratory course has certain number of credits assigned to it depending on its lecture and laboratory contact hours in a week. Each course is coordinated by a Coordination Committee, which has full responsibility for coordinating

the course, holding the periodical and end semester examinations and awarding of grades on a 10-point scale on relative grading basis. A student's performance is measured by the number of credits that he/she has earned and also by the Semester Performance Index (SPI)/Cumulative Performance Index(SPI) earned by him/her for a semester/course.

#### **Rules For Change Branch:**

A student enrolled in an UG Degree/IDD/IMD programme through JEE, shall be eligible for change of discipline/programme at the end of second semester provided he/she has scored CPI  $\geq$  8.0. The merit of the students will be determined on the basis of Performance Index (PI) considering Institute Science and Institute Engineering courses only. While making the change of branch of a student, the number of students in a class should not fall below the existing number of students by more than 10% and should not exceed the sanctioned strength of students by more than 10%. The change of discipline/branch will be there from one discipline to the other within their respective programmes only i.e. the students of 4-year programmes may change disciplines within 4-year programmes and the students of 5-year programmes may change disciplines within 5-year programmes only. Students admitted through Preparatory Course shall not be permitted for change of discipline.

#### **Faculty:**

The faculty details are available on the Institute website.

#### **Facilities:**

The Institute has well equipped laboratories and workshops, excellent computer facilities in all departments/schools in addition to a Central Computer Centre. The other facilities are:

##### **Library Facilities**

The Institute has one Main Library along with many Departmental Libraries. These libraries house more than 200,000 books and subscribe a large number of scientific and technical journals. Online access of these journals is also possible. All the students are provided with text book bank facilities where a certain number of books are issued to them for the semester.

##### **Hostel Facilities**

The Institute has eleven hostels for boys and two for girls. All the hostels are equipped with modern amenities. The messes are very well managed by students and wardens. There is an Institute Cafeteria, which runs during Institute working hours.

##### **Medical Facilities**

The health problems of the students are looked after by Students Health Care Complex. For specialized treatments, the consultation of senior specialists is available from the renowned Sir Sunder Lal Hospital attached to the Institute of Medical Sciences of the Banaras Hindu University.

#### **Student Life at Institute:**

The University campus as a whole is designed as a Semi-Circle with different wings located in different sectors. Thus, the IIT(BHU) campus is having all the Hostels located in outer sector and academic wings are located in the inner sector with play grounds in between. There are many recreational facilities for an all-round personality development of the students. Besides these, the students can also make best use of the facilities such as certificate courses in foreign languages, music, fine arts etc. of the Banaras Hindu University, some of which are now included in the new curriculum.

#### **Financial Assistance:**

Large number of scholarships is available to the undergraduate students. Merit-cum-Means Scholarship is awarded to the eligible students in each class of each branch. There is a good number of Endowment Scholarships are also available in general as well as for students in specified disciplines. Some of these scholarships are on loan basis. The Indian Institute of Technology (BHU) is also one of the recognized institutions for award of scholarship to SC/ST students under Central Section Scholarship Scheme of top class education scheme of Ministry of Social Justice and Empowerment and Ministry of Tribal Offices. IDD/IMD students are provided Institute Fellowship at Part-V level on fulfilling certain basic criteria. All types of Scholarships/Fellowships will be announced on the Institute website.

#### **Training & Placement:**

Training and Placement Cell of the Institute is actively involved in arranging in-campus placement of students in various industries and organizations and also arranges summer practical training which is an essential component of academic curricula. This cell also organizes soft skill development programmes and gives pre-placement training on various aspects. The placement record of the Institute has been excellent and the job offers are more than 100%. These job offers mostly come(s) from organizations like Microsoft, Hindustan Unilever, De Shaw, NTPC, Deloitte, Morgan Stanley, BHEL, GAIL, Goldman Sachs, Indian Oil, Bharat Petroleum, DRDO, Tata Motors, etc.

Large numbers of students are also opting for higher studies in reputed universities all over the world. The students who have aptitude for management are qualifying for management programmes in IIMs. The industry oriented summer internship programme is aimed at inculcating professional culture amongst the students and familiarizing them to the work environment in the industry. The students are also encouraged to opt for summer internship in industrial/ R&D/reputed educational institutions in foreign countries.

#### **Industry And Alumni Relations:**

The alumni of the Institute are in the apex seat of esteemed organizations/institutions in India and abroad. They are the motivating force behind the overall development of the Institute.

#### **Recreational/Extra Curricular activities:**

The analytical, creative and managerial skills of the students get a chance to be honed through activities of the vibrant Institute Gymkhana, which has cultural, sports & games and co-curricular wings. The Institute has full-fledged cricket and football grounds, and also volleyball, basketball and lawn tennis courts. All the hostels have facilities for indoor games and entertainment. Apart from these, all students of the Institute enjoy the privilege of a swimming pool, a gymnasium with lateral facilities and indoor stadiums. Gymkhana activities are mainly managed by the students to encourage artistic and creative talents in dramatics,

elocution, music and visual arts. Gymkhana has various active clubs, viz. HAM, Audio, Photography, Automobile and Aeromodelling, Cine, Computer, Astronomy, etc. Students actively take part in managing three national level events every year, viz. all India Cultural Festival "KASHI-YATRA", all India Sports Competition "SPARDHA", and all India Exhibition of Engineering and Technology Models "TECHNEX".

**Location and Accessibility:**

The IIT(BHU) and its Hostels are located on the BHU Campus approx. 3 km. From the Main Gate of the Banaras Hindu University, which is about 10 km. from Varanasi Cantt. Railway Station and Lal Bahadur Shastri Airport, Varanasi is approx. 30 km.

### About the Institute:

Indian Institute of Technology Guwahati, the sixth member of the IIT fraternity, was established in 1994. The academic programme of IIT Guwahati commenced in 1995.

Situated on the north bank of the majestic river Brahmaputra, the Institute campus is spread over 700 acres and has been planned taking full advantage of the natural features of the terrain, which consists of several hillocks and lakes. It is arguably one of the most beautiful campuses in India. The campus is about 20 km from the railway station and about 18 km from the airport. Institute bus services ply regularly, to and from the city centre (near Guwahati railway station). Taxis and three wheelers are also available at the railway station. A pre-paid taxi service is available at the airport to go to the Institute.

The weather remains pleasant for most part of the year with a maximum day temperature in summers of around 35 °C and a minimum temperature in the winters of around 7 °C. Guwahati is the gateway to the north eastern region of India, and is well connected by rail and air to all major cities like Delhi, Mumbai, Kolkata, Bangalore, Chennai, Hyderabad, Lucknow, Jaipur etc. All major domestic airlines operate regular flights from Guwahati to all major cities in the country.

#### Academic Structure:

Undergraduate programmes offered include **B.Tech.** in ten disciplines, viz. Biotechnology, Chemical Engineering, Chemical Science & Technology, Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Electronics & Electrical Engineering, Engineering Physics, Mathematics & Computing, and Mechanical Engineering; and **B.Des.** in Design. Postgraduate programmes offered are two-year M.Sc. in Physics, Chemistry, and Mathematics & Computing; a two year M.A. in Development Studies; two-year M.Tech. in Biotechnology, Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electronics & Electrical Engineering, Mechanical Engineering; two-year M.Des.in Design; and a two-year M.S. by Research in Energy. Ph.D. programmes are available in the fields of Science, Technology, and Humanities & Social Sciences to the desirous candidates. In addition, the Institute offers Dual (M.Tech. + Ph.D.) programme in Computer Science and Engineering, and Dual [M.S.(Eng.) + Ph.D.] programme in Electronics and Electrical Engineering. At present the student strength in the institute is 5,180 with about half of them undergraduates, and about a quarter of them in Ph.D. programmes.

The Institute follows a semester-based credit system. The B.Tech. and B.Des. programmes consist of 8 semesters spread over 4 academic years. A student takes 4 to 5 theory courses in addition to laboratory courses in each semester. A project in the final year provides the student ample scope for independent work. Credits are allotted to various courses depending on the number of lecture/tutorial/laboratory hours per week. A student's performance in a course is continuously evaluated throughout the semester and culminates in the award of a grade on a 10-point scale. Performance in a semester is evaluated in terms of the weighted average of grade points secured in all the courses registered in that semester, known as the Semester Performance Index (SPI). A Cumulative Performance Index (CPI) is given, representing the weighted average of grade points secured by a student in all the semesters.

#### Rules For Change Branch:

The Institute has one of the most liberal branch change schemes among all IITs. Students are allowed to change from one branch of study to any other branch after the end of the second semester, subject to certain conditions, some of which are given below:

1. Any student who has completed all the courses of the first two semesters without failing in any, is eligible for branch change. There is no CPI restriction.
2. Change of branch is permitted strictly on the basis of merit (CPI at the end of first two semesters) subject to the limitation that the strength of a branch does not fall below the existing strength by more than ten percent and does not go above the sanctioned strength by more than ten percent.

#### Facilities:

##### Facilities Unique to the Institute :

State-of-the-art teaching laboratories in all the engineering and science disciplines, combined with a Central Workshop and Computer Centre, provide value and strength to the various programmes being offered. The Computer Centre with its modern facilities and pleasant atmosphere is a favourite place of the students for cracking software problems or surfing the Internet. The Central Library has an excellent collection of books, current periodicals and back volumes of journals. The Central Library also subscribes to most journals online, allowing everyone to access them from their computers while in the campus. In addition to the facilities available in the different departments/centres, the Central Instruments Facility (CIF) of the Institute has many state-of-the-art equipment to support students in carrying out their projects and research work. The Institute has also established a Technology Incubation Centre (TIC) to allow students to translate their innovative ideas into commercially significant products by extending support to them after they graduate, in the form of finance, space and technical guidance.

##### Boarding and Lodging :

There are ten boys' hostels and two girls' hostels for accommodating students. Each of these hostels has a mess, a canteen, a stationary shop, indoor games facilities, cable TV, local area network (LAN) connection in every room, and uninterrupted water and power supplies (with generator sets to provide power during load shedding).

The campus has an academic complex, an administrative building, a library cum computer centre building and a lecture theatre complex to cater to the requirement of class rooms and laboratories. Besides, a married scholars' hostel, a fully furnished guest house with a capacity of 144, a convention centre, a state-of-the-art auditorium and ample residential quarters for housing faculty and support staff are also there in the campus. Branches of Canara Bank, ICICI and State Bank of India with ATMs, a post office, a computerized railway Passenger Reservation System (PRS) counter, a book shop, a food court, and a shopping complex serve the needs of campus residents.

The Institute has a stadium for football, cricket, hockey and track and field events, and modern courts with synthetic

surfaces for tennis, volleyball, squash, and basketball. It also has a gymnasium, an indoor sports complex, and a swimming pool. Artificial lights allows sports activities to continue after dark. An additional Student's Activity Centre and an Indoor Sports Complex have also been opened recently. The campus offers plenty of scope for trekking and climbing, so that one can enjoy a challenging and stimulating academic environment blended with a rich outdoor life.

**Health Care :**

The Institute gives great importance to health care. There are three regular Medical Officers (all postgraduates) besides a number of outsourced specialists. The Institute has a seventeen-bed hospital with trained nurses on duty round-the-clock and a Medical Officer available on call. The hospital has modern diagnostic equipment, a pathological laboratory, a pharmacy, and ambulances. For serious patients requiring higher level of care, the Institute also has arrangements with top medical institutions of Guwahati, such as Guwahati Neurological Research Centre (GNRC), Narayana Hrudayalaya Guwahati, International Hospital, Down Town Hospital, Guwahati Medical College Hospital, etc. Besides, there is Group Medical Insurance Scheme(GMIS) for every student arranged by the Institute. Physical Training (two hours per week) as a non-credit, but compulsory course during the first two semesters of the undergraduate programme, is offered to all the students to keep them mentally and physically healthy,

**Financial Assistance:**

The Institute offers a number of scholarships to the students. A Merit-cum-Means Scholarship is available to a maximum of 25% of General and OBC category undergraduate students. Institute Merit Scholarship is awarded to those undergraduate students of second, third and fourth years, who score the highest Yearly Performance Index (YPI) in their respective disciplines.

In addition, Govt. of India SC and ST scholarships, State Govt. scholarships and various industry sponsored scholarships are also available to the deserving students.

**About the Institute:**

At the Gateway of Kerala, where the Sahya Mountains open up a 32 km gap to welcome northeast monsoon into a major rice-growing region of the state, a new institution is being set up. In a 500 acres of land that is bordered on one side by the mountains, and that is situated just a few meters away from the Coimbatore-Kanyakumari National Highway and a few kilometers from the Palakkad railway junction, a buzzing new campus will come up in a couple of years. In the mean time, a transit campus equipped to meet all the needs of the students and faculty has been set up at the Ahalia integrated campus. With fully equipped class rooms, laboratories, modern hostel buildings for girls and boys and sports facilities, the temporary campus is ready to host the bright young minds of the country for their first two to three years of study.

IIT Palakkad is dedicated to create an environment wherein students and faculty can dream, think and innovate to create a better future for the world. Mentored by the experienced minds at IIT Madras, the academic programs at IIT Palakkad are designed to bring out the best out of every student.

**Academic Structure:**

Currently B. Tech. Degree programs in four branches, Civil Engineering, Computer Science and Engineering, Electrical Engineering and Mechanical Engineering, are offered. At present the curriculum of these courses are similar as that of Mentor IIT ( IIT Madras). Independent curriculum and academic structure will be evolve during the coming years.

During the first semester all branches will have a common curriculum.

**Rules For Change Branch:**

The academic programmes offer ample flexibility for areas of specialize. In addition, students can change their branch to another one at the end of the first semester depending on their academic performance. .  
Change of branch may be permitted subject to the following:

1. Such change will be considered only at the end of the first semester. **The performance during the first semester will be the basis for consideration for change of branch.**
2. All students who have successfully completed the first semester of the course, will be eligible for consideration for change of branch, subject to the availability of vacancies.
3. In making a change of branch, the strength of a class should not fall below the existing strength by more than ten percent and should not go above the sanctioned strength by more than ten percent. For this purpose, the strength in both cases refers to the total strength of the students in the class.
4. However, a minimum of one student will be eligible for consideration for change of branch from each discipline at the end of the first semester, irrespective of the regulation 3.
5. If a student with a higher GPA is not offered a particular branch because of other constraints, this should not be offered to any other students with a lower GPA even if he/she is eligible on the basis of the existing norms.
6. Change of branch rules is subject to revision from time to time and the decision of the Senate will be final and binding.

**Faculty:**

During the formative years, most of the courses at IIT Pkd will be handled by experienced faculty from IIT Madras. Care is being taken to make sure that, in the coming years, the faculty will remain a mix of young and experienced.

**Facilities:**

**Temporary campus facilities:**

**Academic building:** Set up in the sprawling Ahalia Integrated campus, the temporary set up of IIT Pkd will have all the facilities required for hassle-free academic environment. A 55,000 sqft academic building, which will house six class rooms, a seminar room, an auditorium, library, a eighty-seater computer room, faculty offices and cafeteria are already available. For the curious and the tinkerer, this building will also house a dedicated innovation lab. All class rooms and seminar halls will be video-enabled and connected through National Knowledge Network to IIT Madras and other established IITs.

**Hostels and sports facilities:**

With spacious, double occupancy rooms with attached toilets, a separate dining block and access to internet and recreational facilities, the hostels at IIT Palakkad are on par with the best available in any other IIT. Set up in a quite and safe environment, the hostels are only 500 mts from the academic building.

The Boys and Girls hostels, and the dining facility, equipped to seat up to 120 students at a time, form a separate secure block in the campus which will also have volleyball and basket ball courts.

In addition students will have access to a gym and football/cricket grounds in the campus.

**Medical facilities:**

The campus has several hospitals and the students, faculty and staff of IIT Palakkad will have access to the general medical facilities available in these hospitals.

**Student Life at Institute:**

The proximity of hostels and academic facilities and the general ambience of the campus is conducive for a vibrant student life. Palakkad town is well known for its cultural heritage and the heritage village adjacent to the campus offers a variety of cultural events. There will be weekly and daily shuttle service from the campus to Palakkad town.

The Ahalia campus houses an engineering college, a management school, a pharmacy college, an ayurvedic college, an eye hospital, a women and children hospital and a diabetic hospital. Since most of the faculty, staff and students of these institutions also reside in the campus shopping and other essential amenities are available within the campus. There are three restaurants functioning within the campus.

**Financial Assistance:**

The scholarships are solely based on financial condition of the student or academic performance of the student. There are also scholarships which are based on both financial condition and academic performance of student.

**1. Institute Merit-cum-Means Scholarship:**

MCM scholarship are awarded for 25% of students admitted

## About the Institute:

Indian Institute of Technology Tirupati is the first among the 3rd generation IITs, announced in 2014, to have the foundation stone laid in March 2015. This new IIT starts functioning on a temporary campus in Tirupati from the academic year 2015-16. IIT Tirupati is starting with the full support of it's mentoring institute, IIT Madras.

IIT Tirupati plans to offer academic programs to produce outstanding Engineers, Technologists and Scientists who are capable of addressing the societal needs to enhance the quality of life of people. This is possible with focused academic programs imparting relevant knowledge and skills. Since engineering is applied science, more emphasis would be laid on theoretical knowledge and practice oriented laboratories. Programs are being planned to nurture innovation and creativity, teamwork, communication skills, ethics and societal interaction. With the objective of creating technologists who are conscious of social, environmental and sustainable issues, courses in humanities and social sciences will be given due importance in the curriculum.

**Academic Structure:**

**Academic Programs**

During the 2015-16 academic year, IIT Tirupati will offer the following Bachelor of Technology programmes with an intake of 30 students in each programme:

- Civil Engineering
- Computer Science and Engineering
- Electrical Engineering
- Mechanical Engineering

Other branches and postgraduate programs will be started in the subsequent years.

The credit based curriculum for 8 semesters will be followed. Each course is evaluated on a 10 point grading system with letter grades. The Cumulative Grade Point Average (CGPA) is calculated at the end of each semester.

Some of the best teachers who are currently teaching at IIT Madras or earlier taught at various IITs will be teaching the courses at IIT Tirupati.

**Rules For Change Branch:**

Change of branch may be permitted subject to the following:

1. Such change will be considered only at the end of the first semester. **The performance during the first semester will be the basis for consideration for change of branch.**
2. All students who have successfully completed the first semester of the course will be eligible for consideration for change of branch, subject to the availability of vacancies.
3. In making a change of branch, the strength of a class should not fall below the existing strength by more than ten percent and should not go above the sanctioned strength by more than ten percent. For this purpose, the strength in both cases refers to the total strength of the students in the class.

4. However, a minimum of one student will be eligible for consideration for change of branch from each discipline at the end of the first semester, irrespective of the regulation
5. If a student with a higher GPA is not offered a particular branch because of other constraints, this should not be offered to any other students with a lower GPA even if he/she is eligible on the basis of the existing norms.
6. Change of branch rules is subject to revision from time to time and the decision of the Senate will be final and binding.

#### **Faculty:**

During the formative years, most of the courses at IIT Tirupati will be handled by experienced faculty from IIT Madras. Care is being taken to make sure that, in the coming years, the faculty will remain a mix of young and experienced.

#### **Facilities:**

##### **Hostel Facilities**

- A fully equipped hostel for boys will be operated in one of the newly constructed facilities on Chittoor Bypass Road near SV University. Dining, sports and recreational facilities will be available.
- Hostel facilities for girls will be located very near the temporary academic campus premises.

##### **Facilities, Co-curricular and Extra-curricular activities**

- On the temporary academic campus, facilities such as bank, post office, restaurant, Gym are available. There will be plenty of opportunities to participate in Co- and Extra- curricular activities depending on the interest of students.

##### **Medical Facilities**

- Arrangements are made to avail the medical facilities by students, faculty and staff in reputed hospitals in Tirupati.

#### **Student Life at Institute:**

Tirupati is a major pilgrimage and cultural centre in the Chittoor District of Andhra Pradesh. It is located at the foothills of the Eastern Ghats at a distance of 150 km from Chennai and 250 km from Bengaluru cities. Tirupati is well connected by air, rail and road.

Tirupati is also an excellent educational centre consisting of various existing universities, institutions etc. The Andhra Pradesh Government proposes to make Tirupati a major knowledge hub. Other institutions coming up in the vicinity of the proposed IIT Tirupati campus include IISER Tirupati and IIIT SriCity, Chittoor Dist.

The temporary campus of IIT Tirupati is situated on Tirupati-Renigunta Road at a distance of 5 kilometers from the center of Tirupati, 4 kilometers from Renigunta Railway Junction and 8 kilometers from Tirupati Airport.

To start with, the temporary academic campus is being planned and designed with all the facilities such as class rooms equipped with modern teaching aids, up-to-date laboratories, computer lab, high bandwidth internet with Wi-Fi connectivity, video conferencing halls, chat & idea rooms, and sports facilities. It will be ensured that the new entrants are comfortable and feel that they entered a well-established institute.

The permanent campus is to be located at Merlapaka on Yerpedu-Venkatagiri road, 22 kilometers from Tirupati and 14 kilometers from the airport. The A.P. Government is providing over 590 acres with a scenic mountain backdrop for the development of a modern campus. It is planned that the permanent campus will be operative by 2019. Large industrial parks like Sri City near Tada already exist in the vicinity of the proposed campus. The A.P. Government proposes to further develop major industrial activity in the Chennai-Nellore-Tirupati triangle area. This would provide many opportunities of internships and placement for the students studying at IIT Tirupati.

#### **Financial Assistance:**

The standard practice of MCM, SC/ST scholarship will be provided as per Gol norms. The number of students eligible for various scholarships and the amount are indicated below.

##### **SC/ST Scholarship:**

<b>SC/ST scholarship awarded to SC/ST students whose parental income less than Rs.4.5 Lakhs</b>	
Eligibility	Parental Annual Income $\leq$ Rs.4.5 Lakhs (renewal every semester – subject to a minimum GPA of 5 in the passed subjects)
Tuition Fees	Exemption from the payment of tuition fees, irrespective parental income and performance.
Mess Charges	Free Messing – Basic Menu (the amount to be reimbursed to the Hostel Management Caters by the Institute)
Pocket Allowance	Rs.250/- per month (The pocket allowance is provided to take care of expenses relating to purchase of notebooks, books, consumables, etc.)
Hostel Seat Rent	Waiver

**Institute Merit-cum-Means (MCM) Scholarship:**

MCM scholarship are awarded for 25% of students admitted	
Eligibility	Parental Annual Income ≤ Rs.4.5 Lakhs (renewal every semester – subject to a minimum GPA of 5 in the passed subjects)
Tuition Fees	Exemption from the payment of tuition fees, irrespective parental income and performance.
Allowance	Rs.1000/- per month

**Institute Free Studentship:**

Free studentship: Beyond 25% limit, for further 10% of students admitted	
Eligibility	Parental Annual Income ≤ Rs.4.5 Lakhs (renewal every semester – subject to a minimum GPA of 5 in the passed subjects)
Tuition Fees	Exemption from the payment of tuition fees, irrespective parental income and performance.

The Dean of Academic Courses will lay down the administrative procedures to be followed in the selection of the students for the award of the scholarships consistent with existing Government regulations if any. The number and names of the selected candidates will be reported to the Senate.

**Recreational/Extra Curricular activities:**

Excellent sports environment is created at the Academic Building as well as at the Hostels.

**Location and Accessibility:**

The temporary campus is situated on Tirupati-Renigunta Road at a distance of 5 kilometers from the centre of Tirupati, 4 kilometers from Renigunta Railway Junction and 8 kilometers from Tirupati Airport. Since the campus is on the main road from Tirupati to Renigunta, good public/private transport facilities available to reach the Campus.

The Boys Hostel is on Alipiri - Chittoor Road (opp to Zoo) which can be reached either by Auto Ricksha, Taxi from Tirupati Railway Station/ Bus Station (6 Kms approximately)

# ADMISSION TO IITs AND ISM

## CLASS XII PERFORMANCE-BASED ELIGIBILITY CRITERION

Category-wise 20-percentile cut-off marks for the years 2014 and 2015 are given here.

Cut-off marks for 2014 are same as those published last year. These are for candidates who completed Class XII in the year 2014.

Cut-off marks for 2015 are calculated from the data given by CoBSE [Council of Boards of Secondary Education]. These are for candidates who completed Class XII in the year 2015.

Candidates should be within the 20-percentile of their respective Class XII boards OR should have 75% [GEN, OBC-NCL] or 70% [SC, ST, PwD] aggregate marks, irrespective of whether they completed Class XII in 2014 or 2015

For candidates who re-appeared for Class XII in 2015 in all the subjects, the best performance of the two years (viz., 2014 and 2015) will be considered to check if they meet the Class XII performance criterion.

For more information, visit <http://jeeadv.iitb.ac.in> → Admission → Performance in Class XII (or equivalent) Board examination

## Class XII performance based eligibility criterion for admission to IITs and ISM

Candidates should satisfy either one of these two criteria:

(i) Be within the top 20 percentile of their respective category / Class XII board OR

(ii) Must have 75% [GEN, OBC-NCL] or 70% [SC, ST, PwD] aggregate marks

For computing cut-offs for (i), considered only those candidates whose result status is 'P' [=pass] and have physics, chemistry, mathematics and at least one language.

Note: The lowest of the four cut-offs (viz., GEN, OBC-NCL, SC, ST) is used for PwD

1. Candidates from Andhra Pradesh Board of Intermediate Education may use any one of the scheme of Board Marks – based on Class-XII only or Class-XI and XII combined for 2014. ~~However, candidates who passed in 2013 will have to furnish the Board marks based on Class-XII only of 2013.~~
2. Because of non-availability of results from Boards listed in numbers 35, 36, 39, 82, 83 and 99, candidates from these Boards will be eligible for admission only if their aggregate marks in percentage are equal to or higher than the cut off declared for CBSE as per JEE (Advanced) – 2014 eligibility criteria. (GE-83.2%, OBC-NCL – 82.0%, SC – 74% and ST – 73.2%).
3. ~~Candidates who passed their Qualifying Examination in 2013 will be considered based on the Cut-off marks of 2013.~~
4. The Board Codes are as given in the JEE (Main)-2014 Bulletin.

Dear Sir,

Subject: Requirement of SCRIBE and EXTRA TIME

I am a PwD candidate (Visually impaired/ dyslexic/ disability in the upper limbs or loss of fingers). I would like to use the service of a scribe for writing JEE (Advanced) 2015. I also request you to provide extra time to complete the paper as per the government norms. Kindly do the needful.

Thanking you,

Certified that:

1. The percentage of handicap is not less than 40%
2. The disability is permanent in nature.

Learning Disability is a permanent developmental disorder. Currently there are no standard approved methods to quantify the disorder. However the method of diagnosis is based on significant impairment in academic achievement. Thus a disorder that is diagnosed implies a disability amounting to not less than 40%
